

***ANNOUNCEMENT/NOTICE***  
**BOARD OF EDUCATION WORK SESSION**  
**October 23, 2019**  
**Business Meeting – 6:30 p.m.**  
**Education Service Center – Board Room**

1. Individualized Education Report (10 minutes) **Lemmond**
2. District Benefit Plan Pricing Changes (10 minutes) **Hathaway**
3. New Course Proposal at Springs Studio for Academic Excellence (5 minutes) **Knoche**
  - a. Architecture Studio - **Wixom**
4. New/Revised Course Proposals at Falcon High School (15 minutes) **Bonds**
  - a. Treble Choir and Tenor/Bass Choir - **Meyer**
  - b. Plant Science and Greenhouse Management - **Kranz**
  - c. Physics 1 and Physics 2 - **Cerniglia**
  - d. World War II Literature - **Mertz**
  - e. English Editing and Revision - **Lopez**
  - f. Partners in Physical Education - **Brockberg/Murphy**
  - g. Senior Capstone - **Murphy**
5. Board Policy Revisions – Concurrent Enrollment (5 minutes) **Perez**
  - a. IHCD, IHCD-R1 Concurrent Enrollment
  - b. IHCD-R2 ASCENT
  - c. IKCA Weighted Grading
6. Operations Performance Report: Information Technology (10 minutes) **Tanner**
7. Policy and Procedure Review (5 minutes) **Garza**
  - a. GBEA, GBEA-R Staff Ethics/Conflict of Interest
8. Enrollment and Amended Budget Update (10 minutes) **Sprinz**
9. Monthly Financial Update (10 minutes) **Poulin**
10. Unified Improvement Planning Update (10 minutes) **Whetstone**
11. Monthly Chief Officer Reports (10 minutes) **Chief Officer Team**
12. Chief Business Officer Performance Assessment/Report (10 minutes) **Ridgway**

DATE OF POSTING: October 17, 2019

---

Donna Garza  
Executive Assistant to the Board of Education

**BOARD OF EDUCATION ITEM 1**  
**BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Dr. Nancy Lemmond, Executive Director of Individualized Education

**TITLE OF AGENDA ITEM:** Individualized Education Performance Report

**ACTION/INFORMATION/DISCUSSION:** Information

**BACKGROUND OR RATIONALE**

Individualized Education houses programs for individualized instruction, support, and services – Community Care including the Care and Support Team, English Language Development, Gifted Education, and Special Education. The presentation is an overview of performance.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

Informing the Board of Education and district stakeholders of Individualized Education’s performance holds Individualized Education accountable to both internal and external stakeholders along with staff within the department. Overview is for informational purposes only.

**IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Culture</b>	<b>Inner Ring</b> —How we treat each other <b>Outer Ring</b> —How we treat our work	Provide transparency of Individualized Education’s performance and activities
<b>Strategy</b>	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community <b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation <b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u> <b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive <b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	Provide transparency of Individualized Education’s performance and activities and provide performance overview of individualized education programs assisting in launching students toward success.

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** No action required.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** October 16, 2019

Questions?

**BOARD OF EDUCATION ITEM 2**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Shannon Hathaway, Risk & Benefits Manager

**TITLE OF AGENDA ITEM:** Changes to D49 Employee Health Plan

**ACTION/INFORMATION/DISCUSSION:** Discussion

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

In July 2008, District 49 started to self-fund the health insurance benefit program and this continues to be an appropriate strategy for a business this size.

Every year, we as well as most other companies that offer these type of programs must review their plans to see if adjustments are needed to allow the programs to continue. For self-funded programs such as ours, the adjustments are at our discretion, but needed to maintain the vitality of the plan in the future.

Our fund balance had shown a steady decline over the last couple of years, even with plan design changes. With our changes in 2019, our fund balance did grow by approximately \$180k. Even with this increase, we are not at a fund balance that is considered strong. Based on this information, small premium changes are requested – to go along with the previously discussed TPA & network changes. These changes are needed to help protect the district from a high claims year.

**RATIONALE:**

Premium adjustments are needed to help grow and maintain a healthy fund balance and to help support our new larger network choice for staff. We strive for a fund balance that represents one-third of the average annual claims expense. This balance, along with purchasing stop loss insurance and an aggregate stop loss policy helps to guarantee that we will be able to cover all health claims that develop over the year.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

At this point, we are recommending an increase to program revenue. These proposed adjustments are attached. An increase much smaller than last year is proposed to the district cost and also to the employee only rates. Employees will benefit from the change in carrier as discussed in September and will no longer have to limit their physicians and facilities.

**INNOVATION AND INTELLIGENT RISK:**

With growing insurance claims costs nationwide, innovation and program changes are at the forefront of our thoughts. We have worked to offer a strong healthcare program amongst high claims and insurance cost trend. We negotiated an admin fee discount during our carrier change discussions and are working to get a low or no cost increase to our stop loss insurance to help offset rate increases and open up the network choices for staff.

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

Culture	<b>Inner Ring</b> —How we treat each other	<i>Working to provide a benefit program that is valued by staff and keeps the district a Best Place to Work.</i>
	<b>Outer Ring</b> —How we treat our work	
Strate	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	<i>Supporting Community Trust through transparency in decisions and financial management that strive for a balance in cost and choice, while valuing employee satisfaction.</i>

BOE Work Session October 23, 2019

Item 2. continued

<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	
<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	
<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	<i>Supporting a Firm Foundation for our staff to be healthy and therefore available to be in attendance at work, performing the duties we have contracted for them to provide our student and family customers.</i>
<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	

**BUDGET IMPACT:** 2019/20 – proposed budget impact to follow

**AMOUNT BUDGETED:** 2019/20 – health insurance budget to follow

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** A premium increase will be needed from the district as well as a small increase to employee only rates to keep the self-funded program viable in the future

**APPROVED BY:** Brett Ridgway, Chief Business Officer

**BOARD OF EDUCATION ITEM 3**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Josh Wixom

**TITLE OF AGENDA ITEM:** Springs Studio Proposal for Architecture Studio Course

**ACTION/INFORMATION/DISCUSSION:** Discussion

---

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

Currently, Springs Studio offers Intro to Architecture as a foundation for a project-based CTE pathway, and collaborate with Judson University to host a summer Architecture camp. Students who take this course will be prepared to take college-level courses such as Revit or Architecture History through concurrent enrollment.

**ARCHITECTURE STUDIO**

**Grade Level: 9-12**

**Length: 1 semester**

In this one-term course, students will build upon skills and techniques learned in the Introduction to Architecture course, exploring design in greater depth. Students will maintain a sketchbook throughout the course and conduct a variety of case studies as they immerse themselves in history and concepts applied in great architectural works. The final project is based on a real design opportunity with a real or imagined client where students will present their final work in front of a panel of experts for critique.

---

**RATIONALE:**

Adding Architecture Studio to the already approved Intro to Architecture will allow students to be immersed in a year-long Architecture experience, improve their college readiness through skill development, and improve program completion rates. The addition of this course will provide the second half of the pathway necessary for students to become completers of the Architectural CTE pathway.

---

**RELEVANT DATA AND EXPECTED OUTCOMES:**

The expected outcome is to create a pathway for Architecture in which students develop applicable skills that will increase their chance of success in college or when pursuing an Architecture degree or a degree in the design field. Architects can expect growth at a rate of about 4 percent into the year 2024, according to the U.S. Department of Labor, Bureau of Labor Statistics. Architects with green or sustainable design skills will be in unusually high demand, says the agency. The median annual wage for architects was \$78,470 on May 2017. Also, students with Architecture backgrounds can flex into other fields such as fine arts, construction, green design, urban planning, or engineering.

---

**INNOVATION AND INTELLIGENT RISK:**

There are no perceived risks in adding this additional course. The course is a chance for students to explore their creative nature and gain access to authentic learning experiences and connections with professionals in the architectural field.

---

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

The addition of this course addresses **Rock #5**—Customize our educational systems to launch each student toward success. Students have identified through our You Science career inventories that Architecture is an area that is a strongly desired career field. In order to prepare students for a career in architecture, we must establish a rigorous and relevant career pathway. There is not another architectural CTE pathway in D49, which creates opportunities for students throughout the district who would like to pursue this career field.

---

BOE Work Session October 23, 2019  
Item 3 continued

Culture	<b>Inner Ring</b> —How we treat each other	Students immersed in a studio culture are dedicated learners and work to improve the lives of others through design.
	<b>Outer Ring</b> —How we treat our work	
Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community <b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation <b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u> <b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive <b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	<p>Community-based projects reinforce our relationship in the community and helps students connect with professionals in the field.</p> <p>Approval of career preparation courses help define an academic pathway for students interested in design and architecture related careers. Students will be introduced to skills that could lead to earning professional certificates and provides students with career and college readiness skills that can be applied immediately following graduation.</p>

**BUDGET IMPACT:** There will be an approximate building budget expenditure of \$1000 year until all supplies purchased. Once the non-consumables are purchased after a two-year distribution the costs will drop to under \$500 in the future. Drafting supplies and modeling supplies are consumables included in the yearly cost. All costs are potentially reimbursable through CTE.

**AMOUNT BUDGETED:** Sufficient funds are budgeted and allocated for this course.

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Approval of the addition of a one-semester course titled Architecture Studio.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** October 7, 2019

## Proposed Spring 2020 Course Syllabus

### Course Description

In this one term course, students will build upon skills and techniques learned in the Introduction to Architecture course, exploring design in greater depth. Concepts will include construction methods, structures, patterns and balance. Learners will apply elements of architectural practice to create multiple projects with real or imagined clients. Students will maintain a sketchbook throughout the course and conduct a variety of case studies as they immerse themselves in history and concepts applied in great architectural works. The final project will be based on a real design opportunity with a real or imagined client where students will present their final work in front of a panel of experts for critique.

### Mr. Wixom's Info

Email: [jwixom@d49.org](mailto:jwixom@d49.org)

Phone: (719) 208-4178

Twitter: [@jwixom\\_edu](https://twitter.com/jwixom_edu)

### Office Hours

In Building on Wednesday/Friday from 8:30 - 11:30

### Grading

Sketchbook - 10%

Activities - 20%

Architecture Skills Project - 20%

Design Project - 50%

### Course Overview

## Sketchbook

Students will maintain and regularly use their sketchbook to develop designs, record ideas, and document instant challenges/activities for the class or related to their personal interest in design.

## Activities

In architecture it is critical to be able to clearly convey ideas through design presentation drawings. In this project, students will research a great work of architecture and its designer. Then, students will generate a design drawing of the building using multiple media and create a storyboard with their drawings and their research.

## Architecture Skills Project

Students will visit and analyze a local architectural masterpiece to conduct a case study. This will include learning the history of the building, understanding the methodology of the architect and the construction methods used, and identifying key details and features. Students will then create a section drawing to dissect one of the key details that they identified to understand the underlying construction method.

### Example of Colorado Springs Field Trip Case Studies

- Fine Arts Center
- Pioneer Museum
- The Abbey

### Example of Denver Field Trip Case Studies

- Denver Museum of Nature and Science
- History Colorado Center
- Museum of Contemporary Art
- Denver Art Museum
- Tryba Architects

## Final Design Project

Students will get to choose from one of the following design projects, or create their own (with parameters).

- East Colorado Springs Public Library
- Habitat for Humanity House
- Container Cabin
- Event Center
- School of the Future
- West Side Estate
- Student Housing
- Neighborhood of the Future
- Downtown Diner
- Student Choice

## Main Standards

Competency	CompetencyDesc	Skill	SkillDesc	Outcome	OutcomeDesc

	Report Title:	Architecture Standards			
STC O.01	Understand and demonstrate the characteristics, scope and core concepts of technology.	STCO.01.01	Understand and apply tools, materials and processes.	STCO .01.01 .a	Apply and create an appropriate process for an assigned situation to solve a real world problem, using tools and materials.
				STCO .01.01 .b	Interpret of results of a study, including inferences and predictions. - Define and explain the meaning of significance (both practical and statistical).
		STCO.01.03	Use the appropriate technology to determine scope.	STCO .01.03 .a	Demonstrate the ability to formulate results by the collection and interpretation of data.
		STCO.01.04	Identify and apply the core concepts of technology.	STCO .01.04 .a	Demonstrate the ability to characterize a plan and identify the necessary tools that will produce a technical solution when given a problem statement.
				STCO .01.04 .b	Describe the elements of good engineering practice (e.g. understanding customer needs, planning requirements, analysis, using appropriate tools and materials, prototyping, test, evaluation and verification.

				STCO .01.04 .c	Effectively use project management techniques (including, but not limited to, time management practices, effective organizational skills, conduct analysis of cost, resources, and production capability and quality practices with continuous improvement
				STCO .01.04 .d	Apply knowledge of scientific development to solve real world technical applications.
STC O.02	Understand and demonstrate the relationships among technologies and the connections between technology and other fields of study.	STCO.02.01	Understand and apply tools, materials and processes.	STCO .02.01 .a	Apply invention as a process of connecting science, technology and math, along with materials, tools and innovation to create breakthrough devices, tools and systems.
		STCO.02.02	Synthesize and apply technological knowledge and advances of science and mathematics.	STCO .02.02 .b	Use mathematical principals to analyze the application of an existing material or system with the goal of improving and modifying it.
				STCO .02.02 .e	Use appropriate computation methods that encompasses estimation, calculation, and degree of precision.
				STCO .02.02 .f	Find solutions to equations involving power and exponential functions; solve these equations graphically or numerically or algebraically using calculators, graphing

					utilities or other.
STC O.03	Understand and demonstrate the cultural, social, economic, political and environmental effects of technology.	STCO.03.01	Understand and apply tools, materials and processes of technology.	STCO .03.01 .a	Understand why the management of waste produced from technological systems is an important societal issue.
				STCO .03.01 .b	Explain how humans devise technologies to reduce the negative consequence of other technologies. (e.g. expanded use of recycling and new processes such as deconstruction vs. demolition).
		STCO.03.02	Demonstrate an understanding of the environmental consequences of technology.	STCO .03.02 .a	Explain how making decisions about the use of technology involves weighing the trade-offs between the positive and negative effects.
				STCO .03.02 .b	Develop an appreciation for the vast relationships in technology and how future developments and society's well being is dependent on how well technology is understood, developed, used and restricted.
		STCO.03.03	Understand the impact of technology on cultural, social, economic, and political changes.	STCO .03.03 .a	Apply the knowledge of natural science and mathematics gained by study, experience and practice applied with creativity and judgment.

				STCO .03.03 .b	Think critically, analyze evidence, read graphs, understand logical arguments, detect logical fallacies, test conjectures, evaluate risks, and appreciate the role mathematics plays in the modern world, i.e., be quantitatively literate.
STC O.04	Understand and demonstrate the influence of technology on history and the societal role in the development and use of technology.	STCO.04.01	Understand and apply tools, materials and processes of technology.	STCO .04.01 .a	Develop an understanding of the factors that drive technological development (e.g. social and cultural priorities as well as the acceptance and use of products and systems).
		STCO.04.02	Explain the evolution of techniques, measurement, and resources.	STCO .04.02 .a	Understand that the design and construction of structures have evolved from the development of techniques for measurement, controlling systems, and the understanding of special relationships.
				STCO .04.02 .b	Understand that just as the Iron Age was defined by the use of iron, the information age is evolving the use of information as a resource.
		STCO.04.03	Understand how development is driven by demands, values, and interests.	STCO .04.03 .a	Chronicle technology development throughout history and the forces that were apparent during the historical timeline from the Iron Age to the Information Age.

				STCO .04.03 .b	Identify factors that contribute to the design and demand for various technologies (e.g. economy, fads, and advertising).
		STCO.04.04	Explain the acceptance and use of products and systems.	STCO .04.04 .a	Learn that most technological development has been evolutionary, the result a series of refinements to a basic invention.
		STCO.04.05	Apply the process of inventions and innovations.	STCO .04.05 .a	Identify changes in society and the creation of new needs and wants to the process of invention and innovation.
STC O.05	Develop and demonstrate an understanding of the role of troubleshooting, research and development, invention and innovation, and experimentation in problem solving.	STCO.05.01	Understand and apply tools, materials and processes of technology.	STCO .05.01 .a	Recognize the multidisciplinary approach in solving technological problems.
				STCO .05.01 .b	Gather, analyze and interpret data on the quantity of energy in a system or object using appropriate measurements, equations and graphs.
				STCO .05.01 .c	Develop an understanding of counting techniques to solve problems in real world contexts.
		STCO.05.02	Implement trouble shooting techniques in problem solving.	STCO .05.02 .a	Gather knowledge to correct issues relevant to use and preventative maintenance. (the noisy belt, leaking window,

					screws to repair human joints, Hubble telescope).
				STCO .05.02 .b	Analyze and interpret prior knowledge of tools, materials and processes to create a plan of action.
				STCO .05.02 .c	Gather, analyze and interpret data and graphs regarding position, velocity and acceleration of moving objects.
				STCO .05.02 .d	Develop new ideas to solve and eliminate recurring issues.
		STCO.05.03	Apply research and development in problem solving.	STCO .05.03 .a	Apply a specific problem solving approach that is used intensively in business and industry to prepare devices and systems for the marketplace.
				STCO .05.03 .b	Utilize research in solving technological problems.
				STCO .05.03 .c	Evaluate the efficiency of a variety of energy transformations.
				STCO .05.03 .d	Demonstrate the relationship between all representations of linear functions using point-slope, slope-intercept, and standard form of a line through tables, graphs, symbols, text, and geometric models.

				STCO .05.03 .e	Categorize sequences as arithmetic, geometric, or neither and develop formulas for the general terms related to arithmetic and geometric sequences using tables, graphs, symbols, text, and geometric models.
		STCO.05.04	Clarify the meanings of invention and innovation.	STCO .05.04 .a	Understand community and environmental needs and their long-term impact. (i.e., not in my back yard vs. imminent domain).
				STCO .05.04 .b	Understand the definitions of invention and innovation. (i.e., Invention is a process of turning ideas and imagination into devices and systems and Innovation is the process of modifying an existing product or system to improve it).
STC O.06	Understand and demonstrate the attributes of design by applying the design process and assessing the impact of bringing a product to market.	STCO.06.01	Understand and apply tools, materials and processes of technology.	STCO .06.01 .a	Use tools to manipulate materials through the design cycle.
				STCO .06.01 .b	Apply criteria and constraints of materials, processes and tools to a design.
		STCO.06.02	Use the attributes of design.	STCO .06.02 .a	Understand that design is a creative planning process that leads to useful products and systems.

				STCO .06.02 .b	Explain how the requirements of a design, such as criteria, constraints, and efficiencies sometimes compete with each other.
		STCO.06.03	Utilize the design process.	STCO .06.03 .a	Demonstrate the design process by defining a problem, brainstorming, researching and generating ideas, identifying criteria and specifying constraints, and exploring possibilities.
				STCO .06.03 .b	Select an approach, develop a design proposal, make a model or prototype, test and evaluate the design using specifications, refine the design, create or make it, and communicate processes and results.
				STCO .06.03 .c	Understand that the design needs to be continually checked and critiqued, and the ideas of the design must be redefined and improved.
		STCO.06.04	Understand the impact of products.	STCO .06.04 .a	Synthesize data, analyze trends, and draw conclusions regarding the effect of technology on the individual, society, and environment.
				STCO .06.04 .b	Use assessment techniques, such as trend analysis and experimentation, to make decisions about

					the future development of technology.
STC O.07	Understand and demonstrate engineering design by applying the design process and assessing the impact of systems.	STCO.07.01	Understand and apply tools, materials and processes of technology.	STCO .07.01 .a	Use tools to evaluate and select materials and processes for the design cycle.
		STCO.07.02	Use engineering principles.	STCO .07.02 .a	Understand that modeling, testing, evaluating, and modifying are used to transform ideas into practical solutions.
				STCO .07.02 .b	Explain that it involves the knowledge of the mathematical and natural sciences that are gained by study, experience and practice.
		STCO.07.03	Understand the engineer's role in the design process.	STCO .07.03 .a	Understand the engineering profession has developed well tested sets of rules and design principles that provide a systematic approach as well as an ability to quantify the design process in order to improve efficiency.
				STCO .07.03 .b	Demonstrate the ability to collaborate and work effectively with others.
				STCO .07.03 .c	Use teamwork and leadership skills effectively.

		STCO.07.04	Understand the impact of systems.	STCO .07.04 .a	Evaluate final solutions and communicate observation, processes, and results of the entire design process, using verbal, graphic, quantitative, virtual, and written means, in addition to three-dimensional models.
				STCO .07.04 .b	Use verbal and non verbal techniques to communicate information.
STC O.08	Apply tools, materials and processes to manipulate and connect our designed world through the technology areas.	STCO.08.03	Understand and demonstrate the knowledge and skills required in Power and Energy.	STCO .08.03 .a	Differentiate among the major forms of power to determine the optimal source for solving a real world application (thermal, radiant, electrical, mechanical, chemical, nuclear, renewable and non renewable).
				STCO .08.03 .b	Understand that power systems must have a source of energy, a process and loads.
		STCO.08.07	Understand and demonstrate the knowledge and skills required in Construction.	STCO .08.07 .a	Distinguish and explain how buildings and structures generally contain a variety of subsystems as well as a subsystem of large infrastructures
				STCO .08.07 .b	Explain the interchangeable systems of structural innovations.
				STCO .08.07 .c	Demonstrate sustainable practices used in modern construction.

STC O.09	Understand and demonstrate the importance of health, safety and environmental management systems in organizations and the importance of professional ethics and legal responsibilities.	STCO.09.01	Develop an awareness of and apply safety, health and environmental practices using ethical and legal standards.	STCO .09.01 .a	Apply appropriate safety and health practices when developing plans, projects, processes, or solving complex problems (e.g., OSHA, Fire Codes, Hazmat, etc).
				STCO .09.01 .b	Identify existing or potential hazards to existing or assigned plans, projects or processes
				STCO .09.01 .c	Apply ethical and legal standards as they pertain to projects.

**BOARD OF EDUCATION ITEM 4.A**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Bethany Meyer, FHS Choir Director

**TITLE OF AGENDA ITEM:** Course Additions: Treble Choir and Tenor/Bass Choir  
(beginning/intermediate-level ensembles)

**ACTION/INFORMATION/DISCUSSION:** Discussion

---

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

The FHS Vocal Music Program would like to add a course named “**Treble Choir.**” Course objectives for this choir will remain the same as those for “Concert Choir” except that the choral literature learned will be literature written for soprano/alto voices (in vocal music, “treble” is a term that refers to music performed on the treble clef, which typically includes soprano and alto singers).

The FHS Vocal Music Program would like to add a course named “**Tenor/Bass Choir.**” Course objectives for this choirs will remain the same as those for “Concert Choir” except that the choral literature learned will be literature written for tenor/bass voices.

---

**RATIONALE:**

There has been a growing interest in choir participation at FHS over the past few years. Several students have expressed interest in learning in a choir that focuses on their specific voice part (soprano/alto or tenor/bass). With these course options, teaching can focus on challenges—and can build skills—that are specific to each voice part.

Gender-inclusive language: Many choirs use the terms “Women’s Ensemble” and “Men’s Ensemble” to refer to their treble ensembles and tenor/bass ensembles. By simply naming the courses for the repertoire they will be singing (treble and tenor/bass), gender can be excluded from the course names. Attire assigned to these choirs will be flexible and gender-inclusive, as well.

By offering a treble choir and a tenor/bass choir, FHS will have course offerings that more closely mirror those of other secondary choir programs in the school district: In addition to their mixed choirs, Vista Ridge High School offers a Men's Ensemble (tenor/bass), Women's Ensemble (treble), and a Select Ladies Ensemble (treble). In addition to their mixed choirs, Sand Creek High School offers a Men’s Ensemble (tenor/bass), Women’s Ensemble (treble), and a Women’s Select Choir (treble). This school year, Falcon high school is not offering any of these options, and to see alignment in this area would be progress and would put forth a more unified vision from our secondary vocal music departments.

The benefit of having three beginning-level groups is to allow two potential groups where each student can be placed for ease of counselor scheduling. The options also give students choice regarding what sort of choral education they would like to have—a “mixed” setting (SAB or SATB music) in Concert Choir or a more voice-part-specific setting (Treble Choir or Tenor/Bass Choir).

Please see attached Proposed 2020-2021 FHS Choir syllabus for further proposed course details and descriptions.

---

**RELEVANT DATA AND EXPECTED OUTCOMES:**

There are currently 179 students in the FHS Choir program. Out of these students, 29 are enrolled in more than one choir, with a total of 209 seats taken in all combined choirs. FHS choir students are looking to grow their skills and experience more than one choir setting. This proposition will provide students with more learning opportunities that are tailored to their voice part in the FHS choir program while still providing beginning students the opportunity to sing in a mixed vocal setting.

---

---

**INNOVATION AND INTELLIGENT RISK:**

---

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

Culture	<b>Inner Ring</b> —How we treat each other	
	<b>Outer Ring</b> —How we treat our work	
Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	Increasing the variety of beginning/intermediate course offerings provides varying opportunities for students to grow through the program.
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	The arts enrich the community beyond the school by producing cultural and artistic events at a minimal, or free, ticket price.
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	This is a step in moving a program, school, and district forward.
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	A thriving vocal music program is an asset to the school, creating publicity opportunities in addition to school pride.
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	This broadens opportunities for participation in the program and growth throughout the program.

**BUDGET IMPACT:** No

**AMOUNT BUDGETED:** N/A

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Move the courses for action at the next regular board meeting.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** September 20, 2019

---

# **FHS Choir Syllabus 2020-2021**

**Mrs. Bethany Meyer**

**(719) 495-5520 x 2021**

**bmeyer@d49.org**

**Course Description:** In choir, students will sing a variety of pieces from different time periods and genres. Students will also study elements of music theory, composition, sight singing, ear training, performance, and aesthetic valuation. *Every choir at FHS is a year-long course that requires the commitment of the full school year.*

**Course Objectives:** Students will demonstrate mastery of the Colorado State Standards in the High School Performance Pathway.

**Texts:**

- Sight singing exercises and warm ups
- Choral octavos
- Rehearsal tools, listening activities, discussions, and assignments will be posted on Schoology (Use Kindles for access)
- All in-class written assignments will also be posted on Schoology along with the date assigned

**Colorado State Standards Addressed:**

1. *Expression of Music*
2. *Creation of Music*
3. *Theory of Music*
4. *Aesthetic Valuation of Music*

**Classroom Materials Needed in Class Every Day:**

- **Pencil**
- **2-Pocket Folder** (provided)
- **Choral Octavos** (provided) – Students in Chamber Choir, Show Choir, and Advanced Show Choir will be financially responsible for any lost or damaged music. (Students in Concert Choir will not, as their music is shared among students in three sections of classes.) These fees will be applied to the student's account at the end of the school year.

## **Rules and Procedures:**

**Preparation:** Be on time with materials to every class. If you are not on time and prepared, this will affect your participation and will affect the success of the class as a whole.

**Respect:** Mutual respect is key to the solid foundation of a performing group. You will be expected to respect the teacher and your peers when they are speaking or performing.

## **Grading Policy:**

Please see the Falcon High School website for information on the Competency-Based Grading System. Students will self-assess their rehearsal practices weekly using a rubric based on the Colorado state music standards. Kindles may be required for this self-assessment. Late assignments will not be accepted after one week past the due date.

### **Communication:**

In addition to in-class communication and communication via student email addresses (student ID number @d49.org), the “Remind” app will also be used to help communicate course information, opportunity information, and trip reminders to choir classes. Performance and trip opportunities and reminders will also be sent to parent/guardian email addresses as listed in PowerSchool. Additional updates and reminders can be found on the FHS Choir Facebook page, Instagram page, and Snapchat page. On field trips, the **Remind** app will *exclusively* be used for communication between Mrs. Meyer and students.

### **Concert Attendance Policy:**

If a concert absence is not excused by a *parent/guardian* before the concert, this will negatively impact the student’s grade. In the case of an excused absence, the alternate assignment can be found on Schoology. If your child is unable to attend due to an emergency situation, a *parent/guardian* must notify Mrs. Meyer in order for this absence to be excused. You can email Mrs. Meyer at bmeyer@d49.org. On the four concert days, students are welcome to stay with Mrs. Meyer in the choir room between the end of the school day and the beginning of the concert. Being scheduled for work is not an excuse for a student missing the concert, as the concert dates are provided on this syllabus well in advance. If a concert date needs to be changed, every effort will be made to communicate this to students and parents/guardians with as much notice as possible.

### **2020-2021 FHS Choirs:**

**Concert Choir** (non-auditioned) – up to 49 singers – beginning/intermediate level. This group will sing in SAB and SATB formats in a variety of styles of music from renaissance, classical, world, pop, and gospel/spiritual styles. Depending on the readiness of the group, this group may perform at the annual CHSAA Choral Festival. Students will be expected to learn beginning/intermediate level music theory and sight singing. Students will be expected to wear concert attire (see below) for performances.

**Treble Choir** (non-auditioned) – up to 49 singers – beginning/intermediate level. This group will sing in SA and SSA formats in a variety of styles of music from renaissance, classical, world, pop, and gospel/spiritual styles. Depending on the readiness of the group, this group may perform at the annual CHSAA Choral Festival. Students will be expected to learn beginning/intermediate level music theory and sight singing. Students will be expected to wear concert attire (see below) for performances.

**Tenor/Bass Choir** (non-auditioned) – up to 49 singers – beginning/intermediate level. This group will sing in TB and TTB formats in a variety of styles of music from renaissance, classical, world, pop, and gospel/spiritual styles. Depending on the readiness of the group, this group may perform at the annual CHSAA Choral Festival. Students will be expected to learn beginning/intermediate level music theory and sight singing. Students will be expected to wear concert attire (see below) for performances.

**Show Choir** (auditioned) – 20 to 49 singers – beginning/intermediate level. This group will sing in SAB, SATB, SSA, or TB along with choreography for concerts and for the annual CHSAA Show Choir Festival. Students will be expected to learn choreography, intermediate ear training, and music theory. Students will be expected to purchase concert attire (see below) for performances.

**Advanced Show Choir** (auditioned) – 20 to 28 singers – advanced level. This group will sing in SATB, SSA, and TTB along with choreography for concerts, competitions, and for the annual CHSAA Show Choir Festival. Students will be expected to learn choreography, more advanced ear training, and music theory. Students will be expected to purchase concert attire (see below) for performances.

**Chamber Choir** (auditioned) – 25 to 40 singers – advanced level. This group will sing SATB and higher “chamber” music, a cappella pieces, world music, gospel/spiritual, high level contest music, and may be combined with other ensembles for masterworks. This group will perform at the annual CHSAA Choral Festival. Students will be expected to learn more advanced sight singing, ear training, and music theory. Students will be expected to purchase concert attire (see below) for performances.

