

Card Grouping: Career & College Ready

The background is a solid light blue. It is decorated with several large, solid-colored circles in yellow and orange. There are 12 yellow circles and 8 orange circles scattered across the page, primarily concentrated around the text.

Prepared:
for jobs, college,
business owners

Develop leaders
who possess the
ability to apply
Critical thinking

The text is written in a bold, black, hand-drawn font on a light blue background. There are several yellow and orange circles scattered around the text, some overlapping it. The circles are of varying sizes and are placed in a way that adds a playful, decorative touch to the overall design.

Prepare for
Success in Life
- College, Trade,
etc... [individually based]

Have appropriate
life skills to advance
into adulthood in
a productive manner.

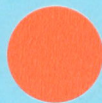

TO PREPARE
STUDENTS TO
THINK CRITICALLY
+
SOLVE PROBLEMS

Career Prep.

Vocational vs.
Professional

Life Skills

finance, living, etc.

So that the
Students exiting
FHS can be
Successful regardless
of their path. ●

Readiness for
college or work

1. To educate our children so they can be contributing, successful members of society. ●

Educated →

Productive + Caring

● Citizens

Life Skills

Develop Practical Life Skills

Time → resource management
so they can set → meet
goals based on defined
expectations

Making sure
students are
prepared for life
after HS

Drive future success
of student &
prepare for next
level

Prepared for
higher learning
or workforce
entrance

Communication Skills

Verbal / Non-Verbal
Written

adaptive

Hard
workers

Resourceful

organized

Productive Citizen
(Respectful)
(Responsible)
(Decent living)

Fostering confidence,
courage, motivation,
and perseverance.

self advocate

Confident:
in themselves and
their future

Card Grouping: Homework & Assessment

Consistency
for all
Teachers &
Students

Three colored circles (yellow, orange, orange) and a purple squiggle are positioned to the right of the text.

Feedback (Grades)
should be loaded
within reasonable
amount of time

To accurately assess
for all learning styles +
types, on all levels,

(not just good test takers)

- What alternate types of
"testing" are in place?

Why is there such a disconnect between the assigning of grades in middle school and the assigning of grades in high school?

NOT OVERLY.

COMPLICATED

A grading system that
is translatable to the
majority of colleges.

Define
Standards Based
Grading

A system that makes
responsibility &
accountability a
priority

To qualify and
document
instructional and
learning effectiveness

Encourage
homework
with grades
assigned

Let
students
retake

Documentation
that supports
reason for grade
(rubrics, syllabus)

Process needs to
align to college
grading classes

Give students
an understanding
of strengths and
weaknesses.

Why not an
A ... not a

help B us. . .

Documentation needs to be presented in a nationally accepted standard, not just the local standard.

Comparison of Harvard vs.
PPCC.

KEEPS

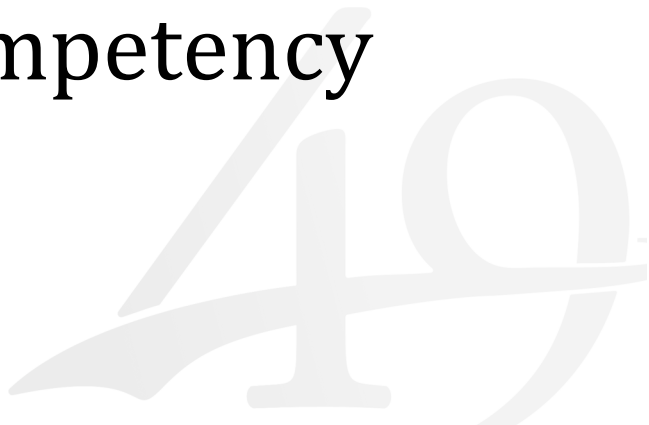

PARENTS INFORMED

Feedback needs to be timely, structured and inclusive.

- Homework is Feedback
- Cattle call P/T conferences are not constructive

-

Card Grouping: Competency

Mastery

Three solid yellow circles are positioned vertically to the right of the word 'Mastery'. The top circle is aligned with the 'a', the middle circle is aligned with the 's', and the bottom circle is aligned with the 't'. The word 'Mastery' is written in a dark blue, cursive-style font.

Basic / Skills /
Vocational
Competencies

So we have a
clear, concise, 
goal/expectation
for students, parents,
and the community.

Overall
comprehension and
understanding of
the topic.

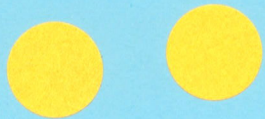

Academic
Competency

Card Grouping: Strengths & Interests

Help students
identify their
strengths and
interests

To explore different
interests and find their
life interests and/or
career paths.

Find interests
and strengths

Support the
child's specific
aspirations

Card Grouping: Motivation

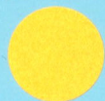

Self - motivated
+ accountable
learner ●

self motivated
learners

To motivate
students & teachers
