BACKGROUND OR RATIONALE:

The District 49 District Accountability Advisory Committee (DAAC) Bylaws state that the membership of the DAAC will be appointed by or elected through a process created by the Board of Education.

The purpose of the DAAC is to institute an accountability and parental and community Involvement program to define and measure academic and safety quality in the district.

The DAAC must consist of at least three parents of students enrolled in the District's schools that are not employees or related to employees of the district, one teacher, one school administrator, and one person from the community who is involved in business.

Members of the DAAC are appointed to serve for a two-year period.

The enclosed membership applications include the name of one DAAC member for the 2019- 2021 school years for your approval. At a minimum they are required to review the District Improvement Plan, charter school applications, recommend the prioritization of expenditures of school district funds, review district assessments and report on the educational and safety performance of the district.

RELEVANT DATA AND EXPECTED OUTCOMES:

BOARD OF EDUCATION ITEM 7.01
OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS

BOARD MEETING OF: October 10, 2018

PREPARED BY: Amber Whetstine, Executive Director of Learning Services

TITLE OF AGENDA ITEM: Accreditation of Schools

ACTION/INFORMATION/DISCUSSION: Discussion

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

The Colorado Department of Education recently released Preliminary District and School Performance Framework reports to districts in Colorado. Frameworks include indicators of performance in the areas of Finance, Safety, Test Participation, Academic Achievement, Academic Growth, and Post-Secondary Work Force Readiness. The district's and each school's preliminary rating assigns a Unified Improvement Plan type for continuous improvement planning and accountability purposes. Districts are accredited by the State Board of Education with distinction, or with a performance, improvement, priority improvement or turnaround plan type. Schools are assigned a performance, improvement, priority improvement or a turnaround plan type, but are accredited by the local Board of Education.

RATIONALE:

Accrediting our schools in purposeful ways that meet the needs of a diverse portfolio of distinct and exceptional schools, community values and stakeholder expectations aligns with our cultural and strategic priorities.

RELEVANT DATA AND EXPECTED OUTCOMES:

Supporting documents provide a detailed description of each school's performance, as measured by the Colorado School Performance Framework.

INNOVATION AND INTELLIGENT RISK:

The Board is obligated to accredit its schools on an annual basis by October 15th. Each local BOE is responsible for accrediting its operated schools and authorized charter schools including alternative education campuses and online schools. Should the BOE decide not to accredit its schools, the BOE would be out of compliance with its accreditation contractual obligation with the State Board of Education.

IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:

Culture	Inner Ring—How we treat each other	Accreditation increases responsibility of our schools aligned with community values.
	Outer Ring—How we treat our work	The accreditation process allows zones and schools the opportunity to consider innovation and purposeful risk related to school performance.
Strategy	Rock #1—Establish enduring <u>trust</u> throughout our community	A meaningful accreditation system, aligned with community values, helps build trust among our community stakeholders.
	Rock #2—Research, design and implement programs for intentional <u>community</u> participation	
	Rock #3— Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	Accreditation rating recommendations serve to provide some measure of performance for each school within D49's portfolio.

BOE Regular Meeting October 10, 2019
Item 7.01 continued

Rock #4 — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	Specific indicators of performance support measuring achievement from firm foundations in the primary grades through post-secondary (career and college) readiness.
Rock #5 — Customize our educational systems to <u>launch each student toward success</u>

Dr. Katy Anthes, Commissioner of Education
Colorado Department of Education
Office of the Commissioner
201 East Colfax
Denver, Colorado 80203

Dear Commissioner Anthes,

We formally submit this letter to request reconsideration of our district accreditation rating. We ask that the final accreditation rating of El Paso County, Colorado School District 49 be amended to reflect a rating of "Accredited," rather than the preliminary rating of "Accredited with Improvement Plan."

As per SB 13-217 and 1 CCR 301-1 4.01 (D), the Colorado Department of Education may re-evaluate the accreditation category assigned to districts through the District Performance Framework for districts that serve a significant number of students in Alternative Education Campuses (AECs). District 49 served over 4,000 students enrolled in AECs during the 2018-19 school year at our district authorized online charter school, GOAL Academy and at our district operated alternative high school program, Patriot High School combined. AEC students comprised just over 19% of our district's total population and just over 46% of our high school population.

District 49 meets the criteria described within 4.01 (D)(1), "removing the data for students enrolled in the AECs from the calculation of the District's Performance Framework would otherwise cause the district to receive a higher accreditation rating." The unofficial District Performance Framework report, calculated by CDE, confirms that District 49's rating would reflect the required points necessary for a rating of "Accredited," with AEC student results extracted.

Further, District 49 meets the criteria described in 4.01(D)(2)(a) the Alternative Education Campus(es) have been assigned by the State Board to implement a School Performance Plan. Both GOAL Academy and Patriot High School received AEC framework ratings assigning a Performance Plan type in September 2019.

We respectfully make this request with an ongoing commitment to continuous improvement in each of our schools throughout District 49. Thank you for your consideration.

Sincerely,

Peter Hilts
Chief Education Officer

September 18, 2019

Dr. Katy Anthes, Commissioner of Education
Colorado Department of Education
Office of the Commissioner
201 East Colfax
Denver, Colorado 80203

Dear Commissioner Anthes,

We submit this letter to request reconsideration of the preliminary accreditation rating assigned to Springs Studio for Academic Excellence. We ask for consideration that the final accreditation rating of the school be amended to reflect a rating of “Performance,” rather than the preliminary rating of “Accredited with Improvement Plan.”

SSEA was impacted during the 2018-19 school year by an unusually low participation rate for state assessments. While SSEA received a total of 68.9 framework points (well into the Performance category) on the 2019 1 -Year SPF report, SSEA’s accountability participation rates of 89.4 in both English and Math resulted in the school’s rating dropping into the Improvement category.

SSEA has a long-standing reputation as a high performing school with Performance ratings for the past three years. Further, SSEA consistently met the accountability participation rate of 95% or higher during each of the past three years.

Year	2016 1-Year Official	2017 1-Year Official	2018 3-Year Official	2019 1-Year Preliminary
Overall Framework Points	60.8	73.2	61.9	69.9%
Plan-Type	Performance	Performance	Performance	Improvement Low Participation
Accountability Participation Rate English / Math	100%	98.5%	100%	89.4%

To ensure participation rates do not impact SSEA’s rating in the future, the District Assessment Coordinator (DAC) and SSEA principal have developed an action plan to be incorporated into the school’s UIP. The plan includes increased communication to parents about the purpose of state assessments and the process for parent opt-out requests. The plan also includes increased training for the School’s Assessment Coordinator (SAC) and increased oversight by the DAC during the upcoming year’s state assessment administration process.

District 49 believes that due to the unusually low participation rates in 2019, the 1- Year SPF does not reflect the school's true academic performance. We request that the Colorado Department of Education issued preliminary 3-Year SPF be designated as the "official" framework for 2019 accountability purposes, as it more accurately portrays the performance of the school. Thank you for your consideration.

Sincerely,

Peter Hilts
Chief Education Officer

Your District's Accreditation Rating Results

This section lists your district's accreditation rating assigned using the State's District Performance Framework (DPF) report. Please review the CDE accreditation rating and indicate if you agree or disagree with the State's assigned accreditation rating.

FOR THIS DISTRICT:

1. Review the accreditation rating and indicate if you agree or disagree with the State's assigned accreditation rating.
2. If your district AGREES with the accreditation rating assigned, click "Yes." Note that this form defaults to "Yes."
3. If your district DISAGREES with the accreditation rating assigned, click "No."
4. If you click "No," you must select the accreditation rating you would recommend instead for your district and submit a Request to Reconsider as instructed.

Your District's School Accreditation Process

* Did you use CDE's School Performance Framework and school plan types to accredit your district's schools?

If you select yes, this indicates that the CDE school plan type matches your district's school accreditation ratings.

☒ Yes ☐ No

Your District's School Plan Type Assignments and Accreditation Results

This section lists your district's schools and the school plan types assigned to them using the State's School Performance Framework report. For each school, review the CDE plan type and indicate if you agree or disagree with the State's assigned SPF plan type.

NOTE:

- Schools are listed first by "Pending AEC Framework", "New School" and "Insufficient State Data" then in order of lowest to highest-performing school plan type (Turnaround, Priority Improvement, Improvement, Performance).
- Some schools may not have received a CDE plan type because they are new schools with no State data and are labeled with "New School". **You must select a school plan type for each of these schools using the drop-down menu.** Since CDE does not have data for these schools, the plan type should be based on your district's own evaluation of the school's performance.

- Some schools may not have received a CDE plan type because they are K-2 schools with no state data or small schools that do not meet the required number of reportable students. These schools are labeled with "Insufficient State Data: No Students at Grade Levels Tested for State Assessments" or "Insufficient State Data: Small Tested Population". **You must select a school plan type for each of these schools using the drop-down menu.** Since CDE does not have data for these schools, the plan type should be based on your district's own evaluation of the school's performance. **If the school was previously in priority improvement or turnaround status, the district must submit a request for reconsideration for the school.** Please see below on where to find more information on submitting a request to reconsider.
- Due to some districts and schools experiencing high levels of non-participation on the state assessment, CDE has added an option on the accreditation form which allows districts and schools to select "Insufficient State Data" as an overall accreditation rating or school plan type. In order to select this as a district's final accreditation rating or school's final plan type, the district or school participation rate must be below 85%, and additionally, districts and schools must submit a letter addressed to the commissioner of the department of education signed by the superintendent and board chair asserting that due to high-levels of parent excuses or other reasons for non-participation on the state assessment the data reported on the district and/or school performance framework(s) is not representative of the student population in the district/school and the reasons why. Data must be provided to show how the participating students are not representative of the total school/district population.
- Schools that are designated as Alternative Education Campuses (AECs) will show a plan type of "Pending AEC SPF." CDE will release the AEC SPF with plan types in September. The "District Agrees?" column will default to N/A. If, upon receiving your AEC results, you wish to submit a Request to Reconsider, please e-mail accountability@cde.state.co.us.

FOR EACH SCHOOL:

- Review the plan type and indicate if you agree or disagree with the State's assigned SPF plan type.
- If your district AGREES with the school plan type assigned, click "Yes." Note that this form defaults to "Yes."
- If your district DISAGREES with the school plan type assigned, click "No."
- If you click "No," you must select the plan type you would recommend instead for the school and submit a Request to Reconsider as instructed, using the templates provided.
- Complete the remainder of the accreditation form for all your schools.

Statement of Affirmation

By clicking "I accept," I affirm that I agree/disagree with the school plan types assigned by CDE to my district's schools, as indicated above. Where I disagree with CDE's school plan type assignment, I have indicated my recommended plan type and will submit a Request to Reconsider as instructed. Where my district has used a school performance framework different from the State's, I have included a description of my local school performance framework and will submit the requested information. I affirm that I have consulted with my local school board and obtained the board chair's signature consenting to the school plan types assigned to my district's schools. I further affirm that, for my district's charter schools, I have consulted with the charter school's board chair and obtained the board chair's signature consenting to the school plan types assigned to my district's charter schools.

Accreditation Rating
Official Rating based on 1-Year DPF Report

Accredited with Improvement Plan: Low Participation

50.5/100

The official accreditation rating is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Districts are assigned an accreditation rating based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the accreditation rating. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall accreditation category by one level. Refer to the scoring guide at the end of this report for additional information.

(**) Participation ratings are based on the Accountability Participation Rate, which excludes Parent Excusals from the denominator and counts English Learners in their first year in the United States who were eligible to take the ELP assessment as participants regardless of whether they tested.

(^) Districts with an Insufficient State Data rating will maintain performance watch status from the prior year.