## **Sample FHS 2020-2021 Choir Calendar\*\***

<b><i>Event</i></b>	<b><i>Date</i></b>	<b><i>Time</i></b>	<b><i>Involved</i></b>	<b><i>Location</i></b>
<i>All-State Registration Deadline</i>	<i>Mid-Sept.</i>	<i>n/a</i>	<i>Interested Juniors &amp; Seniors</i>	<i>FHS</i>
<i>*Q1 Concert</i>	<i>Sept 26</i>	<i>6:00 pm &amp; 7:00 pm</i>	<i>All Choirs</i>	<i>FHS Auditorium</i>
<i>*Nat'l Anthem-FHS Homecoming</i>	<i>Oct 11</i>	<i>Approx. 6:30 pm</i>	<i>Chamber Choir</i>	<i>FHS Stadium</i>
<i>All State Auditions</i>	<i>Oct 24-26</i>	<i>TBA</i>	<i>Interested Juniors &amp; Seniors</i>	<i>Vista Ridge H.S.</i>
<i>*CU Madrigal Festival</i>	<i>Nov. 5</i>	<i>All Day (evening return)</i>	<i>Chamber Choir</i>	<i>CU - Boulder</i>
<i>Adam's State &amp; Western Slope Honor Choir Auditions</i>	<i>TBA (Fall)</i>	<i>Various</i>	<i>Interested Students</i>	<i>FHS Choir Room</i>
<i>*Q2 Concert</i>	<i>Dec 11</i>	<i>6:00 pm &amp; 7:00 pm</i>	<i>All Choirs</i>	<i>FHS Auditorium</i>
<i>Adam's State Honor Choir</i>	<i>Feb 6-8</i>	<i>Itinerary TBA</i>	<i>Accepted Students</i>	<i>Alamosa, CO</i>
<i>All-State Honor Choir</i>	<i>Feb 20-22</i>	<i>Itinerary TBA</i>	<i>Accepted Students</i>	<i>Denver, CO</i>
<i>Western Slope Honor Choir</i>	<i>Mar 5-7</i>	<i>Itinerary TBA</i>	<i>Accepted Students</i>	<i>Gunnison, CO</i>
<i>*Q3 Concert</i>	<i>March 10</i>	<i>6:00 pm &amp; 7:00 pm</i>	<i>All Choirs</i>	<i>FHS Auditorium</i>
<i>Solo and Ensemble</i>	<i>TBA, March</i>	<i>All Day</i>	<i>Interested Students</i>	<i>TBA</i>
<i>*CHSAA Performance</i>	<i>TBA, Early April</i>	<i>During School Day</i>	<i>Chamber Choir (Optional for Concert Choir)</i>	<i>TBA</i>
<i>Winter Park Ski-Music Festival</i>	<i>April 3-5</i>	<i>TBA</i>	<i>Advanced Show Choir</i>	<i>Winter Park, CO</i>
<i>*CHSAA Show Choir Performance</i>	<i>April 16</i>	<i>Afternoon &amp; Evening</i>	<i>Show Choir &amp; Adv. Show</i>	<i>Cheyenne Mtn. HS</i>
<i>Senior Spotlight Night</i>	<i>May 4</i>	<i>6:00 pm</i>	<i>Interested Choir Seniors</i>	<i>FHS Commons</i>
<i>*Q4 Concert</i>	<i>May 14</i>	<i>6:00 pm &amp; 7:00 pm</i>	<i>All Choirs</i>	<i>FHS Auditorium</i>
<i>*D49 Graduation</i>	<i>May 23</i>	<i>1:00 pm</i>	<i>Chamber &amp; Adv. Show</i>	<i>World Arena</i>

***\*Indicates a MANDATORY graded performance (one per quarter + additional for Show Choirs & Chamber Choir)***

***\*\*THIS SCHEDULE IS BASED OFF OF A PREVIOUS SCHOOL YEAR. DATES ARE NOT ACCURATE. Concert dates are subject to change, due to major conflicts with FHS events (sporting & other). \*\*Performance/trip opportunities may be added as the year progresses. These opportunities will be announced as early as possible to aid in your planning. For Chamber Choir: Anticipated National Anthem at Vibes game in fall and caroling at Great Wolf Lodge in December***

I have read through the syllabus and understand the course expectations.

**BOARD OF EDUCATION ITEM 4.B**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Dave Kranz, FHS Agriculture Teacher and FFA Advisor

**TITLE OF AGENDA ITEM:** New Course Proposals: Plant Science and Greenhouse Management

**ACTION/INFORMATION/DISCUSSION:** Discussion

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

The Falcon High School Ag program would like to add the following new classes:

- Plant Science: Falcon High School will be getting a new greenhouse. There is currently no class or program that covers introductory plant sciences (other than a small unit in the Introduction to Agriculture class) that would be beneficial in the use of the new greenhouse. This will be the class that will then lead to the next class, Greenhouse Management. This class will be a prerequisite for the Landscape Installation, Design and Irrigation class.
- Greenhouse Management: Falcon High School will be getting a new greenhouse. The greenhouse industry in Colorado is one of the fastest growing industries and the demand for qualified employees is in high demand. This class will be a prerequisite for the Landscape Design, Installation and Irrigation class.

**RATIONALE:**

The new greenhouse that is going in at Falcon High School will require classes to be taught so students have the general knowledge of how to use the new facility. Upper level students are wanting more classes in the ag business pathway to round out their education and also be able to participate in FFA.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

Participation in the FHS Agriculture program has increased tremendously since it began just a short 5 years ago. There were 18 students in the first FHS ag class and now the program is approaching 120 students. Many of these students are looking to grow their skills and become involved in agriculture in the coming years. These classes will provide students with other advanced opportunities in the FHS agriculture program. Additionally, by having two new courses, counselors and administrators will enjoy easier scheduling of students and accommodation in the master schedule. Students will also be able to participate in FFA by having classes that are aligned to their pathway.

**INNOVATION AND INTELLIGENT RISK:**

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

Culture	Inner Ring—How we treat each other	
	Outer Ring—How we treat our work	
Strategy	Rock #1—Establish enduring <u>trust</u> throughout our community	Adding new course offerings provides equal opportunities for students to grow through the program.
	Rock #2—Research, design and implement programs for intentional <u>community</u> participation	The agriculture programs has begun to enrich the community beyond the school by producing marketable employees for a growing industry.
	Rock #3— Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	This is a step in moving a program, school, and district forward.

BOE Work Session October 23, 2019  
Item 4.b continued

<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	A thriving agriculture program is an asset to the school, creating publicity opportunities in addition to school pride.
<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	This broadens opportunities for participation in the program and growth throughout the program.

**BUDGET IMPACT:** This will require me to budget my money as such that I will be conscientious of the new classes in the program

**AMOUNT BUDGETED:** N/A

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Move the courses for action at the next regular board meeting.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** October 9, 2019

## Plant Science

2020-21

Instructor: Mr. Dave Kranz Room K104 dkranz@d49.org  
Office Hours: See below  
You can always email me if you have a question...please see email procedure

### I. Course Description

Students in Plant Science will cover topics such as plant classification, physiology, reproduction, plant breeding, and landscape planning. They will also be exposed to soil, water, and pest management.

### II. Course Content

- \*Plant classification principles
- \*Safety in plant science
- \*Cell biology
- \*Plant Physiology and growth principles
- \*Sexual and asexual plant reproduction
- \*Pest problems and management
- \*Soils and plant production
- \*Effective tillage and soil conservation management practices
- \*Effective water management practices
- \*Landscaping planning

### III. Required Materials

1. A 3-ring binder and/or notebook paper for both notes and class assignments.
2. A writing utensil: pen and/or pencil.
3. Kindle for assignments...PHONES WILL NOT BE ALLOWED SO BRING YOUR KINDLE TO CLASS!!!!
- \*\*\*\*\* PPE (Personal Protective Equipment) for ag mechanic projects. YOU WILL NOT WORK WITHOUT YOUR PROPER PPE...more at the end of the syllabus
4. Hair tie for people with long hair
5. Proper clothing depending on the project that is being done

### Four Standards of Classroom Protocol:

1. **Be Responsible**
  - Behavior in the classroom is the individual student's responsibility.
  - Turn in all homework completed on time especially if you want a redo on the assessment.
2. **Be Respectful.**
  - Be quiet and listen when someone else is talking (i.e. teacher, other students, etc.).
  - Respect both people and their property, including school equipment.
  - Bullying, laughing at others, discriminatory comments, and/or inappropriate language (i.e. profanity) will not be tolerated.

We are each a member of a larger learning community outside of ourselves. In order for each of us to achieve success, all of us must demonstrate a positive, supportive, and respectful attitude.

### 3. ***Be Ready to Learn***

- Bring all required materials to class everyday (i.e. homework, writing utensils, notebook, and PPE)
- Be in your seat and ready to work on the bell work question when the bell rings.
- Be prepared for all tests and quizzes. **No cheating will be tolerated.** Cheating will result in a phone call/email home AND no redo/retake opportunity.

### 4. ***No food or drink is permitted in the classroom***

- **Water in a clear or translucent bottle is the only exception. Any other items visible once class begins will be confiscated and thrown away.**
- **Travel Mugs are not allowed in the class. They must be placed in your locker before class begins.**

## IV. Grading Procedures

### Assessments:

Assessments (e.g. unit exams, unit projects, etc.) will constitute 85% of the student's overall achievement grade. Upon return to the student, all assessments will contain both a grade as well as clear and concise teacher feedback in order to inform both student and parent of the justification for the grade received.

Please look for feedback on the actual assessment and NOT on Power School.

**If a student "skips/unexcused absence" the day of an assessment or when a project is due**

- Student receives an "I" recorded in the grade book for assessment
- Is expected to complete/turn-in upon return to class (no extension)
- Student forfeits the opportunity of a retake
- The highest grade they can receive is a "C"
- Project is expected to complete/turn-in upon return to class (no extension) and the highest grade they can receive is a "C"

### Coursework:

Coursework (e.g. assignments, quizzes, etc.) will comprise 15% of a student's overall achievement grade. Upon return to the student, all summative coursework will contain both a grade as well as clear and concise teacher feedback, in order to inform both student and parent of the justification for the grade received.

Please look for feedback on the actual coursework and NOT on Power School.

### Absence/Make-up Policy:

Students are allowed TWO class days to complete coursework items for each class day in which an absence occurs. In the event the assessment/coursework was assigned prior to and ultimately due the class period in which the absence occurred, the student will be expected to make up the assessment/coursework the day upon his/her return to class.

### Late Coursework Policy:

Any coursework not turned in when due will be considered late and thus that unit assessment will be ineligible for a redo/retake. However, the late summative coursework items may still be turned in for full credit if done so within THREE school days from the original due date. *In most cases, if any coursework is turned in late for that unit, there is NO redo/retake on the assessment for that unit!*

#### Assessment and/or Coursework Redo/Retake Policy:

Students will be allowed ONE redo/retake for any given assessment and/or coursework item, *if that assessment is granted a redo/retake*. \*. The deadline to complete a redo/retake is FIVE school days (one week) from the date upon which the original assessment and/or coursework item has been graded and returned to the student (Don't procrastinate). After the five-day deadline has passed, the opportunity to "retake" ends for that specific assessment and/or coursework item. *Please plan accordingly!*

Requirements for a redo/retake of an assessment: All coursework assigned during the course of the unit must meet BOTH of the following two criteria:

- 1) Must be completed at a satisfactory level (C or higher (refer to description above)).
- 2) Turned in either when due (i.e. on-time) or within the three-day late period.

If both of the above criteria are met, the student is deemed eligible for a redo/retake of the summative assessment, *if that assessment is granted a redo/retake*.

#### \*Notes:

- Not all assessments and/or coursework items are eligible for a redo/ retake (e.g. final assessments, mid-term assessments, PROJECTS, etc.).
- The teacher will clearly communicate if an assessment and/or coursework item does not qualify for a redo/retake prior to and/or during the assigning of the assessment and/or coursework item.
- If the student chooses to redo/retake an assessment and/or coursework item, the higher of the two scores received (original or redo/retake) will be the final grade earned on that specific assessment and/or coursework item.

#### FINAL EXAM EXEMPTION!

If a student has scored a mid-level "solid" C in the class at the end of the semester, they will be qualified for an exemption from the final exam. Usually the only way to do this is to have your formative work turned in on time and at a satisfactory level so that you can qualify for a redo on the unit assessment. Also, to work on the projects and finish them in the allotted time given in class.

#### V. ATTENDANCE & MAKE-UP WORK POLICY

Students are **strongly** encouraged to be in class every day, as many learning experiences (i.e. classroom discussion, activities, etc.) cannot be duplicated with make-up work. TEST DAYS AND PROJECTS ARE IMPORTANT TO BE HERE FOR! **If absent, it is the responsibility of the student to check with the teacher the day he/she returns for any and all missed assignments.** If absent for a test, you will take the test in the classroom the day you come back to class.

#### VI. Academic Integrity

Each student in this course is expected to abide by the FHS Code of Conduct. Any work submitted by a student in this course for academic credit will be the student's own work.

**If a student is cheating they will receive an "I" for the initial assessment/assignment.**

You are encouraged to study together and to discuss information and concepts covered in lecture and the sections with other students. You can give "consulting" help to or receive "consulting" help from such students. However, this permissible cooperation should never involve one student having possession of a copy of all or part of work done by someone else, in the form of an e-mail, an e-mail attachment file, a thumb drive, or a hard copy.

Should copying occur, both the student who copied work from another student and the student who gave material to be copied will both automatically receive an "I" for the assessment/coursework. Penalty for violation of this Code can also result in school disciplinary action.

## **VII. Email procedure**

Every attempt will be made to respond to emails as soon as possible; generally, within 12-24 hours. However, emails that are unintelligible may not receive an answer. To ensure a timely response, please follow the following procedures:

! Subject line: First Name Last Initial, Period 5. (EXAMPLE: John D, Per 5)

! Include a full Salutation: e.g. "Hello Mr. Kranz," or "Dear Mr. Kranz"

! Use full sentences with proper capitalization and punctuation.

! Sign-off with a proper closing: e.g. "Sincerely, John Doe" "Have a good weekend"

## **VIII. Office Hours**

I will be available on most days **BEFORE SCHOOL** and on some Thursdays and Fridays after school, however, I come to school early in the morning to accommodate students. Redoes/retakes for tests are done M/W/F morning from 6:30-7:15. I do not use the testing center!!! You must contact me to receive a pass to get past the front office in the morning. Emailing me and you having the email on your phone is the easiest procedure.

## **IX. Miscellaneous**

**ELECTRONIC DEVICE:** No cell phones, I-Pods or are allowed in the classroom EXCEPT if you use it for class activities! I don't make the rules however; I do enforce them. NO cellular devices will leave the room when a student is issued a pass!!

**CLASS WEBSITE:** Students are encouraged to use the class website on Schoology to check for information they may have missed during an absence.

# Greenhouse Management

2020-21

Instructor: Mr. Dave Kranz Room K104 dkranz@d49.org  
Office Hours: See below  
You can always email me if you have a question...please see email procedure

## I. Course Description

Students in Agriculture Economics and Marketing learn how to effectively run any kind of business through an in-depth investigation of economics, marketing, and business management. Students first learn how and why people make the decisions that they do, followed by exploring how economics works at a national and international level. Students then move into marketing, investigating how to persuade others to buy their products and services. The class concludes with business management, covering not just how to run a business but also how to pay taxes and invest in a secure financial future. Students not only learn how to succeed in business but also how to succeed in life.

## II. Course Content

Unit 1: Intro to Economics: markets, supply and demand, futures market  
Unit 2: Intro to Marketing: marketing, research and strategies  
Unit 3: Intro to Business: types and start ups  
Unit 4: Personal Financial Literacy: money matters and taxes

## III. Required Materials

1. A 3-ring binder and/or notebook paper for both notes and class assignments.
2. A writing utensil: pen and/or pencil.
3. Kindle for assignments...PHONES WILL NOT BE ALLOWED SO BRING YOUR KINDLE TO CLASS!!!!
- \*\*\*\* PPE (Personal Protective Equipment) for ag mechanic projects. YOU WILL NOT WORK WITHOUT YOUR PROPER PPE...more at the end of the syllabus
4. Hair tie for people with long hair
5. Proper clothing depending on the project that is being done

## Four Standards of Classroom Protocol:

1. **Be Responsible**
  - Behavior in the classroom is the individual student's responsibility.
  - Turn in all homework completed on time especially if you want a redo on the assessment.
2. **Be Respectful.**
  - Be quiet and listen when someone else is talking (i.e. teacher, other students, etc.).
  - Respect both people and their property, including school equipment.
  - Bullying, laughing at others, discriminatory comments, and/or inappropriate language (i.e. profanity) will not be tolerated.

We are each a member of a larger learning community outside of ourselves. In order for each of us to achieve success, all of us must demonstrate a positive, supportive, and respectful attitude.

### 3. **Be Ready to Learn**

- Bring all required materials to class everyday (i.e. homework, writing utensils, notebook, and PPE)
- Be in your seat and ready to work on the bell work question when the bell rings.
- Be prepared for all tests and quizzes. **No cheating will be tolerated.** Cheating will result in a phone call/email home AND no redo/retake opportunity.

### 4. **No food or drink is permitted in the classroom**

- **Water in a clear or translucent bottle is the only exception. Any other items visible once class begins will be confiscated and thrown away.**
- **Travel Mugs are not allowed in the class. They must be placed in your locker before class begins.**

## IV. Grading Procedures

### **Assessments:**

Assessments (e.g. unit exams, unit projects, etc.) will constitute 85% of the student's overall achievement grade. Upon return to the student, all assessments will contain both a grade as well as clear and concise teacher feedback in order to inform both student and parent of the justification for the grade received. Please look for feedback on the actual assessment and NOT on Power School.

**If a student "skips/unexcused absence" the day of an assessment or when a project is due**

- Student receives an "I" recorded in the grade book for assessment
- Is expected to complete/turn-in upon return to class (no extension)
- Student forfeits the opportunity of a retake
- The highest grade they can receive is a "C"

**BOARD OF EDUCATION ITEM 4.C**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Tim Cerniglia, FHS Physics Teacher

**TITLE OF AGENDA ITEM:** Course Revision: Physics 1

New Course: Physics 2

**ACTION/INFORMATION/DISCUSSION:** Discussion

---

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

The FHS Science Department would like to change the name of “Physics” to “**Physics 1.**” Course objectives for “Physics 1” will remain the same as “Physics.”

The FHS Science Department would like to add the course “**Physics 2**” with associated extensions of course objectives to cover typical Physics 2 material.

---

**RATIONALE:**

“Physics” is the name of the class offered to students who are interested in learning about the physical sciences discipline of physics. Due to the coverage of the course and time required, the current class is able to cover standard Newtonian physics – Kinematics, Newton’s laws of motion, conservation of energy and momentum, and circular motion and gravitation. These are excellent introductory physics topics found in most school introductory physics courses. However, this is only half of the picture in physics. For example, a typical student pursuing a post-secondary education in the STEM fields can expect to study physics topics which also include electromagnetics, thermodynamics, solids and fluids, optics and light, special relativity and nuclear/quantum physics. The addition of a Physics 2 course will help students better prepare for academic and trades pursuits having learned a more complete picture of physics. This applies not only to college-bound students, but also students pursuing their interests in trades ranging from electricians (electromagnetics), to HVAC technicians (thermodynamics), to radiology specialists (radiation and nuclear physics of MRIs and x-rays).

There has been a growing interest in physics at FHS over the past few years. Class sizes have increased and we have seen a big jump this year in students identifying “physics” as their first or second choice science class. We anticipate needing to offer additional classes in 2020, while also providing an opportunity for interested students to continue their study of physics the following year. Additionally, of the 13 seniors who enrolled in physics in 2018-19, all are currently pursuing STEM degrees at CU, Mines, USAFA, and a host of other engineering schools around the country. A survey of this year’s students indicates a similarly high percentage are planning to pursue either a STEM-related degree after high school, or a trade involving high technology physics-related fields like radiology (medicine). Finally, our experience is that many if not most high schools in our area offer a physics 1 / physics 2 / AP physics type of course structure. This change would help FHS provide its students with competitive learning opportunities.

A clear course track for physics will give students a better understanding of the flow of physics, help counselors provide students with guidance related to physics and STEM pursuits, better align the physics curriculum at FHS with the typical physics tracks in other schools/districts, and better align FHS physics with Colorado state standards in the physical sciences.

Please see attached FHS Physics 1 and Physics 2 proposed syllabi for further proposed course details and descriptions.

---

**RELEVANT DATA AND EXPECTED OUTCOMES:**

Participation in the FHS physics course has increased by 30% in the past school year, from 26 to 34. Course enrollment was limited by our only being able to offer a single first-period physics class which prevented interested students from enrolling who might otherwise have done so. We believe this change will better support current

---

BOE Work Session October 23, 2019  
Item 4.c continued

physics students pursuing their post-secondary goals in STEM fields and trades, provide a clearer picture to parents and students of the opportunities for careers in physics and engineering, expand opportunities for FHS students to study physics (more course options), and ensure FHS is able to comprehensively address physical sciences state standards as they apply to the physics curriculum.

---

**INNOVATION AND INTELLIGENT RISK:**

---

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

Culture	<b>Inner Ring</b> —How we treat each other	
	<b>Outer Ring</b> —How we treat our work	
Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	Adding physics 2 course offerings provides opportunities for students to grow through the program.
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	Physics 2 enhances our ability to engage our high technology aerospace community with students and graduates better prepared for careers in local industries.
	<b>Rock #3</b> — Grow a robust <u>portfolio</u> of distinct and exceptional <u>schools</u>	Adding Physics 2 and extending our physics course offerings provides competitive learning opportunities for students.
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	A thriving physics program enhances student foundations in STEM fields so they can thrive beyond high school
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	A physics 1-2 structure helps us customize student learning towards fields students wish to pursue after graduation building a solid foundation for future success in science and technology fields.

**BUDGET IMPACT:** No

**AMOUNT BUDGETED:** N/A

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Move the courses for action at the next regular board meeting.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** September 20, 2019

---

# SYLLABUS

## Physics 1

### INSTRUCTIONAL GOALS

This course is designed to give students an introduction to physics and physics principles. The course is algebra based. The course will focus largely on Newtonian mechanics applied to linear and circular motion, gravity, and waves as well as basic principles of electricity.

### NEEDS AND RESOURCES

#### Required Background

To successfully complete this course, you must have successfully completed Algebra 1, Geometry and Algebra 2.

- Basic integer operations, linear and quadratic equations, geometry and trigonometry
- Willingness to ask when concepts are not understood
- Prepared to do the assigned work

#### Required Materials

To successfully complete this course, you will need to always have:

- Pencil/Notebook/Extra paper (college ruled)
- Scientific Calculator (e.g. TI-30X-IIS or better)
- Drawing tools (straight edge/rule, compass, protractor)
- *Textbook: "Physics, 6<sup>th</sup> Edition" Willson/Bufa/Lou, available in FHS library.*

#### Required Laboratory Materials

In order to participate in, and complete, relevant physics lab experiments, students will require a basic composition book, a balsa wood glider (see below) and at least one matchbox-style toy car of the student's choice.

*The Guillow's "Sky Streak" balsa wood glider is recommended, and the 2-pack will provide the student with spare parts. This is the specific model the teacher uses in class. It can be found in many stores like Hobby Lobby or online at places like Amazon for about \$5-\$10.*

### COURSE SCHEDULE

There will be assessments given at the end of each unit to assess the student's level of mastery of the concepts. Exams are summative in nature, and account for 85% of the student's grade.

Assignments are graded based on correct answers, thoroughness of work, quality of work, and meeting due-dates. Regardless of whether the student ultimately produces the correct answer, sloppy, careless, or otherwise poor quality homework will receive a reduced grade.

# SYLLABUS

There will be 2-3 laboratory reports and a term paper each semester. These papers are equivalent to an exam. Students will be provided a grading rubric specifying the required outline format, content, and points for each section. Lab reports at a minimum are to be typed and submitted electronically in pdf form.

**Final Exam:** The final exam is a comprehensive exam consisting of problems adapted from prior exams and homework given during the term (with the values changed). Students who maintain a letter grade of “C” or higher AND who miss three or fewer days of class (unexcused) are exempt from the final exam.

Unit Number / Name	Description	Estimated Exam Date
1 – Introduction	Measurements and problem solving, units conversion,	August
2 – One dimensional kinematics	Motion, velocity, acceleration, in one dimensions, vectors	Sep
3 – Two dimensional kinematics	Motion, velocity, acceleration in one and two dimensions	Oct
Kinematics Lab	Basic physics lab experiment involving kinematics. Lab report.	Oct
4 – Force and Motion	Newton’s laws of motion	Nov
Forces and Motion Lab	Basic physics lab experiment involving Newton’s laws using the air track machines. Lab Report	Nov
5 – Work and Energy	Work, Conservation of Energy, KE, PE, Power, Hooke’s law	Dec/Jan
Term Paper	Term Paper summarizing key first-semester principles applied to the balsa wood glider experiments	Dec/Jan
6 – Conservation of Momentum	Conservation of Momentum	Jan/Feb
7 – Circular Motion and Gravitation	Angular measure, uniform circular motion, Newton’s law of gravitation, torque, rotational dynamics	Mar/Apr

## POLICIES AND PROCEDURES

### General Rules:

Students are expected arrive to class on time and be prepared to learn. When instruction is occurring it will be expected that students are actively engaging in the learning process. The best way to learn Physics is to learn how to “do the math”. Much of our classroom time will be spent solving many applications problems to help students turn concepts into physics equations and solutions.

### Grading Policies:

Grading will be on a Competency Based Grading scale. Scores will be given based of mastery of a concept. 85% of the grade will be from the unit assessments, lab reports and term papers, 15% from the assigned course work.

# SYLLABUS

**Grading Scale:**

A	Exceptional
B	Advanced
C	Satisfactory
D	Marginal
F	Unsatisfactory
I	Insufficient Evidence

# SYLLABUS

## Physics 2

### INSTRUCTIONAL GOALS

This course is designed to give students an opportunity to study advanced concepts in Physics. The course is algebra based. The course will focus on solids and fluids, electricity and magnetism, thermodynamics, optics and light, special relativity, and the quantum and nuclear physics of the standard model of particle physics.

### NEEDS AND RESOURCES

#### Required Background

To successfully complete this course, you must have successfully completed Physics 1, Algebra 2 and Pre-calculus.

- Choose an item.

#### Required Materials

To successfully complete this course, you will need to always have:

- Pencil/Notebook/Extra paper (college ruled)
- Scientific Calculator (e.g. TI-30X-IIS or better)
- Drawing tools (straight edge/rule, compass, protractor)
- Textbook: *"Physics, 6<sup>th</sup> Edition"* Willson/Bufa/Lou, available in FHS library.

### COURSE SCHEDULE

There will be assessments given at the end of each unit to assess the student's level of mastery of the concepts. Students may re-take an examination if their homework for the unit is completed and turned in. It is the student's responsibility to complete the retake within one week of receiving their exam results. Exams are summative in nature, and account for 85% of the student's grade.

Assignments are graded based on correct answers, thoroughness of work, quality of work, and meeting due-dates. Regardless of whether the student ultimately produces the correct answer, sloppy, careless, or otherwise poor quality homework will receive reductions in the grade.

There will be 2-3 laboratory reports and a term paper each semester. These papers are equivalent to a summative exam. Students will be provided a grading rubric specifying the required outline format, content, and points for each section. Lab reports at a minimum are to be typed and submitted electronically in pdf form.

**Final Exam:** The final exam is a comprehensive exam consisting of problems adapted from prior exams and homework given during the term (with the values changed). Students who maintain a letter grade of "C" or higher AND who miss three or fewer days of class (unexcused absences) are exempt from the final exam.

Unit Number / Name	Description	Estimated Exam Date
9 – Solids and Fluids	Pascal's Principle and Bernoulli's equation	August

# SYLLABUS

12 – Thermodynamics	Temperature, Heat and the Laws of Thermodynamics	Sep
13 – Vibrations and Waves	Simple Harmonic Motion and properties of physical waves (sound, water, etc.)	Oct
15 – Electricity	Electric fields potential energy, currents and circuits	Nov
19 – Magnetism	Magnets, poles, fields, and forces	Dec
24 – Optics and Light	Reflection and refraction, mirrors and lenses, wave nature of light	Jan
26 – Relativity	Classical relativity and special relativity	Feb
27 – Quantum Physics	Planck's Hypothesis, quantum particles, Schrodinger Wave equation	Mar
29 – Nuclear Physics	The standard model of particle physics	Apr

## POLICIES AND PROCEDURES

### General Rules:

Students are expected arrive to class on time and be prepared to learn. When instruction is occurring it will be expected that students are actively engaging in the learning process. The best way to learn Physics is to learn how to "do the math". Much of our classroom time will be spent solving many applications problems to help students turn concepts into physics equations and solutions.

### Grading Policies:

Grading will be on a Competency Based Grading scale. Scores will be given based of mastery of a concept. 85% of the grade will be from the unit assessments, lab reports and term papers, 15% from the assigned course work.

### Grading Scale:

A	Exceptional
B	Advanced
C	Satisfactory
D	Marginal
F	Unsatisfactory
I	Insufficient Evidence

**BOARD OF EDUCATION ITEM 4.D**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Dawn-Eve Mertz, English Teacher Falcon High School

**TITLE OF AGENDA ITEM:** New English Course: “World War II Literature”

**ACTION/INFORMATION/DISCUSSION:** Discussion

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

Seeking approval for a new English course at FHS titled “World War II Literature” as a year long elective English course.

**RATIONALE:**

There is a lack of educational courses offered that focus on the history of World War II, especially from a literary perspective; the topic is under-represented in public education. Increasing the awareness of the atrocities that define World War II will reduce similar anti-semitism and hateful rhetoric seen in communities today and may prevent future injustices such as the ones committed during World War II. “World War II Literature” will serve as an alternative to upper level English courses.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

In 2017 the Anti-Defamation League reported a 57% increase in anti-semitic violence in the United States from the previous year. Meanwhile, many young adults and teenagers are not learning about the violence of the Holocaust in particular, nor are they learning about ways to avoid events such as the slaughter of 11 Jewish people at Temple in Pittsburg in 2018, for no other reason than hate.

The expected outcomes of the course are as follows:

- a. Students will be able to examine basic moral lessons from the material of the Holocaust; the American internment of Japanese, German and Italian born citizens; the Soviet invasion of Eastern European countries, and the Japanese conflicts in Asia.
- b. Students will be able to examine basic human rights violations from all of the aforementioned material, and understand the roots of these injustices.
- c. Students will understand that silence and indifference to injustices perpetuates the injustices.
- d. Students will be able to understand that the events in World War II were not by accident, and they were not a secret. Students will also notice that the same injustices happen over and over throughout history, to all kinds of people, but importantly that it happens to the Jewish population more often.
- e. Students will understand the huge injustices the Nazis inflicted upon the Jewish population of Europe to include: the scientific experiments conducted on innocent people, the “brain-washing” of entire nations, the systematic segregation and dehumanization of the Jewish population, and the industrialization of the concentration camps.
- f. Students will be able to examine the current social climate and *hopefully* when enough students are taught about the history of World War II, the atrocities will end.

