

Odyssey Weekly Update

My Path. My Future.

Principal Corner

Dear Odyssey Families,

Our school is so grateful and proud of the work we do in regards to Leader in Me. Since you may be reading this article as a new family to Odyssey Elementary, or even if you've been at our school for a long period of time, I'd like to offer a quick breakdown of how we are preparing our Comets to be the leaders of tomorrow.

Leader in Me is based on Steven Covey's *7 Habits of Highly Effective People*. These habits are time-tested traits that we develop alongside our students to prepare them to be their best as both children and adults. These habits are:

1. Be Proactive
2. Begin with the End in Mind
3. Put First Things First
4. Think Win-Win
5. Seek First to Understand, Then to be Understood
6. Synergize
7. Sharpen the Saw

Not only do we discuss these habits with students and feature them in videos, but we also celebrate with students by parading around our school once they have achieved their goals!

As always, feel free to reach out if you would like more information about this topic or for anything else you'd like to learn about Odyssey Elementary.

In partnership,

Mr. Kris Levi
OES Principal

CMAS Letter

February 9, 2024

Dear Odyssey Elementary School Family,

Thank you for your continued commitment and support of your students and the OES community. Beginning April, we will enter the state testing window for our 3rd, 4th, and 5th grade students. This is an amazing opportunity for students to demonstrate their learning and see their growth! We value the data that we gain from these assessments.

Please note: 3rd and 4th graders will be participating in the Math and ELA CMAS, 5th graders will be participating in Math, ELA, and Science CMAS. Our OES teachers continue to prepare your child throughout this school year. We are excited to see them shine as they demonstrate their learning through these state assessments. These tests provide important feedback on the firm foundation we have built with each learner.

- These assessments do not define a student's abilities and skills, but they do impact how we deliver instruction to meet the unique needs of each student. Teachers use these assessment results to plan with students and set goals to support their individual paths, planning for next steps in the learning journey.
- Parents gain insight about academic strengths and areas for growth, as well as information about how students compare to others across the state and nationally.
- Our community is provided with information about how our school is performing overall

We are aiming for 100% participation on these tests.

Below are the dates and times, so please plan accordingly:

April 9th, 10th, 11th

Grades 3rd, 4th, 5th - 8:30 - 11:00 am - ELA Testing

April 16th, 17th, 18th

Grades 3-5 - 8:30 - 11:00 am - Math Testing

5th Grade Only, 1:45 - 3:15 pm - Science Testing

Here are some things you can do at home to maximize your child's success: feed your child a good breakfast the mornings of the assessment, ensure your child gets a good night's rest, continue daily reading time at home, and continue to practice basic math. Additional logistics of testing week will be shared in the coming week. Please mark these dates on your calendars and plan appointments around testing days.

You can also access further information about our district and state assessment program at:

Estimada familia de la escuela primaria Odyssey:

Gracias por su continuo compromiso y apoyo a sus estudiantes y a la comunidad OES. A partir de abril, entraremos en el período de pruebas estatales para nuestros estudiantes de 3.º, 4.º y 5.º grado. ¡Esta es una oportunidad increíble para que los estudiantes demuestren su aprendizaje y vean su crecimiento! Valoramos los datos que obtenemos de estas evaluaciones.

Tenga en cuenta: los estudiantes de 3er y 4to grado participarán en Matemáticas y ELA CMAS, los estudiantes de 5to grado participarán en Matemáticas, ELA y Ciencias CMAS. Nuestros maestros de OES continúan preparando a su hijo durante este año escolar. Estamos emocionados de verlos brillar mientras demuestran su aprendizaje a través de estas evaluaciones estatales. Estas pruebas brindan información importante sobre la base firme que hemos construido con cada alumno.

Estas evaluaciones no definen las habilidades y destrezas de un estudiante, pero sí impactan la forma en que brindamos instrucción para satisfacer las necesidades únicas de cada estudiante. Los maestros utilizan los resultados de estas evaluaciones para planificar con los estudiantes y establecer metas para respaldar sus caminos individuales, planificando los próximos pasos en el viaje de aprendizaje. Los padres obtienen información sobre las fortalezas académicas y las áreas de crecimiento, así como información sobre cómo se comparan los estudiantes con otros en todo el estado y a nivel nacional. Nuestra comunidad recibe información sobre el desempeño general de nuestra escuela.

Nuestro objetivo es lograr una participación del 100% en estas pruebas.

A continuación se detallan las fechas y horarios, así que planifique en consecuencia:

9, 10 y 11 de abril

Grados 3.º, 4.º, 5.º - 8:30 - 11:00 am - Pruebas de ELA

16, 17, 18 de abril

Grados 3-5 - 8:30 - 11:00 am - Exámenes de Matemáticas

Aquí hay algunas cosas que puede hacer en casa para maximizar el éxito de su hijo: alimente a su hijo con un buen desayuno las mañanas de la evaluación, asegúrese de que descanse bien por la noche, continúe con el tiempo de lectura diario en casa y continúe practicando matemáticas básicas. La logística adicional de la semana de pruebas se compartirá la próxima semana. Marque estas fechas en sus calendarios y planifique citas alrededor de los días de exámenes.