This page displays the performance indicator data for the elementary school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 7-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

For additional information about ratings, refer to the scoring guide on the last page of this report. For more information about PWR metrics: <http://www.cde.state.co.us/accountability/pwr>

This report shows performance rating information for the district based on calculations that exclude students enrolled in Alternative Education Campuses (AECs). The accreditation rating shown here is based on the overall percent of points earned across all performance indicators using metrics that exclude AEC students. The overall percent of points earned is matched to the same scoring rubric that is used to determine accreditation ratings on the traditional performance framework reports.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 7-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

Official Rating based on 1-Year SPF Report

Improvement Plan: Meets 95% Participation
52.0/100

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the elementary school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

Levels: EMH - (1-Year)

Plan Type
Official Rating based on 1-Year SPF Report
Performance Plan: Meets 95% Participation
42.4/70

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

Students with Disabilities	-	-	-	-	-

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

For additional information about ratings, refer to the scoring guide on the last page of this report. For more information about PWR metrics: <http://www.cde.state.co.us/accountability/pwr>

Official Rating based on 1-Year SPF Report
Performance Plan: Meets 95% Participation
59.2/100

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the elementary school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

This page displays the performance indicator data for the elementary school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the high school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

For additional information about ratings, refer to the scoring guide on the last page of this report. For more information about PWR metrics: <http://www.cde.state.co.us/accountability/pwr>

Official Rating based on 1-Year SPF Report
Performance Plan: Meets 95% Participation
68.8/100

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

Some schools have specialized missions and are designated as Alternative Education Campuses (AECs). These schools serve a student population where either: (1) all students have severe limitations that preclude appropriate administration of state assessments, (2) all students attend on a part-time basis and come from other public schools where the part-time students are counted in the enrollment of the other public school, or (3) more than 90% of the students have either an Individual Education Program and/or meet the definition of a high-risk student, as defined by in the Educational Accountability Act of 2009.

This AEC SPF is composed of required state measures but may also include additional optional measures. The optional measures are submitted by the local district and approved by CDE for inclusion in the AEC framework. Results for these optional measures are provided by the district aggregated at the school level. Districts are encouraged to report three years of data when available.

Measures for the Academic Achievement and Academic Growth indicators have been weighted by N size. For measures in these indicators, points eligible are assigned according to the number of students who participated in each measure. Measures where a greater number of students participated are worth comparatively more weight. The individual weight of each measure in these indicators is derived from: the total points eligible in the indicator (PE), the total number of students represented across all measures in the indicator (Total N), and the total number of students represented in the measure in question (Measure N):

$$\text{Measure Points Eligible} = (\text{Measure N} / \text{Total N}) \times \text{PE}$$

Measures for the Postsecondary Readiness and Student Engagement indicators are not weighted by N size. These measures are apportioned equal weight within the indicator. Please note that due to rounding policies points eligible at the measure level may not sum up perfectly to the total points eligible at the indicator and overall level as displayed.

The plan type presented above is based on the percent of points earned of the total points eligible on the framework:

AEC Performance:
60.0% - 100.0%

AEC Improvement:
47.0% - 59.99%

AEC Priority Improvement:

Plan Type
Official Rating based on 1-Year SPF Report
Performance Plan: Meets 95% Participation
55.2/100

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the middle school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

Performance Plan: Meets 95% Participation
59.5/100

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the elementary school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

Some schools have specialized missions and are designated as Alternative Education Campuses (AECs). These schools serve a student population where either: (1) all students have severe limitations that preclude appropriate administration of state assessments, (2) all students attend on a part-time basis and come from other public schools where the part-time students are counted in the enrollment of the other public school, or (3) more than 90% of the students have either an Individual Education Program and/or meet the definition of a high-risk student, as defined by in the Educational Accountability Act of 2009.

This AEC SPF is composed of required state measures but may also include additional optional measures. The optional measures are submitted by the local district and approved by CDE for inclusion in the AEC framework. Results for these optional measures are provided by the district aggregated at the school level. Districts are encouraged to report three years of data when available.

Measures for the Academic Achievement and Academic Growth indicators have been weighted by N size. For measures in these indicators, points eligible are assigned according to the number of students who participated in each measure. Measures where a greater number of students participated are worth comparatively more weight. The individual weight of each measure in these indicators is derived from: the total points eligible in the indicator (PE), the total number of students represented across all measures in the indicator (Total N), and the total number of students represented in the measure in question (Measure N):

$$\text{Measure Points Eligible} = (\text{Measure N} / \text{Total N}) \times \text{PE}$$

Measures for the Postsecondary Readiness and Student Engagement indicators are not weighted by N size. These measures are apportioned equal weight within the indicator. Please note that due to rounding policies points eligible at the measure level may not sum up perfectly to the total points eligible at the indicator and overall level as displayed.

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the high school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

For additional information about ratings, refer to the scoring guide on the last page of this report. For more information about PWR metrics: <http://www.cde.state.co.us/accountability/pwr>

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

For additional information about ratings, refer to the scoring guide on the last page of this report. For more information about PWR metrics: <http://www.cde.state.co.us/accountability/pwr>

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

For additional information about ratings, refer to the scoring guide on the last page of this report. For more information about PWR metrics: <http://www.cde.state.co.us/accountability/pwr>

Performance Plan: Meets 95% Participation
79.8/100
79.8%

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the elementary school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the elementary school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

This page displays the performance indicator data for the middle school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

63.8/100

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

For additional information about ratings, refer to the scoring guide on the last page of this report. For more information about PWR metrics: <http://www.cde.state.co.us/accountability/pwr>

Plan Type
Official Rating based on 1-Year SPF Report

Please see official performance framework report

66.9/100

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the middle school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

For additional information about ratings, refer to the scoring guide on the last page of this report. For more information about PWR metrics: <http://www.cde.state.co.us/accountability/pwr>

Plan Type
Official Rating based on 1-Year SPF Report
Performance Plan: Meets 95% Participation
62.1/100

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the high school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

For additional information regarding Academic Achievement and Academic Growth points, cut-points, and ratings, refer to the scoring guide at the end of this document.

CO SAT: represent outcomes for designated subjects and student groups; participation rates count parent excusals as non-participants.

Dropout Rates: represent percentages of students enrolled in grades 9-12 at any time during the year who left and did not subsequently enroll in another Colorado school. Calculations for 1-Year report are based on the 2018 End of Year (EOY) data submission. Multi-Year reports include EOY records for years 2016 through 2018.

Matriculation Rates: represent percentages of students who enrolled in a Career & Technical Education (CTE) program or 2- or 4-year institute of higher education in the year following graduation. Students who earned a CTE certificate, college degree, or other industry-recognized credential prior to graduation are also included. Calculations for 1-Year report are based on the 2018 graduation cohort. Multi-Year reports include 2016 through 2018 cohorts.

Graduation Rates: represent percentages of students graduating high school within designated timeframes. Ratings are based on the best of the 4-, 5-, 6-, and 7-year graduation rates. AYGs designate Anticipated Years of Graduation, which are defined as four years after the year that students initially enroll in 9th grade. Calculations for the 1-Year and Multi-Year reports are based on data for students with AYGs between 2015 and 2018.

The official plan type is based on either the 1-year or multi-year framework as indicated in the right hand corner of the black title bar above. Schools are assigned a plan type based on the overall percent of points earned on the official framework. The overall percent of framework points represents the percentage of points earned across all performance indicators. The official percent of points earned is matched to the scoring guide to determine the plan type. Failing to meet the accountability participation rate of 95% on two or more assessments will reduce the overall plan type by one level. Refer to the scoring guide at the end of this report for additional information.

This page displays the performance indicator data for the elementary school level. For the 1-Year report, calculations are based on state assessment results from 2018-19. Multi-Year reports include results for years 2016-17 through 2018-19.

Academic Achievement: mean scale scores represent outcomes for designated subjects and student groups; participation rates included on this page count parent excusals as non-participants.

Academic Growth: median student growth percentiles and percentages of students on track to meet targets represent outcomes for designated subjects and student groups. The On-Track to EL proficiency metric is included for points for the first time in 2019.

BOARD OF EDUCATION ITEM 7.02
OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Brett Ridgway, Chief Business Officer
Ron Sprinz, Director of Finance

TITLE OF AGENDA ITEM: New and Revised Student Participation Fees for 2019/20 School Year

ACTION/INFORMATION/DISCUSSION: Discussion/Action

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

There are a number of program offerings in the district that are either extracurricular in nature (i.e. not part of a core academic program), or they are academic in nature but are beyond a standard or 'normal' academic program. In either case, it has been and continues to be appropriate to assign participation fees for such program offerings so that the standard academic program does not overly subsidize choices that some students make significantly more favorably than students that do not make similar choices.

We admit that this is a 'fine line' distinction. The underlying motivation is very altruistic, however; that being the intention that each student has the opportunity to gain as much benefit as they can from their relative share of Per-Pupil revenue (PPR). If a fee program did not exist, that ideal would be severely compromised.

For some time, we have been changing business practices to enable the district to more accurately and more completely identify program costs for extracurricular and specific-choice academic programs so that fee determinations can be well-presented and defended.

With such an endeavor, however, also comes a greater need and therefore greater emphasis on the collection of fees assigned in the structure then derived. If fees are assigned without collection, then the intention of ensuring maximum benefit to every student for their relative share of PPR is compromised, almost from the beginning.

In the vein of continuous improvement, D49 Administration now wishes to focus on ensuring equitable student participation by recognizing the difference in, and putting guidelines in place, for fees vs. fundraising.

With the beginning of the 18/19 School year, some new programs that were not included in the initial approval of fees (May Board Meeting) have started and now require approval from the Board.

RATIONALE:

Being more complete, more accurate, and more intentional about fee programs also better supports those students we serve with economic difficulties. Board policy provides assistance to cover fees for students and participants that have a documented status of economic need.

Participation fees that are not fully presented to students and parents can become a barrier to equitable participation. In addition, a program that skews its resourcing too far toward fundraising can be received as manipulative by a contributing public that is approached many, many times a year with fundraising needs.

Pursuing a 'fully loaded' fee schedule will give students and parents a clear picture from the beginning of what the true costs of running a particular program are, and it gives the Board of Education appropriate oversight as the voice of the community as to what is appropriate and necessary to participate in an activity. Furthermore, fully loaded fees allow a greater offset of fee requirements through lunch and fee assistance programs through the District.

RELEVANT DATA AND EXPECTED OUTCOMES:

We expect schools to be transparent and completely forthcoming and intentional about program design and the costs associated. We expect fees to be more and more specific to each program rather than generalized across programs. If these expectations are met, then all students will benefit with our stated intention to ensure that each student receives maximum benefit from the relative share of per pupil revenue.

The primary expected outcome is to provide a complete picture of the parent experience to have their student participating in various extra and co-curricular programs. A participation fee should be all inclusive so that there is little-to-no need for additional funding requests.

In addition, it is intended that school fundraising for programs has some necessary and appropriate parameters. Therefore a certain number of fundraising activities per program and/or an expected range of the mix of total fees to total fundraising for each program should be instituted to reflect cultural and strategic priorities of the district as well as the vision and mission of the organization.

INNOVATION AND INTELLIGENT RISK:

With this pursuit, District 49 is clearly going where other districts have not gone before. However, we are confident that increased transparency will improve trust in the district while supporting the portfolio of schools. The Board of Education needs the opportunity to fulfill its role and responsibility to the community for providing an appropriate educational experience.

IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:

Culture	Inner Ring —How we treat each other	Ensuring students with economic disadvantage receive equal opportunities.
	Outer Ring —How we treat our work	Pursuing innovative solutions to complex business issues
Strategy	Rock #1 —Establish enduring <u>trust</u> throughout our community	Providing transparency to program designs
	Rock #2 —Research, design and implement programs for intentional <u>community</u> participation	
	Rock #3 — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	The portfolio of schools concept can also be stated as a 'Portfolio of Programs'. Extra and Co-Curricular programs are important parts of the K12 experience for many students – but not all. Ensuring students who do not participate are doing so only due to personal preference and not monetary concerns validates the correct design of the portfolio that is based on need and demand instead of want and wish.
	Rock #4 — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	
	Rock #5 — Customize our educational systems to <u>launch each student toward success</u>	Ensuring that each student receives maximum benefit for their relative share of per-pupil revenue as possible.

BUDGET IMPACT: The budget impact will be felt mostly in fund 23 and fund 74, with potential increases in revenues and expenses processed through those two funds.