**INNOVATION AND INTELLIGENT RISK:**

**IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Culture</b>	<b>Inner Ring—How we treat each other</b>  Treating each other (and all people) with respect, kindness, and tolerance. This course helps to eliminate prejudice, hate, and intolerance, by teaching them at their core and the impact they have on society.
----------------	---

Strategy	<b>Outer Ring</b> —How we treat our work	Creating a culturally aware and kind environment between staff and students wherein all members treat each other equally and kindly, and accept the diversity seen in the workplace without prejudices and intolerance.
	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	By expanding the breadth of World War II knowledge in young citizens, we are thereby creating more knowledgeable and understanding citizens of the community rather than continuing a community of uninformed individuals that may perpetuate the hateful rhetoric that transpires from being ill-educated in a topic.
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	This provides students with opportunities to make connections with others in the community who have fundamental differences such as race or creed to bridge the gaps that often lead to hateful rhetoric.
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	This is a step in moving the district forward with World War II education so that the younger generations may help to eliminate the possibility of repeating the past.
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	Adding this course would help establish D49 as a progressive district which offers unique and relevant courses that not only help students get the English credit needed, but will help students become more informed active participants in community justice.
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	This would provide students with core English Literature knowledge that is applicable to the real world, and prepares the students to be accepting of the diversity they will see in the community and work place.

**BUDGET IMPACT:** Absorbed in the English department budget.

**AMOUNT BUDGETED:** Absorbed in the English department budget.

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Move this course for action at the next regular board meeting.

**APPROVED BY:** Peter Hiltz, Chief Education Officer

**DATE:** October 9, 2019

# World War II Literature Curriculum

Instructor: Dawn-Eve Mertz

dmertz@d49.org

H213

## Course Description

As an English literature elective this course is available to students who need to earn an English credit or elective credit. As a standards based course, it is designed to improve student abilities in the areas of reading, writing, and speaking.

The course focuses on literature from World War II, with a significant focus on the Holocaust. Subjects covered are: pre-war and post-war Germany, the effects and intricacies of the Holocaust, British and US involvement, Japanese involvement, Soviet involvement and long-term effects, and American internment camps. Students will also investigate modern social injustice issues on a comparative level. The literature covered will be all non-fiction and memoirs with the exception of film study; films will be used as supplemental “texts” for students to analyze.

## English Language Arts Standards

**Standard 1: Speaking and Listening** 1: Content that is gathered carefully and well organized successfully influences an audience.

2: Effectively operating in small and large groups to accomplish a goal requires active listening.

**Standard 2: Reading For All Purposes** 1: Literary and historical influences determine the meaning of traditional and contemporary literary texts.

2: The development of new ideas and concepts within informational and persuasive manuscripts.

3: Context, parts of speech, grammar, and word choice influence the understanding of literary, persuasive, and informational texts.

**Standard 3: Writing Composition** 1: Literary or narrative genres feature a variety of stylistic devices to engage or entertain and audience.

2: Organizational writing patterns inform or persuade an audience.

3: Grammar, language usage, mechanics, and clarity are the basis or ongoing refinements and revisions within the writing process.

**Standard 4: Research and Reasoning** 1: Collect, analyze, and evaluate information obtained from multiple sources to answer a question, propose solutions, or share findings and conclusions.

2: An author’s reasoning is the essence of legitimate writing and requires evaluating text for validity and accuracy.

## Required Reading Material

Books all students must read: *Because of Romek*, *Auschwitz: A doctor’s Eyewitness Account*, and a choice book in unit 3.

\*\*\*The 4 books needed for purchase are class copies of *A Doctor’s Eyewitness Account*, *Irena’s Children*, *The Zookeeper’s Wife*, and *Hitler’s Forgotten Children*.

Books that only selections should be read from in class or photocopied: *Surviving the Angel of Death*, *Operation Paperclip*, *Escape from Sobibor*, *Human Smoke*, *The Nazi Doctors*, *Doctors from Hell*, *German Boy*

Student Choice (Non-Fiction Essay Project) one of the following is required: *Irena's Children*, *Hitler's Forgotten Children*, *The Zookeeper's Wife*

Movies for Film Studies: *Schindler's List* (accompanying constructed response), *Life is Beautiful* (accompanying constructed response), *The Boy in the Striped Pajamas* (accompanying character development essay)

Educational Documentaries: *Hitler's Bodyguard*, *The Last Nazis*

### **Daily Classroom Expectations**

1. Be present when the bell rings.
2. Be respectful - to others, the instructor, and yourself
3. Be responsible - bring all materials every day.
4. Cell phones are silenced.
5. Follow directions the first time they are given.
6. Participation will be a daily occurrence.

### **Classroom Consequences**

**Good/Responsible behavior is a CHOICE, so be sure to make positive choices!**

Good/Responsible behavior includes respectful listening, speaking, and learning. Should you choose to be irresponsible with your behavior, action will be taken to assist you.

1. Verbal/nonverbal reminders and/or change in your seating location.
2. One-on-one conversation about behavior with a suggested course of action.
3. Contact made with parent/guardian.
4. Removal from classroom with a formal referral to administration, contact to your counselor, as well as your parents.

### **Classroom Passes**

Students will have a total of four bathroom passes per quarter in my class. We have ten-minute passing periods, please be responsible during that time.

### **Schoology**

All class content will be accessible off campus via Schoology. FHS has the expectation that students will use this for acquiring materials, absent work, resources, etc. You will be required to access this on a regular basis.

### **Electronics Policy**

You are required to bring your Kindle EVERY DAY with a charge. Cell phones and music will be allowed at appropriate times ONLY. Lecture, presentation (teacher or student), group work, and reading (class/group/individual) are times in which phones and music WILL NOT be allowed. Individual time such as in-class time to complete class work, project work, essay work-phones and music are allowed. Excessive use of phones and/or music outside of the allowed time will result in the device being taken for the class period.

### **Grades**

Students will be assessed based on a combination of class participation, daily work, homework, writing assessments, quizzes/tests, and midterm/semester exams. Falcon High uses a Standards Based Grading system. **For this class, a passing grade will be A, B, C's only.** Students with an F at the end of the semester(s) will not receive the graduation credit attached to this course. Please see the FHS Student Handbook if you have any further questions. The handbook can be accessed via our school website.

### **Make-Up Work Policy/Absent Work**

Students will have two days for every one **excused absence** in order to make up work. If a student is absent on a due date, the assignment will be due the moment of their return unless otherwise specified or agreed upon. **If a student is absent from class, it will be the student's responsibility to access Schoology and access the lessons for that day.** If there are any notes or prep work, that can be easily done at home.

### **Retake Policy**

A retake can be taken on any assessment approved by the teacher, formative or summative. The window for this opportunity is two weeks from receiving the assignment back. When taking a retake, the higher grade will stand.

For this class, any formative homework may be retaken. Formative classwork cannot be retaken if the student is present in class and does not turn it in when it is due. Formative work leading up to a summative assessment must all be done in order to turn in the summative for that project.

### **Late Work Policy**

FHS allows a two-day grace period for all assignments; though, assignments turned in late will not be eligible for a redo/retake.

**Please be aware that long-term assignments/assessments WILL NOT have a late period. They must be turned-in on the assigned date or they will be marked as an 'I' and remain as such.**

### **Plagiarism and Cheating**

With so many resources available to students today, the temptation to plagiarize or cheat has reached a new level. In an effort to receive original, quality work (and avoid lawsuits), students that choose to be unprepared and cheat or plagiarize on an assignment will receive a zero on the assignment **AND** will be required redo and complete the assignment correctly. Instances of plagiarism and cheating will also be reported to the front office with a behavior referral in accordance with school policy.

## **COURSE OUTLINE**

### Unit 1: Introduction

Several lessons on the causes of WWII, life in concentration camps and Jewish ghettos  
Holocaust survivor memoirs: *Because of Romek*, *Surviving the Angel of Death*, *Escape from Sobibor* (selections)

*The Boy in the Striped Pajamas* film study

Diagnostic: in-class essay on prior knowledge of WWII and the Holocaust

Summative Assessment: film study character development essay, quizzes accompanying survivor memoirs

### Unit 2: Rise of the Nazi party/modern community injustice project

Several lessons on Nazi ideologies and politics, student choice project for researching a modern issue of injustice similar to the Holocaust

*Hitler's Bodyguard* docu-series as supplemental material

Summative Assessment: Individual research and speeches on key figures in the Nazi Party, a modern injustice research project

### Unit 3: Non-Fiction reading groups about rescuers/Nazi experiments

Lessons on a few important rescuers, genetic experiments, science experiments, euthanasia, and the Lebensborn program

Choice books - essay project: *The Zookeeper's Wife*, *Irena's Children*, *Hitler's Forgotten Children*

Selections from *Doctor's from Hell*, *The Nazi Doctor's Schindler's List* film study

Summative assessments: film study, essay on the choice book project

### Unit 4: Japanese/US involvement

Lessons on Japanese involvement in the war, US and Japanese conflict, Pearl Harbor

Selections from *The Train to Crystal City*, Pearl Harbor documentary

Summative assessment: Synthesis essay on *Train to Crystal City* and documentary

### Unit 5: The end and the aftermath

Lessons on Soviet involvement, US and Soviet relations, concentration camp liberations, the Nuremberg trials, and the Soviet take-over

Selections from *Operation Paperclip*, *Human Smoke*, *German Boy*, and the manuscript *Young Men Go West*

*The Last Nazis* - 3 episode documentary

*Life is Beautiful* film study

Summative assessment: Film study, Final typed research essay with the following prompt:

“Hitler was not the most evil mastermind in the Holocaust. In your essay you will defend this statement using evidence from *any* of the readings and analyze who was actually the most evil.”

Options: Hermann Goering, Joseph Mengele, Josef Goebbels, Adolf Eichmann, Reinhard Heydrich, or Heinrich Himmler.”

### Optional short unit: Famous pieces about the Holocaust

Film Study: *Schindler's List*

Selections from *The Diary of Anne Frank*

Summative Assessment: typed essay on “Why *Anne Frank* is not the ideal Holocaust memoir” and constructed response on *Schindler's List*

**BOARD OF EDUCATION ITEM 4E**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Kirsta Lopez, FHS English Teacher and Department Chair

**TITLE OF AGENDA ITEM:** New Elective English Course  
New Course: English Editing and Revision

**ACTION/INFORMATION/DISCUSSION:** Discussion

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

Due to poor student ability and knowledge in the form of analysis, explanation, comprehension, it is necessary for students to write a minimum of 2 days per 3-day week. Students entering high school are showcasing significant gaps in textual analysis (how, why, so what); they are unable to explain their ideas with detail, and they are struggling to show an age-appropriate depth of knowledge in literature. Students need to practice writing every day. They need to be given feedback immediately, every day, and they need to use that feedback to re-write the original pieces in order to practice a concept correctly before engaging in a deeper knowledge of that concept, and/or a building up of that concept.

Students giving the feedback get lessons on how to give appropriate feedback for various writing styles, as dictated by the Colorado Department of Education (narrative, expository, persuasive, and research). Students are given reminder lessons on the styles at the specific time a particular style is being taught. During plan time, teachers are assessing the student feedback and, in turn, are giving feedback to the student assessor. Additionally, this course helps student assessors become better writers. Research (studies listed below) indicates that when a person teaches another how to proceed, they have a better understanding of that concept and can use it more effectively than they could before.

**RATIONALE:**

Students need constant feedback in order to be able to improve their work. In order to maximize effective growth and close learning gaps, teachers need to be given a reasonable expectation of work; however, students need constant, meaningful feedback on their writing. It is nearly impossible for a teacher to provide this for over 150 texts on a weekly basis, and a daily expectation of such feedback is simply not feasible. It is impossible to keep up with that feedback load every day. Teachers would get behind and students would suffer. Writing improvement would suffer.

In order to ensure students get timely and appropriate feedback, having aides who are already better writers and are also being taught exactly how to give appropriate and helpful feedback are able to do this. Teachers can then spot check the feedback being given to ensure it is appropriate.

Because teachers are giving short reminder lessons and feedback to Student Assessors, the assessors are also able to continually improve their own writing as exemplified by current writing grades in multiple courses.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

**Board Meeting Outcome:** Approval of year-long English course for full grade possibility; Class will occur every period, rather than all students in one class period. The instructors will be those English teachers who have a plan period. Teachers will take 10-15 minutes to give reminder lesson about full unit, once at the beginning of a new unit; then five minutes to give daily reminders. Students will get weekly feedback from freshmen teachers based on their feedback.

**Freshmen Outcome:** Freshman understanding of writing and literature and composition will cause them to use knowledge in most courses and pass those courses.

**Student Assessors/Aides Outcome:** Student assessors will become better writers; this will be shown in writing from their classes. Their feedback to others and practice with general writing assessment will help them to build their own revision awareness skills and further accomplish this task.

---

**INNOVATION AND INTELLIGENT RISK:**

As a district, our commitment is to provide the best place to learn and lead. This course provides students to do both through their previously demonstrated mastery of English Composition skills. Instead of signing these students up for another course where they out skill their peers and feel bored, this course gives students the opportunity to not only improve their own writing craft, but provide a service of helping younger students improve their writing, and in turn, their academic confidence. Student in this course will find this role gives them the opportunity to apply their student mastery, grow in their knowledge, and lead through example.

If the district does not approve this course, they run the risk of allowing persistent writing gaps at the underclassmen writing level. These gaps continue to be showcased, not only in their standardized test scores, but also in their inability to find maximum success in their courses where writing is required. While any new course poses potential minor risks or unforeseen consequences, the real risk is to not take action, and to continue to allow sub-par writing to be the norm. This course enables teachers to create a learning environment that is truly conducive to maximize students’ writing potential. This course minimizes potential risk through implementation; instead of only having one large class, students will be scheduled in small groups spread throughout multiple periods during the day. These students will meet with available English teachers during their planning periods and during advisory. This setup is critical because it enables the students to collaborate in small teams, and it negates the requirement for a new FTE.

---

**IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:**

Culture	Inner Ring—How we treat each other	This is a service these students are providing of their mastery of writing to teach their peers. The feedback given to underclassmen is designed to increase confidence and willingness to make mistakes and correct them.
	Outer Ring—How we treat our work	This course enables teachers to build the curriculum they feel is most effective for improving writing, and to be

---

BOE Work Session October 23, 2019  
Item 4e continued

		able to create a collaborative learning environment with students and other teachers.
Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	Adding advanced course offerings provides equal opportunities for students to grow through the program.
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	See the attached studies for proof of efficacious implementation of course requirements.
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	Falcon High School is already a school of innovation, and is known for its high academic achievement. This course is in alignment with District 49's rigorous educational goals.
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	The students who are enrolled in this course will have a greater understanding of their own writing. In addition, their interaction with a variety of writing styles and texts will give them a firm foundation for analysis.
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	This broadens opportunities for participation in English courses and growth throughout the program and beyond.

**BUDGET IMPACT:** No additional FTE is required.

**AMOUNT BUDGETED:** N/A

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Move the courses for action at the next regular board meeting.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** October 2, 2019

## **English Syllabus/Course Overview**

**Instructor:** Kirsta Lopez **E-mail:** klopez@d49.org  
**Phone:** 719-571-0074 (cell)

**Course Description:** English Editing and Revision is an innovative accelerated course for Juniors and Seniors who are capable of positive, informative and beneficial feedback of writing modes in Language Arts and Literature. The course requires that students have a strong background in reading, writing, and grammar skills.

**Course Objectives:** Students giving the feedback get lessons on how to give appropriate feedback for various writing styles, as dictated by the Colorado Department of Education (narrative, expository, persuasive, and research). Students are given reminder lessons on the styles at the specific time a particular style is being taught to lower-classmen. Teachers will assess the student feedback and, in turn, will give feedback to the student assessor. This course will encourage students to further develop advanced reading, writing, and grammar, skills introduced and practiced in any upper-level English course.

### **Essential Questions:**

- What specific information about a text type do I need to make sure student entails?
- How do I make sure my feedback is understandable and clear?
- How can the students use the knowledge and skills they will learn as specialized student aides to increase their future success?
- What are the specific skills that the specialized student aides will acquire while in this program? Why is it imperative that students have access to a specialized student aides' course?
- How can I effectively speak to underclassmen in order to ensure they improve writing?

**Teacher Contact:** Please never hesitate to contact me if any questions or concerns arise. I am here for you and your child and I'd love to hear from you! I will respond to all forms of contact with 24 hours of receiving it. The fastest way to get in touch with me is through email, but please feel free to contact me in whatever way is most convenient for you.

**Text:** Writer's Inc., MLA Handbook, 6-Traits of Writing

### **Supplemental Texts:**

These will include various excerpts from novels, short stories, poems and articles that lowerclassmen are assigned to be used as reference points alone.

Hand-outs created by FHS English, Social Studies and Science teachers

**Grades:** Students will be assessed based on a combination of written and oral feedback and explanation. Falcon High School uses a Standards Based Grading system, and has assigned grade values as follows. Please read the information regarding grade expectations and equivalencies carefully.

### **Falcon High School Grading Model and Guidelines**

(effective Jan. 1, 2013)

*Rubric and Constraints*

### **Achievement Level designations and Constraints for Summative Assessments**

**A** = Exceptional (No D, F, or I marks)  
**B** = Advanced (No F, or I marks)  
**C** = Satisfactory (No I marks)  
**IP** = Unsatisfactory (This is not even to standard, and therefore, a Failing grade)  
**F** = Unsatisfactory

**I** = Insufficient Data/Missing

**A (Exceptional) – Significantly Exceeds Standards; Superior Ability and Skills** (In addition to meeting the “Advanced” criteria: Student applies concepts and ideas and utilizes them in new or unfamiliar situations. Student interprets and shows relationships between parts, components, and elements of a concept. No inaccuracies or gaps in knowledge, processes, applications, solutions, conclusions, or inferences.)

**B (Advanced) – Surpasses Standards; Highly Developed Ability and Skills** (In addition to meeting the “Satisfactory” criteria: Student applies abstract ideas to concrete problems. Student analyses and makes informed judgments supported by set standards or principles. No inaccuracies or gaps in knowledge, process, applications and solutions, with inconsequential gaps in drawing conclusions and making inferences.)

**C (Satisfactory) – Adequately Meets Standards; Sufficient Ability and Skills** (In addition to meeting the “Marginal” criteria: Student comprehends and summarizes concepts and ideas. Student relates concepts, shows understanding and uses skill sets in novel or new situations. Inconsequential inaccuracies or gaps in knowledge, process, applications and solutions occur with minor gaps in attempts to draw conclusions or make inferences.)

**IP (Unsatisfactory) – Nominally Meets Standards; Peripheral Ability and Skills** (Student recalls, recognizes, retrieves or understands information, ideas, principles and concepts within the context of what they have learned. Inaccuracies or gaps in knowledge, processes, applications and solutions occur with gaps in attempts to draw conclusions or make inferences.)

**F (Unsatisfactory) – Infrequently or Never Meets Standards; Incomplete, Unfinished, or Minimal Ability or Skills** (Student does not meet the Marginal criteria. Student demonstrates only partial recall, recognition or retrieval of information, ideas and principles with little to no understanding of concepts. Significant inaccuracies or gaps in knowledge, processes, applications and solutions are the norm with substantial errors in or no attempts made to draw conclusions or make inferences.)

**I (Insufficient Data) – Missing** (Student has not generated adequate data to determine an accurate achievement level due to missing assessments.)

### **Grade Book Construction and Documentation of Assessments**

#### **Summative Assessments**

All summative assessments will be documented and dated in the grade book and will be distinguished by a separate category. Formative assessments are necessary for completion of summative assessments and cannot be missing in order to submit a summative assessment.

Each Common Core Standard or State Standard (whichever is most appropriate for the content area) will be documented using separate and well-defined categories: one for summative assessments and the other for formative assessments – corresponding data will be documented in the appropriate category.

All assessments will be disclosed to students as summative or formative prior to being given. This designation will not change once the teacher has made the initial disclosure.

Summative Assessments will be given once per unit.

#### **Formative Assessments**

Formative assessments are only a small consideration in establishing a running category mark or student's running or final achievement level; however, associated summative assessments may NOT be submitted until the formative assessment is submitted.

Applicable formative assessments will be documented and dated in the grade book and will be distinguished by a separate category.

Formative Assessments will occur once or twice per week, based on feedback assessments.

**Methodology for Reporting Student Achievement**

If only one mark exists in any given standard or benchmark category, that mark will be the student's running or final achievement level for that category.

The constraints of the grading rubric apply to all grading scenarios.

**Teaching Techniques:** The instructor for this course will implement and review a variety of techniques that students can use in an attempt to reach all types of learners and to ensure students in lowerclassmen courses understand course content. In writing instruction, the teacher will emphasize techniques from different writing courses for varying levels of writing.

**Common Core, State Standards Addressed:**

1. Oral Expression and Listening	1.Effective speaking in formal and informal settings requires appropriate use of methods and audience awareness; 2.Effective collaborative groups accomplish goals;
2. Reading for All Purposes	2.Interpreting and evaluating complex informational texts require the understanding of rhetoric, critical reading, and analysis skills
3. Writing and Composition	1.Style, detail, expressive language, and genre create a well-crafted statement directed at an intended audience and purpose; 2.Ideas, evidence, structure, and style create persuasive, academic, and technical texts for particular audiences and specific purposes; 3.Standard English conventions effectively communicate to targeted audiences and purposes;
4. Research and Reasoning	1.Collect, analyze, and evaluate information obtained from multiple sources to answer a question, propose solutions, or share findings and conclusions; 2.An author's reasoning is the essence of legitimate writing and requires evaluating text for validity and accuracy

**Course Overview:**

During any given quarter, students may be assigned to complete a Literary Analysis (w/ citation) of an individually-chosen novel. Please see the calendar on my website for more details regarding each unit.

**1<sup>st</sup> Semester:** Feedback for Narrative Writing, Expository Writing, Persuasive Writing, Research Writing, Grammar

- Formal and Informal Writing Assignments: To develop student writing skills, several feedback formatives will be assigned. Short analytic writing assignments will be required. Many formatives will come in the form of short pieces aimed at targeting specific writing skills. Students will be required to provide feedback for timed writing assignments, for which they must use strategies that help others develop ideas, organize ideas into a logical format, use interesting word choices, implement voice, use proper conventions and grammar, and ensure the writing has fluency.
- Grammar: Students will be expected to demonstrate proficiency in English grammar on all feedback assignments. These students should already be familiar with the following grammar concepts: complete sentences, fragments, run-ons, comma-splices, and subject-verb agreement. Instead, students will concentrate on "troublesome" areas of grammar, including the most common grammar misconceptions and mistakes: pronoun-antecedent agreement, infinitives, frequently confused words, etc.

**2<sup>nd</sup> Semester:** Feedback for analysis of plays, poetry, short stories, novels, and news articles, grammar.

- Formal and Informal Writing Assignments: To develop student writing skills, several feedback formatives will be assigned. Short analytic writing assignments will be required. Many formatives will come in the form of short pieces aimed at targeting specific writing skills. Students will be required to provide feedback for timed writing assignments, for which they must use strategies that help others develop ideas, organize ideas into a logical format, use interesting word choices, implement voice, use proper conventions and grammar, and ensure the writing has fluency.
- Grammar: Students will be expected to demonstrate proficiency in English grammar on all feedback assignments. Print and sign the following page (page 5) and return in the next class.

## Necessities for All Sophomore English Classes

### Classroom Rules Contract

1. Have all appropriate materials and supplies at your desk and be seated when class begins.
2. Respect the people, equipment and furnishings of room J215.
3. Adjust your voice level to suit the activity.
4. Follow directions the first time they are given.
5. Observe all rules in the student handbook.
6. Do not sleep in class.

### Other Procedures for English I

1. I have read the Auto Revision List contract and understand that within final writing pieces, I am subject to the letter grade of I for Standard 3 if I violate any of the rules laid out in the contract.
2. I understand that I need to have a thumb drive (USB drive) in order to complete computer work at school.
3. I understand that I am expected to bring in my school distributed Kindle to every class.
4. I understand that I am required to sign in to Turnitin.com for submission of writing projects throughout the year.
5. I understand that I can sign up for text/email reminders from Ms. Lopez through remind.com.
6. I know that Ms. Lopez' cell phone number is 719-571-0074 and I may text her with any questions or concerns I have about class or school between the hours of 7am-9 pm.
7. I understand that much of the work I will complete for this course is located on schoology.com
8. I understand that should I miss class for any reason, I am to go onto Schoology and check the calendar for work and complete it for the next class.
9. I understand that I will have to complete work, located on Schoology, when the district assigns E-Days.

**Students:** I have read this form and have asked and gotten answers to any questions I have about this course. I have read and understand what is expected of me during this course and will comply with these requirements; I understand that my failure to meet these expectations may warrant an alternative placement. Parent signature indicates permission for student to watch unit-aligned movies: *To Kill A Mockingbird* and *Othello*, time-permitting.

Print Name: \_\_\_\_\_ Period: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**Parents:** My child has discussed the classroom procedures and syllabus with me. I understand them and will support both.

Print Name: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**BOARD OF EDUCATION ITEM 4F**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Sarah Brockberg & Lauren Murphy

**TITLE OF AGENDA ITEM:** New Course Proposal for Falcon HS: Partners in P.E.

**ACTION/INFORMATION/DISCUSSION:** Discussion/Action

---

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

Most of our special needs students participate in elective classes, P.E. in particular. These classes are designed around general education students and our special needs students are included to the degree possible. This class is being developed in partnership with the adaptive PE teacher, designing the class around the needs of students with disabilities. General education students will learn about adaptive PE, the impact of various disabilities on students, and how sports and other activities can be adapted to allow participation by all.

---

**RATIONALE:**

Partners in PE will be an advanced PE class designed for general education students with a firm grasp on basic sports skills and students with disabilities that are desiring to learn those skills. Our goal in D49 is to meet the needs of each and every student. In most cases our students with disabilities attend traditional general education PE classes where they participate in the things they are able, with some adaptations to meet their needs. This class will be designed as an adaptive PE course where general education students work along side their disabled peers to participate in physical activity and sports. Engaging in physical activity and sport along side peers with and without disabilities fosters important social relationships within the school culture and our community. General education students will learn about conditions like Angelman Syndrome, Autism, Cerebral Palsy, and many others through research and from their disabled peers.

---

**RELEVANT DATA AND EXPECTED OUTCOMES:**

Partners in PE surveys will be completed by all students and parents in the program. A concerted effort will be made to include others from our community as we have many parents that are involved with many activities outside of school, i.e. sitting volleyball leagues, and our students with and without disabilities would benefit from that exposure as well. A focus will be placed on true inclusion, promoting social relationships between all of our students, and the improvement of the school culture as a whole. The desired outcomes:

- Create an inclusive Partners program which exudes teamwork, sportsmanship and integrity
- Promote an environment of respect, understanding and unity district wide
- Expand physical literacy and personal wellness
- Learn and display sportsmanship and class
- Demonstrate team work and leadership skills necessary to educate others and serve as a positive role model in the community
- Develop further understanding of civic and personal responsibility
- Apply appropriate communication skills in a variety of situations
- Exhibit life management skills
- New friendships among teammates/classmates
- Improved self-esteem for all students
- Positive changes in attitude, confidence, behavior, and performance
- Provide opportunities for academic and social support in the classroom, hallways and the overall school environment and community

---

**INNOVATION AND INTELLIGENT RISK:**

Partners in PE is designed as a balanced inclusion program. Whenever possible, approximately half of the students in this class will be students with disabilities and half without. We want all students to be able to access this class.

---

We do however want our students without disabilities to be committed to learning and relating to their disabled peers. The impetus of special education is to provide the least restrictive environment (LRE) to students who qualify for special education. Because of the laws governing LRE, there are numerous options for physical education for students with special needs depending on the type and severity of their disabilities. Many students with special needs are enrolled in general physical education classes. Some of these students participate in physical education with the benefit of assistance from a paraprofessional; however, many with only mild or moderate disabilities participate in physical education independently. Finally, some schools with an extensive self-contained special education population (especially schools at the secondary level) have an adapted physical education class that is designed specifically for students with special needs. In such a class, the concept of Reverse Inclusion can be incorporated to benefit students both with and without disabilities. Students in general education become peer tutors in order to model skills and assist students who have disabilities with physical and motor activities in the physical education environment. In this type of program, peer tutors must be trained to coach and educate the students with special needs. The course would utilize the Partners in Physical Education; A Program for Training Secondary General Education Students To Educate Students with Unique Abilities (2017) curriculum. Counselors will work with students and the adaptive PE teacher to develop a process for vetting our students without disabilities to ensure that they have the maturity and skills to successfully participate in the class.

---

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

---

Culture	<b>Inner Ring</b> —How we treat each other	
	<b>Outer Ring</b> —How we treat our work	
Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	We have heard from many of our community member with students with disabilities that we do not do enough to ensure that students with disabilities have true opportunities to form more than superficial relationships with their peers. They have expressed concerns that students rarely know about the disabilities that make their students unique. This class is designed to bridge that gap.
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	Members of the community who are related to or work with individuals with disabilities can be included in the training to provide relevant information to the Partners. Many of these parents/community members often feel like they have little opportunity to participate in school activities.
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	The Partners In PE Course at Falcon High School will continue to add to the innovative options that the Falcon School District offers students in the Colorado Springs Region that are not available in other schools and locations.
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	The knowledge and skills learned by general education students of their peers with disabilities will and the experiences that students with disabilities have with their non-disabled peers will bring a lifetime of understanding and knowledge and appreciation for one another.

---

<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	Our goal in D49 is to meet the needs of each and every student. In most cases our students with disabilities attend traditional general education PE classes where they participate in the things they are able, with some adaptations to meet their needs. This class will be designed as an adaptive PE course where general education students work along side their disabled peers to participate in physical activity and sports. Engaging in physical activity and sport along side peers with and without disabilities fosters important social relationships within the school culture and our community.
---	---

**BUDGET IMPACT:** No additional funding will be required. This class would fit withing the existing PE/APE budget. Depending on the number of enrolled students for this course, it may impact class size for other PE classes.

**AMOUNT BUDGETED:** \$0.00

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Discussion followed by Board Approval of the proposed course.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** October 2, 2019

## **Partners in PE**

### *Falcon High School*

#### **What is Partners in PE?**

Partners in PE is a Physical Education class that focuses on the physical, intellectual and social growth of all participants. Engaging in physical activity and sport alongside peers with and without disabilities fosters important social relationships which includes respect, trust, responsibility, life-long learners, community involvement and teamwork.

#### **Who is Partners in PE?**

Partners in PE is a fully inclusive program. Whenever possible, approximately half of the students in this course should be students with a disability; the other half should be students without a disability. The Partners in PE course should never be comprised solely of individuals with disabilities, nor should the course be comprised of primarily individuals without disabilities.

