

Odyssey Weekly Update

My Path. My Future.

Principal Corner

Dear Odyssey Families,

Our Student-Led conferences were a huge success throughout the building! I want to take the time to honor three different parts of this uplifting time:

- To our Odyssey teachers, thank you for helping to grow our students! You play an immense role in developing academic and life-long skills for our students, and the learning that takes place at our school is inspiring, caring, and meaningful.
- To our Odyssey students, keep becoming the leader you're destined to be! If learning was always easy, it wouldn't be the level of learning you deserve. Keep building your stamina and keep having a can-do attitude to reach for the stars.
- To our Odyssey families, thank you for your support and for sharing your children with us! Whether it's encouraging your child to show what they know on homework, reminding them that reading is often the best choice for spending free time, or helping your child with the 7th Habit to "Sharpen the Saw" and live a balanced life, your part of the educational team will help your child unlock their future.

While it is certainly time to celebrate, we know that there is more work ahead. Our learning goals will continue to grow. Testing season will soon be upon our third, fourth, and fifth graders, and they will have the opportunity to do their best and shine. For all our students, now is the time to continue to expand the foundation we've established for even greater success. As we traverse the rest of this school year, please don't hesitate to reach out as we continue our partnership.

In partnership,

Mr. Kris Levi
OES Principal

Note from the Nurse's Room

A note from the health room:

As we approach cold and flu season please review the following illness guidance regarding fevers at school and the district medication policy. Falcon School District 49 is following the Illness Guidelines from the Colorado Department of Public Health & Children's Hospital Colorado. Please refer to the full guidelines posted here [How Sick is Too Sick?](#)

Symptom/Síntoma Should your child stay home?/Si su hija/hijo se queda en casa?

Fever

Fever is a temperature of 100.4°F or greater. Babies who are 3 months or younger need to see a health care provider right away for a fever of 100°F or higher. Call your health care provider for any fever in an infant aged 6 months or younger.

Yes – The child or staff member may return to school or child care if the fever has been resolved for 24 hours (without fever-reducing medications) unless the fever is caused by an illness that requires them to stay home longer.

If the fever is consistent with the usual symptoms of a known chronic condition and the person is otherwise well enough to return to school, no further evaluation is necessary.

A temporary, elevated temperature due to overexertion or overdress, without other symptoms of illness, should not be considered a fever.

For more information about fever, read Children's Hospital Colorado's recommendations on fever care for children.

Fiebre

La fiebre es una temperatura de 100.4°F o mayor. Si su bebé de 3 meses o menos tiene fiebre mayor a 100°F debe consultar de inmediato a un médico. Llame a su proveedor de atención médica en caso de que un bebé de 6 meses o menos tenga fiebre.

Sí - El niño o el miembro del personal pueden volver a la escuela o a la guardería si la fiebre se ha resuelto en un plazo de 24 horas sin ingerir medicamentos antifebriles (a menos que la fiebre esté causada por una enfermedad que requiera que permanezcan en casa más tiempo).

Si la fiebre encuadra con los síntomas habituales de una enfermedad crónica conocida y la persona se halla lo suficientemente bien como para volver a la escuela, no es necesaria realizar ninguna otra evaluación.

Una temperatura corporal elevada de carácter temporario debida a un sobreesfuerzo o a un exceso de ropa, sin otros síntomas de enfermedad, no debe considerarse fiebre.

Para más información sobre la fiebre, lea Children's Hospital Colorado's recommendations on fever care for children.

Parents for Teacher

Good Afternoon Odyssey Parents,

With busy lives, it can be hard to find time to volunteer. However, the benefits of volunteering are enormous to you! At Odyssey Elementary we value parents taking an active role at our school. In addition, there is evidence parent engagement increases student achievement. We are looking for families excited to get involved with Odyssey by signing up to volunteer on Friday, February 23rd, 2024.

Please follow this link, Parents for Teachers Sign-Up Genius: [Parents for Teachers Sign-Up Link](#)

Please keep in mind this sign up genius is just for February 23rd Volunteer Day.

If you would like to volunteer, please take a few minutes to submit a volunteer application.

Scheduled Dates: April 26th

The time will be from 9am-12pm.

Thank you!