BOE Regular Meeting October 10, 2019
Item 7.02 continued

AMOUNT BUDGETED: Fund 74 & 23 combined = 4.5mm

RECOMMENDED COURSE OF ACTION/MOTION REQUESTED: At the October 10, 2019 regular meeting, move to approve the Update to school fees for 2019-20 listed in item 15 as recommended by the administration.

BOARD-APPROVED POLICY OF DISTRICT 49

Title	Alcohol and Drug-Free Workplace
Designation	GBEC
Office/Custodian	Business and Operations/Director of Human Resources and Director of Safety & Security

Title	Alcohol and Drug-Free Workplace
Designation	GBEC
Office/Custodian	Business and Operations/Director of Human Resources and Director of Safety & Security

The Board recognizes the importance of maintaining a workplace that is free from alcohol and drugs to enhance the safety and welfare of employees and students and ensure compliance with applicable law. Accordingly, it shall be a violation of Board policy for any district employee to manufacture, distribute, dispense, possess, use or be under the influence of alcohol or illicit drugs on district property, in or on district vehicles or any other school approved vehicle, at any school-sponsored activity or event, or off district property when the employee is on duty.

For purposes of this policy, “illicit drugs” means narcotics, drugs and controlled substances as defined in law. Although some actions involving marijuana are no longer prohibited by state law, federal law still prohibits the manufacture, sale, distribution, possession and use of marijuana. As a recipient of federal funds, the district has an obligation to maintain a drug-free workplace. Thus, marijuana is an illicit drug for the purposes of this policy.

“Illicit drugs” also includes any prescription or over-the-counter drug that does not meet the following four criteria:

1. The employee has a current and valid prescription for the drug or the drug is sold over-the-counter;
2. The drug is used or possessed for the purpose for which it was prescribed or sold over-the-counter;
3. The drug is used or possessed at the dosage prescribed or recommended; and
4. The drug is used or possessed consistent with the safe and efficient performance of the employee’s job duties.

Compliance with this policy is a condition of employment. A violation shall subject the employee to appropriate disciplinary action up to and including dismissal and referral for prosecution. Disciplinary action shall be taken in accordance with board or administrative policies and procedures. In appropriate circumstances and at the district’s discretion, disciplinary actions may include the completion of a treatment plan as approved by the Director of Human Resources. However, the District is not required to offer rehabilitation in lieu of dismissal or other discipline to any employee who has violated this policy.

An employee knowingly in the possession of or under the influence of alcohol or any illicit drugs shall be placed on administrative leave immediately by the principal or supervisor if such use or possession is:

1. On District property at any time;
2. At any other site where the employee has been assigned and is performing duties at that location in the capacity of District employee; or
3. At any school-sponsored or school-sanctioned activity.

Pursuant to law, any employee who is convicted or pleads *nolo contendere* under any criminal drug or alcohol statute for a violation occurring shall notify the Director of Human Resources no later than five days after the conviction. The Chief Officer shall notify the Board of Education. The District has an obligation under federal law to notify the appropriate federal agency within ten days after receiving notice of such conviction or plea if there is a relationship between federal funds received by the District and the convicted employee's work site.

Awareness and prevention program

The Chief Officers shall establish an awareness and prevention program to inform employees about:

- The dangers of drug and alcohol abuse;

- The provisions of this policy;
- Available drug and alcohol counseling, rehabilitation and employee assistance programs; and

Title	Truancy
Designation	JHB
Office/Custodian	Education/ Director of Culture & Services

If a student is absent without a signed parental excuse or if the student leaves school or a class without permission of the teacher or administrator in charge, the student shall be considered truant. "Habitually truant" shall be defined as a student of compulsory attendance age who has four unexcused absences during one month or 10 total days of unexcused absences in any school year. Absences due to suspension or expulsion shall not be counted in the total of unexcused absences for purposes of defining a student as a "habitual truant."

In order to reduce the incidents of truancy, parents/guardians of all students shall be notified in writing at the beginning of each school year of their obligation to ensure that all children of compulsory attendance age attend school. Parents/guardians shall be required to acknowledge in writing awareness of their obligations and to furnish the school with a telephone number or other means of contacting them during the school day.

The school shall establish a system of monitoring individual unexcused absences. When a student fails to report on a regularly scheduled school day and school personnel have received no indication that the parent/guardian is aware of the absence, school personnel or volunteers under the direction of school personnel shall make a reasonable effort to notify the parent/guardian by telephone.

A plan shall be developed for a student who is at risk of being declared habitually truant with the goal of assisting the child to remain in school.

In accordance with law, the District may ~~impose direct~~ appropriate ~~penalties~~ interventions that relate directly to classes missed while truant. The administration shall develop regulations to implement appropriate ~~penalties~~ interventions for truancy.

BOARD-APPROVED POLICY OF DISTRICT 49

Title	Weapons in Schools
Designation	JICI
Office/Custodian	Operations/Director of Safety and Security

Title Weapons in Schools
 Designation JICI
 Office/Custodian Operations/Director of Safety and Security

The Board of Education determines that student possession use and/or threat of use of a weapon is detrimental to the welfare and safety of the students and school personnel within the district.

Dangerous weapons

Using, possessing or threatening to use a dangerous weapon on district property, when being transported in vehicles dispatched by the district or one of its schools during any school sponsored or district sponsored activity or event and off district property when the conduct has a reasonable connection to school or any district curricular or non-curricular event without the authorization of the school or the district is prohibited. An exception to this policy may be made for students participating in an authorized extracurricular activity or team involving the use of firearms.

As used in this policy, “dangerous weapon” means:

- A firearm,
- Any pellet, BB gun, or other device, whether operational or not, designed to propel projectiles by spring action or compressed air
- A fixed-blade knife with a blade that exceeds three inches in length or a spring-loaded knife or a pocket knife with a blade exceeding three and one-half inches in length
- Any object, device, instrument, material, or substance, whether animate or inanimate, used or intended to be used to inflict death or serious bodily injury including, but not limited to slingshot, bludgeon, nunchucks, brass knuckles, or artificial knuckles of any kind

Students who use, possess or threaten to use a dangerous weapon in violation of this policy shall be subject to disciplinary action, including suspension and/or expulsion, in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions.

In accordance with federal law, expulsion shall be mandatory for no less than one full calendar year for a student who is determined to have brought a firearm to or possessed a firearm at school in violation of this policy. The Chief Education Officer or designee may modify the length of this federal requirement for expulsion on a case-by-case basis.

Firearm facsimiles

Carrying, using, actively displaying or threatening with the use of a firearm facsimile that could reasonably be mistaken for an actual firearm on district property, when being transported in vehicles dispatched by the district or one of its schools during a school sponsored or district sponsored activity or event, and off district property when such conduct has a reasonable connection to school or any district curricular or non-curricular event without the authorization of the school or district is prohibited. Students who violate this policy provision may be subject to disciplinary action including but not limited to suspension and/or expulsion, in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions.

A student may seek prior authorization from the building principal to carry, bring, use or possess a firearm facsimile that could reasonably be mistaken for an actual firearm on District property for purposes of a school-

related activity. A student's failure to obtain such prior authorization is a violation of this policy and may result in disciplinary action, including but not limited to suspension and/or expulsion, in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions. The principal's decision to deny or permit a student to carry, bring, use or possess a firearm facsimile that could reasonably be mistaken for an actual firearm on school property shall be final.

School administrators shall consider violations of this policy provision on a case by case basis to determine whether suspension, expulsion or any other disciplinary action is appropriate based upon the individual facts and circumstances involved.

Local restrictions

The Board determines that extra precautions are important and necessary to provide for student safety. Therefore, using, possessing or threatening to use any knife, regardless of the length of the blade, in any school building, on school grounds, in any school vehicle, or at any school-sponsored activity without express authorization of the school or school district is prohibited. Students who violate this policy provision shall be subject to disciplinary proceedings, including suspension and/or expulsion, in accordance with Board policy concerning student suspensions, expulsions and other disciplinary interventions.

Recordkeeping

The district shall maintain records which describe the circumstances involving expulsions of students who bring weapons to school including the name of the school, the number of students expelled, and the types of weapons involved, as required by law.

Referral to law enforcement

In accordance with applicable law, school personnel shall refer any student who brings a firearm or weapon to school without authorization of the school or the district to law enforcement.

Title	Parking Lot Searches
Designation	JHIB
Office/Custodian	Operations/Director of Safety & Security

The privilege of bringing a student-operated motor vehicle onto school premises is conditioned on consent by the student driver to allow search of the vehicle when there is reasonable suspicion that the search will yield evidence of contraband.

Refusal by a student, parent/guardian, or owner of the vehicle to allow access to a motor vehicle on school premises at the time of a request to search the vehicle shall be cause for termination without further hearing of the privilege of bringing the vehicle onto school premises. Refusal to submit to search may result in disciplinary action and notification of law enforcement officials.

Routine patrolling of student parking lots and inspection of the outside of student automobiles shall be permitted at all times.

Title	Student Health Services and Records
Designation	JLC
Office/Custodian	Education/Executive Director of Individualized Education

The purpose of the school health program shall be to supplement the efforts and guidance of parents/guardians to raise student awareness of the benefits of regular health care.

The objectives of the school health program are:

1. To promote good health habits among students.
2. To stimulate a sanitary, safe, and healthful environment in schools.
3. To assist in the identification and referral to appropriate health care providers for medical, psychological, and physical needs.

Health records

Health records shall be maintained by the nursing staff and kept in a separate and secure health file in the school health office.

Access to the health files shall be limited to only those school personnel who have a specific and legitimate educational interest in the information for use in furthering a student's academic achievement or maintaining a safe and orderly teaching environment.

The nursing staff shall maintain a log showing who has been given access, when access occurred and to which specific records.

Annual screening programs

The sight and hearing of all students in kindergarten, first, second, third, fifth, seventh and ninth grades or students in comparable age groups referred for testing shall be tested during the school year by the school nurse, teacher, principal or other qualified person authorized by the school district, as required by law. These screenings shall not be required of any student whose parent/guardian objects on religious or personal grounds.

The parent/guardian shall be informed when a deficiency is found.

Dental health

The school district shall participate in programs to encourage good dental health including instruction, dental examination clinics when available and referral to agencies which can provide aid for those in need.

Communicable diseases

3. Students showing symptoms of a communicable disease, an infectious condition, or illness or disability of a serious nature shall be referred to the school nurse. The school nurse shall report the presence of a communicable disease, if action is necessary to protect the health of other students and staff.

Title Sharing of Students Records/Information between School District and State Agencies

Designation JRCA

Office/Custodian Operations/Director of Safety and Security

It is the Board of Education's intention to utilize all avenues under state law to facilitate the sharing of relevant student records and information when necessary to protect the safety and welfare of ~~District~~district staff, visitors, students, and the public and to protect property.

The Chief Education Officer and ~~Innovation Zone~~ Leaders are directed to develop procedures and a training program for staff consistent with this policy. The procedures shall direct District personnel to provide and obtain student records and information to/from state agencies, including law enforcement and judicial department agencies, to the extent required or allowed by state and federal law.

Sharing of information by the school district

Disciplinary and attendance information shall only be shared with a criminal justice agency investigating a criminal matter concerning a student enrolled or who will enroll in the District when necessary to effectively serve the student prior to adjudication. Such information shall only be shared upon written certification by the criminal justice agency that the information will not be disclosed to any other party, except as specifically authorized or required by law, without the prior written consent of the student's parent/guardian.

District personnel who share disciplinary and attendance information concerning a student pursuant to this policy, are immune from civil and criminal liability if they act in good faith compliance with state law.

Nothing in this policy shall prevent administrators, teachers, or staff from disclosing information derived from personal knowledge or observation and not derived from student's education records.

Information obtained from state agencies

Within the bounds of state law, District personnel shall seek to obtain such information regarding students as is required to perform their legal duties and responsibilities, including protecting public safety and safety of the student. Such information may be obtained from the judicial department or any state agency that performs duties and functions under the Colorado Children's Code.

District personnel receiving such information shall use it only in the performance of their legal duties and responsibilities and shall otherwise maintain the confidentiality of all information obtained. District personnel who knowingly violate this provision are subject to disciplinary action pursuant to District policy and to a civil penalty of up to \$1,000.

