

Odyssey Weekly Update

My Path. My Future.

Principal Corner

Hello Odyssey Families,

Teacher Appreciation Week is upon us!

From May 6th-10th, we want to especially honor our Odyssey teachers and staff who put in countless hours on behalf of students. It is a joy, in my position, to hear from parents who are experiencing such positive things because of our teachers' commitment. Whether I am receiving phone calls praising our staff, talking with parents on school grounds about how much they appreciate what takes place in the classrooms, and witnessing numerous smiles when people share their experiences here at Odyssey, our work with kids feeds our hearts.

This week, I highly encourage you and your child to find a way to express gratitude to our staff. A small token can have a big impact. Your child taking the time to make, write, and color a piece of paper can bring exactly the type of intrinsic reward our teachers love. An email that pops into a teacher inbox with meaningful words from you can also be the type of rejuvenation that keeps us motivated through the month of May. Whatever you choose to do, my hope would be that you would do something to bring a spotlight to our staff.

As we head into our last month of school, please feel free to communicate with us. Should you have any questions, don't hesitate to reach out.

In partnership,

The Odyssey Elementary Administrative Team

Health Room - Medication Pick Up Information

Dear Parents/Guardians,

We are writing to inform you that we need you to pick up any medication that you have in the health room for your student. It must be picked up by an adult by the last day of school, May 24, 2024 by 12:00PM, or it will be destroyed in accordance with State law. (6CCR 1007-2, Part 1, *Regulations Pertaining to Solid Waste Sites and Facilities* and 6 CCR 1007-3, Parts 260-268, and

Parts 99, and 100.) Unfortunately, we cannot be responsible for medications over the summer break.

Here is the link to the nursing services page so that you are able to print forms for the next school year. All the forms on this website are the most current version for the upcoming school year. Please remember that medication forms need to be completed EVERY school year.

Health Room Help

We are looking for gently used clothing items for our health room! Students may require a change of clothing during the day for a variety of reasons, but our current inventory is running low. If you have any pants, shorts, or tops in gently used condition, we would greatly appreciate the donation! We can accept new-in-packaging undergarments as well. We appreciate our families' help with this request!

School Fees

As the school year is coming to an end, it is vitally important that all student fee accounts are

students, this is particularly important, as the fees will travel with them to middle school. Any unpaid balance can result in a student being unable to participate in extracurricular activities, such as sports.

Fee statements will be sent home with students next week for any unpaid balances. If you need a payment plan, have questions or concerns, or would simply like to check on your student's balance, please contact Kirstin Sirmans at kirstin.sirmans@d49.org. If you qualified for Free & Reduced this school year, but do not see that verdict reflected on your student account, please reach out to Odyssey's front office staff.

Student fees can be paid online through the following link:

<https://www.studentquickpay.com/d49/Default.aspx>

You may also pay fees at the school with cash or check (made payable to OES.)

BACK TO SCHOOL

2024 -2025

FOR POWER ZONE STUDENTS

THE POWER ZONE ELEMENTARY SCHOOLS STRAY SLIGHTLY FROM THE DISTRICT CALENDAR AT THE BEGINNING OF THE SCHOOL YEAR!

PLEASE MARK YOUR CALENDARS NOW TO AVOID ANY CONFUSION DURING THOSE BUSY FIRST FEW DAYS.

Elementary

August 2nd:
Family Orientation Day for POWER Zone Elementary Schools (Ridgeview, Odyssey, ALLIES, and Inspiration View)

August 5th:
First Day of School for all POWER Zone Elementary Students (Including Kindergarten)

Secondary

The POWER Zone **Secondary Schools** align with the district calendar on these dates:

August 1st:
First Day for 6th and 9th Grades.

August 2nd:
First Day for 7th, 8th, 10th, 11th, and 12th Grades.

FAMILY ORIENTATION DAY has been in place in the POWER Zone for many years, and our families describe it as a calm, welcoming way to start the school year off right! Students and parents get to visit the classroom during a specific time-slot to engage with their teacher as well as a few peers, plus learn more about what the school year will look like. This helps everyone to be best prepared for the first day for our elementary students on August 5.

Our POWER Zone elementary schools will send out communication to parents with a sign-up link for the Family Orientation sessions, with options for both early morning and later afternoon. Please watch for this across the summer months, and if you don't receive communication by late July, call your child's school to secure a time. We can't wait to see you at Family Orientation!