CMAS Letter

February 9, 2024

Dear Odyssey Elementary School Family,

Thank you for your continued commitment and support of your students and the OES community. Beginning April, we will enter the state testing window for our 3rd, 4th, and 5th grade students. This is an amazing opportunity for students to demonstrate their learning and see their growth! We value the data that we gain from these assessments.

Please note: 3rd and 4th graders will be participating in the Math and ELA CMAS, 5th graders will be participating in Math, ELA, and Science CMAS. Our OES teachers continue to prepare your child throughout this school year. We are excited to see them shine as they demonstrate their learning through these state assessments. These tests provide important feedback on the firm foundation we have built with each learner.

- These assessments do not define a student's abilities and skills, but they do impact how we deliver instruction to meet the unique needs of each student. Teachers use these assessment

results to plan with students and set goals to support their individual paths, planning for next steps in the learning journey.

- Parents gain insight about academic strengths and areas for growth, as well as information about how students compare to others across the state and nationally.
- Our community is provided with information about how our school is performing overall.

We are aiming for 100% participation on these tests.

Below are the dates and times, so please plan accordingly:

April 9th, 10th, 11th

Grades 3rd, 4th, 5th - 8:30 - 11:00 am - ELA Testing

April 16th, 17th, 18th

Grades 3-5 - 8:30 - 11:00 am - Math Testing

5th Grade Only, 1:45 - 3:15 pm - Science Testing

Here are some things you can do at home to maximize your child's success: feed your child a good breakfast the mornings of the assessment, ensure your child gets a good night's rest, continue daily reading time at home, and continue to practice basic math. Additional logistics of testing week will be shared in the coming week. Please mark these dates on your calendars and plan appointments around testing days.

You can also access further information about our district and state assessment program at: <http://d49.org/assessments>. We thank you for your partnership in supporting this endeavor!

Estimada familia de la escuela primaria Odyssey:

Gracias por su continuo compromiso y apoyo a sus estudiantes y a la comunidad OES. A partir de abril, entraremos en el período de pruebas estatales para nuestros estudiantes de 3.º, 4.º y 5.º grado. ¡Esta es una oportunidad increíble para que los estudiantes demuestren su aprendizaje y vean su crecimiento! Valoramos los datos que obtenemos de estas evaluaciones.

Tenga en cuenta: los estudiantes de 3er y 4to grado participarán en Matemáticas y ELA CMAS, los estudiantes de 5to grado participarán en Matemáticas, ELA y Ciencias CMAS. Nuestros maestros de OES continúan preparando a su hijo durante este año escolar. Estamos emocionados de verlos brillar mientras demuestran su aprendizaje a través de estas evaluaciones estatales. Estas pruebas brindan información importante sobre la base firme que hemos construido con cada alumno.

Estas evaluaciones no definen las habilidades y destrezas de un estudiante, pero sí impactan la forma en que brindamos instrucción para satisfacer las necesidades únicas de cada estudiante. Los maestros utilizan los resultados de estas evaluaciones para planificar con los estudiantes y establecer metas para respaldar sus caminos individuales, planificando los próximos pasos en el viaje de aprendizaje. Los padres obtienen información sobre las fortalezas académicas y las áreas de crecimiento, así como información sobre cómo se comparan los estudiantes con otros en todo el estado y a nivel nacional. Nuestra comunidad recibe información sobre el desempeño general de nuestra escuela.

Nuestro objetivo es lograr una participación del 100% en estas pruebas.

9, 10 y 11 de abril

Grados 3.º, 4.º, 5.º - 8:30 - 11:00 am - Pruebas de ELA

16, 17, 18 de abril

Grados 3-5 - 8:30 - 11:00 am - Exámenes de Matemáticas

Solo 5to grado, 1:45 - 3:15 pm - Exámenes de ciencias

Aquí hay algunas cosas que puede hacer en casa para maximizar el éxito de su hijo: alimente a su hijo con un buen desayuno las mañanas de la evaluación, asegúrese de que descanse bien por la noche, continúe con el tiempo de lectura diario en casa y continúe practicando matemáticas básicas. La logística adicional de la semana de pruebas se compartirá la próxima semana. Marque estas fechas en sus calendarios y planifique citas alrededor de los días de exámenes.

También puede acceder a más información sobre nuestro programa de evaluación estatal y distrital en: <http://d49.org/assessments> ¡Le agradecemos su colaboración para apoyar este esfuerzo!