If such information is shared with another school or district to which a student may be transferring, it shall only be shared in compliance with the requirements of federal law, including the Family Education Rights and Privacy Act of 1974 (FERPA).

When a petition is filed in juvenile court or district court that alleges a student between the ages of 12 to 18 years has committed an offense that would constitute unlawful sexual behavior or a crime of violence if committed by an adult, basic identification information, as defined in state law, along with the details of the

alleged delinquent act or offense, is required by law to be provided immediately to the district in which the juvenile is enrolled.

~~The information shall be used by the Board to determine whether the student has exhibited behavior that is detrimental to the safety, welfare, and morals of the other students or school personnel and whether educating the student in the school may disrupt the learning environment in the school, provide a negative example for other students, or create a dangerous and unsafe environment for students, teachers, and other school personnel. The Board shall take appropriate disciplinary action, which may include suspension or expulsion, in accordance with the student code of conduct and related policies.~~ [LF1]

Office/Custodian	Operations/Director of Safety & Security

The Board of Education encourages parents/guardians and other citizens of the ~~D~~istrict to visit classrooms, activities, and functions to observe the work of the schools. The ~~B~~oard believes that there is no better way for the public to learn what the schools actually are doing.

In order to ~~ensure~~~~insure~~ that no unauthorized persons enter buildings with wrongful intent, all visitors to the schools shall report to the school's main office when entering, and show state issued identification and reason for being at the school. All visitors will have their information scanned by Raptor, a visitor management software that checks the sex offender database in all states. Visitors shall wear visitor's badges provided by the school which identify them as visitors. This ~~may~~~~will~~ not apply when parents/guardians have been invited to an assembly program, at the discretion of the building Principal.

Visits to the building from former students, teachers and other non-citizens of the ~~D~~istrict must be pre-approved. Visits will not be authorized during class time except for approved reasons.

To promote the general health, welfare, and wellbeing of all who enter school property, and pursuant to state law, smoking, chewing, or any use of tobacco products by staff, students, or visitors is prohibited on all school property.

The ~~D~~istrict shall notify the public in an appropriate manner that persons violating the criminal law by using, selling, or distributing any controlled substance on school grounds, on school buses transporting students, or within 1,000 feet of the perimeter of the school grounds shall be subject to enhanced criminal penalties.

BOARD OF EDUCATION ITEM 7.04
OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Peter Hilts, Chief Education Officer

TITLE OF AGENDA ITEM: Job Description for a Director of Data and Performance

ACTION/INFORMATION/DISCUSSION: Action

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

Since beginning to emphasize performance excellence in 2014, District 49 has learned from high-performing organizations about the importance of measuring and reporting performance data. During the same timeframe, the quantity and diversity of performance data generated by our schools and programs has increased exponentially. Across many functions of accreditation, performance reporting, and data management, our data resides in multiple discrete systems both internal and external to the district. In our current configuration, six different directors or coordinators share responsibility to generate and manage organizational data.

RATIONALE:

A Director of Data and Performance will provide leadership to integrate and improve the district's ability to generate and manage organizational performance data.

RELEVANT DATA AND EXPECTED OUTCOMES:

If the board approves the position of Director of Data and Performance, then a newly composed team of data system specialists, managers and analysts will develop common protocols and quality standards for district performance.

INNOVATION AND INTELLIGENT RISK:

Employing a director of data and performance is not particularly innovative for high-performing organizations; however, the position and practice of performance leadership is not as common in public school districts. The risk of creating this position and developing a new team out of existing positions is that current workflows and practices may be disrupted as we navigate the implementation dip before future performance improvements.

IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:

Culture	Inner Ring—How we treat each other	The proposed position will support existing staff by clarifying expectations and reporting responsibilities.
	Outer Ring—How we treat our work	The proposed organization will elevate the importance of “data work” in District 49.
Strategy	Rock #1—Establish enduring <u>trust</u> throughout our community	All of our strategic priorities can be measured, reported and improved. A Director of Data and Performance will enhance our strategic planning and implementation efforts, resulting in improved performance across the board.
	Rock #2—Research, design and implement programs for intentional <u>community</u> participation	
	Rock #3— Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	
	Rock #4— Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	
	Rock #5— Customize our educational systems to <u>launch each student toward success</u>	

BOE Regular Meeting October 10, 2019
Item 7.04 continued

BUDGET IMPACT: As a director-level position, the new position will require the same range of compensation and benefits as the previous position (Director of CTE) that was recently consolidated into the Director of Applied and Advanced Learning. The long-term budget impact will be neutral, as resources previously dedicated to the CTE department are redeployed to support data and performance.

AMOUNT BUDGETED: Total compensation per the administrator salary schedule

RECOMMENDED COURSE OF ACTION/MOTION REQUESTED: We recommend the board discuss and then approve the job description and reorganization as proposed. BOARD OF EDUCATION ITEM 7.05A
OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Dr. Louis Fletcher, Director of Culture and Services

TITLE OF AGENDA ITEM: Central Registrar – Charter Support

ACTION/INFORMATION/DISCUSSION: Action/Discussion

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

The charter population in D49 has increased with the addition of charter schools each year. Some charter schools are on the districts SIS and others are not, which creates potential data integrity for state reporting. Charter staffs also require additional training and support with respect to data formats, data accountability, and state reporting.

RATIONALE:

The addition of a registrar who provides routine training support to charter schools serves to mitigate issues caused by a misunderstanding of D49's local requirements in support of state reporting. Additionally, this specialized registrar will mediate any issues that charter parents experience during the district's registration process and expedite approved charter registrations to help facilitate the charter school enrollment process.

RELEVANT DATA AND EXPECTED OUTCOMES:

This position will give the charter schools and identifiable resource to contact when they have need with respect to registration. This position will refine the process for getting data in the appropriate format for state reporting. This position will help new charter schools to set up the "D49 way" from the start, which prevents scrap and rework.

INNOVATION AND INTELLIGENT RISK:

The District 49 portfolio includes a significant number of charter schools, which grow in number each year. The charters are governed by different boards and management structures with varying levels of student information management experience. D49 previously accepted the risk of the charters' SIS data operations with limited insight; however, this innovation will increase the district's insight and leadership in managing/reporting SIS information.

IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:

Culture	Inner Ring —How we treat each other	Data security and integrity provides peace of mind to all district stakeholders.
	Outer Ring —How we treat our work	Enabling proactive and responsive protocol allows all stakeholders to be confident in the availability of student data, which empowers them to do their jobs.
Strategy	Rock #1 —Establish enduring <u>trust</u> throughout our community	Reinforcing data integrity, information security, and system availability builds trust and increases return on investment.
	Rock #2 —Research, design and implement programs for intentional <u>community</u> participation	The Student Information System (SIS) is the district's most accessed data asset; therefore, implementing mission assurance measures directly supports the community's participation.
	Rock #3 — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	Distinct and exceptional 21 st century schools employ Student Information Systems (SIS) to create digital records of each student's academic and behavioral development.

Rock #4 — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	Maintaining reliable data facilitates accurate analysis of student behavioral trends and academic growth gaps, which establishes an evidence-based foundation for learners to thrive.
Rock #5 — Customize our educational systems to <u>launch each student toward success</u>	Student data accuracy and availability empowers educators to differentiate instruction and assess behavioral interventions, which launches each student toward success.

BUDGET IMPACT: This position is paid slightly more than other central registrars (\$14.60 per hour for 260 days) due to the additional training and support requirements, but the cost is shared between the district (20%) and the charter schools (80%).

AMOUNT BUDGETED: The funds to support this position are already budgeted.

RECOMMENDED COURSE OF ACTION/MOTION REQUESTED: This a validated requirement framed in conjunction with iConnect Zone Leader, which both reinforces charter school SIS data operations and the integrity of D49's state reporting; therefore, Culture & Services recommends approval of this position.

BOARD MEETING OF: October 10, 2019

PREPARED BY: Louis Fletcher, Director of Culture & Services

TITLE OF AGENDA ITEM: BASE49 Administrative Assistant

ACTION/INFORMATION/DISCUSSION: Action

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

The former title and duties of the Kid's Corner "Office Assistant" do adequately characterize the expected duties of the administrative support position at BASE49; therefore, the title and compensation level require realignment.

RATIONALE:

The budget responsibility and other administrative support exceeds the Office Assistant role; therefore, the shift to Administrative Assistant classification is warranted to ensure that the employee is fairly compensated for their labor.

RELEVANT DATA AND EXPECTED OUTCOMES:

The job description specifies pertinent information that allows applicants and incumbents to understand the requirements and compensation range of the job. Consistent compensation for similar jobs reinforces perceptions of fairness with respect to compensation.

INNOVATION AND INTELLIGENT RISK:

Standardizing compensation schedules for similar jobs across the district provides transparency and sets a verifiable standard for what the district considers fair compensation for employee labor.

IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:

By revising the BASE49 job descriptions there are not any direct impacts to the District mission.

Culture	Inner Ring —How we treat each other	Consistent pay for similar positions builds trust among the workforce.
	Outer Ring —How we treat our work

TITLE OF AGENDA ITEM: Revised Job Descriptions

ACTION/INFORMATION/DISCUSSION: Action

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

Since the rebranding of Kids Corner to BASE49, it is important the job descriptions accurately represent the program, in both the name as well as the job descriptions and expectations.

RATIONALE:

As the program has expanded to all the public Elementary Schools in District 49, it is important for the new name to be used in all aspects related to the program, to keep uniformity throughout the program.

RELEVANT DATA AND EXPECTED OUTCOMES:

It is professionally best for accurate job descriptions when selecting potential candidates and evaluating their performance. The job description specifies necessary information for applicants to understand the full requirements of the job.

INNOVATION AND INTELLIGENT RISK:

BOARD OF EDUCATION ITEM 7.07
OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Pedro Almeida, Chief Operations Officer

TITLE OF AGENDA ITEM: Facilities Project Manager – New Position

ACTION/INFORMATION/DISCUSSION: Action

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY: District 49 created the temporary position of Mill Levy Override (MLO) 3B Director in 2016, with the intent that the position would sunset after approximately 3 years. The MLO 3B Director position will be removed around the end of 2019. The creation of this Facilities Project Manager position will both address the long term need of continued MLO project planning and management, as well as the need for supervision of other major construction or capital projects

RATIONALE: District 49 experienced about 4% student population growth in School Year 2018/2019 over the previous school year, and is projected to maintain a high rate of student growth for many years as a result of significant housing development in the District's geographic footprint. This student population growth will result in a steady stream of new construction projects (either new schools or school additions, or both). Additionally, the district will periodically receive Mill Levy Override funds to use for refurbishing and refreshing our existing schools. Both of these efforts, as well as annual capital projects, require the staff capacity to direct and manage them to ensure that the District efficiently and effectively manages the projects within approved budget and time constraints.

RELEVANT DATA AND EXPECTED OUTCOMES: The creation of this position will improve long term effectiveness in facilities project and construction project management, thereby improving the District's ability to complete projects on time and within approved budget constraints.

INNOVATION AND INTELLIGENT RISK: The position will reduce overall District risk by emplacing experienced, direct supervision over the management of the execution of high dollar projects.

IMPACTS ON THE DISTRICT'S CULTURAL & STRATEGIC PRIORITIES—THE RINGS:

Culture	Inner Ring—How we treat each other	
	Outer Ring—How we treat our work	

IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE ROCKS:

Strategy	Rock #1—Establish enduring <u>trust</u> throughout our community	<i>Build community trust by (1) ensuring that the investment into high dollar projects is well managed for maximum financial benefit to the district, as well as (2) ensuring project schedules are met in order to serve students, staff, and the community on a forecasted schedule which allows for planning and preparation.</i>
	Rock #2—Research, design and implement programs for intentional <u>community</u> participation	

BOE Regular Meeting October 10, 2019
Item 7.07 continued

Rock #3 — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	<i>This position will be key for continued expansion of the District's portfolio of schools to accompany student growth projections.</i>
Rock #4 — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	
Rock #5 — Customize our educational systems to <u>launch each student toward success</u>	

BUDGET IMPACT: As a Prof-Tech Range 3, this position will require funding between \$54,900 to \$73,692 per year – depending on experience for a successful external candidate. A successful internal candidate may bring additional steps that could push that cost higher.

