

# Substitute Frontline Mobile App

Districts that purchase the Frontline Insights Platform also gain access to the Frontline Education mobile app! The user-friendly app provides increased accessibility to key features such as available jobs, scheduled jobs, and other absence-related tools.

## Getting Started

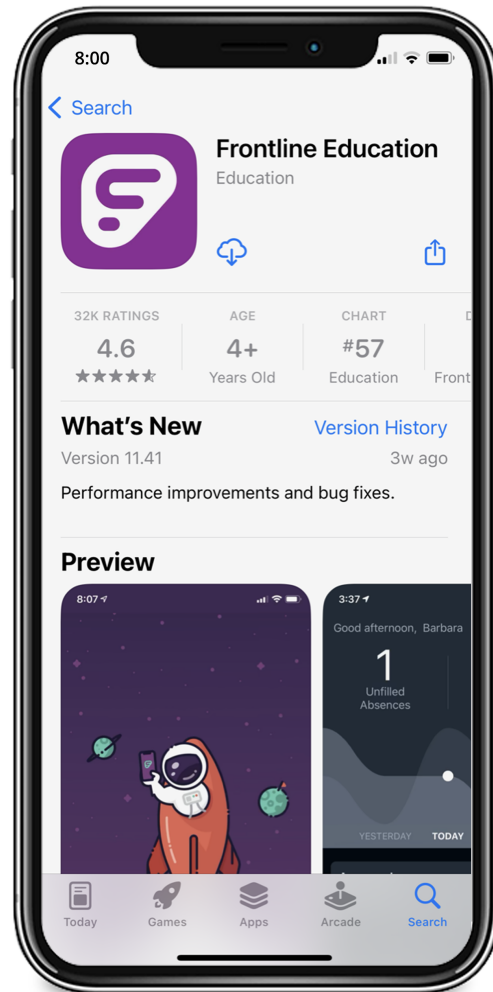

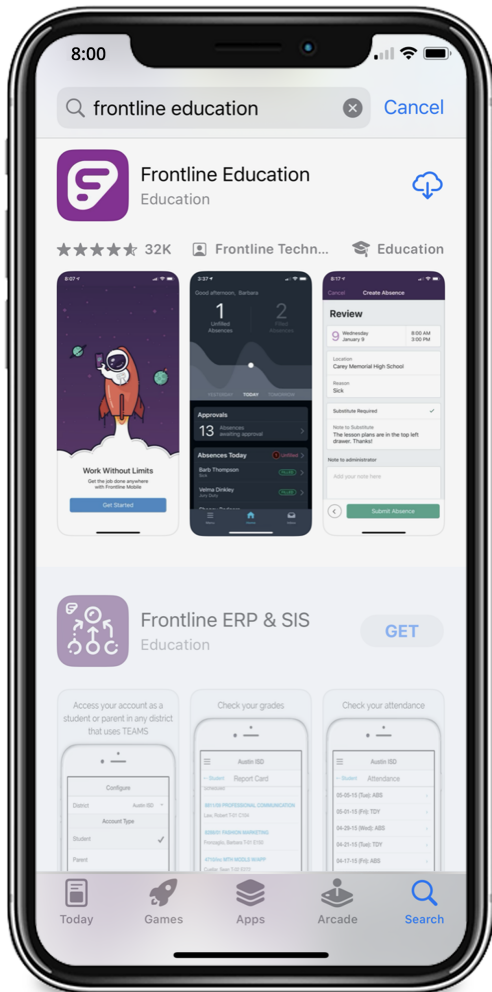

---

In preparation, please ensure you meet the following qualifications prior to downloading the app:

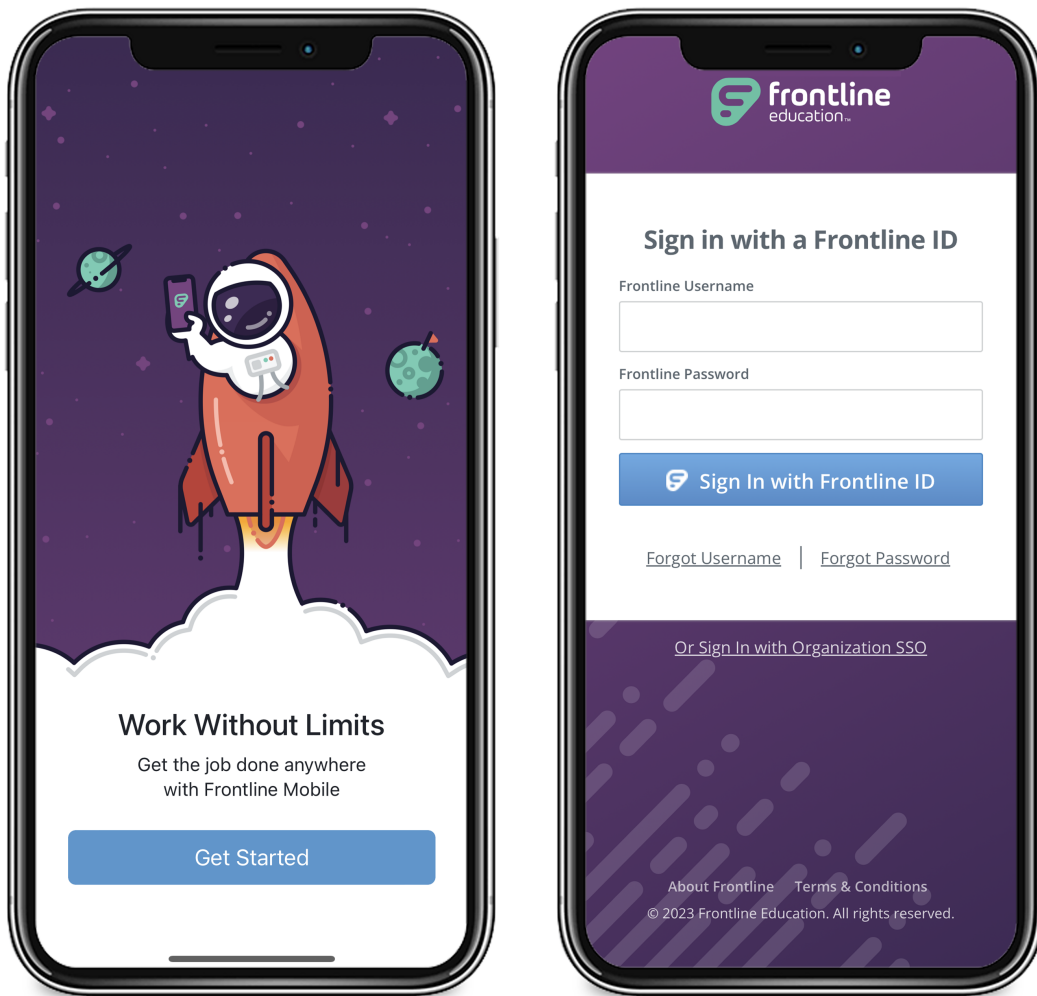

- ☑ Your district must utilize Frontline's Insights Platform.

Once you meet these qualifications, you can download the app and sign in.

Access the app store on your mobile device and enter "Frontline Education" in the search bar. Press the **Get** or **Install** button and install the app.

