

Odyssey Weekly Update

My Path. My Future.

Principal Corner

Hello Odyssey Families,

Our first week of CMAS testing is complete! I would like to take time and let our community know that it was a TREMENDOUS school effort to help our third, fourth, and fifth graders shine! Our test takers had a positive attitude, applied the things they've learned in school to give their best answers, and persevered. Our kindergarten, first grade, and second grade students did their part, too. Our hallways were quiet during transitions and we cheered and celebrated effort schoolwide. Yay, kids, and yay, teachers!

This next, week, our 3rd, 4th, and 5th graders will all be taking Math CMAS, and our 5th graders will be doubling up with Science CMAS. Energy can be key for student success, and it helps them feel happy, too! Here are some quick reminders as we head into next week:

- The same bedtime for students provides routine and rest. Many elementary kids benefit from at least 10 hours of sleep. That seems like a lot, but it's true!
- Electronics before sleep affect sleep quality. We have several families who have an understanding in their home that there are no electronics an hour before bedtime. An added layer can be to have children charge their devices outside of their bedroom.
- Breakfast is a good way to start the day. Some students eat breakfast at home, and others eat here at school. Please know that our doors open at 7:50 for free breakfast.
- Keep encouraging your child to strive for success! It's been a great partnership this year between our classrooms, our school, and our community. Keep asking about what your child is learning, having conversations about school, and reminding kids that learning is fun.

We love seeing our Odyssey Comets each day, and we know that the 2023-2024 school year is winding down. Thank you for all that you do to help us make these days count.

In partnership,

The Odyssey Elementary Administrative Team

A vibrant promotional poster for the Harlem Wizards basketball team. The top half features the team members in their red and blue uniforms, posing dynamically against a purple and yellow background with starburst effects. The text "THE HARLEM WIZARDS ARE COMING TO TOWN!" is prominently displayed at the top in a bold, stylized font. Below the team photo is the Harlem Wizards logo, which includes the text "HARLEM WIZARDS" and "TRUCKS, HOOPS & ALLEY OOPS". The bottom half of the poster has a white background with the text "SAVE THE DATE" in large, bold letters. Below this, it provides event details: "WHAT: POWER Zone Staff v. Wizards", "WHEN: Friday, April 26 · 7:00 – 9:00pm", and "WHERE: Vista Ridge High School". At the very bottom, it says "For Ticket Information: Go to HARLEMWIZARDS.COM & click 'GET TICKETS'" in a bold, black font.

D49 Weather Conditions/Get Closure Updates

- In District 49, our community expects timely communications, especially during safety concerns, like inclement weather. Because each weather-related call is based on current and forecasted conditions, we often publish a final decision early in the morning, rather than the night before. But when a weather forecast is severe enough, we may issue a decision the night before. With winter conditions uncertain and further observations necessary, our crews start evaluating road conditions at midnight. Decisions to close the district are often made by 4:30 a.m.

While anyone can proactively check [D49.org](https://www.d49.org) and our **Facebook page** for updates, or watch for local media reports.

Parent Notifications: If you are a parent in District 49, you can enable "text/SMS" messages with your school administrative secretary. Ensure your parent account in PowerSchool has your correct, text/SMS capable cell number and that the account is checked "enabled" in PowerSchool. You'll receive our D49 alert messages for closures and emergencies.

Please check with your D49 public charter school for how they handle weather delays and closures. Please note, Benning Lewis Ranch Academy parents should use Flash Alert for texts.

and push notifications, knowing the school does not use the district's student information system.

D49 STUDENT PHOTO / IMAGE USAGE OPT-OUT FORM

- District 49 uses student photos and videos to promote school and educational activities, awards, athletics, clubs, special programs, honors, and other events, including photos in the yearbook.

These images will be used on district and school websites, social media, videos, posters, promotional materials, advertisements and other online and offline media. You have our assurance that these images will be used only for official purposes and with the respect and consideration to which you and your student(s) are entitled. Please take a look at the district website and social media for examples.

If you wish to opt out of having D49 use your student's image, (including yearbook) you will need to fill out this form that restricts your child's name, photo / image and directory information (school and grade) from being published in staff-produced district and school media listed above.

This does not restrict a teacher from sending information, photos or videos related to a student to the parent or guardian.

If no photo / image opt-out documentation is on file, it will be assumed that permission for release of information has been granted per school board policy JRA/JRC: Disclosure of Directory Information.

Open Events: Please be aware that ensuring student privacy is NOT POSSIBLE during open events such as school or district-related meetings, assemblies, activities, performances and athletics where cameras are permitted.

Parents, guardians, family members, and students are potentially taking and sharing photos and videos during these Open Events, even if not open to the general public. Images of your student could be in these photos and videos. By choosing to allow students to attend or participate in such activities and programs, parents/guardians agree to this condition. D49 will do its best to not share photos of students with photo opt-out forms taken at open events.

Public Events: Students participating in sports, choir, band, JROTC, cheerleading, theater, and other school activities, or attending such activities, that are open to the public are NOT ELIGIBLE for photo opt-out forms, as there is no way to prevent photography and videos and news media coverage of public events. D49 has the right to use photos of these students.

Student-produced news is not considered student directory information. Parents/guardians who do not want their children included in student-produced media should not allow their children to pose for these photos or videos or participate in student media.

The district limits access to the outside news media, but it does not have control of the media. Access by news media, individuals, organizations, or television/film production companies to non-public locations and events, such as inside a classroom, will be conditioned upon agreement to honor parent/guardian preferences.

Instructions for the new form can be found on the D49 website here:

www.d49.org/Page/10310

Some changes of note:

1. If a student is participating in an activity such as band, sports, choir, ROTC, etc., parents and students cannot adhere to an expectation of privacy outlined in the Photo Opt Out, due to the public nature of events that correspond with the chosen activity.
2. Parents must fill out the form each school year.

PowerSchool Parent Portal – Account Creation Guide

PowerSchool Parent Portal: Account Creation Guide

Get Started ([pdf version of instructions](#)).

PowerSchool is the District's web-based tool providing real-time insights on student grades, schedules, performance, and attendance.

Before you can access your student information, you must create a new parent account (*existing IC accounts will not work in PowerSchool*).

You need to have at least one student Access ID and Password to create an account. If you have multiple students in our district, you should have received an email for each of those students with an Access ID and Password to link each of your students as you create the account.

If you did not receive an email containing the Access ID and Access Password(case sensitive), please contact your student's school to obtain this information.

To set-up your account click on the link- [Parent & Student Portal / Parent & Student Portal \(d49.org\)](#)