AMOUNT BUDGETED: To this point, we resource this role from the Mill Levy Override program and that would likely continue for the full 2019/20 fiscal year. For 2020/21, we intend to bring the role into the general fund.

RECOMMENDED COURSE OF ACTION/MOTION REQUESTED: Recommend that the BOE review and discuss this topic at the BOE Work Session Sept 25, 2019, with a follow on action to approve the position at the Oct 10, 2019 regular BOE meeting.

Office/Custodian	Operations/Director of Transportation

Student Transportation

The District's transportation program will be designed to transport students living within District boundaries in a safe efficient, and economical manner. The transportation program shall comply with all Federal and State legal requirements, Board policies, and will develop and implement internal procedures and rules necessary to conduct this program.

The provision of regular education transportation service for students in the State of Colorado is not a legal requirement. Each local school board has the authority to establish the level of transportation services for its individual school district.

In the event the Board determines that the unreimbursed expenses associated with providing student transportation are impacting the budget for instructional programs, the Board may explore opportunities to offset those costs through imposition of a transportation fee in accordance with state law.

Alternatively, the district may submit to the voters the question of whether to impose a mill levy increase for the payment of excess transportation costs in accordance with state law. If the mill levy increase is approved, the revenues shall be deposited in the transportation fund.

The District will impose fees for transportation with the following exceptions:

- Any Special Education student who has transportation identified as a related service on their Individualized Education Plan (IEP);
- any student eligible for reduced price or free lunches as determined by federal regulations; or
- Any District identified homeless-McKinney Vento student.

The District has no established walk zones. Eligibility for regular education students to ride is based on payment of the fee. Transportation may be provided if, in the opinion of the Board, extreme hardship or dangerous conditions prevail.

General responsibility for the transportation system is vested in the Transportation Director. All other people engaged in the transportation program are responsible to that administrator.

It shall be the duty of the Transportation Director to provide the Board with regular reports and information regarding the efficiency and conduct of the transportation program.

The District shall operate its own fleet of buses and other types of vehicles as needed.

In the event the Board determines that the unreimbursed expenses associated with providing student transportation are impacting the budget for instructional programs, the Board may explore opportunities to offset those costs through imposition of a transportation fee in accordance with state law.

~~Alternatively, the district may submit to the voters the question of whether to impose a mill levy increase for the payment of excess transportation costs in accordance with state law. If the mill levy increase is approved, the revenues shall be deposited in the transportation fund.~~

All District employees that drive a District vehicle shall conform to federal and state laws and regulations, Board of Education policies, and departmental procedures and rules regarding vehicle use, insurability standards, motor vehicle record (MVR) monitoring, accident reporting, training, licensing, and other requirements and shall participate in required training programs.

Those District employees that transport students shall also conform to the additional requirements set forth by the Colorado Department of Education rules and regulations regarding operation of school transportation vehicles.

The Transportation Director is responsible for

- Establishing and conducting a vehicle accident review committee to make vehicle accident preventability determinations;
- Establishing the district vehicle insurability standards, in consultation with the District risks and benefits manager and the district vehicle insurance provider;
- Establishing district procedures for a MVR monitoring program;
- Establishing and conducting the District's Department of Transportation required Drug and Alcohol Testing Program for commercial vehicle drivers; and

EEAEAA, Drug and Alcohol Testing for Commercial Drivers/Licensed Employees

EEBA, School-Owned Vehicles

Title	Drug and Alcohol Testing for Commercial Drivers/Licensed Employees
Designation	EEAEAA
Office/Custodian	Operations/Director of Transportation

In accordance with Federal law and regulations, the District shall be responsible for implementing a drug and alcohol testing program for all employees and prospective employees who are required to hold a commercial driver's license as a condition of hiring or continued employment. The purpose of the testing program shall be to help prevent accidents and injuries resulting from the misuse of alcohol and controlled substances by CDL drivers (in accordance with federal regulations).

Prohibited conduct

Drivers shall be prohibited from any alcohol misuse that could affect performance on the job, including use on the job, use during the eight (8) hours before driving, having prohibited concentrations of alcohol in their systems while driving, and use during eight hours following an accident.

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substances except when the use is pursuant to the instructions of a physician who has advised the driver that the substance does not adversely affect his ability to safely operate a motor vehicle.

Required testing

Drivers shall be subject to pre-employment/pre-duty drug testing and to reasonable suspicion, random, post-accident, return-to-duty and follow-up alcohol and drug testing pursuant to procedures set out in the federal regulations. These procedures use an evidential breath testing device for alcohol testing. For controlled substances testing, urine specimen collection and testing by a laboratory certified by the U.S. Department of Health and Human Services shall be required.

Pre-employment drug testing shall be administered to an applicant offered a position in the district prior to the first time the driver performs any safety-sensitive function for the district.

Random alcohol testing shall be limited to the time period surrounding the performance of safety-related functions which includes just before or just after the employee performs the safety-related function. Controlled substances testing may be performed at any time while the driver is at work.

An employee covered by the federal regulations may not refuse to take a required test.

Consequences if testing indicates drug or alcohol misuse

If the testing confirms prohibited alcohol concentration levels or the presence of a controlled substance, the employee shall be removed immediately from safety-related functions in accordance with the federal regulations. Before a driver is reinstated, if at all, the driver shall undergo an evaluation by a substance abuse professional, comply with any required rehabilitation and undergo a return-to-duty test with verified test results.

A driver who is prohibited from performing safety-sensitive functions may be assigned to non-safety-sensitive functions until such time as the driver complies with the requirements for returning to duty.

The Board retains the authority consistent with state and federal law to discipline or discharge any employee who is an alcoholic or chemically dependent and whose current use of alcohol or drugs affects the employee's qualifications for and performance of his or her job.

The district is not required under federal law requiring drug and alcohol testing to provide rehabilitation, pay for substance abuse treatment or to reinstate the employee. All employment decisions involving reinstatement, termination or dismissal shall be made in accordance with applicable district policies.

Record retention

The district shall maintain records in compliance with the federal regulations in a secure location with controlled access. With the driver's consent, the district may obtain any of the information concerning drug and alcohol testing from the driver's previous employer. A driver shall be entitled upon written request to obtain copies of any records pertaining to the driver's use of alcohol or controlled substances including information pertaining to alcohol or drug tests.

Records shall be made available to a subsequent employer upon receipt of a written request from a driver only as expressly authorized by the terms of the driver's request.

Other provisions

The District shall take steps to ensure that supervisors receive proper training to administer the drug and alcohol testing program and employees receive the notifications required by federal regulations.

Designation	EEAEG
Office/Custodian	Operations and Business/Director of Transportation and Risk and Benefits Manager

While the Board of Education believes the use of wireless communication devices by district employees is important to provide instant communication regarding emergencies as well as to convey other important information, district employees shall be subject to the following restrictions to ensure safe use of vehicles and to reduce district liability.

Definition:

Wireless communication device is defined as any device intended to facilitate communication, including but not limited to cell phones, two-way radios, walkie-talkies, palm pilots, beepers, pagers, etc.

District employees, operating any district owned vehicle or a privately owned vehicle while transporting students on district business shall not place or receive communications using any hand held wireless communication device.

Under unusual circumstances, use of a district owned two-way radio system shall be allowed when used to assist the vehicle operator and/or dispatcher in the necessary communications periodically needed to safely transport students. Use of such devices while the vehicle is in motion shall be limited whenever possible.

District employees that operate any district vehicle are prohibited from texting while the vehicle is in motion. Violators will, in accordance with Colorado State law, be terminated immediately.

Bus drivers shall under no circumstances place or receive communications unrelated to district business while driving.

Violation of this policy may subject the vehicle operator to disciplinary action which could include termination.

BOARD MEETING OF: October 105, 2019

PREPARED BY: Monica Deines-Henderson, Director of Nutrition Services

TITLE OF AGENDA ITEM: Meal Price Increase

ACTION/INFORMATION/DISCUSSION: Acion

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

Approval of meal price increase to offset in the financial impact of the minimum wage and PERA increases while keeping the District in compliance with the Section 205; Equity in School Lunch Pricing of the Healthy, Hunger-Free Kids Act of 2010 (Public Law 111-296).

Price Increase of \$0.35 for lunches and \$0.10 for breakfasts. Bringing the meal prices to:

Elementary:

Breakfast \$1.65

Lunch \$2.70

Secondary:

Breakfast \$1.85

Lunch \$3.00

Adult (without milk)

TITLE OF AGENDA ITEM: SCHS Course Proposal – Quantitative Literacy with Math Capstone

ACTION/INFORMATION/DISCUSSION: Action

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

Seeking approval of the Quantitative Literacy with Math Capstone course for Juniors or Seniors who do not meet the mastery requirement.

RATIONALE:

Students may not reach mastery through a standardized test. This capstone gives them an option to show mastery through multiple means: presentations, exploration, research, and real world math calculations and computations.

RELEVANT DATA AND EXPECTED OUTCOMES:

Students must complete 2 projects in addition to their coursework in the classroom. Students that complete each project with a 75% score or higher on both projects will obtain mastery in mathematics.

INNOVATION AND INTELLIGENT RISK:

The capstone provides the opportunity for students to demonstrate mastery of math standards through a series of projects that coincide with the curriculum. A teacher will monitor students within a class to make sure they are progressing through the requirements of the projects and submitting the appropriate and accurate material to meet mastery.

Quantitative Literacy with Math Capstone

Course Description

Develops number sense and critical thinking strategies, introduce algebraic thinking, and connect mathematics to real world applications. Topics in the course include ratios, proportions, percents, measurement, linear relationships, properties of exponents, polynomials, factoring, and math learning strategies. This course prepares students for Math for Liberal Arts, Statistics, Integrated Math, and college level career math courses and also to pass the NEXT GEN Accuplacer: Arithmetic Math Test. This course will also get students to mathematical mastery through capstone projects in the first semester.

Syllabus

Unit 1: Algebraic Expressions and Linear Equations

Project 1: Plan a Party - *This piece of the capstone assesses students on The Real Number System (N-RN), Seeing Structure in Expressions (A-SSE), and Reasoning with Equations and Inequalities (A-REI). Students will be given a budget and will need to calculate all aspects of the party, including seating, tables, and food and the costs associated with it. Students will need to present their plan in written form, verbal form, or through an intricate budget with calculations included.*

Unit 2: Fractions

Unit 3: Decimals

Unit 4: Ratios, Proportions and Measurement

Project 2: Redecorating Your Room - *This piece of the capstone assess students on The Real Number System (N-RN) and Arithmetic with Polynomials and Rational Expressions (A-APR). Students will be able to choose the size of their space and will have to calculate and order all materials to fill it. Students will research and compare costs for paint, carpeting, furniture and decor. Students will need to present their plan in written form, verbal form, or through an intricate budget with calculations included.*

Unit 5: Percent and Probability

Project 3: Tax and Discount - *This alternative capstone assesses the students on Quantities (N-Q) and Interpreting Functions (F-IF). Students will choose a job, research its annual salary and figure out a 2 week paycheck. Students will have to calculate all taxes taken out and develop a Net Pay amount. With their paycheck, they will go “shopping” and will have to calculate their own bill at a store of their choosing while comparing product prices, and calculating discount and tax. Students will need to*

present their paycheck and shopping bill in written form, verbal form, or through an intricate budget with calculations included.