Quite often there will be more general education students interested in joining the class than can be accommodated. For these reasons, it is best practice to use a “targeted approach” when recruiting class members, versus advertising the opportunity to the entire school. Working with guidance counselors and other teachers is a good first step in getting referrals for students who may be a good fit. Participating in this course should be an esteemed privilege, not a right for any student.

#### **Course Goals:**

- Increase in physical fitness and sport-specific skills
- Deepen understanding of sports rules and strategies
- Reinforce positive habits and reasoning to make better health and lifestyle choices
- Foster new friendships and social inclusion amongst classmates
- Provide opportunities for general education students to learn about various disabilities and to provide students with disabilities to share and provide insight into the impact of their disabilities.
- Advance social and leadership competencies

#### **Desired Outcomes:**

- Create an inclusive Partners program which exudes teamwork, sportsmanship and integrity
  - Promote an environment of respect, understanding and unity district wide
  - Expand physical literacy and personal wellness
  - Learn and display sportsmanship and class
  - Demonstrate team work and leadership skills necessary to educate others and serve as a positive role model in the community
  - Develop further understanding of civic and personal responsibility
  - Apply appropriate communication skills in a variety of situations
  - Exhibit life management skills:
    - New friendships among teammates/classmates
    - Improved self-esteem for all students
    - Positive changes in attitude, confidence, behavior, and performance
  - Provide opportunities for academic and social support in the classroom, hallways and the overall school environment and community.
-

## Partners in PE Syllabus

### Course Description:

Partners in PE is an advanced PE class designed for students with a firm grasp on basic sports skills who are interested in developing leadership skills, have compassion for and/or perusing a career working with individuals with disabilities. Partners in PE focuses on the physical, intellectual and social growth of all participants. Engaging in physical activity and sport alongside peers with and without disabilities fosters important social relationships within the school culture and also in the community.

### Participation:

Partners will be graded on their daily participation and leadership role. This grade will be 50% of their final grade for the class.

**A-4** = Dressed out, full participation with or attempted to get buddy involved, leadership aspects - leading by example

**C-2** = Expectation wasn't met for 1 of the 3 areas above

**F-0** = Expectations were not met for 2-3 of the 3 areas above

*Excused and Unexcused makeup work will be provided according to Falcon High School's policy.*

### Required Course Work:

This area will consist of 30% of the final grade for the class and will be assessed in light of the Colorado PE Standards.

- Partners in PE survey
- List of students and activities to show leadership through portfolio
- Plan and execute an activity - teaching activity, lesson plan and reflection
- Assisting partner with fitness testing
- Community research for fitness activities with partner

### Student-Driven Choice Course Work:

This area will consist of 20% of the final grade for the class and will be assessed in light of the Colorado PE Standards. Pick 3 from the list to complete by semester end:

- Interview
- Job research
- Disability research project
- Film review
- Attend at least one District 49 Adapted PE event (Ex. Fishing event, Special Olympics Track and Field)

## COLORADO PE STANDARDS:

### Standard 1: Movement Competence and Understanding

1. Participate at a competent level in a variety of lifelong physical activities
2. Understand the cognitive impact of movement
3. Apply rules, principles, problem-solving skills, and concepts to traditional and nontraditional movement settings

### Standard 2: Physical and Personal Wellness

1. Establish goals based on fitness assessment data, and develop, implement, achieve, and monitor an individual health and fitness plan
  2. Identify community resources to maintain lifelong physical activity
  3. Participate regularly in health-enhancing and personally rewarding physical activity outside of physical education
-

**Standard 3: Emotional and Social Wellness**

1. Demonstrate respect for individual differences in physical activity settings
2. Demonstrate collaboration, cooperation, and leadership skills
3. Demonstrate responsible behavior in group settings
- 4.

**Standard 4: Prevention and Risk Management**

1. Understand the risks and safety factors that may affect participation in physical activity
  2. Demonstrate knowledge of safety and emergency response procedures
-

**BOARD OF EDUCATION ITEM 4.G**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Lauren Murphy

**TITLE OF AGENDA ITEM:** New Course Proposal for Falcon HS: Senior Capstone

**ACTION/INFORMATION/DISCUSSION:** Discussion/Action

---

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

Starting with the Class of 2021, we, as a district and school, need to provide a menu of options for students to demonstrate competency for graduation. Capstone was identified by CDE and the district as a one pathway for meeting the graduation requirements. A Guiding Coalition of 5 educators and an administrative facilitator developed the Senior Capstone to provide Falcon High School students with an alternative pathway to demonstrate competency in the various mastery demonstration areas.

---

**RATIONALE:**

The state of Colorado has required the district, and therefore Falcon High School to provide a capstone pathway for students to demonstrate competency in the various mastery demonstration categories, including English, mathematics, science, etc. Senior Capstone will enable students to align standards in these subjects and develop projects providing them the opportunity to validate their competency.

CDE has identified essential skills for all Colorado high school graduates through the Colorado Essential Skills. These new standards replace the required 21<sup>st</sup> Century Skills starting in the 2020-2021 academic year. The Senior Capstone course is designed to provide direct instruction and support to enable students to demonstrate these standards. We believe these standards are vital for success in post-secondary pursuits. Some examples are:

- Personal skills (self-awareness, personal responsibility, etc.)
- Entrepreneurial skills (critical thinking, creativity, etc.)
- Civic/interpersonal skills (collaboration, communication, etc.)
- Professional skills (time management, information literacy, etc.)

While students may develop these skills in high school, many are not explicitly taught leaving a gap in our students' preparedness for their chosen post-secondary endeavors. Through the capstone project the Senior Capstone course will provide the necessary opportunities for students to exhibit these skills.

---

**RELEVANT DATA AND EXPECTED OUTCOMES:**

This course was developed in line with CDE's recommendations and the exemplar districts they identified throughout the state. Senior Capstone will be iterative and will be refined based on student and teacher feedback, in order to provide the best experience for our students to explore their passions and still have the structures and supports to demonstrate competency in the standards aligned to their self-selected projects.

The course will be evaluated by feedback, student engagement in the course through formative and summative assessments, and their final products/final course grade. The aim is that all students would be successful and demonstrate competency in the standards aligned to their courses.

---

**INNOVATION AND INTELLIGENT RISK:**

Senior Capstone is a culmination of students' high school experience. They will leverage the skills and knowledge they have gained over the course of their high school career to complete their project. Senior Capstone embodies the EmpowerFZ instructional model by providing students with enhanced opportunities, elevated instruction, and engaging environments. Students have the choice to pursue any interest or passion through their capstone project and the options are endless and could entail internships, research, and/or hands-on experiences. The design of this course is new to the district and Falcon High School therefore, we will be taking some risk in providing this innovative course. However, we will mitigate that risk by adapting the course and supports with the aim that all

---

students are successful in demonstrating competency in the student-selected standards aligned to their project. The Capstone Guiding Coalition has thoroughly developed the course which supports the students and teachers with the necessary components to be successful. We will identify teachers whose beliefs align with the course vision so we can launch it successfully and provide teachers who are dedicated to student success and innovation.

---

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

---

Culture	<b>Inner Ring</b> —How we treat each other	
	<b>Outer Ring</b> —How we treat our work	
Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	As we cultivate relationships with the community through our intentional community engagement strategies and integration, trust will be established as community members can see and experience our school's dedication to student-driven, personalized education and its importance in students' educational success.
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	Senior Capstone is designed to integrate the community throughout the capstone project process. We will reach out to community partners to request participation through advisement, internships, and as members of our evaluation panels. We will also host a community night where students will present their final capstone projects to the community.
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	Senior Capstone differentiates Falcon High School from the other high schools through a comprehensive student-choice driven option for capstone. This adds to the innovative pathways at Falcon High School and provides families with a different option for their children.
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	Senior Capstone will provide direct instruction and opportunities for students to develop and demonstrate the Essential Skills CDE has identified as foundational for all Colorado graduates. The Senior Capstone project is a culmination of students' high school careers and will create the venue for students to synthesize the foundation of knowledge and skills they developed through their education to demonstrate competency.
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	Senior Capstone is customized to student-choice, while providing the systems and structures for students to demonstrate competency in academic standards. Students will also develop and exhibit the essentials skills CDE identified as necessary for all Colorado graduates to be successful in post-secondary pursuits.

**BUDGET IMPACT:** No additional funding will be necessary for this new course.

---

BOE Work Session October 23, 2019  
Item 5.g continued

**AMOUNT BUDGETED:** \$0.00

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Discussion followed by Board Approval of the proposed course.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** October 11, 2019

**FALCON HIGH SCHOOL  
SENIOR CAPSTONE  
PROJECT**

# SENIOR CAPSTONE PROJECT OVERVIEW

The purpose of the Senior Project is to give students a chance to choose an area of study, to combine different disciplines, to explore new avenues in a productive manner, and, at the same time, to help others and contribute to the community. Each student needs to address a challenging issue that will stretch his/her intellectual and personal growth. In essence, the project will provide a **significant learning stretch**. It should be relevant to the community at large and/or give insight to a field that he/she may want to pursue as a career.

## BENEFITS OF THE SENIOR PROJECT

Once the graduating senior has completed the Senior Capstone Project, he or she will have completed a task that has brought maturity, organization, service, learning, and public speaking skills to fruition. It is also important to note that students will be creating and completing these types of projects in their post-high school careers as well. Any student planning to attend a college or university will have to complete major projects like this as a part of the university experience. Most careers also require employees to complete similar projects. Students will have experience in real-world tasks.

These projects can, and should be, creative and unique. There is no limit to what a student can do to challenge himself or herself, to learn and help others in the process.

Any of the projects described in this booklet show that the student has used a host of skills that will set him or her apart from other seniors.

## STEPS OF THE SENIOR CAPSTONE PROJECT PROCESS

1. Write and submit a letter of intent for approval by Capstone teacher(s)
2. Create project poster
3. Develop a project blueprint, including checkpoints and deadlines
4. Secure a project advisor, if appropriate for your project
5. Document work through progress weekly reflections
6. Practice presentation to peers
7. Reflect on your learning journey and project process
8. Develop a cover letter and resume
9. Complete project, including creating project product/artifacts
10. Present project and demonstrate learning stretch to panel of evaluators

# SENIOR CAPSTONE PROJECT GUIDELINES

The Senior Capstone Project is different from most other forms of research because it directs students away from books and out into the world for some hands-on experience. The Senior Capstone Project must demonstrate a learning stretch. It should push the student to develop new talents, abilities, or interests. The Senior Capstone Project cannot be something previously attempted. **The student must have an end product!** If the purpose of research is to apply the knowledge in a personal way, then the projects will be as diverse, unique, and varied as the students who design them.

*A project will:*

- Demonstrate a learning stretch through a well-designed project
- Demonstrate competency in English and mathematics through student identified alignment with the Colorado academic standards.
- Develop and demonstrate the essential skills identified for all Colorado graduates, including:
  - Personal skills (self-awareness, personal responsibility, etc.)
  - Entrepreneurial skills (critical thinking, creativity, etc.)
  - Civic/interpersonal skills (collaboration, communication, etc.)
  - Professional skills (time management, information literacy, etc.)
- Require evidence (artifact or physical product) of capstone project

## NOTE TO STUDENTS WHO WANT THE EASY WAY OUT:

Some students think that it is a cinch to choose what they think is an easy project. They think to themselves, "I'll just choose something that won't take much time or effort, just to get it done. I'll take my C and see you later." Without exception, the students who have done this found several things to be true:

- 1) Easy wasn't true because there wasn't much to the project in the first place.
- 2) There was no challenge or risk; therefore, the whole experience was unsatisfying.
- 3) They did not feel proud of their accomplishment because there was none.
- 4) They wasted their time.

## SENIOR CAPSTONE SEMESTER PLAN

Week	Assignments	Grading	Notes
1	Procedures & Classroom Norms		
2	Letter of Intent	<b>Summative</b>	No progress without passing
3	Research, Reaching out, Viability Planning		
4	Commitment Poster	<b>Summative</b>	
5	Create Blueprint	<b>Summative</b>	No progress without passing
6	Individual Conferences on Progress		
7	Research and Draft		
8	Research, Draft, and Peer Review		
9	Mock Presentation: Progress so far	<b>Summative</b>	
10	Progress Report: Reflection	<b>Summative</b>	No weekly reflection
11	Cover Letter, continue implementation	<b>Summative</b>	
12	Resume, continue implementation	<b>Summative</b>	
13	Work time: Implementation		
14	Work time: Implementation		
15	Progress Report: Reflection	<b>Summative</b>	No weekly reflection
16	Work time: Finish Implementation		
17	Wrap Up: Thank you notes, finalizing arrangements		
18	Gallery Walk: Final Product	<b>Summative</b>	No weekly reflection

# SENIOR CAPSTONE GRADING

## SUMMATIVE

1. Letter of Intent
2. Commitment Poster
3. Project Blueprint
4. Mock Presentation (Small Group)
5. Progress Report 1
6. Cover Letter
7. Resume
8. Progress Report 2
9. Final Product Presentation (Gallery Walk)

## FORMATIVE

1. Self-Assessment & Reflections
  - a. 1 per week for 15 weeks (not required in week 9, 15, 18)
  - b. 12-15 for A
  - c. 7-11 for C
  - d. Less than 7 receives an F (cannot receive an A on the final project)

## TOPIC SELECTION

### POINTS TO CONSIDER CONCERNING SENIOR PROJECT

1. Which project will I most likely be able to use after senior year?
2. Which choice will challenge me the most and provide a learning stretch?
3. Which area will enable me to find the most resources?
4. Do I have a person who is willing to serve as my advisor?
5. Which project is realistic in terms of time for me, a busy senior?
6. What are my talents?
7. Is there an area that a college admissions representative or an employer will look at with interest?
8. Is there a budget concern for me?
9. Is there a concern about transportation?

## BRAINSTORMING SHEET FOR STUDENTS

Contemplate all the areas of interest in your life. Where do you see yourself in ten years? Where do you see your project in relationship to one or any of the ideas listed below?

1. Social Studies (historical study, cultural study)
2. Space (exploration, extraterrestrial theory)
3. Specialized Hobbies or Collections (coins, cars, dolls)
4. Philosophy (comparative studies, certain theorists or leaders)
5. Art (fashion design, designing a stained glass window)
6. Education (developing a campaign for advocacy, developing a unit for social emotional learning for elementary students)
7. Technology (wood, metal, cars, computers, graphics, electronics)
8. Writing and/or Literature (writing and illustrating a children's book in English or a foreign language, compiling a poetry book)
9. Math and Science (exploring certain math theories, pursuing an ozone study or starting a recycling program)
10. Photography/Film (making a movie, video production for local agency)
11. Social Concerns (homelessness in Denver or the Front Range, aging, youth violence)
12. Career Path (internship - journalist, doctors, physical therapists, researchers)
13. Volunteer/Community Service Extension (volunteer project at a local hospital)
14. Travel (languages, working during a break in another country)
15. Health and Fitness (physical program for youth, teaching/ coaching others)
16. Performing Arts (music, dance, drama)
17. Business (trends, stocks, computers)
18. Sports-Related Project (teaching children a new sport skill, volunteering at the YMCA)

## SENIOR PROJECT IDEAS

This is not a definitive list of all possible project topics. It is not intended to limit student creativity or initiative. This list is provided to promote student formulation of a meaningful, personal choice that reflects the philosophy of the project. **Students may not use a project that will count as a class credit. They can, however, create an extension of a class project for which they received credit.**

Students may present their final project in many forms including, but not limited to:

- a portfolio/work sample
- a video
- a prototype/model

**Some projects may naturally lend themselves to a unique final product that may be acceptable in a case-by-case basis.**

# COLORADO ACADEMIC STANDARDS

## All Students, All Standards

# Colorado Essential Skills

**COLORADO**  
Department of Education

## CDE Competencies and Skills Internal Support Team

- Floyd Cobb, Executive Director, Teaching and Learning Unit
- Melissa Colsman, Associate Commissioner, Division of Student Learning
- Karol Gates, Director, Office of Standards and Instructional Support
- Nancie Linville, Retired Director of the Office of Early Learning and School Readiness
- Roseyn Hood, Special Assistant to the Commissioner
- Scott Ross, Director, Office of Learning Supports
- Robin Russel, Graduation Guidelines Manager, Office of Postsecondary and Workforce Readiness
- Misti Ruthven, Director, Office of Postsecondary Readiness
- Becky Russell, School Library/Digital Literacy Instructional Specialist, State Library
- Sharon Triolo-Moloney, Retired P-3 Alignment Director

## Purpose

In 2008, Colorado passed legislation (Senate Bill 212, also known as CAP4K) that requires the State Board of Education to adopt content standards that prepare students for the 21st century workforce and for active citizenship upon receiving a high school diploma. In addition to the requirement that students meet those content standards, students must also (to the extent practicable) develop and demonstrate skills (Fig. 1) essential for success in professional life. The same law also requires a revision to the Colorado Academic standards by July 1, 2018, and every six years thereafter.

During the 2008-10 standards development process, these skills were referred to as “21<sup>st</sup> Century Skills.” However, the standards review and revision process created an opportunity for these skills to be revisited and clarified. In an effort to update Colorado’s 21<sup>st</sup> Century Skills and better align these skills from preschool through postsecondary, the Colorado Department of Education brought together a cross-unit team of specialists to create this Essential Skills Guidance Resource document that would serve as a supplement to the revised Colorado Academic Standards. The intention of this guiding document is to clearly identify how these statutorily identified skills manifest in early childhood and continue through their postsecondary pursuits leading to in-demand employment skills. Developmentally appropriate support for these skills should occur in all subject areas throughout students’ academic careers. Understanding the importance of these skills is the first step in achieving life-long success for all students.

Figure 1: Essential Skills Required in the Colorado Academic Standards

- creativity and innovation skills;
- critical-thinking and problem-solving skills
- communication and collaboration skills; social and cultural awareness; civic engagement
- initiative and self-direction;
- flexibility;
- productivity and accountability;
- character and leadership;
- the ability to use the information and communications technologies to find, evaluate, create and communicate information

## Essential Skills Framework Development

The framework for the Essential Skills document was influenced by the groundwork laid by the in-demand skills identified in the 2015 [Colorado Talent Pipeline Report](#). The Pipeline report was authored by the Colorado Workforce Development Council in partnership with a number of state agencies.<sup>1</sup> The goal of this publication was to explore Colorado jobs that have high growth rates in an effort to better align student skills with behaviors necessary for successful employment in Colorado. To that end, the group “... identified 20 core skills necessary to enter the workforce or continue education beyond high school; these include skills such as critical thinking, creativity, self-direction, cultural awareness, time management and self-advocacy” (CWDC, 2016, p. 5). These skills were grouped under four core categories of Entrepreneurial, Personal, Civic/Interpersonal and Professional skills to add greater clarity to the dispositions that all graduates should demonstrate. This Essential Skills document uses these core skills categories to group the essential P – 12 academic skills from CAP4K to enable focus on the development of postsecondary and workforce skills that Colorado graduates should demonstrate.

As this document was in the process of refinement, CDE sought feedback from the public and other statewide participants in business and industry, education, non-profit organizations and government sectors. This process occurred throughout 2017, helping to improve the final version of this resource guide.

The Essential Skills resource document has been developed to ensure that the core skills can be meaningfully applied regardless of age/grade. The framework relies upon the Dreyfus model (Dreyfus & Dreyfus, 1980, 2005) which delineates the acquisition of skills from Novice, Advanced Beginner, Competent, Proficient and Expert. The model “... describes changes in skill performance as moving from reliance on rules, to analysis, toward intuition based on past experience” (Maine Department of Education (n.d.), p.iii).

With the understanding that these skills must incorporate developmental stages relevant for a preschool-12 audience, the Dreyfus model has been modified to **Novice**, **Advanced Beginner**, **Strategic Learner**, and **Emerging Expert**, which are also found in a similar document produced by the Maine Department of Education (Maine Department of Education (n.d.), p.iii). The demonstration of each of these essential skills are cumulative as indicated by the word and that resides at the beginning of each subsequent indicator. For example, an advanced beginner in the informed risk-taking category under personal skills should be able to “demonstrate a willingness to try new things, *and* demonstrate flexibility, imagination and inventiveness in taking on tasks and activities.”

## Personal Skills<sup>2</sup>

A Colorado graduate demonstrates personal skills through self-awareness, initiative and self-direction, personal responsibility and self-management, adaptability and flexibility, and perseverance and resilience. A student with these skills can:

	Novice	Advanced Beginner	Strategic Learner	Emerging Expert
Self-Awareness	Accurately recognize one’s own emotions, thoughts and values and how they influence behavior	... and appropriately express one’s own emotions, thoughts and values and identify how they influence behavior	... and assess personal strengths and limitations, with a well-grounded sense of confidence, optimism and a ‘growth mindset’	... and adapt to environments with appropriate emotions and behaviors, demonstrate personal awareness through the development of positive relationships
Initiative/ Self-Direction	Recognize personal characteristics, preferences, thoughts and strengths	... and pursue opportunities to engage and learn interests	... and apply knowledge to set goals, make informed decisions and transfer to new contexts	... and make responsibility for and pursue opportunities
Personal Responsibility	Handle impulses and behavior with minimal direction	... and discern differences of effective and ineffective processes, communication and tasks	... and regulate one’s emotions, thoughts and behaviors in different situations	... and develop, plan and organize self-behavior
Adaptability/ Flexibility	Recognize emotional response to ideas that differ from one’s own	... and regulate reactions to differing perspectives	... and look for and value in different perspectives expressed by others	... and demonstrate ways to adapt and reach workable solutions
Perseverance/ Resilience	Resist distractions, maintain attention, and continue the task at hand through frustration or challenges	... and set goals and develop strategies to remain focused on learning goals	... and focus on learning goals by employing motivation and familiar strategies for engagement and evaluate progress, making necessary changes to stay the course	... and work effectively in a climate of ambiguity and changing priorities

<sup>2</sup> The Personal Skills chart draws heavily from The Partnership for 21st Century Skills (2009) and Maine Department of Education (n.d.).

# Entrepreneurial Skills<sup>3</sup>

A Colorado graduate demonstrates entrepreneurial skills through critical thinking and problem-solving, creativity and innovation, inquiry and analysis, and risk-taking. A student with these skills can:

	Novice	Advanced Beginner	Strategic Learner	Emerging Expert
Critical Thinking/ Problem Solving	Recognize that problems can be identified and possible solutions can be generated	... and define the problem using a variety of strategies	... and make connections between information gathered and personal experiences to apply and/or test solutions	... and “interpret information and draw conclusions based upon information gathered to formulate a new problem.” <sup>4</sup>
Creativity/ Innovation	Demonstrate curiosity, imagination and eagerness to learn more	... and build on personal experience to specify a challenging problem to investigate	... and engage in novel approaches, moves, directions, ideas and/or perspectives	... and synthesize ideas in original and surprising ways
Inquiry/ Analysis	Recognize and describe cause-and-effect relationships and patterns in everyday experiences	... and investigate to form hypotheses, make observations and draw conclusions	... and test hypotheses/prototype with planned process for getting feedback	... and make predictions and design data/information collection and analysis strategies
Informed Risk Taking	Demonstrate a willingness to try new things	... and demonstrate flexibility, imagination and inventiveness in taking on tasks and activities	... and innovate from failure, connect learning across domains and recognize new opportunities	... and act on creative ideas to make a tangible and useful contribution

<sup>3</sup> The Entrepreneurial Skills chart draws heavily from The Partnership for 21st Century Skills (2009) and Maine Department of Education (n.d.).

<sup>4</sup> The Partnership for 21st Century Skills (2009). P21 framework definitions. Retrieved from [http://www.p21.org/storage/documents/docs/P21\\_Framework\\_Definitions\\_New\\_Logo\\_2015.pdf](http://www.p21.org/storage/documents/docs/P21_Framework_Definitions_New_Logo_2015.pdf).

# Civic/Interpersonal Skills<sup>5</sup>

A Colorado graduate demonstrates civic/interpersonal skills through collaboration and teamwork, strong communication skills, global and cultural awareness, civic engagement and strong character. A student with these skills can:

	Novice	Advanced Beginner	Strategic Learner	Emerging Expert
Collaboration/ Teamwork	Recognize how personal actions have had a positive or negative impact on others with feedback as needed	... and recognize how members of a community rely on each other, considering personal contributions as applicable	... and “follow a process identified by others to help generate ideas, negotiate roles and responsibilities, and respects consensus in decision making” <sup>6</sup>	... and use interpersonal skills to learn and work with individuals from diverse backgrounds
Communication (using information and communications technologies)	Articulate personal strengths and challenges using different forms of communication to express oneself	... and consider purpose, formality of context and audience, and distinct cultural norms when planning content, mode, delivery and expression	... and “establish goals for communication and plan out steps accordingly” <sup>7</sup>	... and articulate thoughts and ideas effectively using oral, written and nonverbal communication skills in a variety of forms and contexts (including multi-lingual)
Global/ Cultural Awareness	Compare attitudes and beliefs as an individual to others	... and identify and explain multiple perspectives (cultural, global) when exploring events, ideas and issues	... and plan and evaluate complex solutions to global challenges that are appropriate to their contexts using multiple disciplinary perspectives (such as cultural, historical and scientific)	... and apply knowledge and skills to implement sophisticated, appropriate and workable solutions to address complex global problems using interdisciplinary perspectives independently or with others
Civic Engagement	Identify and reflect upon personal connections to community systems	... and connect knowledge (facts, theories, etc.) from personal ideas and understandings to civic engagement	... and participate in social or community activities	... and “participate effectively in civic life” <sup>8</sup>
Character	Demonstrate an understanding of cause and effect related to personal decisions	... and state a position and reflect on possible objections to, assumptions and implications of the position	... and apply ethical perspectives/ concepts to an ethical question/ situation/ scenario	... and “apply a fundamental understanding of the ethical/legal issues in many context including the access and use of information” <sup>9</sup>

<sup>5</sup> The Civic/Interpersonal Skills chart draws heavily from The Partnership for 21st Century Skills (2009) and Maine Department of Education (n.d.).

<sup>9</sup> Ibid p. 2

# Professional Skills<sup>10</sup>

A Colorado graduate demonstrates professional skills through task and time management, career awareness, information literacy, productivity and accountability, self-advocacy and leadership. A student with these skills can:

	Novice	Advanced Beginner	Strategic Learner	Emerging Expert
Task/ Time Management	Articulate task requirements and identify deadlines	... and develop and utilize basic task and time-management strategies effectively	... and demonstrate task-management attributes associated with producing high-quality products including the abilities to: <ul style="list-style-type: none"><li>• Work positively and ethically</li><li>• Manage time and projects effectively</li><li>• Multi-task</li><li>• Clearly communicating with others</li></ul>	... and set personal goals and take responsibility for those goals through reflection upon prior outcomes
Career Awareness	Ask questions and learn more about careers and other life pursuits	... and connect careers and other life pursuits to personal interest	... and “pursue a path of inquiry initiated by personal connections to careers and other life pursuits” <sup>11</sup>	... and demonstrate knowledge, understanding and personal awareness of how one’s dreams and interests translate into career fulfillment and career pathways available in local, regional, national and global arenas
Information Literacy	Articulate the most effective options to access information needed for a specific purpose	... and identify and evaluate key attributes of a variety of information sources (e.g., books, newspapers, online or print articles, social media) for validity	... and “examine how individuals interpret messages differently, how values and points of view are included or excluded, and how media can influence beliefs and behaviors” <sup>12</sup>	... and “analyze both how and why media messages are constructed and for what purposes,” <sup>13</sup> and use information accurately, ethically and creatively for the issue or problem at hand
Use Information and Communications Technologies	Find information through the use of technologies	... and communicate information through the use of technologies	... and evaluate information through the use of technologies	... and create information through the use of technologies
Self-Advocacy	Appropriately express a range of emotions to communicate personal ideas/needs	... and ask questions to develop further personal understanding	... and demonstrate confidence in sharing ideas/feelings	... and demonstrate an accurate and clear sense of goals, abilities, needs and know how to request and/or acquire them
Leadership	Model positive behaviors for others	... and demonstrate leadership skills (e.g., organizing others, taking initiative, team-building)	... and demonstrate confidence while recognizing that personal actions impact others	...and educate and inspire others to realize their potential

<sup>10</sup> The Professional Skills chart draws heavily from The Partnership for 21st Century Skills (2009) and Maine Department of Education (n.d.).

**BOARD OF EDUCATION ITEM 5**  
**BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Mary Perez, Director of Applied & Advanced Learning

**TITLE OF AGENDA ITEM:** Board Policy Revisions – Concurrent Enrollment

**ACTION/INFORMATION/DISCUSSION:** Information/Discussion

**BACKGROUND OR RATIONALE**

Concurrent Enrollment policies have been revised in response the SB19-176 and for minor clarifications: IHCD A Concurrent Enrollment, IHCD A-R1 Concurrent Enrollment, IHCD A-R2 ASCENT, and IKCA Weighted Grading.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

Beginning in 2020-21 and forward, D49 will communicate to parents Concurrent Enrollment costs, deadlines, and college transfer resources. CE course enrollment will be prioritized: (1) on-HS-campus, (2) 2-year college campus, then (3) 4-year college campus; online courses will be authorized on a case-by-case basis. Students/parents will be responsible for following up with IHE Accessibility Services. D49 will pay for scholarship texts and fees for FRL students. PPCC Career Start Program high school credits will be based on a standard 4.0 grade scale.

**IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Culture</b>	<b>Inner Ring</b> —How we treat each other <b>Outer Ring</b> —How we treat our work	
<b>Strategy</b>	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community <b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation <b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u> <b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive <b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	Provide parents and students clear information & expectations to make informed decisions about postsecondary opportunities for their families.

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** After review and discussion, move policies forward for action at the next board meeting.

**APPROVED BY:** Peter Hilts, CEO

**DATE:** OCTOBER 7, 2019

## **~~BOARD-APPROVED POLICY OF DISTRICT 49~~**

<u>Title</u>	<u>Concurrent Enrollment</u>
<u>Designation</u>	<u>IHCDA</u>
<u>Office/Custodian</u>	<u>Education/Director of Applied &amp; Advanced Learning</u>

The Board believes that students who wish to pursue postsecondary level work while in high school should be permitted to do so in accordance with this policy and accompanying graduation requirements for successful completion of approved postsecondary courses offered by institutions of higher education.

This policy and accompanying regulation do not apply to students seeking to enroll in postsecondary courses pursuant to the Accelerating Students through Concurrent Enrollment (ASCENT) program or a “dropout recovery program” pursuant to the Concurrent Enrollment Programs Act (the Act). Students seeking to enroll in the ASCENT program or a dropout recovery program shall work with district administrators and meet the Act’s applicable requirements.

### **Definitions**

For purposes of this policy and accompanying regulation, the following definitions shall apply:

“Concurrent enrollment” means the simultaneous enrollment of a qualified student in a district high school and in one or more postsecondary courses, [including academic or Career and Technical Education courses, and may include work related to internship or apprenticeship programs](#) at an institution of higher education.

