Withdrawing Your Child You have the right to disenroll your child from BASE49 at any time. We do require written notice sent to BASE49@d49.org.

Inclement Weather BASE49 will follow the same district protocol with respect to delays and closures.

In the event that the district calls a two hour delay, BASE49 will open at 8:00 am rather than 6:00am. If the district is closed due to weather, BASE49 will also be closed.

BASE49 Illness Policy:

A child should not be sent to BASE49 if they are sick. Additionally, if a child is sick or becomes sick while attending the program, BASE49 reserves the right to call and require a child be picked up as soon as possible if any of the following symptoms are displayed:

If your child requires medication during the program, you must provide a written doctor's order including drug name, dose, time, duration and treatment, doctor's and parent signatures. This includes all over-the-counter medication. **The pharmacy label applied to the medication bottle will not suffice for a doctor's order.**

Medication must be in the original bottle, complete with the pharmacy label. Medications brought to BASE49 must match doctor's orders.

All non-emergency and emergency medications are stored appropriately.

If a student must carry a medication, the physician order must state this and the student must also have a self-carry contract.

The medications provided will not be available outside of program hours.

If your child has a health condition such as asthma, severe allergies, etc. we must have a health care plan provided by a physician.