Unit 6: Linear Equations and Inequalities in One Variable

Project 4: School Stats and Scatter Plots - *This alternative capstone assesses the students on Interpreting Categorical and Quantitative Data (S-ID), Making Inferences and Justifying Conclusions (S-IC), Linear, Quadratic, and Exponential Models (F-LE), and Interpreting Functions (F-IF). Students will choose a data set to survey the student body (i.e. height vs. shoe size), collect data and create a visual representation in the form of a scatter plot to show trends. Students will form a trend line and calculate an equation that represents it. Students will use their data and equation to make future predictions about the student body. Students will need to present their solution in written form, verbal form, or through an intricate budget with calculations included.*

Unit 7: Graphing Equations

Unit 8: Polynomials and Exponents

Unit 9: Factoring Polynomials and Solving Equations

Example of a Project (3): Tax and Discount

1. Determine your paycheck.
 - Apply for a job and all aspects of the process
 - Submit job application or link to
 - Create a resume for an employer
 - Students can work with Target's HR director on what they are looking for in a resume, employee, availability
 - Based on availability submitted and pay for the position:
 - Create a pay stub for 2 weeks with deductions of FICA, State and Federal taxes
2. Create a list of grocery items and staples needed for a week.
 - Price the items at two different stores (i.e. Walmart vs. King Soopers)
 - Look for coupons and deals, name brand vs. not name brand
 - Calculate your weekly grocery bill
 - Work with the general manager at King Soopers to talk about weekly deals and what is on sale when during the year
 - Show the item price and discounted price to be used in the calculation of total bill
 - Calculate sales tax on grocery items
 - Determine final bill for a week of groceries and if this amount is a feasible percentage of your paycheck

BOARD OF EDUCATION ITEM 7.10B
OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Lauren Stuart, Student Council Advisor

TITLE OF AGENDA ITEM: SCHS Honors Course Proposal – “Student Council Leadership (Honors)”

ACTION/INFORMATION/DISCUSSION: Action

BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:

Seeking approval of an honors course through a leadership capstone project in the sophomore, junior and senior year of Student Council.

RATIONALE:

Students elected to student council are some of the highest performers in the school. Students’ GPA is impacted by participating in Student Council. These students spend the majority of their school year volunteering, organizing service projects, and serving the community, staff and students of Sand Creek High School. SCHS would like to offer a leadership capstone project each year to allow them to earn honors credit upon completion.

RELEVANT DATA AND EXPECTED OUTCOMES

Students must complete and submit a portfolio that aligns with the National Student Council Standards to show their growth in leadership and their demonstration of service and civic engagement. If students complete the requirements per semester, they would earn an honors credit of .5 per semester.

INNOVATION AND INTELLIGENT RISK:

SCHS wants to honor and reward our students who go above and beyond for their local and school community. Many students do not run for student council because they are focused on their GPA and know it will lower their rank in the class. The student council advisors (teachers) will monitor the progress of students who elect to be in the honors course and will award credit based on completion of the appropriate items.

IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:

C u l t u r e	Inner Ring —How we treat each other	Students in Student Council are committed to serving their local and school community by organizing events, planning service projects and letting the voice of the student be heard when coordinating things that affect their day to day in the school.
	Outer Ring —How we treat our work	Student Council is often tasked with putting on events in the school; it is essential that we do this with pride and always representing SCHS and D49 well. From posters to prom, everything we do must be done to the best of our ability.
S t r a t	Rock #1 —Establish enduring <u>trust</u> throughout our community	Students who give up their time, energy and ideas should be rewarded for making progress in leadership and their dedication to service.
	Rock #2 —Research, design and implement programs for intentional <u>community</u> participation	The “leadership capstone project” would require each student to engage the community in projects as well as

BOE Regular Meeting October 10, 2019
Item 7.10b continued

e g y		organize civic engagement that would positively affect our student body as well as the greater community.
	Rock #3 — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	After applying to be a nationally recognized Student Council, SCHS will be one of the select few in the city that is recognized as such. This high level course will help develop students to become the best leaders they can be.
	Rock #4 — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	To provide the opportunity for honors credit to reward and recognize students for their accomplishments and the positive additions they make to Sand Creek High School.
	Rock #5 — Customize our educational systems to <u>launch each student toward success</u>	To attract and retain high performers to student council to positively influence the culture and climate of Sand Creek High School.

BUDGET IMPACT: There would be no budget impact.

AMOUNT BUDGETED: There are no funds needed to support this proposal.

RECOMMENDED COURSE OF ACTION/MOTION REQUESTED: Move to approve the Student Council Leadership Course (Honors) at Sand Creek High School as recommended by the administration.

APPROVED BY: Peter Hilts, Chief Education Officer

DATE: September 26, 2019

Student Council Leadership Honors Course

This course provides elected student council representatives the opportunity to study, practice and develop group leadership skills and the time necessary to perform their duties. These skills include, but are not limited to decision-making, problem-solving techniques, communications, human relations and civic responsibility. The honors component will be similar to a capstone where students must complete a portfolio on 3 standards from the National Student Council Standards along with 1 active component of either Civic Engagement or Service and complete their Leadership Philosophy. The honors credit is open to sophomores, juniors and seniors. Student council elections take place in April of the prior school year. Students may not register for this course; students are assigned to the class once elections are held.

The portfolio and all links are to the National Student Council Standards.

Honors Course Portfolio Syllabus

Portfolio Contents

To be presented in the following order:

1. Create a cover page, containing the following:

Student Name

Current Grade Level in School

School

State

Month, Day, and Year of Application Submission

1. Prepare a Table of Contents, labeling pages/files as noted under Portfolio Criteria
2. Include your completed student, school, and leadership activity profile information forms.
3. Include your activity sign-off forms, initialed by your adviser.
4. Include your signed statement of validation page.
5. Provide evidence you have completed tasks related to your reading of Knowledge Builder material and demonstrated your skills for your adviser.
6. Include your two letters of recommendation.

Program Tasks and Goals (choose 3 standards)

- A. 1. Leadership and You

“The growth and development of people is the highest calling of leadership.” Harvey S. Firestone

A. 10. Evaluation

"The only man who behaves sensibly is my tailor; he takes my measurements anew every time he sees me, while all the rest go on with their old measurements and expect me to fit them."

George Bernard Shaw

Goals

- Demonstrate that you can successfully explain the general purpose of evaluation and identify 5 reasons why student councils should evaluate.
- Identify 10 simple methods that can be used to carry out evaluations.
- Identify 5 common characteristics of a good evaluation instrument.
- Successfully select and perform project and personal evaluations, and report findings.

For your portfolio, read the following items and prepare no more than one paragraph to address the following. As you read, you may wish to [use this optional worksheet to take notes](#):

1. [Provide an explanation of why it is important to evaluate people, groups, governing rules, and activities as noted on the worksheet.](#)
2. [Identify 10 evaluation methods or instruments and provide an example of how to apply each appropriately.](#)
3. [Name 5 characteristics of good evaluation instruments.](#)
4. [Identify the best evaluation method for each example given on the worksheet.](#)
5. [Using the 7 tips for planning evaluations, plan, perform, and report the results.](#)
6. [Complete the Individual Leader Evaluation Form. Summarize the results.](#)

Active Components (choose 1)

B. 1. Service

"Without community service, we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop." Dorothy I. Height

Goals

- Demonstrate that you can understand and can explain the importance of service as a key role of student leaders and the basic types of service projects typically performed by students.
- Identify school and community resources that can assist student council to identify school and community needs.
- Identify the difference between service and service learning and the 4 main parts of service learning.
- Identify and apply the 12 W's of project planning to the planning and implementation of a service project.
- Lead a student council committee or group to plan and carry out a service project that will benefit the school or community.

For your portfolio, read the following items and prepare no more than one paragraph to address the following. As you read, you may wish to [use this optional worksheet to take notes](#):

1. [Explain the role of service as it pertains to student leaders.](#)
2. [Explain *Direct* and *Indirect* Identify strengths or weaknesses of each. Explain which type of service you feel is better for students to participate in and why.](#)
3. [Explain the difference between service and service learning. Identify 4 key elements of service learning and explain what occurs during each.](#)
4. [Research and create a list of 5 resources at the school and 5 in the community to contact or utilize in support of student council service projects. Summarize how each one could be used or what information it could provide.](#)
5. [Provide evidence of active participation in 2 service projects within the last 2 years.](#)
6. [Use the 12 W's of project planning to plan and carry out a community service project. Follow the outline on the worksheet.](#)

B. 2. Civic Engagement

“Young people say, ‘What can one person do? What is the sense of our small effort?’ They cannot see that we can only lay one brick at a time, take one step at a time; we can be responsible only for the one action of the present moment.” Dorothy Day

Goals

- To understand what it means for students to have a voice in school and community issues.
- To understand what civic engagement means.
- Identify student council functions and activities that are civic-based.
- Understand how the “system works” in order to have input or to effect change.
- Identify community and online civic resources and define how they can be used in planning a civic-based activity.
- Assume the lead on a civic-based activity designed to engage members of the student body.

For your portfolio, read the following items and prepare no more than one paragraph to address the following. As you read, you may wish to [use this worksheet to take notes](#):

1. [Identify 2 types of school issues and 2 types of community issues for which students should have input and explain why.](#)
2. [Explain what it means to be civically engaged and why it is important for students to be involved in civic-based activities.](#)
3. [Identify 4 goals of civic engagement.](#)
4. [Explain 3 types of civic engagement and activities that illustrate each one.](#)
5. [Explain a process that could be used to make an improvement or effect a change in your school.](#)
6. [Create a list of 3 community resources and 3 websites that support civic engagement. Explain how the student council can utilize each.](#)
7. Organize and lead a committee or the student council in a civic-based activity that engages members of the student body. [Explain the activity and identify it. Keep a journal of the activity and prepare a short report of the outcomes.](#)

All Students to Complete Each Year

D. 1. My Leadership Philosophy

Goals

- Articulate your personal philosophy about leadership.

- Identify your traits and characteristics that have served you as a leader and explain how you used them.
- Identify and explore how both successes and failures have affected your development and growth as a leader.

Complete the following and add them to your portfolio:

1. Create a list of your leadership traits and identify the style of leadership you most often use.
2. Write an essay of 750 to 1,000 words to discuss your personal philosophy about leadership. In your essay, cite examples of applying your leadership traits, skills, and characteristics and what you have learned about yourself (as a leader) as you have worked through the process to become a National Student Council Distinguished Student Leader.

BOARD OF EDUCATION ITEM 7.11
BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Peter Hilts

TITLE OF AGENDA ITEM: Policy BEDH Public Participation

ACTION/INFORMATION/DISCUSSION: Action

BACKGROUND OR RATIONALE

The board has a long tradition of inviting public input during an open forum agenda item at regular meetings. That tradition includes reasonable limitations on time and content to balance the efficiency of the meeting agenda with preserving the privilege of public input while balancing protections for individuals who might be a subject of public comment. This revision makes the protection of individuals more explicit.

RELEVANT DATA AND EXPECTED OUTCOMES:

The expected outcome is that the board chair will have greater clarity about framing public comments and intervening if the forum becomes a venue for personal attacks against individual staff members.

IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:

The revision attempts to set a more optimal balance between our values of trust, respect, care and learning.

Culture	<p>Inner Ring—How we treat each other</p> <p>Outer Ring—How we treat our work</p>	<p>The proposed revision increases the practice of care without undermining the value of trust.</p> <p>The proposed revision increases the efficiency and clarity of our work.</p>
Strategy	<p>Rock #1—Establish enduring <u>trust</u> throughout our community</p> <p>Rock #2—Research, design and implement programs for intentional <u>community</u> participation</p> <p>Rock #3— Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u></p> <p>Rock #4— Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive</p> <p>Rock #5— Customize our educational systems to <u>launch each student toward success</u></p>	<p>The proposed revision maintains our strategic priority of community engagement.</p>

RECOMMENDED COURSE OF ACTION/MOTION REQUESTED: We recommend that the board approve revisions to policy BEDH.

APPROVED BY: Peter Hilts, Chief Education Officer

DATE: September 26, 2019

BOARD-APPROVED POLICY OF DISTRICT 49

Title	Public Participation at Board Meetings
Designation	BEDH
Office/Custodian	Board of Education/Executive Assistant to the BOE

Title Public Participation at Board Meetings
 Designation BEDH
 Office/Custodian Board of Education/Executive Assistant to the BOE

All regular and special meetings of the Board shall be open to the public. The Board welcomes and appreciates comments on school operations and programs in District 49. Open forum time shall be scheduled during board meetings, except at work sessions, for brief comments and questions from the public. A sign-up sheet will be available for individuals at the beginning of the school board meeting. The Board shall limit the total length of public participation to thirty minutes and ~~a time limit~~ the length of ~~for~~ individual comments ~~speakers of~~ to three minutes.