“Qualified student” means a person who is less than 21 years of age and is enrolled in the 9<sup>th</sup> grade or higher grade level and demonstrates both college readiness and personal readiness for postsecondary coursework.

“Postsecondary course” means a course offered by an institution of higher education and includes coursework resulting in the acquisition of a certificate; an associate degree of applied sciences, general studies, arts, or science; and all baccalaureate degree programs.

“Institution of higher education” means:

- A state university or college, community college, junior college, or area vocational school as described in title 23, C.R.S.;
- A postsecondary career and technical education program that offers postsecondary courses and is approved by the state board for community colleges and occupational education pursuant to applicable state law; and
- An educational institution operating in Colorado that meets the Act’s specified criteria.

### **Eligibility**

Qualified students seeking to enroll in postsecondary courses at the district’s expense and receive high school credit for such courses shall follow the procedure(s) accompanying this policy.

### **Academic Credit**

Academic credit granted for postsecondary courses successfully completed by a qualified student shall count as high school credit or mastery demonstrations toward graduation requirements. High school credit shall be granted for postsecondary courses that meet or exceed the district’s academic standards. High school credit may be denied for a postsecondary course substantially similar to a course offered by the district unless the qualified student’s enrollment in the postsecondary course is approved due to reasons deemed legitimate by the district.

Concurrent enrollment is not available for summer school.

**Agreement with institution of higher education**

When a qualified student seeks to enroll in postsecondary courses at an institution of higher education and to receive high school credit for such courses, the District and the participating institution shall enter into a written cooperative agreement in accordance with the Act.

**Payment of tuition**

The district shall pay the tuition for up to 60 credit hours of postsecondary courses successfully completed by a qualified student and for which the qualified student receives high school credit. ~~A Q~~qualified students may enroll in ~~up to no more than~~ 15 credit hours of postsecondary courses per academic term, unless prior written authorization has been obtained from the ~~P~~school principal or Concurrent Enrollment designee.

The tuition paid by the district for ~~the qualified student's successful completion of an~~ approved postsecondary courses shall be in accordance with the Act and the district's cooperative agreement with the institution of higher education. The institution of higher education may assess additional charge fees additional tuition and/or associated fees to the qualified student or the student's parent/guardian in addition to the tuition paid by the district.

Prior to paying the tuition for any qualified student, the District shall require the student and student's parent/guardian to sign an agreement stating if the student fails (with a final grade of D or F) or otherwise does not complete the postsecondary course for any reason without consent of the principal of the high school in which the student is enrolled, the student and/or the student's parent/guardian shall repay the amount of tuition paid by the District on the student's behalf.

**Transportation**

The District shall not provide or pay for the qualified student's transportation to the institution of higher education.

**Notification**

Information about concurrent enrollment, including costs to parents, deadlines, and course transfer options shall be made available to high school students and their parents/guardians on a ~~an~~ bi-annual basis.

The District shall not be responsible for the costs of room and board, fees, books, uniforms, lab manuals, testing fees, or equipment, or other course materials.

Title Concurrent Enrollment  
 Designation IHEDA-R-1  
 Office/Custodian Education/Director of Applied & Advanced Learning  
~~Concurrent Enrollment~~

The qualified student shall establish, in consultation with the counselor or teacher advisor, an academic plan of study that describes all of the courses (including postsecondary courses) the student intends to complete to satisfy the Board's high school graduation requirements. Prior to the qualified student's enrollment in a postsecondary course, the Principal, Counselor or Teacher Advisor shall review and approve the student's academic plan of study in accordance with applicable State Board of Education rules.

Postsecondary Concurrent Enrollment courses requested by the student must align with the student's academic plan of study and may include general education, elective, and career and technical education coursework. The Principal or Concurrent Enrollment designee ~~must~~ authorizes concurrent enrollment course selections and confirms course alignment with the student's academic plan of study. The student must meet the same course prerequisites and course expectations as noted in the current postsecondary course catalog and course syllabus.

A student intending to enroll in Concurrent Enrollment must provide written notice to    the high school Principal or Concurrent Enrollment designee by the following deadlines:

Concurrent Enrollment Application Deadlines	
Fall Semester Enrollment	1 <sup>st</sup> Friday in February
Spring Semester Enrollment	<del>Friday</del> after Labor Day

Concurrent Enrollment Student Request Forms are publicly available on the District website and in high school counseling offices.

The Principal or Concurrent Enrollment designee will determine whether the student is eligible for concurrent enrollment based on academic and personal readiness, including, but not limited to student conduct, attendance, and other personal readiness factors. The Principal or Concurrent Enrollment designee may request a meeting with the student and family to discuss the student's eligibility for concurrent enrollment and may delay concurrent enrollment until the student is deemed college ready. The Principal or Concurrent Enrollment designee may also ~~delay subsequent~~ concurrent enrollment for a period of time if the student is unable to successfully complete postsecondary courses and will determine if additional support is necessary for successful completion of future concurrent enrollment courses. The student is expected to comply with the policies and procedures in the Institution of Higher Education's Student Code of Conduct.

All Concurrent Enrollment applicants will take a college entrance exam as part of the application process. If a student's college entrance exam scores indicate that the student is at risk of being unable to demonstrate postsecondary and workforce readiness prior to or upon high school graduation, the Principal, Counselor, or Concurrent Enrollment designee shall work with the student and parent/guardian to create an intervention plan. If the student is in the twelfth grade, the intervention plan may include enrollment in basic skills (developmental education) courses at an institution of higher education through Concurrent Enrollment.

In considering applications, the Principal or Concurrent Enrollment designee shall give priority

consideration to qualified students who, by the time they concurrently enroll: (1) will have completed high school graduation requirements and are applying for concurrent enrollment to begin earning credits toward a postsecondary degree or certificate; or (2) if required to complete basic skills courses, will enroll in basic skills courses during the remainder of the student's twelfth grade year. C.R.S. 22-35-104(2)(b).

~~The student, parent, and Principal or Concurrent Enrollment designee must sign a Concurrent Enrollment Agreement (CEA) prior to postsecondary course registration each semester.~~ The student must register for all college course options that apply to their post-secondary plan, offered on the high school campus, before taking courses on the 2-year college campus. College courses on the 4-year university campus are permitted once all 2-year college transferable course options have been exhausted. Online college courses will be the exception and only taken if a student is unable to attend a traditional college class due to extenuating circumstances. Remedial (developmental education) courses are permitted for seniors only, as authorized by the Principal or CE designee. Any exceptions must be approved by the Principal or Concurrent Enrollment designee prior to registration.

The student, parent, and Principal or Concurrent Enrollment designee must sign a Concurrent Enrollment Agreement (CEA) prior to postsecondary course registration each semester. All postsecondary course/schedule changes must be communicated in writing immediately and directly to the Concurrent Enrollment designee. All course/schedule changes must be updated on the CEA prior to the semester Drop Date at the Institution of Higher Education.

**Note:** *College courses taught on high school campuses typically begin a few weeks earlier than courses taught on college campuses and therefore have earlier Drop Dates.*

For students in need of accommodative services, the Counselor or Concurrent Enrollment designee will provide information to ~~and will follow up with~~ the parent and student regarding the coordination of an accommodative services intake appointment at the institution of higher education prior to the concurrent enrollment semester in which services are needed. The student and parent will be responsible for follow up and verification of accommodations each semester.

The District shall be responsible for the payment of scholarship textbooks and fees for students qualifying for Free and Reduced Lunch (FRL) through the D49 Meal Assistance Program, or the Family Economic Survey. Scholarship textbook requests must be made at least two weeks prior to the start of the Concurrent Enrollment course.

CHSAA eEligibility requirements as published by the Colorado High School Activities Association (~~CHSAA~~) shall be observed by all high school students. Concurrent enrollment students shall be responsible for reporting in-progress college grades directly to the school athletic director or designee to retain eligibility.

~~A record of postsecondary attendance for concurrent enrollment students is required for students exclusively attending postsecondary classes at the institution of higher education; concurrent enrollment students are required to complete and submit an attendance form, with postsecondary instructor signature, for one postsecondary course each semester.~~

For online postsecondary courses, parents are responsible for online fees, digital texts or access codes, lab kits, and other associated costs. The District shall not be responsible for course supplies, tools, materials, software, uniforms, consumables, or other course related costs.

If the student receives a final grade of "D" or "F," withdraws, or does not successfully complete the postsecondary course after the Institution of Higher Education Drop Date, the student's parent or guardian will be required to pay the school district for the postsecondary course tuition that was paid by the district on the student's behalf.

High school credit will be granted for postsecondary courses based on the course credits, according to the following guidelines:

Course worth 3+ college credits	= 2 semesters of high school credit (1.0 credit)
Course worth 0.5-2 college credits	= 1 semester of high school credit (0.5 credit)

If the Principal or Concurrent Enrollment designee denies credit toward graduation for any of the requested courses, the student will be notified in writing of the reason within 10 working days of receipt of the enrollment notice. The student will have the ability at that time to appeal to the Chief Education Officer or designee.

If the student decides to appeal to the Chief Education Officer or designee, the appeal must be filed in the Chief Education Officer's office within 10 working days after receiving notice of denial of credit.

The Chief Education Officer or designee must notify the student in writing of his/her decision within 30 working days of the filing of the appeal. The decision of the Chief Education Officer regarding approval or denial of high school credit will be final.

Title	ASCENT (Accelerating Students through Concurrent Enrollment)
Designation	IHCDA-R-2
Office/Custodian	Education/Director of <del>Concurrent Enrollment</del> Applied & Advanced Learning

ASCENT is Concurrent Enrollment that extends the opportunity for postsecondary enrollment one year beyond the 12<sup>th</sup> grade year for qualified applicants.

Students who wish to enroll in ASCENT must:

1. be on track to complete high school graduation requirements by the end of the 12<sup>th</sup> grade year;
2. complete 12 college credits of transcribed postsecondary coursework prior to the completion of the 12<sup>th</sup> grade year (this postsecondary coursework does not include International Baccalaureate (IB), Advanced Placement (AP), or College Level Education Program (CLEP) credits);
3. be identified by the Principal or Concurrent Enrollment designee as a qualified ASCENT candidate with a current/updated Academic Plan of Study;
4. be less than 21 years of age;
5. be accepted into a postsecondary degree/certification program;
6. not have previously participated in ASCENT;
7. not have been a retained 5<sup>th</sup> year senior in previous year;
8. satisfy the minimum prerequisites for ASCENT postsecondary courses
9. require no remediation courses for the student's pathway.

ASCENT students will be selected by the Principal or Concurrent Enrollment designee based on the number of allocated ASCENT slots, students' course completion history of postsecondary courses, and other academic and personal readiness factors. The Principal or Concurrent Enrollment designee will confirm ASCENT selections no later than February 1 of the student's 12<sup>th</sup> grade year.

ASCENT postsecondary concurrent enrollment courses requested by the student must align with the student's Academic Plan of Study and degree plan or professional certification course requirements. The Principal or designee must authorize ~~Concurrent enrollment~~ Enrollment course selections, ~~and confirm course alignment with the student's ICAP.~~ The student must meet the same course prerequisites and course expectations as noted in the current postsecondary course catalog and course syllabus. The student is expected to comply with the policies and procedures in the Student Code of Conduct of the Institution of Higher Education.

Full-time ASCENT students must enroll in at least 12 postsecondary credits each semester of the ASCENT year. Part-time ASCENT students must enroll in 3-11 postsecondary credits each semester of the ASCENT year. High school diplomas will be retained until the end of the ASCENT year and will be dated the end of the ASCENT year.

The student, parent, Principal, and Concurrent Enrollment designee must sign an ASCENT Concurrent Enrollment Agreement prior to postsecondary course registration each semester. All course/schedule changes must be updated on the ASCENT Concurrent Enrollment Agreement prior to the Institution of Higher Education Drop Date.

~~A record of postsecondary attendance for ASCENT Concurrent Enrollment is required; ASCENT students are required to complete and submit an attendance form, with postsecondary instructor signature, for one postsecondary course, each semester of the ASCENT year.~~

If the student receives a final grade of “D” or “F,” withdraws, or does not successfully complete the postsecondary course after the Institution of Higher Education Drop Date, the student’s parent or guardian will be required to pay the school district for the postsecondary course tuition that was paid by the district on the student’s behalf.

If the Principal or Concurrent Enrollment designee denies credit toward graduation for any of the requested courses, the student will be notified in writing of the reason within 10 working days of receipt of the enrollment notice. The student will have the ability at that time to appeal to the Chief Education Officer or designee.

If the student decides to appeal to the Chief Education Officer or designee, the appeal must be filed in the Chief Education Officer’s office within 10 working days after receiving notice of denial of credit.

The Chief Education Officer or designee must notify the student in writing of his/her decision within 30 working days of the filing of the appeal. The decision of the Chief Education Officer regarding approval or denial of high school credit will be final.

- IKCA Weighted Grading

Title	Weighted Grading
Designation	IKCA
Office/Custodian	Education/Director of Applied & Advanced Learning <del>Concurrent Enrollment</del>

The Board of Education believes that all high school students should pursue the most challenging and rigorous course of instruction which their individual skills and abilities will allow them to master. At the same time, the Board believes that students who are engaged in the most demanding course work offered in the curriculum should be recognized in a manner which makes them highly competitive with their peers for admission to selective colleges and universities and for scholarships and financial aid.

The term “weighted grading” is used to describe the process of assigning additional strength or numerical value to a grade which a student earns in certain courses designated as “weighted” courses. This additional numerical value will be used to compute a student’s grade point average (GPA) and class rank. Courses selected for weighting are those which are determined to be rigorous, require prerequisites, and are considered college preparation or college level courses.

All Advanced Placement (AP), CU Succeed, International Baccalaureate (IB), and college level Concurrent Enrollment courses will be given credit on a 5.0 weighted grade scale, with the exception of the following college courses:

1. AAA Academic Achievement Skills
2. PED Physical Education
3. OUT Outdoor Studies
4. Developmental Education courses (ex: CCR092/094, ENG092/094, MAT050/055)
5. UCCS GPS1010/1110

Career and Technical Education courses with confirmed articulated college credit will be given credit on a 5.0 weighted grade scale if the following three criteria have been met:

1. Successful completion of the high school Career and Technical Education course with a final course grade of A or B.
2. College credits have been articulated and recorded on an official college report.
3. A copy of the college report has been provided to the high school registrar or equivalent, who will authorize a grade adjustment based on a 5.0 weighted grade scale.

~~3.~~

Designated honors courses will be given credit on a 4.5 weighted grading scale. Any student taking a weighted class who does not earn a passing grade will not be awarded class credit.

When students transfer into the District with credit in courses that meet the stipulations outlined, district staff will adjust those grades to the appropriate weighted grade scale. Students must provide college transcripts to justify the weighted grade.

All courses approved for weighted grades will follow a District approved curriculum and require the course final exam. Honors courses will be weighted once the curriculum has been developed to meet specific standards.

[PPCC Career Start courses will be awarded credit based on a standard 4.0 grade scale.](#)

Mastery demonstrations may also be awarded credits based on a 5.0 weighted grade scale when evidence of postsecondary level competency is verified through the design, implementation, and presentation of rigorous learning projects and college or career-ready demonstrations guided by an instructional mentor.

# Information Technology Update

Jim Tanner ITQAM

# Wireless Access Point (WAP) Upgrade Project

# Identifying the Problem

- D49 experiencing technology challenges which impact our ability to fully leverage technology to educate students and improve the staff experience.
- Core Causes
  - Insufficient strategic infrastructure planning
  - Lax infrastructure management, monitoring, support, and security
  - Wireless Network not designed or configured for high density environments
  - Wireless Network needed to be mapped, tuned, and secured with the correct hardware

# The Solution

## Major Summer 2019 Project

- RF Mapping completed before the end of the last school year: ensured “hot spots” were accurately identified
- Coordinated with the facilities to insure that any low voltage issues are coordinated and scheduled properly
- Coordinated with facilities to schedule times in the appropriate schools to avoid any conflicts with any other projects over the summer break
- Sequencing as follows
  - High Schools resourced with new MR55’s (Meraki Wireless Routers)
  - Middle Schools resourced with a mix of MR55’s and MR52’s “trickled down” from the High Schools.
  - Elementary Schools are in progress as the schedule allows using remaining high density access points

# Vendor Selection for Information Technology

# RFP Schedule

## Schedule for Proposals and Evaluation Process

- RFP Released Aug 15, 2019
- Pre-Proposal Conference (Mandatory) Aug 29, 2019, 1pm
- Deadline for RFP questions Sept 6th, 2019, 3pm
- Deadline for D49 response to questions Sept 13th, 2019, 4pm
- Proposal Submission Deadline Sept 23rd, 2019, 2pm
- Contractor Interviews (Invitation only) Sept 24-27, 2019
- Selection of Sentinel Technologies October 9, 2019
- Contract negotiations begin October 16, 2019

# Current Project Highlights

- Access Control List (ACL) is being implemented at Vista Ridge High School
- Active Directory clean up - in the assessment stage (this will be district wide)
- Redesign of the Radius Servers - this will improve security and remove student access to the staff environment
- Database clean up for the Phone system
- UPS replacement program
- Transition to Securely for our content filtering application

# Future Projects

- Managing Contract Transition
- Technology Master Plan Revision
- Assets Inventory
- Security Improvements
  - Policy Review
  - Employee Training
  - Network Configuration

## BOARD-APPROVED POLICY OF SCHOOL DISTRICT 49

Title	<b>Staff Ethics/Conflict of Interest</b>
Designation	<b>GBEA</b>
Office/Custodian	<b>Business/Director of Human Resources</b>

Title                      Staff Ethics/Conflict of Interest  
Designation           GBEA  
Office/Custodian      Business/Director of Human Resources

District employees are expected to perform the duties of the position to which they are assigned and to observe rules of conduct and ethical principles established by state law and [District](#) policies and regulations.

### Financial Interests

No employee shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with the employee's duties of the position to which the employee is assigned.

An employee shall not sell any books, instructional supplies, musical instruments, equipment, or other supplies belonging to the [District](#) to any student or to the parents/guardian of a student who attends the school served by the employee unless prior approval has been obtained from the Board of Education.

In addition an employee may not audit, verify, receive or be entrusted with moneys received or handled by a closely related person (see Close Relationships).

### Confidential Information

It shall be understood that all confidential information to which an employee is privy as a result of [District](#) employment shall be kept strictly confidential. In addition, employees shall not utilize information solely available to them through school sources to engage in any type of work outside of the [District](#). This includes information concerning [current or potential customers, students or, employees, or other stakeholders, clients or employers.](#)

### Close Relationships

To minimize the perception of conflicts of interest and prevent any actual inappropriate activity, this portion of the policy aims to:

1. Prevent either the appearance or the reality of preferential hiring where a senior [leader member of leadership or of one of the sensitive offices including Safety, Human Resources, Business, and Communications](#) might influence the hiring process in favor of a closely related person.
2. Prevent either the appearance or the reality of preferential treatment within the supervision and evaluation system of the district.
3. Prevent either the appearance or reality of financial oversight by one person over the budgets, expenses, or transactions of the other closely related person.
4. Prevent either the appearance or the reality of any breach of confidential information between two closely related persons, where one might have access to confidential or sensitive information and might inappropriately share that information with the other closely related person.

To minimize conflict of interest concerns, the [District](#) prohibits the following regarding close relationships:

1. No employee may exercise supervisory, evaluative, appointment, dismissal, or disciplinary authority over another employee when they share a close relationship (family member, life partnership such as a common-law marriage or a business partnership).

2. The Chief Officers may not recommend employment of any person who shares a close relationship with a current: Director of the Board of Education, Chief Officer, Director of Human Resources, or any of their administrative assistants.
3. The Chief Officers may not recommend employment or reassignment of any closely related person of a Zone Leader, Executive Director, Director, [Manager](#), [Supervisor](#), Principal, or Assistant Principal (“program leader”) to a position under the supervision and authority of that program leader.
4. No staff member employed in the central offices for Human Resources, Communications, Business, or Safety shall exercise any access to information about or activity by another employee when they share a close relationship.

For purposes of this policy, “close relationship” and “closely related persons” refer to relationships that could cause a conflict of interest and include individuals related by biology, adoption, marriage, domestic partnership or business partnership. Close relationships also refer to sexual or romantic relationships or those sharing a household.

The Chief Officers shall develop regulations to prevent, mitigate, or remedy any prohibited condition during the next contract cycle following the discovery or creation of the conflicted relationship.

The close relationships portion of this policy became effective August 15, 2014 and apply to employment decisions and practices thereafter, not retroactively.

### **Gifts**

Employees shall not accept gifts from students except as such gifts represent tokens. Token gifts from parents or students may be received by staff, but must not be solicited. The [District](#) considers letters from students expressing gratitude and appreciation to be appropriate.

Individual employees shall refrain from giving gifts to staff members who exercise any administrative or supervisory jurisdiction over them either directly or indirectly. The collection of money for group gifts shall be discouraged except in special circumstances such as bereavement, serious illness or mementos at retirement.

Employees are prohibited from accepting gifts of other than minimal value from companies or organizations doing business with the [District](#). An employee shall not accept a gift from any company or organization if the acceptance of the gift would unduly influence the employee in the performance of [District](#) duties. The acceptance of minor items, which are generally distributed by the company or organization through its public relations program, is appropriate for employees to receive. Gifts offered to all employees through the [District](#)’s approved programs are appropriate.

To ensure all students have reasonable assistance without charge from their own teachers and to avoid placing a teacher in a position where he or she may have a conflict of interest, teachers shall not be permitted to receive money from parents or any source other than the [District](#) for tutoring any student they have in class or upon whose evaluation or assignment they will be called on to pass.

### **Conflicts of interest - federally funded transactions**

Separate from state law and the Board's policies concerning district employees' standards of conduct and conflict of interest, federal law imposes restrictions on the conduct of district employees whenever the transaction in question is supported by federal funds subject to the Uniform Grant Guidance (UGG).

Under the UGG, a district employee shall not participate in the selection, award or administration of a contract supported by a federal award if the employee has a conflict of interest as defined by the UGG.

A conflict of interest arises under the UGG when the employee, any member of his or her immediate family, his or her business partner, or an organization which employs or is about to employ any of the aforementioned parties has a substantial financial or other interest in or would obtain a substantial tangible personal benefit from a firm considered for a contract.

In addition, the UGG prohibits district employees from soliciting or accepting gratuities, favors, or anything of monetary value from contractors or parties to subcontracts that are federally funded, unless the gift is an unsolicited item of nominal value.

For purposes of this policy section only, "immediate family" means the employee's spouse, partner in a civil union, children and parents. In determining whether a financial or other interest is "substantial," or whether anything solicited or accepted for private benefit is of "nominal value," district employees shall follow the standards of conduct and corresponding definitions applicable to local government employees under state law.

These minimum federal requirements are not waivable in connection with any transaction or contract to which they apply.

An employee who violates the standards of conduct set forth in this policy's section may be subject to disciplinary action, in accordance with applicable law and Board policy.

[Revised: November 7, 2019](#)

**BOARD OF EDUCATION ITEM 8**  
**BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Brett Ridgway, Chief Business Officer  
 Ron Sprinz, Finance Group Manager

**TITLE OF AGENDA ITEM:** Enrollment Update

**ACTION/INFORMATION/DISCUSSION:** Discussion

**BACKGROUND OR RATIONALE”**

Under current statute, Colorado school districts’ program formula funding is largely based on the ‘October Count’ of full time equivalent students (sFTE). Like many districts, we monitor how enrollment is trending as compared to the adopted budget. sFTE is the largest variable in determining program formula funding and since program formula funding accounts for 94% of our total general fund revenue budget, and since we are continuing to move toward a full student-based funding model, it is very appropriate to monitor sFTE early in the school year to determine what issues may come from fluctuations to the adopted budget in terms of sFTE by school.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

The actual October Count result will be the driving factor in compiling the amended budget, to be approved by the Board of Education prior to January 31, 2020. Estimates of how the October Count will unfold, and how that will affect each school and zone in turn, in terms of financial impacts, will be used in strategic decisioning throughout the course of the fall semester.

**IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Culture</b>	<b>Inner Ring</b> —How we treat each other <b>Outer Ring</b> —How we treat our work	
<b>Strategy</b>	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community <b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation <b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u> <b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive <b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	<i>Presenting such information in an open and transparent manner validates the importance placed on community trust.</i>  <i>Informed decision making and organizational agility are key strategies we continue to pursue.</i>

**BOARD OF EDUCATION ITEM 9**  
**BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Jodi Poulin, Accounting Group Manager

**TITLE OF AGENDA ITEM:** Monthly Financial Update as of 9/30/2019

**ACTION/INFORMATION/DISCUSSION:** Discussion

**BACKGROUND OR RATIONALE**

Report to the Board of Education the performance of actual revenues and expenditures versus budgeted revenues and expenditures in all funds with comparison to prior year. Reference the first attached spreadsheet: the first column is the list of each fund the District has. Percentages over 100% on a revenue line are good in that we received more revenue than was anticipated. If any of the expenditure lines were higher than the percentage of year concluded, that fund could be an area of possible concern depending upon why it was high. The 2018-2019 year-end fund balance columns are required by statute. This is showing you the budgeted and anticipated end-of-year fund balance. These amounts are provided for comparison to the current year amounts.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

This report is to keep the BOE informed of spending. It is required to be provided to the BOE on a quarterly basis by law; however, the Business Office provides monthly reports to align with the Board's goal of financial transparency and fiscal responsibility. It is expected that the monitoring of expenditures will result in spending in line with the Board's goals and direction as budgeted.

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Culture</b>	<b>Inner Ring</b> —How we treat each other <b>Outer Ring</b> —How we treat our work	
<b>Strategy</b>	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community <b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation <b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u> <b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive <b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	<i>Clarity and transparency in financial management strategy and decisions.</i>

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** No specific action necessary beyond recognizing the receipt of these reports and this information.

**APPROVED BY:** Brett Ridgway, Chief Business Officer

**DATE:** October 9, 2019

# Monthly Financial Report

## As of September 30, 2019

(Unaudited)

Brett Ridgway, Chief Business Officer

Jodi L. Poulin, Accounting Group Manager

Date: October 16, 2019

To the Citizens and Board of Education of School District 49:

State law requires that the Board of Education shall review the financial condition of the school district at least quarterly (C.R.S 22-45-102(1)(b)). In an effort to be more transparent, the District provides a financial report to the public monthly. The following is the unaudited Monthly Financial Report for the period ending September 30, 2019.

This financial package includes balance sheets as well as revenues and expenditures with prior year to date, current budget and actual expenditures for all funds within the School District. Expenditure reports for each zone and school, as well as grant information. Other analysis has also been included to help in the understanding of expenditures.

Interim financial statements are unaudited and will occasionally contain immaterial coding or reclassification errors that do not materially affect the results of each fund. These items will be corrected in subsequent reports.

Sincerely,

A handwritten signature in blue ink that reads "Brett Ridgway". The signature is written in a cursive, flowing style.

Brett Ridgway, Chief Financial Officer

## Profile of the District

The District was organized in 1888 and spans approximately 133 square miles of eastern Colorado Springs and an unincorporated area of El Paso County known as Falcon. The District is the third largest district in El Paso County and the 14th largest in Colorado. The District has a population of 80,008 based on the latest survey from the Department of Local Affairs (2014).

The District operates ten elementary schools, three middle schools, three high schools, seven charter schools (five K-8 and two high school), two online programs, one alternative school program, one home school program and three student support facilities. These schools service over 22,500 students. They provide a full range of programs and services authorized by Colorado statute. This includes: pre-kindergarten, elementary, and secondary curriculum at the general, college preparatory and vocational levels. The District also provides the chance for high school students to take college classes and receive college credit during the high school years.

The District has seven charter schools plus the Colorado Digital BOCES (dba Education reINVISIONED). Each charter school has been approved by the Board and authorized by the State of Colorado to provide alternatives for students and parents. These schools have separate governing boards and are funded by the State of Colorado and local property tax funds which pass through the district. The District also provides some support services to the charter schools.

The charter schools are:

- Banning Lewis Ranch Academy and Prep established with D49 in 2006
- GOAL Academy established with D49 in 2014
- Imagine Classical Academy established with D49 in 2010
- Liberty Tree Academy established with D49 in 2018
- Pikes Peak School of Expeditionary Learning established with D49 in 2004
- Rocky Mountain Classical Academy established with D49 in 2015
- Power Technical Early College established with D49 in 2016

The District is governed by a five member Board of Education (the Board). Board members are elected to four year terms by registered voters of the District. The District is divided into five representative areas. Board members must live in the area they represent and are limited to two (2) terms. Biennial school district elections are held in November of odd-numbered years. The Board elects its officers following each election. The Board is a policy making body whose primary functions are to establish policies for the District, provide for the general operation and personnel of the District and oversee the property, facilities and financial affairs of the District. Members of the Board serve without receiving compensation.

The Board employs a Chief Education Officer, a Chief Business Officer and a Chief Operations Officer to run day to day operations of the District. This structure deviates from the traditional Superintendent model. Each chief focuses on their area of expertise to make this District the best place to learn, work and lead.

The District is divided into four zones. Each zone is led by a zone leader and is similar to an assistant superintendent at other school districts. Three zones cover a geographic area and one covers alternative

schools and charter schools. Each of the geographic zones contains three or four elementary schools, one middle, and one high school.

### Falcon Zone

The Falcon Zone covers the eastern part of the district with approximately 116 square miles. Falcon Zone has a strong tradition that dates back to 1900. That tradition carries on today with six highly successful schools. Falcon Zone offers the following programs: Academy of Health Sciences, Academy of Finance, Academy of Information and Technology, Air Force JROTC, FBLA, Distributive Education Clubs of America, Link Crew, National Honor Society, Student-to-Student program and many others. The zone offers more than 20 advanced placement and CU Succeed classes. Its schools have performed well on CMAS and SAT.

While the Falcon Zone greatly honors tradition, we also embrace that our learners today deserve a different learning experience from yesteryear—one that will prepare them to be successful in our ever-changing world.

### Sand Creek Zone

The Sand Creek Zone, located in the southwest corner of the district, covers about 7 square miles. Three of the schools, Evans International Elementary School, Horizon Middle School and Sand Creek High School, encompass the only K-12 International Baccalaureate feeder system in eastern Colorado Springs. As an internationally accredited, rigorous and engaging educational program, the International Baccalaureate is a large part of the zone's identity. All of its schools, including Springs Ranch Elementary School and Remington Elementary School, offer a first class education for students with diverse interests and needs, and each extends sound, research-based educational services to each learner. Academic supports are also provided in each building to be inclusive of all students and their current capabilities.

The Sand Creek Zone focuses on the pursuit of excellence, meeting students where they are and putting them on a personalized path to success. The zone's commitment to technology and the latest classroom innovations allow for the development and mastery of 21st century skills at all levels of a child's education. All Sand Creek Zone staff learn, work and lead with a growth mindset, benefitting students by utilizing the newest structures and strategies daily. As a result, educators value and expect beneficial engagement among all students. They offer gifted and talented services, performing and visual arts, engineering and business pathways, workplace learning opportunities, full-day kindergarten at no cost to families, and a wealth of extra-curricular activities for students at all levels. The Sand Creek Zone is dedicated to its stakeholders, service in the community, growth and innovation and above all, student success.

