With A Focus on Growth..

- **Based upon EOY data,**
 - In referencing the Amplify Growth Tool, **what are your observations about growth within K-2? Celebrations?**
 - What adjustments that have been made to systems of support **have been working well for you?**
 - Which foundational/prerequisite skills have **not achieved deep mastery in each grade level?**
- **As you consider your systems of support:**
 - a. How might **Tier 1 instruction be differentiated next year** to address skill deficits?
 - b. What **intervention supports will be adjusted to address** stagnant achievement?
 - c. What **urgent adjustments will be made** to overcome regression?