Members of the public wishing to make formal presentations before the Board must notify the Executive Assistant to the Board of Education fourteen days prior to the Board meeting date and receive approval from the Board president.

During open forum, comments and questions at a regular meeting may deal with any topic related to the Board's conduct of the schools. Comments at special meetings are limited to topics on the agenda. Speakers are asked to make comments in a respectful and orderly manner. To fulfil our values of trust and respect, we decline to create a forum for attacks or criticism against specific staff members, students, or other stakeholders. Therefore, with the exception of members of the board or the chief officers, Ppersonal complaints against any individuals connected with the school system are prohibited in this forum. Therefore, as soon as an individual employee's name is mentioned with any negative, derogatory, or accusatory perspective, that speaker's comment time shall end immediately. Multiple violations may result in a suspension of any speaker's ability to participate in open forum. The speaker may seek regain the privilege to speak at open forum through the grievance process.

The Board president shall be responsible for recognizing all speakers, maintaining proper order and adherence to time limits. Follow-up action items may be assigned to the appropriate Chief Officer depending on the nature of the comments. BOARD OF EDUCATION ITEM 7.12
BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Brett Ridgway, Chief Business Officer

TITLE OF AGENDA ITEM: Addition to Business Office Staff – Payroll Technician

ACTION/INFORMATION/DISCUSSION: Regular Meeting Action

BACKGROUND OR RATIONALE We have known for some time of the excellent effectiveness and efficiency of the D49 Payroll Department – achieving extremely high results for each. We have also known that the level of efficiency and effectiveness was sustainable only as the exact pairing of staff members dedicated to that role remains constant. Unfortunately for D49 (fortunately for her), Paula Townsend, our Payroll Technician has announced plans to retire effective 12/31/2019. While she intends to request the ability to return and work some time in 2020 under a PERA-110 day arrangement, this necessitates that we plan and react sooner rather than later. A retirement arrangement, such as this requires a one-month moratorium before the retiree can enter in to a PERA-110 arrangement. This means that Ms. Townsend would not be available to participate in payroll processing during January 2020.

RELEVANT DATA AND EXPECTED OUTCOMES:

We request to add an additional payroll technician to the Business Office staff with sufficient overlap to learn from Ms. Townsend so that the new technician can contribute well to the January 2020 process. Since Ms. Townsend's eventual departure from D49 regular employ is now basically scheduled, we also need to maintain the additional role going forward, moving the total staff dedicated to payroll processing from two to three.

Gangs

At the principal's discretion, staff members may use the following techniques to discourage the influence of gangs:

1. Any student wearing or carrying overt gang paraphernalia or making gestures that symbolize gang ~~affiliation~~~~members~~ will be referred to the principal or designee. The student's parents/guardians will be contacted, and the student sent home to change clothes if necessary.
2. Any gang graffiti on school premises will be quickly removed, washed down, or painted over as soon as discovered.
 - a. Daily checks for graffiti will be made throughout the campus, including restroom walls and doors.
 - b. Graffiti ~~will~~~~may~~ be photographed before it is removed. These photographs will be shared with local law enforcement authorities and used in future disciplinary or criminal action against the offender~~s~~.
3. Classroom and after-school programs at each school will be designed to enhance individual self-esteem, provide positive reinforcement for acceptable behavior, and foster interest in a variety of wholesome activities.
4. Staff members will actively promote membership in authorized student organizations which can provide students companionship, safety, and a sense of purpose and belonging.

Gang prevention education

Gang prevention instruction offered in the schools will:

1. Explain the dangers of gang membership.
2. Include lessons or role-playing workshops in nonviolent conflict resolution and gang avoidance skills.
3. Promote constructive activities available in the community.
4. Involve students in structured, goal-oriented community service projects.
5. Encourage positive school behavior.

Gang prevention lessons may be taught jointly by teachers and law enforcement officers.

Community outreach

Gang prevention classes or counseling offered for parents/guardians will address the following topics:

1. Dangers of gang membership.

2. The nature of local gang apparel and graffiti.
3. Ways to deal effectively with one's children.
4. Warning signs which may indicate that children are at risk of becoming involved with gangs.

Community programs offered for staff, parents/guardians, churches, city officials, business leaders, and the media will address:

1. The scope and nature of local gang problems.
2. Ways that each segment of the community can help to alleviate these problems.

Intervention measures

Staff members will make every effort to assimilate gang-oriented students into the academic, extracurricular, and social mainstream and into work experience programs. To this end:

1. Staff members will be provided with the names of known gang members.
2. Insofar as possible, classroom teachers will assign individual gang-oriented students to cooperative learning groups in which they may work toward common goals with students who are not members of their gang.
3. Students who seek help in rejecting gang associations may be referred to community-based gang suppression and prevention organizations.

BOARD-APPROVED POLICY OF DISTRICT 49

Title	Immunization of Students Non-Medical Exemption Form (Religious and Personal Beliefs)
Designation	JLCB-E
Office/Custodian	Education/Executive Director of Individualized Education

Immunization – Non-Medical Exemption Form (Religious and Personal Belief)

Vaccines are one of the greatest public health achievements of the past century and save an estimated 3 million children's lives every year. The Colorado Department of Public Health and Environment strongly supports vaccination as one of the easiest and most effective tools in preventing diseases that can cause serious illness and even death. For nearly all children, the benefits of preventing disease with a vaccine far outweigh the risks. Declining to follow the advice of a health care provider, or public health official who has recommended vaccines may endanger an unvaccinated **child's** health and others who come into contact with him/her. Some vaccine-preventable diseases are common in other countries and unvaccinated children could easily get one of these diseases while traveling or from a traveler.

Colorado law C.R.S. § 25-4-902 requires all students attending any school in the state of Colorado to be vaccinated against certain vaccine-preventable diseases as established by Colorado Board of Health rule 6 CCR 1009-2, unless an official exemption form is filed. This law applies to students attending child care facilities licensed by the Colorado Department of Human Services, public, private and parochial kindergarten, elementary and secondary schools through 12th grade, and colleges or universities. Prior to kindergarten, an official non-medical exemption form must be filed each time a student is due for vaccines according to the schedule developed by the Advisory Committee on Immunization Practices.¹⁻² From kindergarten through 12th grade, an official non-medical exemption form must be filed every year during the **student's** school enrollment/registration process³. Students with an exemption may be kept out of child care or school during a disease outbreak.

Depart-3/15/21 Return-3/26/21

20 Students will attend this trip.

Cost of this trip will be \$3,900 per student and includes transportation, meals, lodging, insurance and tours.

This trip is designed to:

Explore international destinations to gain awareness of global perspectives and connections.

Promote international understanding, respect for different cultures, language learning and global citizenship.

Align school curricula to bring subjects, people and events to life.

Provide global settings to sharpen key 21st century skills - critical thinking, problem solving, communication, collaboration and global competence.

Develop interpersonal and leadership skills necessary to navigate new experiences with confidence and adaptability.

Fundraising will not be part of this trip.

20 Students will attend this trip.

Cost of the trip will be \$1,889 per student and includes transportation, meals, lodging, insurance and tours.

Students will experience US History with interactive hands on activities at actual historical sites, museums, and memorials.

I will have periodic parent meetings to prepare for the trip.

All tours will be educational and students will complete journals.

Fundraising will not be part of this trip.

VRHS

Old West Show Choir Competition in Scottsbluff, NE

Depart-11/1/19 Return-11/3/19

50 Students will attend this trip.

Cost of this trip will be \$75 and includes transportation, meals and lodging.

Students will work together competitively to perform the show we produced, choreographed, and learned all the music for. It's challenging physically because they dance for 30 minutes straight while singing. They also compete against 25 other schools so they have the opportunity to watch other work and self-evaluate and critique themselves in hopes to continue to improve their performance. It teaches grit because they can't give up regardless of judge comments. Having a judge critique teaches kids that we always have something to improve on and in some cases, teaches how to embrace rejection if they don't place. The can then ask themselves how to improve which is a life skill we hope kids leave high school with

Fundraising will be part of this trip.

TITLE OF AGENDA ITEM: Current Legal Issues

ACTION/INFORMATION/DISCUSSION: Information - Confidential

BACKGROUND OR RATIONALE

With an organization the size of District 49, serving 20,000+ plus students, with 2,000 + employees and a constituency of over 85,000, with 80 busses on the road every day, serving the public good in public education, there will always be legal situations in at hand. This report will be a regular, confidential, information item so that the Board can be aware of what current issues, what that issue is about, and who is involved.

RELEVANT DATA AND EXPECTED OUTCOMES:

District 49 .Business Office Staff, along with legal counsel will always work to protect the institution and ideals of public education, pursuing the best possible outcome on each legal situation. Sometimes, the best outcome does involve a settlement or other action that is recommended by either legal counsel or insurance representatives.

BOARD OF EDUCATION ITEM 8.06

BOARD MEETING OF:	October 10, 2019
PREPARED BY:	Paul Andersen, Director of Human Resources
TITLE OF AGENDA ITEM:	Job Description Administrative Revisions
ACTION/INFORMATION/DISCUSSION:	Information Item

BACKGROUND INFORMATION, DESCRIPTION OF NEED: Per policy GBJD, all positions in the district shall be established initially by the Board of Education. The Board delegates to the chief officers or designee(s) the task of writing job descriptions, which will include a statement of purpose, the essential functions of the position, requisite knowledge, skills and abilities, along with the physical demands and work environment factors required. The Board shall approve all job descriptions for new positions recommended by the chief officers.

RATIONALE: From time to time, the administration will identify the need to modify an existing job description. The Board delegates to the chief officers or designee(s) the authority to approve certain modifications to job descriptions. Other modifications require approval of the Board. Approval requirements for job description changes are as follows:

Changes Requiring Board Approval

- Change in job title
- Change in FLSA status (exempt vs non-exempt)
- Move from one pay range to another pay range
- Move from one salary schedule to another
- Change in reporting relationships
- Change in budgeted calendar days
- Major modifications to essential duties and responsibilities, qualifications or other work factors

Changes Within Administrative Discretion

- Formatting and template modifications
- Minor modifications to essential duties and responsibilities, qualifications, or other work factors
- Revisions to reflect shifts in the district’s lexicon

All administrative revisions must be approved by the Director of Human Resources. The administrative revision date will be noted in the board-approved job description and will be notated as an “Administrative Revision”.

RELEVANT DATA AND EXPECTED OUTCOMES: The presentation of administratively modified job descriptions serves to keep the board informed of changes and demonstrates transparency to stakeholders.

IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:

Culture	Inner Ring —How we treat each other	Accurate and up-to-date job descriptions promote respect and responsibility by providing clarity to the employee. This clarity positively impacts purpose, learning and teamwork.	
	Outer Ring —How we treat our work		
Strategy	Rock #1 —Establish enduring <u>trust</u> throughout our community	Our thoughtful, transparent job description development and approval process promotes trust with stakeholders.	
	Rock #2 —Research, design and implement programs for intentional <u>community</u> participation		
	Rock #3 — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>

Information Technology Update

Jim Tanner ITQAM

Wireless Access Point (WAP) Upgrades

Identifying the Problem

- D49 experiencing technology challenges which impact our ability to fully leverage technology to educate students and improve the staff experience.
- Core Causes
 - Insufficient strategic infrastructure planning
 - Lax infrastructure management, monitoring, support, and security
 - Wireless Network not designed or configured for high density environments
 - Wireless Network needed to be mapped, tuned, and secured with the correct hardware

The Solution – WAP Upgrades Major Summer 2019 Project

- RF Mapping completed before the end of the last school year: ensured “hot spots” were accurately identified
- Coordinated with the facilities to insure that any low voltage issues are coordinated and scheduled properly
- Coordinated with facilities to schedule times in the appropriate schools to avoid any conflicts with any other projects over the summer break
- Sequencing as follows
 - High Schools: resourced with new MR55’s (Meraki Wireless Routers)
 - Middle Schools: resourced with a mix of MR55’s and MR52’s “trickled down” from the High Schools.
 - Elementary Schools: in progress as the schedule allows using remaining high density access points

Education reEnvisioned BOCES District 49 Board Update

October 10, 2019

Vision and Mission

VISION We believe that better education methods and formats continue to emerge, and so resolve that the Education reEnvisioned BOCES will be a welcoming host to innovative, exceptional programs and schools and a wellspring of better education models, encouraging proliferation through partnerships with other districts and BOCES.