También puede acceder a más información sobre nuestro programa de evaluación estatal y distrital en: <http://d49.org/assessments> ¡Le agradecemos su colaboración para apoyar este esfuerzo!

D49 Weather Conditions/Get Closure Updates

- In District 49, our community expects timely communications, especially during safety concerns, like inclement weather. Because each weather-related call is based on current and forecasted conditions, we often publish a final decision early in the morning, rather than the night before. But when a weather forecast is severe enough, we may issue a decision the night before. With winter conditions uncertain and further observations necessary, our crews start evaluating road conditions at midnight. Decisions to close the district are often made by 4:30 a.m.

While anyone can proactively check D49.org and our **Facebook page** for updates, or watch for local media reports.

Parent Notifications: If you are a parent in District 49, you can enable "text/SMS" messages with your school administrative secretary. Ensure your parent account in PowerSchool has your correct, text/SMS capable cell number and that the account is checked "enabled" in PowerSchool. You'll receive our D49 alert messages for closures and emergencies.

Please check with your D49 public charter school for how they handle weather delays and closures. Please note, Banning Lewis Ranch Academy parents should use Flash Alert for texts and push notifications, knowing the school does not use the district's student information system.

D49 STUDENT PHOTO / IMAGE USAGE OPT-OUT FORM

- District 49 uses student photos and videos to promote school and educational activities, awards, athletics, clubs, special programs, honors, and other events, including photos in the yearbook.

These images will be used on district and school websites, social media, videos, posters, promotional materials, advertisements and other online and offline media. You have our assurance that these images will be used only for official purposes and with the respect and

consideration to which you and your student(s) are entitled. Please take a look at the district website and social media for examples.

If you wish to opt out of having D49 use your student's image, (including yearbook) you will need to fill out this form that restricts your child's name, photo / image and directory information (school and grade) from being published in staff-produced district and school media listed above.

This does not restrict a teacher from sending information, photos or videos related to a student to the parent or guardian.

If no photo / image opt-out documentation is on file, it will be assumed that permission for release of information has been granted per school board policy JRA/JRC: Disclosure of Directory Information.

Open Events: Please be aware that ensuring student privacy is NOT POSSIBLE during open events such as school or district-related meetings, assemblies, activities, performances and athletics where cameras are permitted.

Parents, guardians, family members, and students are potentially taking and sharing photos and videos during these Open Events, even if not open to the general public. Images of your student could be in these photos and videos. By choosing to allow students to attend or participate in such activities and programs, parents/guardians agree to this condition. D49 will do its best to not share photos of students with photo opt-out forms taken at open events.

Public Events: Students participating in sports, choir, band, JROTC, cheerleading, theater, and other school activities, or attending such activities, that are open to the public are NOT ELIGIBLE for photo opt-out forms, as there is no way to prevent photography and videos and news media coverage of public events. D49 has the right to use photos of these students.

Student-produced news is not considered student directory information. Parents/guardians who do not want their children included in student-produced media should not allow their children to pose for these photos or videos or participate in student media.

The district limits access to the outside news media, but it does not have control of the media. Access by news media, individuals, organizations, or television/film production companies to non-public locations and events, such as inside a classroom, will be conditioned upon agreement to honor parent/guardian preferences.

Instructions for the new form can be found on the D49 website here:

www.d49.org/Page/10310

Some changes of note:

1. If a student is participating in an activity such as band, sports, choir, ROTC, etc., parents and students cannot adhere to an expectation of privacy outlined in the Photo Opt Out, due to the public nature of events that correspond with the chosen activity.
2. Parents must fill out the form each school year.

PowerSchool Parent Portal - Account Creation Guide

PowerSchool Parent Portal: Account Creation Guide

Get Started ([pdf version of instructions](#)).

PowerSchool is the District’s web-based tool providing real-time insights on student grades, schedules, performance, and attendance.

Before you can access your student information, you must create a new parent account (*existing IC accounts will not work in PowerSchool*).

You need to have at least one student Access ID and Password to create an account. If you have multiple students in our district, you should have received an email for each of those students with an Access ID and Password to link each of your students as you create the account.

If you did not receive an email containing the Access ID and Access Password(case sensitive), please contact your student's school to obtain this information.

To set-up your account click on the link- [Parent & Student Portal / Parent & Student Portal \(d49.org\)](#)

CIA - Committee in Action Parent Group

Welcome to Odyssey's Community In Action Page,

Thank you for visiting Odyssey's Community In Action (CIA) page. We appreciate the time and support you offer our parent/community group. The CIA is a parent group whose mission is to institute and sustain a close relationship between the parents, community, teachers, and students by evolving opportunities within the school, home, and community. This group provides support for teachers and students within the classroom, advocates school and family interaction, raises money for supplies and materials for classrooms, and hosts events for the school community. Furthermore, we provide an unbiased forum for sharing information and making decisions that impact our students.