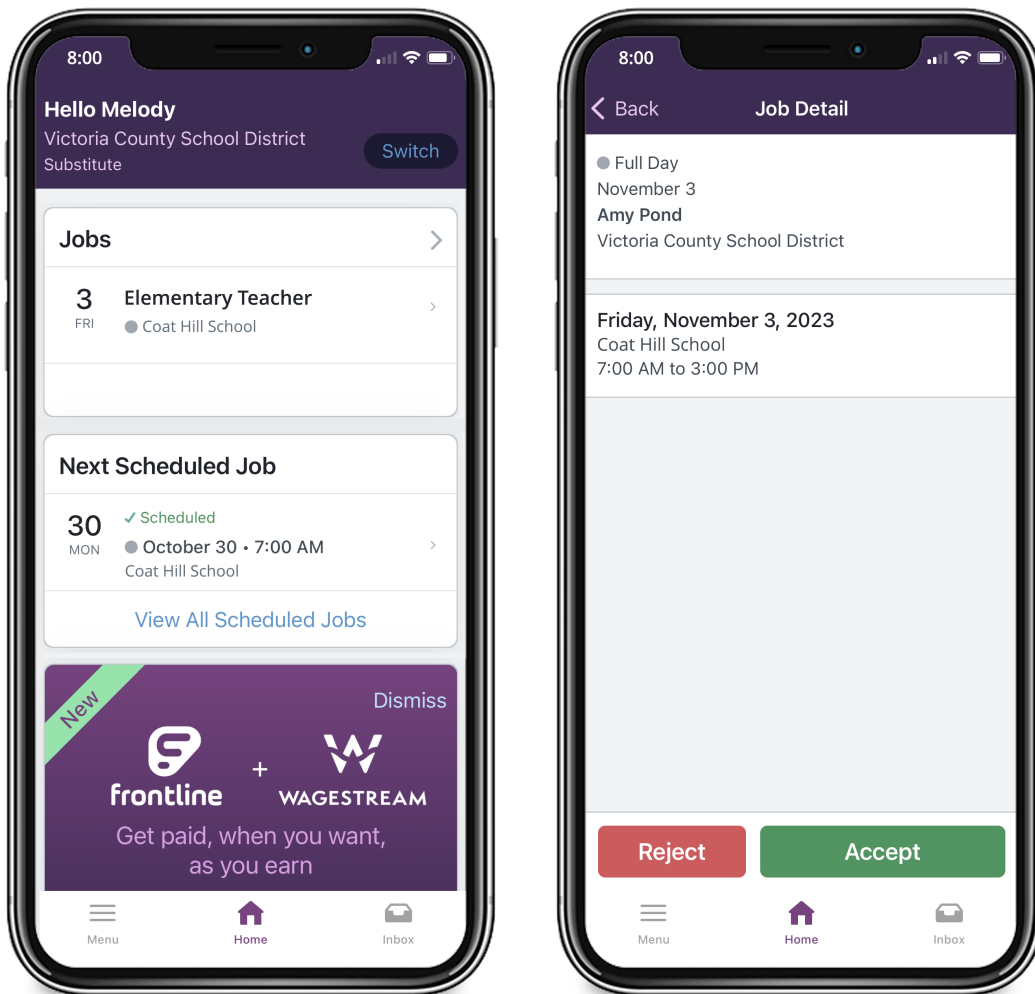

Once the download is complete, a welcome page will display. Press **Get Started** to proceed. The Sign In page then appears. Enter your Frontline ID account or use SSO and sign in.