MISSION The Education reEnvisioned BOCES will develop and deliver services to BOCES, districts and authorized schools to expand availability and access to quality, innovative public education programs Colorado parents and students seek.

Our Operation Norms

Con Ganas: The work we do is challenging, but every challenge is seen as an opportunity and we do not easily give up.

The High Road: We do the right thing and we treat one another with respect and dignity.

Joy Factor: We work to create a joyful and optimistic governance environment that values kindness and humor.

Accountable Action: We hold clear, high expectations for our work, and we are appropriately held accountable to those expectations by ourselves and others.

Our Operation Norms (cont'd.)

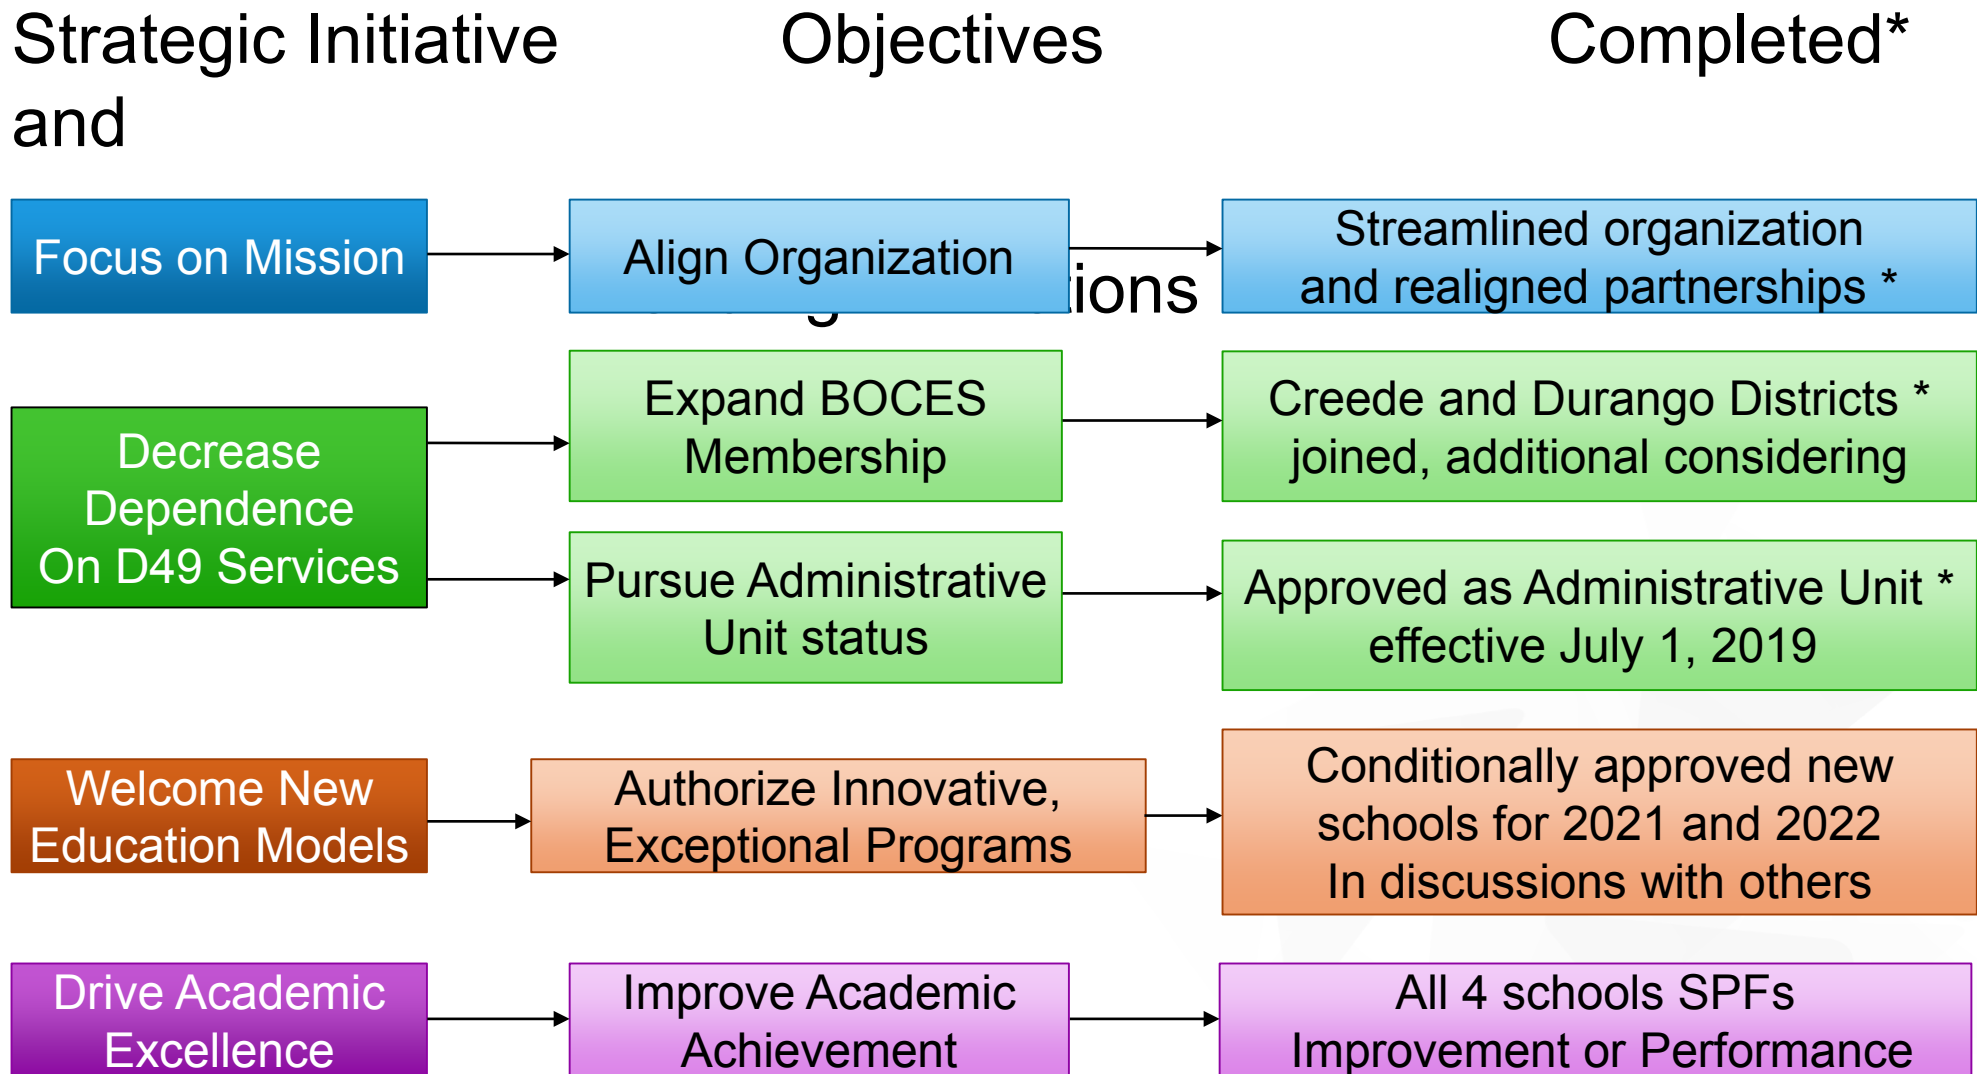

Growth Mindset: We continue to develop professionally, and ensure our organization operates with a growth mindset in order to create the best and improving education possible for our students and families.

Lean In: We communicate with one another professionally, appropriately, honestly, and transparently, both in person and in writing.

We Serve: Every day is an opportunity to partner with and learn from our member districts, our schools and their students and families, whom we serve with grace and humility.

Execution of New Vision/Mission

Strong Partnership with D49

Challenging the norm: We continue to challenge educational assumptions that have become institutionalized. Member districts benefit from observation with separation.

Sandboxing: We have worked closely with our members to consider new educational models and agree on how they are best hosted to prove out success.

We Serve: Every day is an opportunity to partner with, learn from, and share ideas with our member districts. This is in our DNA, as part of our organization norms.

BOARD OF EDUCATION ITEM 9.04
BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Brett Ridgway, Chief Business Officer
 Ron Sprinz, Finance Group Manager

TITLE OF AGENDA ITEM: Enrollment Update

ACTION/INFORMATION/DISCUSSION: Discussion

BACKGROUND OR RATIONALE”

Under current statute, Colorado school districts’ program formula funding is largely based on the ‘October Count’ of full time equivalent students (sFTE). Like many districts, we monitor how enrollment is trending as compared to the adopted budget. sFTE is the largest variable in determining program formula funding and since program formula funding accounts for 94% of our total general fund revenue budget, and since we are continuing to move toward a full student-based funding model, it is very appropriate to monitor sFTE early in the school year to determine what issues may come from fluctuations to the adopted budget in terms of sFTE by school.

RELEVANT DATA AND EXPECTED OUTCOMES:

The actual October Count result will be the driving factor in compiling the amended budget, to be approved by the Board of Education prior to January 31, 2020. Estimates of how the October Count will unfold, and how that will affect each school and zone in turn, in terms of financial impacts, will be used in strategic decisioning throughout the course of the fall semester.

IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:

Culture	Inner Ring —How we treat each other Outer Ring —How we treat our work	
Strategy	Rock #1 —Establish enduring <u>trust</u> throughout our community Rock #2 —Research, design and implement programs for intentional <u>community</u> participation Rock #3 — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u> Rock #4 — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive Rock #5 — Customize our educational systems to <u>launch each student toward success</u>	<i>Presenting such information in an open and transparent manner validates the importance placed on community trust.</i> <i>Informed decision making and organizational agility are key strategies we continue to pursue.</i>

BOARD OF EDUCATION ITEM 10.01
BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS

BOARD MEETING OF: October 10, 2019

PREPARED BY: Brett Ridgway, Chief Business Officer

TITLE OF AGENDA ITEM:

Executive Session: Pursuant to C.R.S. § 24-6-402(4)(e) to determine positions relative to matters that may be subject to negotiations, developing strategy for negotiations and instructing negotiators – IT service provider contracting

ACTION/INFORMATION/DISCUSSION: Regular Meeting - Executive Session Discussion

BACKGROUND OR RATIONALE District 49 has outsourced a majority of Information Technology Support services since 2012. Each year thereafter, District Administration has provided a recommendation of ‘next status’ of a contract for a vendor to provide those services. In February 2019, Administration recommended, and the Board of Education supported, a six-month contract extension with Colorado Computer Support, to cover the service period of 7/1/2019 -12/31/2019. The intention with that extension, as presented in February 2019, was that the District would pursue a RFP process in the fall of 2019, to begin a new, extended (expected 3-year) contract cycle as of January 1, 2020.

RELEVANT DATA AND EXPECTED OUTCOMES: District staff has, as promised, pursued a RFP process and has identified a finalist. The Chief Officer Team now wishes to confer with the Board of Education on next steps for negotiating a contract with the chosen provider.

IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:

Culture	Inner Ring —How we treat each other Outer Ring —How we treat our work	<i>Innovatively and consistently seeking best path options</i>
Strategy	Rock #1 —Establish enduring <u>trust</u> throughout our community Rock #2 —Research, design and implement programs for intentional <u>community</u> participation Rock #3 — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u> Rock #4 — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive Rock #5 — Customize our educational systems to <u>launch each student toward success</u>	<i>Establishing clarity in intent as well as process for our students, staff, and vendors all.</i>

RECOMMENDED COURSE OF ACTION/MOTION REQUESTED: Move to enter into executive session pursuant to C.R.S. § 24-6-402(4)(e) to determine positions relative to matters that may be subject to negotiations, developing strategy for negotiations and instructing negotiators – outsourced IT services.