### Power Zone

The Power zone covers the northwest part of the district and covers about 8 square miles. Odyssey Elementary School, Skyview Middle School, and Vista Ridge High School are designated by District 49 as a "STEM schools." STEM stands for science, technology, engineering, and math. The STEM designation's purpose is to get students engaged in STEM-related careers, but not at the expense of other content areas. The root of a STEM education is inquiry-based learning, which is teaching students how to think critically and problem solve.

Schools are implementing this type of learning through various units, which requires the integration of other content areas. Students begin to see the relationships between various subject areas and use major skills learned in each area in multiple classrooms. Our goal is to help our students become well-rounded thinkers and problem solvers in this digital age.

### iConnect Zone

The fourth zone in the District is the iConnect Zone. This zone does not cover a specific geographical area within the district. Instead, the zone focuses on non-traditional learning including blending learning, home

school and charter schools. Costs associated with helping manage the charter schools is paid for by the charter schools in the form of administration fees charged on a monthly basis based on the charter schools student numbers.

The student capacity at Springs Studio for Academic Excellence, Pikes Peak Early College and the Falcon Home School differ from other schools as not all students are at the facility at the same time. Similar, Patriot High School serves a population of students who are at-risk. Under the State definition of an Alternative Education Center, Patriot High School is limited to enrolling students who meet a risk factor. Because of this limitation, Patriot High School tends to have smaller enrollment numbers.

# Executive Summary

In an effort to be as transparent as possible to our Community, we are providing more details of revenue and expenditures than is required by Colorado law. The following discussion of the revenue and expenditures is offered to give the Board of Education and our Community a better view of the district's financial situation on a monthly basis. The District has no debt, as the last bond payment was in December 2017.

## Notes on the Governmental (General) Fund:

The **Per Pupil Revenue (PPR)** from the state is currently \$8,221.24 for in-school students and \$7,790.67 for online students.

District 49's portion of the **Budget Stabilization Factor or Negative Factor** is \$15,452,253.42 for fiscal year 2019-2020. The negative factor is the amount that our school funding is reduced in order to balance the budget at the state level. The district has no input for this reduction in funding.

The student full time equivalent (FTE) number that is used is based on actuals at the October count.

As of September 30, 2019 General Funds (plural) net revenue is \$28,305,081 and expenditures total \$34,318,482. The majority of revenue (93%) related to property taxes each year is collected from March to June and are expected to be within budget.

## Notes on Other Funds:

MLO **2016 3B projects** are wrapping up and majority of activity is held in fund 49, with the expenses for the refresh and refurbish (priority 2), the high school additions and remodels (priority 3), and the two new elementary schools (priority 4).

The **Capital Reserve Fund** has a purpose to support expenses related to aging buildings such as water heaters that may break down and need replacement. This fund also houses capital leases on three (3) buildings as well as capital leases on school buses and apple computers for the District.

The **Transportation Fund** is currently being supplemented by the general fund as planned.

For the current fiscal year, the Accounting Team has produced over 2,033 checks totaling over \$9,752,176 and 854 electronic payments to vendors for over \$5,703,031. The Payroll Team successfully paid 2,151 employees for the month of September 2019 with a district gross total of \$6,861,130.

## Conclusion

In total, the district is in good financial condition. We continuously monitor the state budget to determine impacts to our budget in future planning cycles.

### Fund 10-18 - General Funds (plural)

For the period ending September 30, 2019, total net revenue is \$28,305,081 or 23.13% of total budget. The majority of revenue (93%) related to property taxes each year is collected from March to June and are expected to be within budget at fiscal year-end.

Total expenditures are \$34,318,481 or 26.92% of total budget and are in line with expectations.

Revenue transfers from the General Fund 10 to General Fund 15 is done monthly and on a straight line basis for Capital Projects. These funds are mainly used to covered unexpected building repairs, bus leases, computer leases, and three capital leases on buildings. All are expected to be within budget at the end of the fiscal year.

Revenue transfers from the General Fund 10 to General Fund 18 is done monthly and on a straight line basis for Risk Management. These funds are mainly used to covered Property and Liability Insurances for the district.

Fund 17 holds activity for future Stetson Kitchen remodeling and a future Central Office building.

Funds 14 and 16 holds activity for Mill Levy Override projects related to 3A and 3B Priority 1.

### Fund 39, 43 & 49 - COP Repayment Fund & Cash in Lieu of Land

For the period ending September 30, 2019, total revenue to date is \$612,870. The majority of revenue related to property taxes are collected from March to June and are expected to be within budget. Fund 43 revenue is generated from cell towers on District land and fees in lieu of land dedication. Mill Levy override monies are received via monthly El Paso County Treasurer's monthly payments. Certificates of Participation (COP's) were used to fund these projects and repayments to Zion's National Bank are paid on a semi-annual basis in December and June each year. This activity resides in Fund 39.

Expenditures are \$1,427,898 or 108.69% of total budget. Expenditures for district spending must be endorsed by the MLO committee and should be approved prior to spending of any funds. Charter schools are reimbursed after the funds are expensed. Readers of the financials are asked to look at spending in total, instead of by category. The timing of expenditures depends on schools identifying projects that meet specific criteria and are reviewed by the MLO committee.

The 3A MLO was approved in 2014 and is to be spent on: (funding revised Nov 2018 with 4C)

1. attracting and retaining highly effective teachers,
2. offering classes for students to receive college credits,
3. securing the ground, traffic flow, main entries, and classrooms at the district and
4. provide students with technology

The 3B MLO was voted on in 2016 and is to be used for four (4) specific categories.

1. teacher compensation
2. refresh and refurbish schools
3. additions and remodels at the three high schools
4. Two new elementary schools

### Fund 22 and 26 - Federal, State & Local Grant Funds

For the period ending September 30, 2019, total revenue is \$1,268,591 or 9.76% of total budget. Total Expenditure are \$1,248,506 or 8.69%. Expenditures equal revenue as revenue cannot be greater than expenses for grant funds. The exception is for the Laptop buy back sales as that is local money.

All expenditures are in line within the guidelines of each grant.

### Fund 23 & 74 - Student Activity Fiduciary Funds

Fund 23 Activity Fees - For the period ending September 30, 2019, total revenue is \$818,961. Fees are based on participation in extracurricular activities and may fluctuate from year to year or even semester to semester. Expenditures year to date total \$309,871 or 37.83% of total budget. For those that qualify for free or reduced food services, the BOE supports those students with transfers on their behalf to cover Transportation services as well as Board Approved Activity fees.

Fund 74 Fundraising - For the period ending September 30, 2019, total revenue is \$1,463,498. Expenditures year to date total \$384,114 or 26.60% of total budget.

Funds 23 and 74 are similar in nature with a few differences in the type of money received. Fund 23 revenue comes in the form of fees charges for participation of activities and are Board Approved and gate income. Fund 74 revenue come from school sponsored pupil organization fundraising. For each fund the revenue raised for a specific program can only be spent on that program.

### Fund 19 - Colorado Preschool Fund

For the period ending September 30, 2019, total revenue is \$128,494 or 25.29% of total budget. All revenue comes in the form of revenue transfers from the General Fund done on a monthly basis.

Expenses total \$105,445 or 20.76% of total budget. Expenses are expected to be in line with budget at year end.

### Fund 27 - Before & After School Care (BASE49) Fund

For the period ending September 30, 2019 total revenue is \$374,202 or 34.02% of budget and expenses year to date are \$280,028 or 25.46% of budget to date.

All elementary locations within District 49 offer “Before and After School Expeditions” and three offer summer services as well. BASE49 reimburses each school for facility costs, which in turn supports schools with additional funds at the school level.

### Fund 21 – Food Services Fund

For the period ending September 30, 2019, total revenue is \$1,051,596 or 27.60% of total budget. The majority of revenue comes from student purchases and reimbursement from the School Lunch Program.

Total expenditures are \$936,697 or 24.59% of total budget. Overall expenses are lower than original budget, but will fall in line with at year end.

The Food Services fund has been a self-sufficient fund, meaning it requires no support from the general fund. For several years this fund has helped support the general fund but was not be able to do so in FY18-19 due to unexpected equipment repairs at year end. The indirect cost has helped offset services shared by both departments of the district, such as the Business Office which processes all payments to vendors.

#### Fund 25 - Fee for Service Transportation Fund

For the period ending September 30, 2019, total revenue is \$140,717 or 10.89% of total budget. The transportation fund is not a self-sufficient fund, meaning it requires revenue from the general fund in order to break even on a yearly basis. For those that qualify for free or reduced food services, the BOE also supports those students with transfers done on their behalf to cover Transportation services as well as Board Approved Activity fees.

Expenses total \$331,106 or 25.72% of budget. Expenses will fall in line with the Supplemental budget at year end.

#### Fund 64 – District Funded Health Insurance

For the period ending September 30, 2019, total revenue is \$(127,186). Expenses to date are \$630,533.

Fund 64 revenue is a combination of employees that sign up for health care benefits and the district's portion of said insurance premiums. Expenses are in the form of health care claims paid by the District. The District operates a self-funded plan through Anthem Blue Cross/Blue Shield.

#### Fund 73 - Dane Balcon Scholarship Fund

This fund serves as a place holder as the District is the Fiscal Agent for this scholarship fund. For the period ending September 30, 2019, total revenue from interest income is \$15. For the current fiscal year, expenditures are \$1,000.

# School Spending General Fund

## Falcon Zone as of September 30, 2019

Overall Falcon Zone total expenses are \$6,369,949 or 24.38% of their anticipated budget.

Total Falcon zone level general fund expenditures are \$73,638 through September 30, 2019.

### *Bennett Ranch Elementary School*

Total Membership count per PS is 338. Free and/or reduced is 29% of total membership. General fund expenditures were \$555,352 or 22.80% of their total budget. Personnel expenditures average 94.19%, which includes salary and benefits.

### *Falcon Elementary School of Technology*

Total Membership count per PS is 286. Free and/or reduced is 42% of total membership. General fund expenditures were \$554,194 or 24.32% of their total budget. Personnel expenditures average 93.32%, which includes salary and benefits.

### *Meridian Ranch Elementary School*

Total Membership count per PS is 652. Free and/or reduced is 17% of total membership. General fund expenditures were \$944,216 or 24.41% of their total budget. Personnel expenditures average 94.75%, which includes salary and benefits.

### *Woodmen Hills Elementary School*

Total Membership count per PS is 588. Free and/or reduced is 21% of total membership. General fund expenditures were \$1,015,074 or 24.66% of their total budget. Personnel expenditures average 94.67%, which includes salary and benefits.

### *Falcon Middle School*

Total Membership count per PS is 1,020. Free and/or reduced is 27% of total membership. General fund expenditures were \$1,493,246 or 24.11% of their total budget. Personnel expenditures average 92.29%, which includes salary and benefits.

### *Falcon High School*

Total Membership count per PS is 1,233. Free and/or reduced is 21% of total membership. General fund expenditures were \$1,734,228 or 23.93% of their total budget. Personnel expenditures average 86.84%, which includes salary and benefits.

## Sand Creek Zone as of September 30, 2019

Sand Creek Zone total expenses are \$6,093,077 or 23.83% of their anticipated budget.

Total Sand Creek zone level general fund expenditures are \$207,490 or 16.13% of the total budget.

### *Evans International Elementary School*

Total Membership count per PS is 624. Free and/or reduced is 60% of total membership. General fund expenditures were \$924,246 or 24.47% of their total budget. Personnel expenditures average 89.62% which includes salary and benefits.

### *Remington Elementary School*

Total Membership count per PS is 621. Free and/or reduced is 44% of total membership. General fund expenditures were \$954,390 or 23.72% of their total budget. Personnel expenditures average 93.68%, which includes salary and benefits.

### *Springs Ranch Elementary School*

Total Membership count per PS is 556. Free and/or reduced is 25% of total membership. General fund expenditures were \$911,154 or 25.16% of their total budget. Personnel expenditures average 90.94%, which includes salary and benefits.

### *Horizon Middle School*

Total Membership count per PS is 782. Free and/or reduced is 47% of total membership. General fund expenditures were \$1,268,364 or 24.71% of their total budget. Personnel expenditures average 89.89% which includes salary and benefits.

### *Sand Creek High School*

Total Membership count per PS is 1,122. Free and/or reduced is 38% of total membership. General fund expenditures were \$1,827,432 or 23.65% of their total budget. Personnel expenditures average 89.54%, which includes salary and benefits.

## Power Zone as of September 30, 2019

Overall Power Zone total expenses are \$7,400,938 or 25.22% of anticipated budget.

The Power zone level general fund expenditures are \$185,605 or 21.77% of their total budget.

### *Ridgeview Elementary School*

Total Membership count per PS is 654. Free and/or reduced is 20% of total membership. General fund expenditures were \$975,404 or 24.83% of their total budget. Personnel expenditures average 95.10% which includes salary and benefits.

### *Stetson Elementary School*

Total Membership count per PS is 500. Free and/or reduced is 37% of total membership. General fund expenditures were \$882,286% of their total budget. Personnel expenditures average 93.87%, which includes salary and benefits.

### *Odyssey Elementary School*

Total Membership count per PS is 454. Free and/or reduced is 42% of total membership. General fund expenditures were \$702,765 or 24.26 % of their total budget. Personnel expenditures average 90.67% which includes salary and benefits.

### *ALLIES*

Total Membership count per PS is 124. Free and/or reduced is 27% of total membership. General fund expenditures were \$354,164 or 28.34% of their total budget. Personnel expenditures average 93.17% which includes salary and benefits.

### *Inspiration View Elementary School*

Total Membership count per PS is 360. Free and/or reduced is 27% of total membership. General fund expenditures were \$545,131 or 25.91% of their total budget. Personnel expenditures average 95.92% which includes salary and benefits.

### *Skyview Middle School*

Total Membership count per PS is 1,069. Free and/or reduced is 32% of total membership. General fund expenditures were \$1,603,434 or 25.70% of their total budget. Personnel expenditures average 92.85% which includes salary and benefits.

### *Vista Ridge High School*

Total Membership count per PS is 1,604. Free and/or reduced is 25% of total membership. General fund expenditures were \$2,152,157 or 25.07% of their total budget. Personnel expenditures average 90.89%, which includes salary and benefits.

## iConnect Zone as of September 30, 2019

iConnect Zone total expenses are \$1,584,281 or 23.15% of their anticipated budget.

This zone does not cover any specific geographical area within the district. Instead, it focuses on non-traditional learning including blended learning, home school and charter schools. Costs associated with helping manage the charter schools are paid for by the charter schools in the form of administration fees charged on a monthly basis based on the charter schools student numbers. iConnect zone level expenses are \$307,393 or 24.59% of their total budget.

### *Patriot High School*

Total Membership count per PS is 99. General fund expenditures were \$387,708 or 23.46% of their total budget. Personnel expenditures average 75.50% which includes salary and benefits.

### *Pikes Peak Early College*

Total Membership count per PS is 183. General fund expenditures were \$179,337 or 18.07% of their total budget. Personnel expenditures average 67.92%, which includes salary and benefits.

### *Spirings Studio for Academic Excellence*

Total Membership count per PS is 396. Free and/or reduced is 11% of total membership. General fund expenditures were \$578,205 or 24.13% of their total budget. Personnel expenditures average 67.76%, which includes salary and benefits.

### *Falcon Home School Program*

Total Membership count per PS is 219. General fund expenditures were \$131,638 or 23.87% of their total budget. Personnel expenditures average 94.03%, which includes salary and benefits.

## **Internal Vendor Group**

District 49's Internal Vendor Group includes Transportation, Facilities, Food Services and Information Technology and Security. Expenses within the General Fund to date are \$3,114,319 or 30.33% of their total budget.

## **Internal Service Group**

District 49's Internal Service Group includes the Business Office, Board of Education, Education Office, and Communications. These all support the schools in the education of students. Expenses within the General Fund are \$4,993,560 or 29.22% of their total budget.

Colorado School District 49

# FY 19/20 DISTRICT GRANTS AS OF 9/30/19

Prepared By: Fran Christensen  
Accounting & Grants Fiscal Compliance Manager

# Summary

**CURRENTLY, THE DISTRICT HAS FIFTY-THREE  
ACTIVE GRANTS, TOTTALLING \$10,170,761**

**13 - FEDERAL GRANTS  
TOTTALLING \$6,494,534**

**15 - STATE GRANTS  
TOTTALLING \$3,460,045**

**25 - LOCAL GRANTS  
TOTTALLING \$216,182**

# Federal Grants

■ Award Amount  
■ YTD Spend  
■ % of Award Used

THIRTEEN FEDERAL GRANT AWARDS OF \$6,494,534  
AS OF 9/30/2019

The Best Choice to Learn, Work and Lead

# State Grants

FIFTEEN STATE GRANT AWARDS OF \$3,460,045  
AS OF 9/30/19

# Local Grants

■ Award Amount  
■ Amount of Award Used

TWENTY-FIVE LOCAL GRANT AWARDS OF \$216,182  
AS OF 9/30/19

The Best Choice to Learn, Work and Lead

# Additionally .....

Three new Charter School Startup Grant applications are being processed for review by CDE. They are for Spacious Skies, Mountain View and AIST.

The Best Choice to Learn, Work and Lead

**BOARD OF EDUCATION ITEM 10**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Amber Whetstine, Executive Director of Learning Services

**TITLE OF AGENDA ITEM:** Unified Improvement Planning Update

**ACTION/INFORMATION/DISCUSSION:** Discussion

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:**

The Unified Improvement Plan (UIP) is a required process for schools and districts to address the areas of academic achievement, academic growth and post-secondary readiness as indicated in the District and School Performance Frameworks. All districts and schools must create and submit UIPs to the Colorado Department of Education (CDE) by April 15<sup>th</sup> annually.

**RATIONALE:**

Boards of Education must approve district and school-level UIPs each year as part of the accreditation process. Our cultural and strategic priorities and initiatives guide the improvement work of the schools in each zone. UIPs include major improvement strategies and action steps aligned with identified areas of improvement. The UIP process fulfills state-level compliance requirements related to the READ Act, Gifted and Talented programming and Title program allocation reporting.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

Each year, Boards of Education are required to review and approve the district and each school's UIP prior to CDE's public posting.

**INNOVATION AND INTELLIGENT RISK:**

Developing a UIP for District 49 and each school is required for the Colorado school accreditation process. The District Accountability Advisory Committee provides input into the development and recommends approval of the District UIP to the Board, and each School Accountability Advisory Committee reviews and recommends each school's plan to the Board.

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

Culture	<b>Inner Ring</b> —How we treat each other	UIPs include strategies for supporting a culture of care with students and families.
	<b>Outer Ring</b> —How we treat our work	UIPs include purposeful and innovative actions to improve student achievement.
Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	The UIP process provides a template to prioritize resources aligned with improvement efforts.
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	The DAAC and SAACs serve to provide community input into improvement process planning.
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	Leaders have autonomy to develop improvement strategies aligned with district strategic priorities and zone / school needs.
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	UIPs include strategies to build firm foundations in literacy and math.
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	UIPs include strategies to meet individual student needs and develop individualized pathways to support student success beyond high school.

**BUDGET IMPACT:** N/A

**AMOUNT BUDGETED:** N/A

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** N/A

Additional information regarding school Unified Improvement Plans is provided to the Board through zone updates throughout the year. The district and school plans will be presented for final review at the March work session and for final approval at the April regular Board of Education meeting.

**APPROVED BY:** Peter Hilts, Chief Education Officer

**DATE:** October 11, 2019

---

# School Improvement Action Planning Update

Board of Education Work Session  
October 23, 2019

Presented by:

Amber Whetstine,

Executive Director of Learning Services

# Purpose of Unified Improvement Planning

- State Accountability and ESSA
- READ Act
- Title Programs (Title I, II, III and IV)
- Inclusion of other legislative requirements (i.e. participation, course-taking, gifted education)
- Supplements other strategic planning processes and tools

# Reading Performance Targets 18-19

- Increase percentile rank at elementary and middle school levels by 5 points
- Increase median growth percentile at the elementary and middle school levels to 55
- Increase the percentage of students scoring at benchmark on Acadience reading assessment from beginning of the year to end of year from 68% at the beginning of the year (2018) to 85% by end of the year (May 2019)

# Math Performance Targets 18-19

- Increase percentile rank at elementary and middle school levels by 5 points
- Increase median growth percentile in at the elementary and middle school levels to 55

# PSWR Performance Targets 18-19

- Increase college readiness scores on SAT for Comprehensive High Schools to meet and exceed state expectations for accountability (Increase mean scale score for comprehensive high schools to at least 509.2 in EBRW and to at least 491.7 in math)

# Acadience Results

Increase of 12 percentage points overall on Acadience reading assessment

68% at benchmark BOY SY19

80% at benchmark EOY SY19

67% at benchmark BOY SY20

# Percentile Rank Results

## ELA

## Math

The Best Choice to Learn, Work and Lead

# Growth Results

The Best Choice to Learn, Work and Lead

# College Readiness Results

## PSAT

## SAT

# Major Improvement Strategy

## Firm Foundations

- Continue to focus on building **firm foundations** by increasing literacy proficiency with a goal of ensuring all students are reach benchmark in reading by the end of 3rd grade.
- Continue to focus on increasing proficiency in mathematics to ensure students have **firm foundations** in mathematics skills to access more rigorous content in middle school and high school.

# Major Improvement Strategy Every Student

- Ensure **every student** is career or college ready by implementing applied and advanced learning pathways.
- Effectively plan for and deliver core instruction and provide necessary supports and intervention to address achievement and growth gaps to meet the individual needs of **every student**.

# Major Improvement Strategy

## High Quality Teachers and Leaders

- Raise student achievement by improving teacher, para-professional and principal quality as a result of increasing the effectiveness of educators through **recruitment** and **retention** actions and high-quality, job-embedded, **professional development**.

## Next Steps

- Zone Performance Reports
- School and District Accountability Advisory Committees
- Board Approval and Submission to CDE

## Discussion / Questions

# Colorado's Unified Improvement Plan for Districts

**DISTRICT 49 UIP 2019-20** | **District:** DISTRICT 49 | **Org ID:** 1110 | **Framework:** Accredited with Improvement Plan: Low Participation | **Draft UIP**

## Table of Contents

Executive Summary

Improvement Plan Information

Narrative on Data Analysis and Root Cause Identification

Action Plans

## Executive Summary

### If we...

#### FIRM FOUNDATIONS

##### Description:

Commit to an intentional focus on building firm foundations through Primary Literacy Proficiency in grades K-3 with a goal of ensuring all students are proficient in reading by the end of 3rd grade. Continue a focus on building Mathematics Proficiency K-12 to ensure students have a firm foundational skills at each level elementary through high school.

#### EVERY STUDENT

##### Description:

Ensure all students are career or college ready by implementing individualized pathways for students. Effectively plan for and deliver instruction and provide interventions to address achievement and growth gaps to meet the individual needs of every student.

## HIGHLY-QUALITY TEACHERS AND LEADERS

### Description:

Raise student achievement by improving teacher and principal quality as a result of increasing the effectiveness of teachers and principals through research-based recruitment and retention actions and high-quality, job-embedded, professional development.

## Then we will address...

### EVERY STUDENT

### Description:

Leaders and teachers need the knowledge, training, resources and assessments to effectively plan for, and deliver instruction and provide intervention to address achievement and growth gaps to meet the individual needs of every student.

### FIRM FOUNDATIONS

### Description:

Teachers and leaders need on-going professional development to enhance instructional delivery to meet the needs of every student.

## Then we will change current trends for students

### MATH GROWTH

### Description:

The district is currently not making adequate growth with students in math.

### EARLY LITERACY PROFICIENCY

### Description:

Although we are making progress in primary literacy achievement, at end of year 2019, 20% of K-3 students district-wide were scoring below benchmark on the Acadience Assessment. This is slightly higher than the previous end-of-year result of 19% below benchmark. At the third grade level, 80% of students were on benchmark at end-of year (20% below benchmark).

## COLLEGE READINESS

### Description:

Comprehensive High Schools are underperforming on college readiness exams. D49 schools rank below state averages for SAT achievement and growth.

Access the District Performance Framework here: <http://www.cde.state.co.us/schoolview/performance>

## Narrative on Data Analysis and Root Cause Identification

### Description of District Setting and Process for Data Analysis

#### District Overview

District 49 is located in the North Eastern region of El Paso County encompassing portions of Colorado Springs, Falcon and Peyton Colorado. District schools include 22 district operated schools and 7 authorized charter schools, which combined serve approximately 24,000 students. District 49 is proud to offer a portfolio of schools and programs which include the International Baccalaureate Program, STEM, Core Knowledge and virtual, blended, alternative education and early college options. District 49 continues to work toward leading the way in offering innovative educational programs to meet the needs of every student. District 49 adopted GOAL Academy a large state-wide charter school serving a predominantly high-risk population of students, in July 2013. Our achievement and growth scores were impacted at the high school level with the addition of approximately 4,000 GOAL Academy students. However, our accreditation rating as indicated by our District Performance Framework continues to remain stable or improving. Our strategic plan includes a vision for our District to be the "Best Choice," while our mission to Learn, Work and Lead is carried out

through five strategic priorities:

1) Ensure District 49 is a trustworthy recipient of taxpayer investment 2) Research, design and implement programs for intentional community participation 3) Grow a robust portfolio of distinct and exceptional schools 4) Build a firm foundation of academic knowledge and skills that ensure a successful progression through school and beyond 5) Customize our educational systems to launch each student toward success. Our cultural priorities include 1) creating systems that promote a Community of Care 2) Systematically Equipping and Encouraging our staff

In fall 2015, District leaders submitted a PEAK award application to Rocky Mountain Performance Excellence (RMPEX) and received a "Foothills Award" for district processes which support our vision and mission, "Best Choice to Learn, Work and Lead." RMPEX also provided a feedback report which will drive further planning and improvement efforts in our quest toward excellence. D49 submitted its second annual application in September 2016 which resulted in recognition as a "Timberline Award" recipient. Our third annual self-study was submitted to RMPEX in August 2017 and a site visit was conducted in November 2017 resulting in D49's recognition as "Peak" award winner, the prestigious award within the RMPEX organization.

### **Process and Stakeholder Involvement**

The district improvement planning process consists of gathering input from members representing various schools, departments and stakeholders. Student achievement data including the District Performance Frameworks and school-level performance data are shared with the District Accountability Advisory Committee (DAAC) and a sub-committee of the DAAC meets regularly to review the UIP and discuss improvement strategies. Other stakeholders who provide input into the development of the UIP strategies and actions include: The Chief Education Officer, Executive Director of Learning Services, Executive Director of Individualized Education, Zone Superintendents, Coordinator of Academic Performance, Coordinator of Professional Learning, Coordinator of Literacy Performance, Data Analysts, Director of Special Education, Coordinator of English Language Development, and Coordinator of Gifted and Talented Education, Director of Applied and Advanced Learning and Coordinator of Title Programs. These leaders represent the Education Office, and all district schools and charter schools. Upon completion of the District UIP, the Executive Director of Learning Services presents the UIP to the Board of Education prior to final submission to the Colorado Department of Education and public stakeholders.

---

## **Prior Year Targets**

**Provide a summary of your progress in implementing the Major Improvement Strategies and if they had the intended effect on systems, adult actions, and student outcomes (e.g. targets).**

## Academic Achievement

Math Target: Increase percentile rank in math at the elementary and middle school levels by 5 points annually.

Partially Met: Increase from the 56th percentile to 58th at the elementary level and from the 58th to 60th at middle school.

Reading Target #1: Increase percentile rank in ELA at the elementary and middle school levels by 5 points annually.

Partially Met: Increase from the 62nd percentile to 66th at the elementary level and from the 62nd to 71st at middle school.

Reading Target #2: Increase the percentage of students scoring at benchmark on (DIBELS Next) from beginning of the year to end of year. Increase the percentage of students scoring at benchmark by 17 percentage points from 68% at the beginning of the year to 85% by end of the year (May 2019).

Partially Met: Overall students increased from 68% at the beginning of the year to 80% at end of year. (Kindergarten 52% to 90%, 1st grade 69% to 77%, 2nd grade 78% to 79%, 3rd grade 76% to 80%)

## Academic Growth

Math Target: Increase Median Growth Percentile in math at the elementary and middle school levels to 55.

Not Met: Increase from a MGP of 48 to 49 at the elementary level and from 50 to 51 at middle school.

Reading Target: Increase Median Growth Percentile in reading at the elementary and middle school levels to 55.

Partially Met: Increase from a MGP of 48 to 51 at the elementary level and from 50 to 56 at middle school.

## Post Secondary Workforce Readiness

SAT Target: Increase college readiness scores on SAT for Comprehensive High Schools to meet and exceed state expectations for accountability. Increase mean scale score for comprehensive high schools to at least 509.2 in EBRW and to at least 491.7 in math.

Not Met: Targets were not obtained in EBRW or math for any comprehensive high schools ( EBRW: FHS 506.9, SCHS 485.7, VRHS 504.3) (Math: FHS 463.2, SCHS 464.5, VRHS 481.1)

**Based on your reflection and evaluation, provide a summary of the adjustments that you will make for this year's plan.**

## Trend Analysis

**Trend Direction:** Increasing then stable

**Notable Trend:** Yes

**Performance Indicator Target:** Academic Achievement (Status)

At the elementary level, we continue to increase achievement overtime to assure all students have foundational knowledge and skills in literacy. Our percentile rank in English Language Arts increased since 2015 from 58 to 62, in 2017 and maintained the 62nd percentile rank in 2018 with an increase to the 66th percentile in 2019.

**Trend Direction:** Decreasing then increasing

**Notable Trend:** Yes

**Performance Indicator Target:** Academic Achievement (Status)

Over the past five years, our percentile rank in elementary math decreased from 62 in 2015 to 56 in 2017 and remained at the 56th percentile rank in 2018. We saw an increase from the 56th to 58th percentile in 2019.

**Trend Direction:** Decreasing then increasing

**Notable Trend:** Yes

**Performance Indicator Target:** Academic Achievement (Status)

Middle school achievement improved in English Language Arts with a percentile rank increase observed from 56 in 2015 to 67 in 2017. A notable decrease was observed in 2018 with a percentile rank of 62 recovering with a significant increase to the 71st percentile in 2019.

**Trend Direction:** Increasing

**Notable Trend:** Yes

**Performance Indicator Target:** Academic Achievement (Status)

Middle school math achievement indicates steady gains with a percentile rank of 56 in 2015 to 61 in 2016, a decrease in 2017 back to 56 and then back up to 58 in 2018 and a steady increase to a MGP of 60 in 2019.

**Trend Direction:** Stable then increasing

**Notable Trend:** Yes

**Performance Indicator Target:** Academic Growth

Academic growth in ELA at the elementary level is stable, slightly below state expectations at a 48 median growth percentile in 2017-2018 with an increase to a MGP of 51 in 2019.