## Key Features

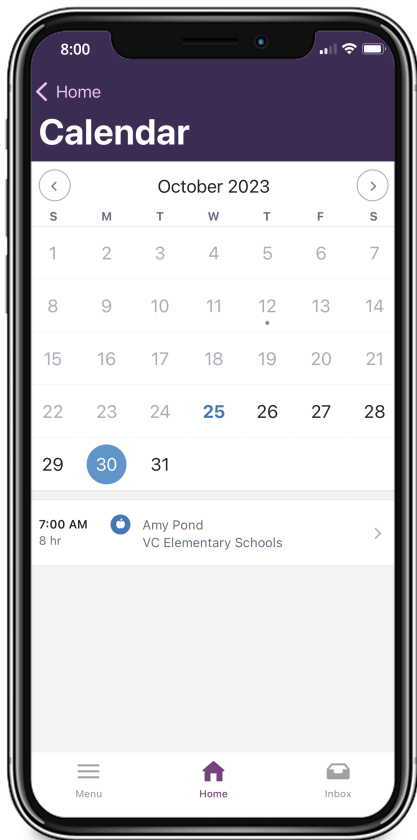

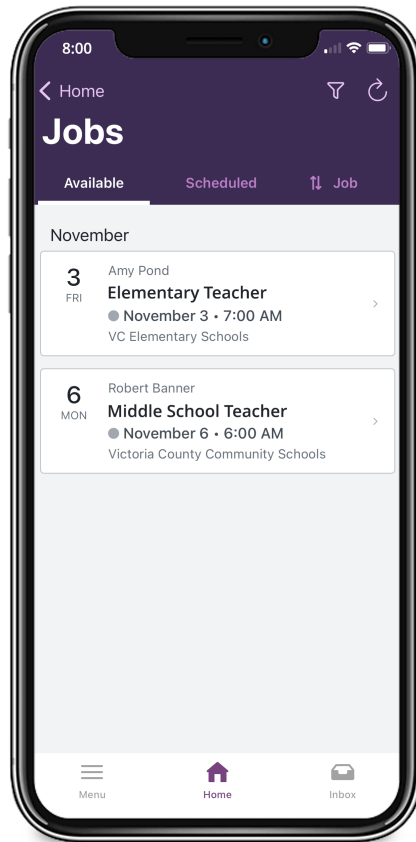

The homepage displays information applicable to your permission setup. Potential in-app features include available jobs and scheduled jobs. These navigation options provide access to job detail pages and other tools.

## Menu/Side Navigation

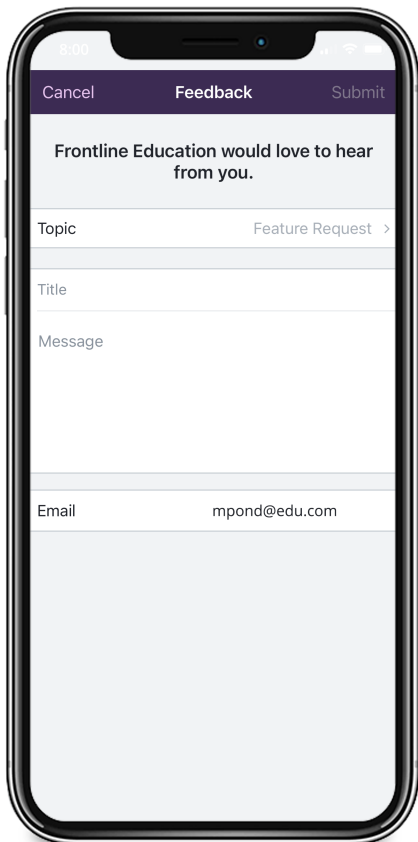

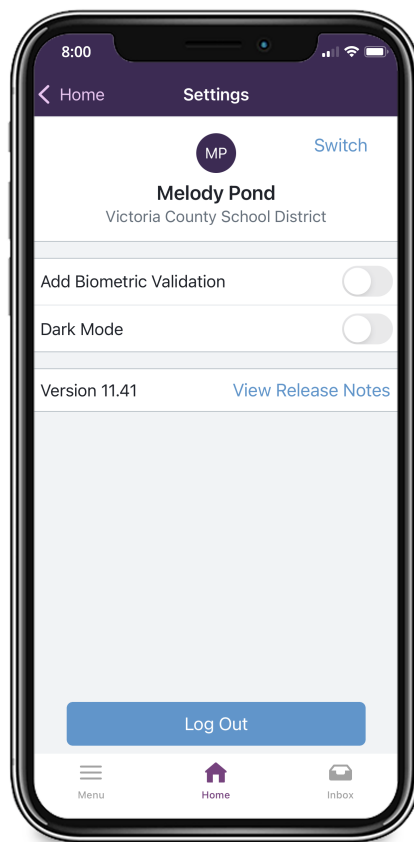

The "Menu" opens a side navigation bar where you can access current tools and settings. Review the options below to learn more about this functionality.