D49 Weather Conditions/Get Closure Updates

- In District 49, our community expects timely communications, especially during safety concerns, like inclement weather. Because each weather-related call is based on current and forecasted conditions, we often publish a final decision early in the morning, rather than the night before. But when a weather forecast is severe enough, we may issue a decision the night before. With winter conditions uncertain and further observations necessary, our crews start evaluating road conditions at midnight. Decisions to close the district are often made by 4:30 a.m.

While anyone can proactively check [D49.org](https://www.d49.org) and our **Facebook page** for updates, or watch for local media reports.

Parent Notifications: If you are a parent in District 49, you can enable "text/SMS" messages with your school administrative secretary. Ensure your parent account in PowerSchool has your correct, text/SMS capable cell number and that the account is checked "enabled" in PowerSchool. You'll receive our D49 alert messages for closures and emergencies.

Please check with your D49 public charter school for how they handle weather delays and closures. Please note, Banning Lewis Ranch Academy parents should use Flash Alert for texts and push notifications, knowing the school does not use the district's student information system.

D49 STUDENT PHOTO / IMAGE USAGE OPT-OUT FORM

- District 49 uses student photos and videos to promote school and educational activities, awards, athletics, clubs, special programs, honors, and other events, including photos in the yearbook.

These images will be used on district and school websites, social media, videos, posters, promotional materials, advertisements and other online and offline media. You have our assurance that these images will be used only for official purposes and with the respect and consideration to which you and your student(s) are entitled. Please take a look at the district website and social media for examples.

If you wish to opt out of having D49 use your student's image, (including yearbook) you will need to fill out this form that restricts your child's name, photo / image and directory information (school and grade) from being published in staff-produced district and school media listed above.

This does not restrict a teacher from sending information, photos or videos related to a student to the parent or guardian.

If no photo / image opt-out documentation is on file, it will be assumed that permission for release of information has been granted per school board policy JRA/JRC: Disclosure of Directory Information.

Open Events: Please be aware that ensuring student privacy is NOT POSSIBLE during open events such as school or district-related meetings, assemblies, activities, performances and athletics where cameras are permitted.

Parents, guardians, family members, and students are potentially taking and sharing photos and videos during these Open Events, even if not open to the general public. Images of your student could be in these photos and videos. By choosing to allow students to attend or participate in such activities and programs, parents/guardians agree to this condition. D49 will do its best to not share photos of students with photo opt-out forms taken at open events.

Public Events: Students participating in sports, choir, band, JROTC, cheerleading, theater, and other school activities, or attending such activities, that are open to the public are NOT ELIGIBLE for photo opt-out forms, as there is no way to prevent photography and videos and news media coverage of public events. D49 has the right to use photos of these students.

Student-produced news is not considered student directory information. Parents/guardians who do not want their children included in student-produced media should not allow their children to pose for these photos or videos or participate in student media.

The district limits access to the outside news media, but it does not have control of the media. Access by news media, individuals, organizations, or television/film production companies to non-public locations and events, such as inside a classroom, will be conditioned upon agreement to honor parent/guardian preferences.

Instructions for the new form can be found on the D49 website here:

www.d49.org/Page/10310

Some changes of note:

1. If a student is participating in an activity such as band, sports, choir, ROTC, etc., parents and students cannot adhere to an expectation of privacy outlined in the Photo Opt Out, due to the public nature of events that correspond with the chosen activity.
2. Parents must fill out the form each school year.

PowerSchool Parent Portal - Account Creation Guide

PowerSchool Parent Portal: Account Creation Guide

Get Started ([pdf version of instructions](#)).

PowerSchool is the District's web-based tool providing real-time insights on student grades, schedules, performance, and attendance.

Before you can access your student information, you must create a new parent account (*existing IC accounts will not work in PowerSchool*).

You need to have at least one student Access ID and Password to create an account. If you have multiple students in our district, you should have received an email for each of those students with an Access ID and Password to link each of your students as you create the account.

If you did not receive an email containing the Access ID and Access Password(case sensitive), please contact your student's school to obtain this information.

To set-up your account click on the link- [Parent & Student Portal / Parent & Student Portal \(d49.org\)](#).

BASE49 Information

What is BASE49?

- BASE49 is a Before and After School Program that provides quality care on scheduled days, as well as during early release, assessment, and professional development days for working families. We also offer a summer program at limited locations.