**Trend Direction:** Increasing

**Notable Trend:** Yes

**Performance Indicator Target:** Academic Growth

The median growth percentiles in math increased from 42 in 2017 to 48 in 2018 to 49 in 2019. This may be attributed to a renewed focus on math foundations.

**Trend Direction:** Stable

**Notable Trend:** Yes

**Performance Indicator Target:** Academic Growth

The MGP has remained relatively stable in middle school math from 51 in 2017 to 50 in 2018 to 51 in 2019.

## Priority Performance Challenges and Root Causes

### Priority Performance Challenge: Math Growth

The district is currently not making adequate growth with students in math.

#### Root Cause: Every Student

Leaders and teachers need the knowledge, training, resources and assessments to effectively plan for, and deliver instruction and provide intervention to address achievement and growth gaps to meet the individual needs of every student.

#### Root Cause: Firm Foundations

Teachers and leaders need on-going professional development to enhance instructional delivery to meet the needs of every student.

### Priority Performance Challenge: Early Literacy Proficiency

Although we are making progress in primary literacy achievement, at end of year 2019, 20% of K-3 students district-wide were scoring below benchmark on the Acadience Assessment. This is slightly higher than the previous end-of-year result of 19% below benchmark. At the third grade level, 80% of students were on benchmark at end-of year (20% below benchmark).

#### Root Cause: Every Student

Leaders and teachers need the knowledge, training, resources and assessments to effectively plan for, and deliver instruction and provide intervention to address achievement and growth gaps to meet the individual needs of every student.

#### Root Cause: Firm Foundations

Teachers and leaders need on-going professional development to enhance instructional delivery to meet the needs of every student.

### Priority Performance Challenge: College Readiness

Comprehensive High Schools are underperforming on college readiness exams. D49 schools rank below state averages for SAT achievement and growth.

**Root Cause: Every Student**

Leaders and teachers need the knowledge, training, resources and assessments to effectively plan for, and deliver instruction and provide intervention to address achievement and growth gaps to meet the individual needs of every student.

**Root Cause: Firm Foundations**

Teachers and leaders need on-going professional development to enhance instructional delivery to meet the needs of every student.

**Magnitude of Performance Challenges and Rationale for Selection:**

**Math Growth**

Identifying "pathways" to mathematical success supports building firm foundations in numeracy and problem solving leading to higher levels of mathematical rigor.

**Early Literacy Proficiency**

Ensuring students have the foundational literacy skills mastered in early grades supports their academic success in all content areas as they progress through the grade-levels. Research indicates that students who do not read by third grade have significantly more difficulties throughout their school career and life.

**College Readiness**

High School scores on college readiness exams have historically been below the state average. The PSAT and SAT are indicators of student readiness for college. In support of our strategic priority to Launch Every Student Toward Success, it is essential that our students perform well on college readiness exams.

**Magnitude of Root Causes and Rationale for Selection:**

**Root Cause Identification and Verification:** After careful analysis of a variety of data sources (DPF, SPF, CMAS, SAT, PSAT, Graduation Rates, College Remediation and Drop-out Rates, and local data sources (Acadience Reading and Math) we identified and verified the following root causes:

- 1) Leaders and teachers continue to need training, resources and assessments to effectively differentiate instruction and provide intervention to address achievement and growth gaps.
- 2) Continued professional development needs to be delivered, reviewed and implemented by instructional leaders on a consistent basis.

During the 19-20 school-year, these root causes were examined and verified by the District Performance Framework, with input from the principals, Zone Superintendents and reviewed by the District Accountability Advisory Committee (DAAC), UIP sub-committee and Board of Education.

# Action Plans

## Planning Form

### Firm Foundations

**What will success look like:** Commit to an intentional focus on building firm foundations through Primary Literacy Proficiency in grades K-3 with a goal of ensuring all students are proficient in reading by the end of 3rd grade. Continue a focus on building Mathematics Proficiency K-12 to ensure students have a firm foundational skills at each level elementary through high school.

### Associated Root Causes:

#### Every Student:

Leaders and teachers need the knowledge, training, resources and assessments to effectively plan for, and deliver instruction and provide intervention to address achievement and growth gaps to meet the individual needs of every student.

#### Firm Foundations:

Teachers and leaders need on-going professional development to enhance instructional delivery to meet the needs of every student.

Purchase Imagine Learning math supplemental support for regular use in classrooms and during tutoring for CLDE students.

10/01/2019  
05/22/2020

Title III

Coordinator of  
Culturally and  
Linguistically  
Diverse Education

Association for Career and Technical Education Conference	Send three educators to the Winter ACTE Vision 2020 Conference in Anaheim California to enhance the district's CTE program offerings.	12/02/2019 12/05/2019	Title IV	Director of Applied and Advanced Learning
---	---	--------------------------	----------	---

## Highly-Quality Teachers and Leaders

**What will success look like:** Raise student achievement by improving teacher and principal quality as a result of increasing the effectiveness of teachers and principals through research-based recruitment and retention actions and high-quality, job-embedded, professional development.

### Associated Root Causes:

#### Firm Foundations:

Teachers and leaders need on-going professional development to enhance instructional delivery to meet the needs of every student.

### Implementation Benchmarks Associated with MIS

IB Name	Description	Start/End/ Repeats	Key Personnel	Status
---------	-------------	-----------------------	---------------	--------

### Action Steps Associated with MIS

Name	Description	Start/End Date	Resource	Key Personnel	Status
 Technology Conferences	Send education technology teachers, leaders and coaches to state and national conferences to support district-wide implementation of education technology tools and strategies.	07/01/2019 06/30/2020	Title IV	Education Technology Specialists	
 Arts Integration	Provide training for all teachers at Inspiration View Elementary School on Arts Integration Strategies through the Kennedy Teaching Center. Artists will provide intensive training for all teachers on arts integration strategies across the curriculum.	07/22/2019 02/28/2020	Title II	Power Zone Leader	

#### Guest Teachers

Provide guest teachers for educators to attend professional learning opportunities. Schedule quarterly guest teacher trainings to ensure guest teachers are equipped with school safety procedures and classroom management strategies.

08/01/2019  
05/30/2020

Title II

Coordinator of  
Professional  
Learning

#### Power Zone Math Coach

Hire a math coach to work with all elementary teachers of math in the Power Zone. A high school math teacher will be paid a stipend to work with elementary teachers and principals to improve math instruction.

08/01/2019  
05/22/2020

Title II

Power Zone  
Leader

#### STAR Assessment Training

Provide training for iConnect Zone teachers and leaders on interpreting assessment data to improve instruction.

08/01/2019  
12/20/2019

Title II

iConnect Zone  
Leader

#### AVID Training

Provide travel costs (milage, parking, hotel, etc.) for six teachers at Sand Creek High School to attend AVID training to support implementation of AVID at the school.

08/01/2019  
08/16/2019

Title II

Sand Creek Zone  
Leader

#### Education Technology Support for Teachers

Pay stipends to school assigned teachers to provide on-going technical support and training on Schoology learning management system to deliver instruction to students and share resources with parents. Pay stipends to school assigned teachers to develop training modules for teachers on how to deliver instruction for students on digital citizenship, vet instructional applications for students to ensure high-quality instruction and student data privacy and facilitate EdCamps focused on showcasing best-practices in educational technology in classrooms.

08/01/2019

Title IV

Education  
Technology  
Specialists

Send leaders and coaches to conference on embedded

Coordinator of

Boulder Assessment Conference	assessment practices to support zone-wide training for teachers on formative assessment.	09/01/2019 09/27/2019	Title II	Academic Performance
 Purchase Books and Supplies	Purchase books and supplies for professional development activities and for recruiting educators at state and national career fairs.	09/01/2019 03/20/2020	Title II	Coordinator of Professional Learning Director of Human Resources
 Leadership Blueprint	Send new leaders to Leadership Blue Print training to develop leadership skills as leaders. Provide follow-up coaching for leaders to hone education leadership skills of experienced leaders.	09/09/2019 12/20/2019	Title II	Coordinator of Professional Learning
 New Teacher / Mentor Training	Provide training for mentors and beginning teachers facilitated by Dr. Tina Boogren, author and consultant. Training will focus on the six phases a new teacher goes through and equips participants with strategies to support each phase.	09/09/2019 03/20/2020	Title II	Coordinator of Professional Learning
 Recruit Hard-to-Fill Positions	Attend recruiting fairs to hire teachers in hard-to-fill categories (special education teachers and service providers, math and science teachers).	09/30/2019 04/30/2020	Title II	Director of Human Resources
 Wellness Training	Send Health and Wellness Coordinator to NWI Conference to learn insights on: A Three-Pronged Approach to School Wellness, The Resilient Child: The Key to Lifelong Wellness, Beyond Food & Fitness: Best Practices to Create Diverse Wellness Programs on Campus, What Happiness Does to Your Brain: And Why You	10/01/2019 10/31/2019	Title II	Health and Wellness Specialist

	Should Care, Cultivating a Culture of Wellness in Schools. Learning will be shared with health educators and wellness teams across the district.				
 Technology Training	Send teachers and leaders to Google Summits and other technology in education trainings to hone skills on using Google Apps for Education. Those who attend will bring back and share learning during EdCamps and district sponsored training days.	11/01/2019 12/20/2019	Title II	Education Technology Specialists	
 Learning Forward	Send leaders to National Learning Forward Conference to gain insights on best practices for leading the district's professional development program.	12/01/2019 12/20/2019	Title II	Coordinator of Professional Learning	
 Modern Teacher Training	Send teacher leaders from each Falcon Zone school to the Modern Teacher Conference National Conference on Digital Convergence to support zone-wide improvements in instruction and assessment practices.	02/01/2020 02/21/2020	Title II	Falcon Zone Leader	

## School Target Setting

### Priority Performance Challenge : Math Growth

**PERFORMANCE INDICATOR:** Academic Achievement (Status)

#### MEASURES / METRICS: M

ANNUAL  
PERFORMANCE  
TARGETS

**2019-2020:** Increase percentile rank in math at the elementary and middle school levels by 2 points annually.

**2020-2021:** Increase percentile rank in math at the elementary and middle school levels by 2 points annually.

#### INTERIM MEASURES FOR 2019-2020:

**PERFORMANCE INDICATOR:** Academic Growth

---

**MEASURES / METRICS: M**

---

ANNUAL  
PERFORMANCE  
TARGETS

**2019-2020:** Increase Median Growth Percentile in math at the elementary and middle school levels to 51 at elementary and 53 at middle school.

**2020-2021:** Increase Median Growth Percentile in math at the elementary and middle school levels to 53 at elementary and 55 at middle school.

---

**INTERIM MEASURES FOR 2019-2020:**

---

**Priority Performance Challenge : Early Literacy Proficiency**

**PERFORMANCE INDICATOR:** Academic Achievement (Status)

---

**MEASURES / METRICS: R**

---

ANNUAL  
PERFORMANCE  
TARGETS

**2019-2020:** Increase the percentage of students scoring at benchmark on the Acadience Literacy Assessment from beginning of the year to end of year to at least 85% of K-3 students reaching benchmark by end of year.

**2020-2021:** Increase the percentage of students scoring at benchmark on the Acadience Literacy Assessment from beginning of the year to end of year to at least 85% of K-3 students reaching benchmark by end of year.

---

**INTERIM MEASURES FOR 2019-2020:**

PERFORMANCE  
TARGETS

and to 73 at middle school.

**2020-2021:** Increase percentile rank in ELA at the elementary and middle school levels by 2 points annually to 70 at elementary and to 75 at middle school.

INTERIM MEASURES FOR 2019-2020:

**PERFORMANCE INDICATOR:** Academic Growth

MEASURES / METRICS:

ANNUAL  
PERFORMANCE  
TARGETS

**2019-2020:** Increase Median Growth Percentile in reading at the elementary and middle school levels to 53 at elementary and to 58 at middle school.

**2020-2021:** Increase Median Growth Percentile in reading at the elementary and middle school levels to 55 at elementary and to 60 at middle school.

INTERIM MEASURES FOR 2019-2020:

**Priority Performance Challenge : College Readiness**

**PERFORMANCE INDICATOR:** Postsecondary & Workforce Readiness

MEASURES / METRICS:

ANNUAL  
PERFORMANCE  
TARGETS

**2019-2020:** Increase college readiness scores on SAT for Comprehensive High Schools to meet or exceed state expectations for accountability. Increase mean scale score for comprehensive high schools to at least 509.2 in EBRW and to at least 491.7 in math.

**2020-2021:** Increase college readiness scores on SAT for Comprehensive High Schools to meet or exceed state expectations for accountability. Increase mean scale score for comprehensive high schools to at least 509.2 in EBRW and to at least 491.7 in math.

**BOARD OF EDUCATION ITEM 11**  
**BACKGROUND AND DOCUMENTATION FOR CONSENT OR ROUTINE AGENDA ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Chief Officers

**TITLE OF AGENDA ITEM:** Monthly Chief Officer Reports

**ACTION/INFORMATION/DISCUSSION:** Discussion

**BACKGROUND OR RATIONALE**

The chief officers will provide an update to the board on district activity in their respective areas.

**RELEVANT DATA AND EXPECTED OUTCOMES:**

To provide timely information to the board.

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

Culture	<b>Inner Ring</b> —How we treat each other <b>Outer Ring</b> —How we treat our work	
Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community <b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation <b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u> <b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive <b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Information only.

**APPROVED BY:** Brett Ridgway, Chief Business Officer; Peter Hilts, Chief Education Officer

**DATE:** October 9, 2019

**Chief Education Officer**

\* The EmpowerFZ Steering Committee is about to complete instructional rounds at their third school. The FMS Firebirds are league football champions! FHS will experience its first Homecoming Parade.

P.3

\* The iConnect Zone is excited to announce a ribbon cutting ceremony on Thursday, October 10 at 2pm to recognize the completion of a new addition to the Falcon Legacy Campus made possible in part by a generous grant of \$500,000 from the Falcon Community Builders for Classrooms (FCBC) with support from the Housing and Building Association of Colorado Springs. This new learning and work space will provide growth potential for students who would consider pursuing a career in construction after graduation. The certification linked to the classroom work will qualify those who complete the program to immediately join the workforce if they wish, and enjoy a lucrative career in the field of construction. Everyone is welcome to attend!

P.4

\* The Power zone leader is focusing more this year at the secondary level and analyzing SAT data at more detailed levels than ever before. VRHS is making steady improvements, along with decreasing the gaps in achievement between ELA and Math across the school. However, we committed to producing larger increases in growth over time and are putting a variety of practices into place to increase this growth rate. PZ will share these practices with the BOE at their November update.

P.5

\* The Sand Creek Zone is committed to improvement in each of our four pillars: Student Success, People, Service, and Innovation/Growth. We are happy to provide unique learning opportunities and celebrate successful learners and staff.

P.6-7

\* The Learning Services Team continues to support student and staff learning over the course of October break. Fall Read Camp for students in grades 1-3 on READ plans launched October 14. The Camps are being held at Springs Ranch, Odyssey and Falcon Elementary this fall to align with BASE 49. Professional learning opportunities for staff include the launch of the 2nd Annual Women in Leadership and Learning Series and Annual Connect Colorado Schoology Conference. Learning Services leaders will also present at the upcoming National Council of Teachers of Math Regional Conference in Salt Lake City this month.

P.8-11

\* "It's all about the kids." was the guiding light for Individualized Education. CLDE provided dual-language books for new families enrolling students and Central Registry and scholarships for qualified CLD preschoolers. GE is piloting online assessment for the initial gifted education qualification while also training schools on how to move a student from a General Intellectual Ability to a focused giftedness in English, math, social students, etc. With a very noticeable uptick in special education enrollments, Coordinators are working with building staff to balance compliance with quality services.

P.12-17

## REPORT OF THE EDUCATION OFFICE

---

\* The Communications Department, in coordination with the COO's office, provided key support for a set of three community meetings in September designed to inform D49 stakeholders about long-range planning and challenges of meeting the needs of our rapidly growing district.

D49's two CDE Teacher of the Year finalists are the subject of spotlight features produced by our community media partners. It's been a privilege to coordinate earned media to share their impact with a wide regional audience.

The refreshed look of [d49.org](http://d49.org) and a separate site designed as a resource for employees are ready for simultaneous roll out going into fall break 2019.

P.18

\* AAL staff continues working steadily to support college advising on several high school campuses due to counselor staffing issues. Supporting iConnect schools and programs, CTE Regional Needs Assessment & Survey, Work-based Learning (PPBEA) launch, FHS Academy of Health Science expansion through PPCC partnership, and PPCC Fall 2019 tuition billing reconciliations for Concurrent Enrollment.

P.19

\* BOE Director Graham will accompany the DODEA grant team to experience first-hand training and networking with DODEA leadership at the 2019 DODEA Grantee Professional Learning Meeting, October 29th through 31st. The CR Supervisor is uploading data to CDE to facilitate a SY 18-19 student count audit. The BASE49 team is ready to conduct October break camps. The demand for camps was so great that a fourth location was opened to mitigate wait listed families.

P.20

## **Falcon Zone**

### **Empower<sub>FZ</sub> (Firm Foundations, Every Student, Learning and Working)**

By the end of October, the Empower<sub>FZ</sub> principals and instructional coaches will have complete instruction rounds at half of our schools. This practice is valuable for a number of reasons:

- Instructional rounds allow members to observe without judgement (there is no goal to devise for a teachers).
- Instructional rounds provide building principals outside perspectives.
- Instructional rounds bring the focus to the zone's problem of practice: Are students owning their learning?
- Instructional rounds provide a building principal with ideas for what might be next in professional learning for a school staff.

We are finalizing ideas to present as breakout sessions for the National Council on Digital Convergence conference in early February.

### **TAGG Guest Teacher Pilot Continues**

Falcon Elementary, Falcon Middle and Falcon High Schools are continuing their participation in the TAGG guest teacher pilot. The pilot will run through the end of the first semester. At that point we will evaluate the fill rate, usage, reporting features, etc. of TAGG and determine if any or all schools will continue with TAGG or not.

### **Homecoming Festivities**

Falcon High School is proud to host a Homecoming Parade on October 11! PTA has been heavily involved with brainstorming this school/community event. This is not just a way to bridge the connection between Falcon High School and the Falcon community, it is also a way for all schools in the zone to come together to support FHS. Each school will participate in the parade, including having their own floats! Various clubs from FHS will also participate in the parade. With this occurring on a non-student contact day, it allows for more involvement. Hopefully this is the first annual FHS HOCO parade!

### **Falcon Middle School Firebird Champions**

Congratulations to the Falcon Middle School 8<sup>th</sup> grade football team for their undefeated season and winning the league championship game! Kudos to the players and their coaching staff!

### **iConnect Zone**

#### **Current and Ongoing Activity**

The Falcon Homeschool Program is celebrating a record high enrollment of 270 students as they embrace a new building, new staff and new STEM program for 4th and 5th levels.

PHS is focusing on the social-emotional health of their students by adopting the PAIRIN curriculum. Staff is building a solid MTSS process to better identify and intervene with students needing additional structures and resources for success.

College advising season is already under way for next semester at PPEC. Students are gearing up for the Accuplacer exam which will potentially allow even more college attendance come spring.

PPSEL was awarded the national credential from EL Education. They are one of five schools in the nation to be credentialed this year and will be recognized at the national conference for EL Education in Atlanta over fall break.

PTEC has its first three “13th” graders attending PPCC as part of the Pathways in Technology Program.

RMCA students are celebrating advancements with Lexia. K-2 currently has 235 students who have moved up at least one level and 3-5 currently has 239.

SSAE is looking forward to their building expansion. It should begin by the 1st of November.

Vladislav Izboinikov of the High Performance Program was selected by USA Wrestling as a volunteer coach for the Women’s US National Team. He traveled to Kazakhstan with Jacarra Winchester, who works out with many of our SSAE students at the Olympic Training Center. Jacarra took gold in a 5-3 decision vs. Japan, making her a world champion!

#### **Upcoming Activity**

The iConnect Zone Excellence Team will be offering its third installment of the Charter Teacher Network on November 2nd from 830am-1230pm at RMCA. The team will concentrate on individualized learning. Sign up is available through the Aha! Network.

**POWER Zone**

**Current and Ongoing Activity**

**Academic Performance:**

**2018 - 2019 SAT Cohort - Student Growth - PSAT 10 to SAT Scaled Score & % of Students Meeting Expectations**

School	2018 PSAT Score	2019 SAT Score	2018 % Students College & Career Ready - ELA	2019 % Students College & Career Ready - ELA	2018 % Students College & Career Ready - Math	2019 % Students College & Career Ready - Math

School	2017 PSAT	2018 PSAT	2019 PSAT	2017 SAT	2018 SAT	2019 SAT
VRHS	912	914	907	982	990	986

**2017 - 2019 Longitudinal PSAT and SAT Data - Scaled Score per Subject**

School	2017 PSAT	2018 PSAT	2019 PSAT	2017 SAT	2018 SAT	2019 SAT
VRHS - ELA	465	467	465	501	507	504
VRHS - Math	447	448	442	481	483	481

**Personalized Learning:** The Personalized Learning action cohort will meet next on November 6th to continue their work of identifying three measures that will evidence growth in the areas of personalized learning across the POWER Zone. The Design Thinking process is being utilized to ensure all users are considered when creating these measures. Meaning, it is important to understand who will use and access these measures and in which ways, prior to development. Potential audiences for our local zone focus framework are teachers, administrators, central services, board members, and even students. These varied stakeholder groups will be interested in different pieces of the framework and different depths of knowledge and the action cohort will work together to ensure all users are considered.

**School Climate:**

The POWER Zone Leader and POWER Zone Executive Principal went to a 7 habits of Highly Effective People training in order to gain a better understanding of the 7 habits and what they look like in an everyday environment. This learning is in support of Odyssey Elementary School's Leader in Me initiative which is built upon the 7 habits and integrating them within a K-12 school environment.

### **Sand Creek Zone**

#### **Current and Ongoing Activity**

Instructionally, the Sand Creek Zone continues to focus our efforts on Visible Learning. Our zone plan remains similar to past years, emphasizing strategic actions aligned with the four pillars: Student Success, People, Service, and Innovation/Growth. In addition to each building having their own scorecard to work from, the zone has its own goals and action steps as well. These plans provide measurable goals that fit well into the new Envisio software adopted by the District this year.

Our zone is also on a continuous journey with The Studer Education Group to make our schools the best places for students to learn, staff to work, and parents to send their children for a good education. The annual Parent Satisfaction Survey is open now to gather feedback and celebrate successes and identify areas for growth. Once the survey is complete, the results will be analyzed by an outside organization. The data from the survey will be sent to each school and the zone leader. Then, the results of the survey will be shared with parents and the community and used to measure goals on the current scorecard as well as set new ones.

The Sand Creek zone is partnering with the YMCA for sports camps. Students in grades 1-5 will get a multi-sport sampler during Fall Break Camp at SCHS. Following that, camps will run on-site directly after school, beginning with an offering of volleyball.

Horizon Middle School kicked off the 2019-20 school year Renaissance Fair. Games, excitement and a flash mob were part of the first assembly of the year to help students stay focused on their journey to education excellence. Jostens Renaissance is a program with emphasis on respecting, recognizing and rewarding students, to obtain results. Dustin Horras, principal, brought the program to HMS five years ago in order to revamp the culture and climate. Since then, Horizon has been collecting data yearly and the number of students who have made Renaissance has increased by 400%. HMS was recognized at the National Jostens Renaissance Conference in July with this positive data.

Springs Ranch Elementary School students participated in "Super Day of Science," in September. The program was designed to engage elementary age students in STEAM (Science, Technology, Engineering, Arts and Mathematics) activities to encourage STEAM based career pathways. Colorado College physics students volunteered their services for the day's events as they prepared interactive science demonstration shows. SRES students rotated through each demonstration for a full day of super science experiences.

The Sand Creek High School National Art Honors Society took a sculpture to the What If Festival of Innovation. Students created an octopus completely out of recycled material to bring attention to pollution.

Erika Siemieniec, SCHS Business Teacher, is one of seven finalists for Teacher of the Year for the State of Colorado. Another excellent teacher, Julie Devore, mentors, coaches and teaches students in the Stellar Explorer club/team that was started at SCHS this year. She has pushed her peers to become Space Foundation Educators. She has an amazing background that she brings to the school every day!

It's an exciting year of growth as PSAT/SAT test scores are in and over 350 Sand Creek students qualify for Concurrent Enrollment. We are also excited that Sand Creek High School is the only school in District 49 that has been approved by CDE to give students the opportunity to earn an endorsed diploma for biliteracy. The

diploma encourages students to pursue biliteracy skills that are attractive to future employers and college admissions

### Learning Services

#### Current and Ongoing Activity

**Accreditation and Accountability:** Amber Whetstine, Executive Director of Learning Services, received feedback from the Colorado Department of Education (CDE) regarding the submission of a request to reconsider accreditation ratings for D49 and Springs Studio for Academic Excellence. Minor adjustments were made to the letters of request and resubmitted along with the Board approved plan types for each school.

On October 7, Amber hosted the Pikes Peak Region Student Achievement Council (PPRSAC) meeting with other curriculum, instruction and assessment leaders across the Pikes Peak area. The group discussed strategies for implementing new requirements within the READ Act, as well as provided input to CDE on changes to the state's accountability system.

**Professional Learning:** Lead mentors and beginning teachers attended a Mentor/Mentee Workshop with Dr. Tina Boogren on September 11 and 12. Beginning teachers and their mentors learned about the phases that a beginning teacher goes through and strategies tailored to support each phase. The workshop also focused on self-care practices that reduce stress and burnout. 175 beginning teachers and their mentors participated in this event. Our beginning educator series (courses designed specifically for new educators) was also launched at this event.

Dr. Kathy Pickering, Coordinator of Professional Learning, submitted a grant proposal to CDE focused on retaining teachers. If awarded, this grant would provide \$240,000 over a two-year period to enhance our teacher induction program through a cognitive coaching initiative, self-care workshops, and additional training opportunities for special education teachers.

**Assessment:** CDE launched District Assessment Coordinator trainings in October. Kathleen Granaas, Coordinator of Academic Performance, began preparation for the assessment season by attending these presentations and providing training back to D49 School Assessment Coordinators, including training on accommodations and unique accommodation requests due by the end of November. Kathleen is collaborating with the district State-Wide Assistive Technology, Augmentative and Alternative Communication (SWAAAC) team to ensure cohesion between instruction and assessment. Kathleen trained Special Education Coordinators from each school on accommodation requirements for state assessment. At the end of the month, Kathleen will train Culturally and Linguistically Diverse Education (CLDE) teachers on allowable state assessment accommodations.

The CoGAT assessment for 3<sup>rd</sup> and 6<sup>th</sup> grade students will be administered online this year as opposed to paper/pencil in previous years. Daniel De Jesus, Education Technology Specialist, is working with Natalie Brown, Coordinator of Gifted Education, to provide technical support for this online administration of the CoGAT assessment.

Daniel has also begun working on technical readiness for the WIDA ACCESS assessment for English learners that will be administered January-February 2020. Daniel is coordinating with Colorado Computer Support on new technology installations used for this assessment.

The 2020 standards most significantly impact changes in the content area of science. With these changes, the Colorado Measures of Academic Success (CMAS) science assessments will transition to test the new standards

no sooner than the 2021-22 school year and will not be a part of state accountability until 2022-23. No changes to the English language arts or math assessments are anticipated with this revision.

The CMAS for science assessment is administered in 5th, 8th and 11th grades. Consistent with the standards, the revised 5th grade CMAS will assess the 5th grade standards. Because the science standards are articulated by grade at middle school and high school level rather than grade levels in the new standards, the revised 8th grade CMAS will assess all middle school science standards, and the revised 11th grade CMAS will continue to assess all high school science standards.

**Education Technology:** Melissa Riggs, Education Technology Specialist, is working with the company EdTechTeam to bring a Google Applied Digital Skills workshop for middle and high school teachers to D49 on October 11. This workshop will help teachers implement the program for students to gain invaluable skills in preparation for problem-solving in a digital world. Melissa will be presenting Creating Visually Appealing Courses at the Connect Colorado Schoology Conference on October 25.

Daniel De Jesus provided valuable input into the Information Technology Request for Proposal process during the first part of October. He is also coordinating with the Professional Learning Team to plan D49's second annual Schoology NOW! Mini-conference which will take place on November 19 from 4:00-8:00 p.m. and will include sessions for parents in addition to D49 staff this year.

**Leadership Development:** Amber Whetstine along With Dr. Kathy Pickering, and other leaders across D49 launched the 2nd Annual Women in Leadership and Learning Series on October 14. This year leaders across D49 will have opportunities to discuss topics in leadership through an online podcast series, 180 Days of Self-Care blended book study with author Tina Boogren and several mini-sessions such as enhancing communication skills and leveraging social media for professional learning.

The first session of the Principal Induction Leadership Academy was led by Dr. Kathy Pickering on September 10. Eleven D49 administrators are participating in induction this year. This first session focused on strategic leadership and included a presentation on culture and strategy by Peter Hilts, Chief Education Officer.

Leadership Blueprint training was held on September 30 and October 1. 21 leaders new to D49 attended this workshop focused on enhancing leadership skills.

**Firm Foundations:** Amber Whetstine and Stacey Franklin, Coordinator of Literacy Performance are attending literacy meetings in each elementary school throughout October along with Zone Leaders and other leaders on the D49 literacy team. The meetings, presented by principals and their teams, focus on sharing action plans for improved literacy performance this year.

Stacey along with leadership teams from Evans, Odyssey, Stetson and Remington Elementary Schools attended the Colorado Department of Education READ Conference October 9-11 in Grand Junction Colorado to support our Early Literacy Grant initiative.

Fall Read Camp for students in grades 1-3 on READ plans launched October 14. The Camps are being held at Springs Ranch, Odyssey and Falcon Elementary this fall to align with BASE 49.

## REPORT OF THE EDUCATION OFFICE

---

The second session of the Elementary Math Leadership Team was held on September 24. The group examined and discussed productive and unproductive beliefs for teaching mathematics. A 3-Act task was modeled and participants had an opportunity to select a book for a book study.

Kathleen Granaas will serve as lead speaker, presenting alongside Carolyn Merritt at the National Council of Teachers of Math Regional Conference in Salt Lake City this October. Their topic, Implementing a Mathematics Leadership Team Multiplies Teacher Instructional Expertise, highlights the work D49 has done for the past several years bringing learning opportunities to teachers in the area of math.

On September 25, Amber participated in the initial launch of a national discussion on mathematics in education, hosted by Mind Research. The group will convene monthly to share topics and strategies to address increased achievement in math.

Amber also participated in the Renaissance Advisory Board meeting, October 1, to provide input and gain insights into product development and professional development for educators in literacy and mathematics. District 49 currently partners with Renaissance to provide schools with myOn and Star Assessments as well as an annual Literacy Summit for teachers and leaders.