D49 Weather Conditions/Get Closure Updates

- In District 49, our community expects timely communications, especially during safety concerns, like inclement weather. Because each weather-related call is based on current and forecasted conditions, we often publish a final decision early in the morning, rather than the night before. But when a weather forecast is severe enough, we may issue a decision the night before. With winter conditions uncertain and further observations necessary, our crews start evaluating road conditions at midnight. Decisions to close the district are often made by 4:30 a.m.

While anyone can proactively check D49.org and our **Facebook page** for updates, or watch for local media reports.

Parent Notifications: If you are a parent in District 49, you can enable "text/SMS" messages with your school administrative secretary. Ensure your parent account in PowerSchool has your correct, text/SMS capable cell number and that the account is checked "enabled" in PowerSchool. You'll receive our D49 alert messages for closures and emergencies.

Please check with your D49 public charter school for how they handle weather delays and closures. Please note, Banning Lewis Ranch Academy parents should use Flash Alert for texts and push notifications, knowing the school does not use the district's student information system.

D49 STUDENT PHOTO / IMAGE USAGE OPT-OUT FORM

- District 49 uses student photos and videos to promote school and educational activities, awards, athletics, clubs, special programs, honors, and other events, including photos in the yearbook.

These images will be used on district and school websites, social media, videos, posters, promotional materials, advertisements and other online and offline media. You have our assurance that these images will be used only for official purposes and with the respect and consideration to which you and your student(s) are entitled. Please take a look at the district website and social media for examples.

If you wish to opt out of having D49 use your student's image, (including yearbook) you will need to fill out this form that restricts your child's name, photo / image and directory information (school and grade) from being published in staff-produced district and school media listed above.

This does not restrict a teacher from sending information, photos or videos related to a student to the parent or guardian.

If no photo / image opt-out documentation is on file, it will be assumed that permission for release of information has been granted per school board policy JRA/JRC: Disclosure of Directory Information.

Open Events: Please be aware that ensuring student privacy is NOT POSSIBLE during open events such as school or district-related meetings, assemblies, activities, performances and athletics where cameras are permitted.

Parents, guardians, family members, and students are potentially taking and sharing photos and videos during these Open Events, even if not open to the general public. Images of your student could be in these photos and videos. By choosing to allow students to attend or participate in such activities and programs, parents/guardians agree to this condition. D49 will do its best to not share photos of students with photo opt-out forms taken at open events.

Public Events: Students participating in sports, choir, band, JROTC, cheerleading, theater, and other school activities, or attending such activities, that are open to the public are NOT ELIGIBLE for photo opt-out forms, as there is no way to prevent photography and videos and news media coverage of public events. D49 has the right to use photos of these students.

Student-produced news is not considered student directory information. Parents/guardians who do not want their children included in student-produced media should not allow their children to pose for these photos or videos or participate in student media.

The district limits access to the outside news media, but it does not have control of the media. Access by news media, individuals, organizations, or television/film production companies to non-public locations and events, such as inside a classroom, will be conditioned upon agreement to honor parent/guardian preferences.

Instructions for the new form can be found on the D49 website here:

Some changes of note:

1. If a student is participating in an activity such as band, sports, choir, ROTC, etc., parents and students cannot adhere to an expectation of privacy outlined in the Photo Opt Out, due to the public nature of events that correspond with the chosen activity.
2. Parents must fill out the form each school year.

Kids Heart Challenge

A message from Nick Mimmo.

Ready for a life-changing mission **Odyssey Elementary**? Grab your family and join us in learning Hands-Only CPR through the **Kids Heart Challenge** and crush our goal for the American Heart Association!

PowerSchool Parent Portal: Account Creation Guide

Get Started ([pdf version of instructions](#)).

PowerSchool is the District's web-based tool providing real-time insights on student grades, schedules, performance, and attendance.

Before you can access your student information, you must create a new parent account (*existing IC accounts will not work in PowerSchool*).

You need to have at least one student Access ID and Password to create an account. If you have multiple students in our district, you should have received an email for each of those students with an Access ID and Password to link each of your students as you create the account.

If you did not receive an email containing the Access ID and Access Password(case sensitive), please contact your student's school to obtain this information.

To set-up your account click on the link- [Parent & Student Portal / Parent & Student Portal \(d49.org\)](#).
