

Odyssey Weekly Update

My Path. My Future.

Principal Corner

Hello Odyssey Families,

The third quarter is THE quarter for growth. These are exciting times! Relationships are built and are strong...check. Routines and procedures are in place...check. Learning data has been observed, recorded, and tracked for trends...check.

It's go time!

The third quarter is when learning materializes in deeper ways. The pace at which students read words and comprehend text expands faster and faster. Students' understanding of foundational math practices and their problem-solving skills solidify. The passion for reading, thinking, learning, reflecting, and speaking toward success is amplified.

We can't wait to partner with you to watch our students take off. Continuing to have conversations with your child about the events of the day, what they learned, what was challenging, and how they can persevere through challenges strengthens our home-school connection. Talking with your child about positive school behaviors, and working alongside us when those inevitable mistakes that your child can learn from occur, helps us prevent and restore situations. If you haven't had a chance to watch the video from Peter Hiltz, our District 49 Superintendent, please feel free to do so. You can find it at: <https://www.smore.com/scagbr#bwkizb4ja0>

We can't wait to see the exponential growth that's about to take place at Odyssey Elementary! If you should have any questions, please don't hesitate to reach out.

In partnership,

Mr. Kris Levi
OES Principal

D49 Weather Conditions/Get Closure Updates

- In District 49, our community expects timely communications, especially during safety concerns, like inclement weather. Because each weather-related call is based on current and forecasted conditions, we often publish a final decision early in the morning, rather than the night before. But when a weather forecast is severe enough, we may issue a decision the night before. With winter conditions uncertain and further observations necessary, our crews start evaluating road conditions at midnight. Decisions to close the district are often made by 4:30 a.m.

While anyone can proactively check [D49.org](https://www.d49.org) and our **Facebook page** for updates, or watch for local media reports.

Parent Notifications: If you are a parent in District 49, you can enable "text/SMS" messages with your school administrative secretary. Ensure your parent account in PowerSchool has your correct, text/SMS capable cell number and that the account is checked "enabled" in PowerSchool. You'll receive our D49 alert messages for closures and emergencies.

Please check with your D49 public charter school for how they handle weather delays and closures. Please note, Banning Lewis Ranch Academy parents should use Flash Alert for texts and push notifications, knowing the school does not use the district's student information system.

Nurse's Office

A note from the health room:

As we approach cold and flu season please review the following illness guidance regarding fevers at school and the district medication policy. Falcon School District 49 is following the Illness Guidelines from the Colorado Department of Public Health & Children's Hospital Colorado. Please refer to the full guidelines posted here [How Sick is Too Sick?](#)

Symptom/Síntoma Should your child stay home?/Si su hija/hijo se queda en casa?

Fever

Fever is a temperature of 100.4°F or greater. Babies who are 3 months or younger need to see a health care provider right away for a fever of 100°F or higher. Call your health care provider for any fever in an infant aged 6 months or younger.

Yes – The child or staff member may return to school or child care if the fever has been resolved for 24 hours (without fever-reducing medications) unless the fever is caused by an illness that

requires them to stay home longer.

If the fever is consistent with the usual symptoms of a known chronic condition and the person is otherwise well enough to return to school, no further evaluation is necessary.

A temporary, elevated temperature due to overexertion or overdress, without other symptoms of illness, should not be considered a fever.

For more information about fever, read Children's Hospital Colorado's recommendations on fever care for children.

Fiebre

La fiebre es una

temperatura de 100.4°F o mayor. Si su bebé de 3 meses o menos tiene fiebre mayor a 100°F debe consultar de inmediato a un médico. Llame a su proveedor de atención médica en caso de que un bebé de 6 meses o menos tenga fiebre.

Sí - El niño o el miembro del personal pueden volver a la escuela o a la guardería si la fiebre se ha resuelto en un plazo de 24 horas sin ingerir medicamentos antifebriles (a menos que la fiebre esté causada por una enfermedad que requiera que permanezcan en casa más tiempo).

Si la fiebre encuadra con los síntomas habituales de una enfermedad crónica conocida y la persona se halla lo suficientemente bien como para volver a la escuela, no es necesaria realizar ninguna otra evaluación.

Una temperatura corporal elevada de carácter temporario debida a un sobreesfuerzo o a un exceso de ropa, sin otros síntomas de enfermedad, no debe considerarse fiebre.

Para más información sobre la fiebre, lea Children's Hospital Colorado's recommendations on fever care for children.

PowerSchool Parent Portal - Account Creation Guide

PowerSchool Parent Portal: Account Creation Guide

Get Started ([pdf version of instructions](#)).

PowerSchool is the District’s web-based tool providing real-time insights on student grades, schedules, performance, and attendance.

Before you can access your student information, you must create a new parent account (*existing IC accounts will not work in PowerSchool*).

You need to have at least one student Access ID and Password to create an account. If you have multiple students in our district, you should have received an email for each of those students with an Access ID and Password to link each of your students as you create the account.

If you did not receive an email containing the Access ID and Access Password(case sensitive), please contact your student's school to obtain this information.

To set-up your account click on the link- [Parent & Student Portal / Parent & Student Portal \(d49.org\)](https://d49.org/Parent-Student-Portal)

BASE49 Information

What is BASE49?

- BASE49 is a Before and After School Program that provides quality care on scheduled days, as well as during early release, assessment, and professional development days for working families. We also offer a summer program at limited locations.
 - All District 49 students from grades Kindergarten through Fifth grade are welcome to attend. The program runs from 6 am-6 pm. Our summer and break hours may vary.

CIA - Committee in Action Parent Group

Welcome to Odyssey's Community In Action Page,

Thank you for visiting Odyssey's Community In Action (CIA) page. We appreciate the time and support you offer our parent/community group. The CIA is a parent group whose mission is to institute and sustain a close relationship between the parents, community, teachers, and students by evolving opportunities within the school, home, and community. This group provides support for teachers and students within the classroom, advocates school and family interaction, raises money for supplies and materials for classrooms, and hosts events for the school community. Furthermore, we provide an unbiased forum for sharing information and making decisions that impact our students.