**Title Programs:** The Colorado Department of Education reviewed and returned the 2019-20 Consolidated Application with a request for further clarification/commentary. The Title Programs Team completed the requested revisions and the application was resubmitted to CDE. Miriam Mondragon, Coordinator of Title Programs, is supporting the Title I Family Liaisons working directly with students, staff, community organizations and families. Liaisons are attending 504 meetings, MTSS meetings, parent/teacher conferences, conducting home-visits and scheduling parent engagement events. Parent engagement events are focused on how families can support their child's education at home. Family Liaisons began participating in monthly trainings, beginning October 7, aligned to the Family School Community Partnership Standards. Miriam and Lorretta Grimaldo, Title Programs Manager, will participate in McKinney-Vento Training at the Pikes Peak Library District on October 21 and will attend the Equity & Excellence Conference in Denver on October 24-25.

**Wellness:** There are 2,146 staff (573 D49) participating in the staff wellness Walktober Physical Activity Challenge with D49, D20, and D2. Rachel Duerr, Health & Wellness Specialist, will be attending the RMC Health Wellness Coordinator meeting October 23-24 in Aurora.

### Upcoming Activity

**Education Technology:** Education Technology Specialists, Daniel De Jesus, and Melissa Riggs are collaborating with the Professional Learning Team to plan the 2nd Annual Schoology NOW! Mini conference coming November 19. This year's conference will incorporate an emphasis on parent use of Schoology.

Melissa is also working with the #D49Edventurers to host EXPLORIcon events for educators in November and March, similar to an Expo at a conference, a wide variety of technology opportunities and devices will be shared with teachers to explore for student use in the classroom.

**Title Programs:** Miriam Mondragon and the Family Liaisons from Odyssey, Evans, Falcon ES will attend the Family Literacy Conference in Louisville, KY on Nov. 4-6 and Family Liaison training on Welcoming All Families into the School Community on Nov. 11. Title I Principals are scheduled to meet November 14.

**Wellness:** The District-Wide Wellness Advisory Council meeting will be held on November 5.

## Individualized Education

### DEPARTMENT: *Community Care*

#### CURRENT AND ONGOING GOALS:

- Goal #1 Provide 8 Counselor Meetings/Trainings throughout the school year partnering with AAL.
  - Objective 1- Four meetings will be held by January 1
  - Objective 2- All meetings completed by the end of May

#### Status:

- 09/24/2019 - Held a Counselor meeting with a presentation from Dr. Burghorst of Cedar Springs on Trauma
- Goal #2 Community Engagement Advocates will run monthly at-risk reports and schedule a meeting with each campus administrative team and the Zone Security Specialist to discuss the most at-risk students and organize support for identified students
  - Objective 1- CEAs will hold the first meetings in Sept.
  - Objective 2- CEA's will schedule out the year's meetings by end of Sept. with campus administrators
  - Objective 3- At least 6 meetings will occur per district campus by the end of May

#### Status:

- September meetings are going on now and being well received thus far. Finding some glitches in some school's reporting: DHS reports, suicide reports, and incidents.
- Goal #3 BCBA's will collect data on the number of referrals made and the scope of those referrals by providing a report at the end of each semester.
  - Objective 1- BCBA's will update data in the spreadsheet at least 3 days prior to each CEO report due date
  - Objective 2- BCBA's will support at least 25 students each by end of first semester
  - Objective 3- BCBA's will support at least 50 students each by end of second semester.

#### Status:

- BCBA's have served 86 students so far this school year (as of 09/24/2019)
- Goal #4 The Director of Community Care will provide 2 district wide community events this school year.
  - Objective 1- One Community Event will be held by end of first semester
  - Objective 2- Second Community Event will be held by the end of year.

#### Status:

- Jason Foundation community was held on October 1st at Rocky Mountain Classical Academy. 150 people signed up for the event.

### DEPARTMENT: *Culturally and Linguistically Diverse Education*

**CURRENT AND ONGOING GOALS:**

- Goal #1: Increase relevant and meaningful communication between parents, students, community, CLDE staff, and D49 staff concerning rights, student achievement, department initiatives, and enrichment opportunities.

Status:

- No updates at this time.

- Goal #2: Increase student language development as measured by WIDA ACCESS by 10% from comparable data from 2019 ACCESS using best practices.

Status:

- Purchased translation devices for all district-operated elementary schools.

- Goal #3: In order to provide high-quality training to at least 25% of district-operated staff members by the end of the 2019-2020 SY, we will increase professional development opportunities to general education teachers and administrators through on-site training, online training, conferences, and work-study.

Status:

- Professional development opportunities have been publicized.

- Goal #4: Increase CLDE teacher and paraeducator leadership at the building and district level.

Status:

- TELL assessment is 100% complete.

**DEPARTMENT: *Gifted Education***

**CURRENT AND ONGOING GOAL:**

- Goal #1: By April 2020, District 49 will increase the percentage of gifted identification students in all gifted areas and increase the percentage of identification of students from underrepresented populations to mirror district demographics.

Status:

- On October 2nd SAC and GE Facilitator Training for the online administration of CogAT for 3rd and 6th Grade Universal Screening. ALLIES, LTA, and PTEC will have alternative plans for administration to meet their needs.
- Universal Screening is scheduled for October 8th with ALLIES, and the remainder of the district will be testing between October 28th through November 22nd.
- Continuation of expansion of the body of evidence to include multiple data points for more specific identification determination in all schools in every zone.
- Continuation of employment of a variety of assessment tools to better evaluate students abilities, achievement and behavioral characteristics.

- Goal #2: By April 2020, District 49 will improve our Advanced Learning Plan (ALP) to be best practice and compliant with all state key requirements.

Status:

- Enrich is continued to be used in the development of ALPs, and most GE Facilitators are preparing for parent/teacher conferences next week (10/07/2019 - 10/11/2019). Others who are on alternative calendars are preparing for their conferences as well.
- Additional one on one trainings have occurred from Enrich/ALPs for those who were unable to attend the August 30th training.
- Continuing to provide ongoing consultation to gifted facilitators in each zone in the development of compliant ALPS.
- On October 4th we provided "how to" and best practice guidance documents that gifted facilitators can access through Schoology.

**DEPARTMENT: *Special Education***

**CURRENT AND ONGOING GOAL:**

- Goal #1 Increase opportunities for Special Education staff to attend training and professional development for all areas of education and behavior for the 2019-20 school year. This will be measured in collaboration with classes in Aha! and opportunities state and nationally for all of our staff provided through the Special Education department or Learning Services.

Status:

- Dave Hurley along with Tina Vidovich and Heather Mavel provided training for Every Child A Writer (ECAW) on October 4th in the iConnect Zone. ECAW is another tool we have purchased for our teachers to use as support for those students with writing goals.
  - Dr. Mark Guthermiller, lead for the Autism Task Force, is working with Dr. Kathy Pickering to develop class(es) for Autism and the Movement Method.
- Goal #2 In 2019-20 Develop and maintain cohorts and subject matter experts in areas to increase student progress as measured by monitoring of goals on IEP's and school benchmarking data. These cohorts will be in the area of CSN/SSN, SoCo, and AN, along with subject matter experts in utilizing evaluation data to develop goals and an Autism team as a resource for staff.

Status:

- Emily Tucker has emailed Gina Herrera at CDE to set up a phone conference to see what trainings/resources CDE has to offer. This conference is set for 10/9/19. She has also been working with Deidre Shearer to schedule an observation for the elementary SSN teachers at the accredited SSN inclusion program at the beginning of October. She has emailed Michelle Kelley-Davies, cohort lead, a few resources presented at the Directors Conference to vet their use as resources/PD for the cohort.
- Sheryl Montoya is not gaining much from the results of her email. Only Sheena Truex has responded. Sheryl is planning to put together resources and support each program with her presence for questions and move them along slowly to determine all of the needs.

- Goal #3 Provide comprehensive trainings, guidance, and resources in Schoology with continual updates throughout the 2019-20 school year

Status:

- Dave Hurley is settling up courses for Schoology from the beginning of year training sessions. Resources have been uploaded for Behavior, compliance guidance, and the Autism Task Force

### **DEPARTMENT: *Early Childhood Education***

#### **CURRENT AND ONGOING GOAL:**

- Goal #1 - In order to increase communication, productivity and collaboration within the Early Childhood office the team will complete weekly meetings include the Dean, Administrative Assistants, Child Find Coordinator and ECSE/Child Find Specialist, 80% of the time during the 2019-2020 school year.

Status:

- The Early Childhood office team has completed 11 meetings as of October 4, 2019
  - Count paperwork and follow through with teachers
  - Organized and held 1st CPP Advisory Council meeting
- Goal #2 - In order to develop a cohesive and strong early childhood PLC, the Dean and ECE/ECSE Teachers will complete bi-weekly meetings, 80% of the time during the 2019-2020 school year.

Status:

- The following trainings have been completed:
    - Promotion Learning Through Studies Using The Creative Curriculum® for Preschool
    - Readiness & Writing and Literacy & Math
  - The following Randa Training has been completed:
    - Discussed and decided upon SLO form
    - Self-assessments completed
    - Goals (collective and individual) completed
- Goal #3 - Develop a user-friendly website to inform families about the preschool program

Status:

- Researched different websites for ideas
- Continued with website development
  - Preschool locations
  - Concerns about development
- Worked on the following areas:
  - Preschool Application
  - Where Can My Child Attend Preschool
  - Do I Have to Pay for Preschool?
  - What Should I do if I Have Concerns About My Child's Development?

- [Link to State Standards](#)

**DEPARTMENT: *School Nursing Services***

**CURRENT AND ONGOING GOAL:**

- Ongoing yearly: Goal #1 Increase awareness of student medical needs and contribute to student safety through all School Staff training on Big 4 Health Emergencies (Diabetes/Seizures/Severe Allergies/Asthma) conducted at one all staff meeting for each school by the school nurse with deadline of September 30th of each school year. This information is valuable for teachers and other school staff to know how to sustain a medical emergency until health room staff responds to student emergencies.

Status:

- Nurses are actively doing presentations at school and updating the spreadsheet with documented dates of completion by school).
- Ongoing yearly: Goal #2 Training of all Special Needs Paraprofessionals about high medical needs students. All SSN paraprofessionals will receive 1 full day of training by school nurses, district dietician on dietary needs for special needs students & other key individuals in our district. This goal is to ensure not only safety for our special needs student population but also to ensure all SSN paraprofessionals are ready to care for students on the first day of school and not be taken away from student contact time in order to complete the required training and delegation from the school nurse.

Status:

- Training of SSN and Preschool Paraeducators was completed on July 29, 2019.
- Goal #3 Improve training for all school health assistants in the area of Diabetes/Stop The Bleed topics & crisis response led by school nurses throughout the school year.

Status:

- Training for Health Assistants was completed at the beginning of the school year. Currently moving forward with additional needed training on Diabetes care, tentatively planning on a spring 2020 PD day.

**DEPARTMENT: *PEAK Programs***

**CURRENT AND ONGOING GOAL:**

- Goal #1 PEAK students will explore learning opportunities beyond the classroom by going on at least one field trip per quarter for each class.

Status:

- The Summit/Pinnacle students went to Joann's Fabric on September 26th
- The Belay I students went to the Air Force Academy on October 3rd
- The Belay II students went to the Space Foundation Discovery Center on October 1st
- The entire PEAK program went to the High Flight Air Show and Activities on September 20th.

- Goal #2 PEAK students will increase their life and daily living skills by participating in a Life Skills/Daily Living Skills activity once per month.

Status:

- All PEAK programs worked on their life and daily skills by learning to cook waffles on September 19th.
  - Paint and sand-paper supplies were delivered so they PEAK programs can start working on redoing the picnic tables.
- Goal #3 PEAK staff will de-brief/discuss strategies and interventions for individual students once per month in a team meeting.

Status:

- Team meetings the week prior to para rotations have been identified and scheduled on the calendar.
- A notebook of successful interventions has been created for each student.
  - New interventions are listed in the notebook prior to the next rotation
- Team Meeting Minutes are being taken at each meeting and kept in a shared PEAK drive.

### Communications

#### Peakview and 49 Voices

**Community Meetings Invite Stakeholder Input:** Working closely with Chief Operations Officer Pedro Almeida, the communications team provided key support for a series of three community meetings designed to inform D49 stakeholders about long-range planning and challenges of meeting the needs of our rapidly growing district. Comm team members Amy Bremser, Aaron Villescas and Director David Nancarrow collaborated on the production of informational videos, as well as a series of print and digital announcements inviting our community to participate in the presentations. These 90 minute dialogues allowed the chief officers to explain clearly the fulfillment of the commitments built into the 3B MLO/Building Our Future Community plan, while giving participants an opportunity to provide immediate feedback about prioritizing strategies for addressing future growth in D49. Digital Communications Manager Sam Dosen established a web page at [D49.org](http://D49.org) to host Bremser's recording of the first meeting along with Mr. Almeida's slide presentation and a feedback survey developed by Nancarrow to enhance our community's ability to learn, and lend their voice, to this important conversation. [Online version of the community outreach meetings can be seen here](#)

#### Telling the D49 Story

**Teachers of the Year:** The past two years, School District 49 had one among the group of six candidates in the running for the Colorado Department of Education's Teacher of the Year Award. This year we didn't have one. We had TWO of the state's finalists in the running: Sand Creek High's Erika Siemieniec and Horizon Middle School's William Yerger (both from the SCZ) are in the CDE's list of 7 finalists. Both received recognition during the Fantastic 49 presentation to the Board of Education, and both are the subject of spotlight features from our media partners at KKTV 11 News. It is indicative of our hardworking staff living up to the D49 mission and vision, strategic plan and culture to have two educators in the running for the CDE award. It's been a privilege to work with our media partners to share their impact with a wide regional audience. <http://bit.ly/HMTeacherofyear19> \*\*Stay tuned for additional coverage\*\*

#### Promoting D49

**Team 49 and D49.org refresh:** The comms team, under the hard work and leadership of Digital Communications Manager Sam Dosen, is excited to unveil the refreshed look of the district's website [D49.org](http://D49.org). Dosen worked closely with a top-level development team from our vendor partners Blackboard™ to develop a comprehensive refresh of the website, which will include customized video features captured and produced by broadcast specialist Amy Bremser. The final product will offer visitors new and efficient interface options with the addition of a find-it-fast pop up menu along with the addition of icon-driven navigation to priority content for our customers. The comms team will simultaneously roll out Team 49, new site specifically for D49 employees. [D49.org/Team](http://D49.org/Team) will host all employee information and resources previously found on the [d49.org](http://d49.org) homepage including login pages for popular resources like Business Plus, Aha! Network, AESOP, Employee Online and more. Both sites will be accessible by fall break of 2019.

### Applied & Advanced Learning (AAL)

#### Trust

- **CE Board policies** – Updated policies in response to SB19-176. CE course enrollment prioritization: (1) On-HS-Campus, (2) PPCC Campus, (3) UCCS Campus, (4) Online as needed.
- **CE Grant** - Engaging Calhan and Peyton SD's to extend the reach of remote online learning pilot.
- **PPCC F19 Reconciliations** - reconciled all CE, ASCENT, and Career Start enrollment before billing.
- **Regional Needs Assessment** – Represented D49 at Perkins Regional Needs Assessment meeting and sent out Regional Needs Assessment survey to D49 stakeholders.

#### Community

- **HMS CTE Instructor, William Yerger** - lead HMS 8th graders in a Disaster Emergency Response exercise in collaboration with local paramedics. Super exciting student engagement!
- **CTE HBA Roundtable Meeting 9/5** - We met with HBA and other local district leadership to align construction program to workforce needs.
- **PPBEA Official Marketplace Launch 9/23/19** - Scheduled in-person training sessions and invited other districts.

#### Portfolio of Schools

- **FHS AOHS Expansion** - Met with PPCC Health Science Dept. leadership to discuss new articulated and CE courses.
- **AIST** - Met with Automotive Institute of Science & Technology leadership team to discuss CTE articulation, CTE teacher credentialing, and Concurrent Enrollment processes.
- **PHS Construction and Aero Lab Programs** – supporting programs

#### Every Student

- **PPBEA Marketplace website** launched 9/23/19.
- **CTE Articulation and Industry Certifications for Students** - Started conversations with CTE teachers to see if other certifications are possible & to see if previous articulations are worth applying for again. Five high-demand career pathways include: Healthcare, IT/Cyber, STEM/Skilled Trades, Culinary/Hospitality, Business, Education.
- **Secondary Counselor Meeting 9/24** - Invited Master Chef Victor Matthews to showcase PHS Culinary Program; invited HBA Leadership to showcase Construction Program.

#### How We Treat Our Work

- **SCHS Jr/Sr Night 9/4** - lead 3 AAL information sessions for parents and students
- **PPEC School Application Resubmission to CDE** - reviewed & edited docs
- **NACEP Secondary Committee** - completed Secondary Resource aligned to NACEP Accreditation Stds. Published to NACEP membership.
- **Supported CDE Audit**

#### How We Treat Each Other

- **CE College Advising** - Covered college advising for FHS and Falcon Homeschool Program due to staffing issues

#### Best Choice to Learn, Work, and Lead

- **Colorado CE Conference, Nov 8 @ PPCC** – participating on planning committee

## **Culture and Services**

### **Current and Ongoing Activity**

#### **Cultural Framework**

BOE Director Graham will accompany the DODEA grant team to experience the first-hand training and networking with DODEA leadership at the 2019 DODEA Grantee Professional Learning Meeting, October 29th through 31st. Rocky Mountain Restorative Practices Conference (RMRPC) planning is complete and the conference will be held 6-8 November.

#### **Community Outreach**

The “Sunrise Salute”, a recognition breakfast for the military personnel and first responders is on track for 7am to 9am October 11<sup>th</sup> in Peak View Hall at Creekside.

### **Upcoming Activity**

1) 2019 RMRPC 2) IGNITE Expeditions School Bus Ribbon Cutting 3) Sunrise Salute

#### **Central Registration (CR) and Student Information (SI)**

Central Registration is the entry point of the district; therefore, processes are being reviewed daily to add efficiency and customer focus. The SIS is vital tool in the process of fostering integration in the district.

### **Current and Ongoing Activity**

#### **Registration Metrics**

The CR Supervisor presented an additional session on incident reporting to support school practice. The CR Supervisor is uploading data to CDE to facilitate a SY 18-19 student count audit.

### **Upcoming Activity**

#### **SIS System Implementation**

The SIS team is finalizing October Count for upload to CDE.

#### **BASE49**

BASE49 is District 49’s wholly owned and operated before and aftercare provider, which supports the early arrival and/or late departure requirements of families with elementary school students.

### **Current and Ongoing Activity**

#### **Childcare Operations**

The BASE49 team is ready to conduct October break camps. The demand for camps was so great that a fourth location was opened to mitigate wait listed families.

### **Upcoming Activity**

#### **Childcare Management**

The application for low income family subsidies (Colorado Child Assistance Program) is approved for the 2019-20 school year and families are being signed up now.

# CHIEF OPERATIONS OFFICER REPORT

## OPERATIONS DEPARTMENTS PERFORMANCE REPORT – WS 10/23/19

### COO SUMMARY

A robust selection process for the D49 Information Technology support contract is nearing completion and resulted in Sentinel Technologies being announced as our new vendor. We are very optimistic about the future partnership with Sentinel and we appreciate the dedicated support CCS has provided the district over the last several years. Contract negotiation and transition planning has commenced and we anticipate bringing the contract to the BOE for approval at the Nov 7, 2019 Board meeting. The contract will transition from CCS to Sentinel on Jan 1, 2020.

The search and hiring process for the Facility Project Manager has started. This position will bring much needed capacity for managing construction and capital projects as the district continues to expand in the years ahead. Related to this topic, planning, preparation, and coordination is nearly complete for construction of the SSAE campus expansion. We plan to break ground no later than the end of the first week of November once we finalize pre-construction requirements (including permitting). Our target is completion by the start of SY20/21; however, this is an aggressive target and Mother Nature has a vote during the winter season, as weather delays may have a significant impact on the timeline. We will provide continual updates to the community as we progress in this project. In the meantime, the Facilities Department is focused on grounds' preparation for snow operations, a requirement that was reinforced by our winter event on Oct 10, 2019 which resulted in cancelling of the BOE meeting.

The Safety and Security Department has assisted in the completion of an aggressive pace of security drills for the district operated schools, resulting in enhanced preparation earlier in the school year than we have had in the past. They are now shifting their full attention to finalizing proposals for the addition of armed security officers, a department operations specialist, and a threat assessment position to enable the expanded scope of responsibilities for the department. Additionally, the team led the preparation and completion of the year's first Enhanced Security Community Advisory Team (ESCAT) session at the end of September. The next ESCAT session will take place in November and we anticipate bringing recommendations to the BOE for discussion at the Annual Planning Summit.

My focus continues to be on supporting the directors as they support our schools; strategic planning for Operations and for D49 facilities; growing capacity in the Operations Office to meet growing D49 requirements; and enhancing my capacity to serve as COO via appropriate professional development sessions. I attended the CASBO conference Oct 16-18, will attend the Baldrige Meeting on Oct 25, and the K-12 Facilities Forum in mid-November for discussions concerning addressing strategic challenges in school districts nationwide.

Regards

Pedro Almeida  
Chief Operations Officer

# CHIEF OPERATIONS OFFICER REPORT

## OPERATIONS DEPARTMENTS PERFORMANCE REPORT – WS 10/23/19

### DEPARTMENT SUMMARIES

#### NUTRITION SERVICES

- Revenue: \$1,051,596.45
- Expense: \$1,216,873.88
- Encumbered: \$1,279,973.84
- Hosted first “Talk and Tea” for Nutrition Assistants who have been with the District for under one year. The purpose of the visit is to give assistants open access to Department Leadership to share about how their onboarding with the District and Department went and areas where they felt there was room for improvement.
- Working with Grand Peak Academy on relocating the kitchen items to their new building.

#### MAINTENANCE & GROUNDS

- SSAE addition set to start end of OCT beginning of NOV.
- FMS RTU replacement set to start OCT 21/22
- SCHS Water Heater replacement underway. Planning on completing at the end of Fall Break.
- FLC replacing 3 sections of roof.
- FES west parking lot repave scheduled for NOV 9th with the re-stripe on NOV 10th.
- SRES kpt having a sewer back up issues, broken pipe discovered under flooring. All in process of repair.

#### INFORMATION TECHNOLOGY

- Final selection of a new IT Support vendor is in process and will be presenting to the board for approval
  - Current outstanding projects being prioritized with CCS for the remainder of the contract
  - Once the new Vendor is announced we will lay out a roadmap for the transition
- Access Point upgrades scheduled in gymnasiums over the Fall Break
- All Elementary Schools will be upgraded by the 18th of October

#### SECURITY & SAFETY

- Unannounced lockdown drills wrapping up at all D49 coordinated schools
- Threat Assessment trainings occurring throughout the district at all schools, led by David Pratt
- Numerous expulsion hearings attended
- Traffic complaint from neighbor near Skyview Middle School handled
- ESCAT meeting
- Blue Point project wrapped up. All schools where BP was installed is now active and operational
- Collaboration with multiple departments on Stryker Chair deployment throughout the district
- Tabletop exercises conducted throughout district schools
- Board of Ed Policy updates completed
- Continued work on Armed Security Officer process
- Collaboration with Care and Support on multiple issues
- 107 Safe2Tell tips so far since July 1

#### TRANSPORTATION

# CHIEF OPERATIONS OFFICER REPORT

## OPERATIONS DEPARTMENTS PERFORMANCE REPORT – WS 10/23/19

- 14 total positions needed, 5 in application process
- 6 route driver positions open, 5 driver applicants to start training Oct. 21st
- 7 A/P and relief driver positions open
- 1 para position open, 1 currently in training
- 1 Gened router position open
- On-Time Arrival Average Percentages per zone:
  - Power Zone - 99.8%
  - Sand Creek Zone - 98.5%
  - Falcon Zone - 97.5%
  - iConnect Zone - 99.0%

October 2019

This month's Business Office Report is a little thin on documentation from BOLT members due to seasonal peak in activity related to hiring cycle, first complete payroll of the new fiscal year, and the impending audit fieldwork to review our financial results.

Of note on the summer projects for the Business Office was the installation of a new student fee payment system called 'Rycor'. You may recall that in conjunction with last year's conversion of the business system from Widenhammer-Alio to Powerschool-Business Plus, we also introduced PaySchools as a complete solution for paying student fees ranging from Nutrition Services to Transportation to School-based fees. That system, which has existed for many years as a Nutrition Services solution simply did not provide the performance we needed and by early spring of 2019, we determined that it was useful only as a Nutrition Services solution and no more. Therefore, we acted quickly to identify another solution for the Transportation and school-based fees and landed on Rycor. This new system is not an 'add-on' to a larger platform, giving them clarity and focus on this niche of education. Early results have been very positive and so we are encouraged by the improvements we have seen in performance and functionality.

This month's report includes recent economic data that I receive as part of my participation on the Board of Directors for Colotrust – the state's largest Liquid Government Investment Pool, as well as information from *The Kiplinger Letter* that has long been one of my preferred sources of clear, concise perspectives on political & economic issues - both nationally and globally.

Sincerely,

A handwritten signature in black ink that reads "Brett Ridgway".

Brett Ridgway, Chief Business Officer – Assistant Treasurer

# Human Resources Monthly Report

---

## Department Updates

Paul Andersen, Director of Human Resources  
October 16, 2019

# Volunteer Workforce Update

Last year, we implemented a change in how we vet volunteer candidates. The primary change was from fingerprint background checks to using an online application and online background check. One of the key benefits of the new approach is that the candidates do not need to come to our office to submit a set of finger prints. This has resulted in significant efficiency gains for the HR staff and a more convenient experience for the volunteer candidate.

To give a sense of just how significant this is, I will report that we have processed **over 800** new volunteers since August 1<sup>st</sup>! Under the old process, every one of these volunteer candidates would have come to the HR office to complete the fingerprinting process.

In total over the past several years, we have processed more than 4,000 volunteers to serve in our schools and support our mission and vision!

# Teacher Recruiting Plans

Each year, the district attends a small number of in-state and out-of-state teacher recruiting fairs. We have historically been constrained a relatively small budget for recruiting. This year, however, more Title funds have been allocated to teacher recruiting. To ensure we maximize these funds, we have begun planning much earlier than we typically do. A team comprised of building and district administrators, learning services staff and human resources staff are setting plans to do more out of state recruiting. Our emphasis will be on hard to fill teaching roles (such as special education, mathematics, and science) and special service providers (such as speech / language pathologists and school psychologists).

Colorado school districts have enjoyed good success recruiting in the Midwest, including Michigan, Minnesota and Iowa, and in states such as Oregon and Pennsylvania. These are likely to be on our list of targets. Areas that have been less fruitful include southern states, Texas and Arizona; we will not be going to fairs in these areas. The teacher and special service provider shortages we are experiencing in Colorado exist across the US. The key is to find people who want to be in Colorado.

In addition to the out-of-state fairs, we will attend hiring fairs at Colorado State University, University of Northern Colorado and University of Colorado at Colorado Springs. It continues to be worthwhile to attend these fairs, which give us access to new grads and teachers who are moving to Colorado from out of state.

# Administrative Professionals Job Family

It is important to continually evaluate the job positions in to which employees are assigned to ensure the role continues to serve the right purpose in the accomplishment of our mission and vision.

Much effort in the past year has been invested in reviewing and updating job descriptions for our paraeducator positions. While this work has not fixed all our challenges associated with paraeducator staffing, it has be important for defining and valuing these key roles.

In the year ahead, we will shift our focus to doing similar work with positions that fall within what we are now calling the administrative professionals job family. This includes roles that have the title assistant, secretary, receptionist and registrar.

This project will require much effort and potentially impacts many employees. Currently, there are more than a dozen different job descriptions and more than 100 employees who hold one of these roles. The work will include evaluating current job titles, calendars, duties and responsibilities, levels of responsibility, job requirements, pay ranges and the relationship of each role to one another. Our intent is to complete this work with changes implemented for the 20-21 school year.

# 2019 VoW Annual Survey

We recently completed the fourth administration of the VoW annual survey. After three years of working with KornFerry, we decided to explore other vendors for the administration of our VoW annual employee survey. After reviewing multiple vendors through an RFP process, we selected Beyond Feedback as our new vendor.

Beyond Feedback offers an approach that is aligned to Baldrige framework and past national award recipients. This gives us access to important benchmarks.

The Beyond Feedback survey design is different than our prior surveys. It is designed to measure employee satisfaction and employee engagement. Under the Beyond Feedback approach, employees are presented with a set of Employee Key Requirements (EKR), asked to select the most important EKRs and then asked weight and score the EKRs they selected. (The 18 key requirements are shown on the next slide.)

The EKR approach will enable us to establish engagement and satisfaction scores at the district level and at the school/department level. In addition to using Beyond Feedback's EKR framework, employees had the opportunity to respond to 15 questions that we used the past three years. This will allow us to keep an eye on trends in some important workplace factors.

The administration will present high level results to the board in November.

# VoW Annual Survey

## Employee Key Requirements

Engagers	Satisfiers
Connection to the organization's mission	Advancement opportunities
Continuous learning, training and development	Collaborative work environment
Coworkers whose actions align with our culture and values	Competitive benefits
Input into decision-making	Competitive salary for my position
Leaders whose actions align with our culture and values	My manager's communication
Reasonable expectations of my goals and performance	Relationship with my coworkers
Recognition for job performance	Safe work environment
Relationship with my manager	The right tools to do my job
Reputation of the organization within the community	
Workload provides opportunity for a work/life balance	

The Best Choice to Learn, Work and Lead

# Purchasing and Contract Management

## In Progress

Student Data Privacy compliance process

IT RFP Complete. Intent to award Sentinel Technologies

FMS and HMS HVAC Upgrades—New heat exchangers, boiler

Contracts Database external user setup (262 current contracts).

District pushbar lock conversion to thumb-turn (for lockdowns). All interior pushbar door will receive the thumb-turn latch).

RMPEX Examiner Support thru October

Greenhouse for FHS (Spring Completion)

Owner Insite (Project Management Software) setup

RFQ for Architects and Engineers

District wireless access point upgrades

## In Planning

Armored Car Service for CO

New Middle School GC RFP

SSAE Phase II

Remaining MLO Projects—close out stage

District access control upgrades—new card readers and proximity ID cards

# Risk & Benefits

The Best Choice to Learn, Work and Lead

COLOTRUST Economic Update

October 4, 2019

## Fed Funds Target Rate

- The Federal Reserve decreased the target rate to a range of 1.75% to 2.00% on September 18, 2019.
- The Federal Reserve ceased reducing its balance sheet in August, two months earlier than previously indicated.
- The Federal Reserve will reinvest the maturities of both Treasury and Mortgage-Backed Securities into Treasury securities in the secondary market.

## FOMC Dot Plot – September 2019

## Comparative Historical Yield Curves

- The yield curve continues to flatten as the front-end remains anchored to the FOMC target rate while intermediate rates (3YR-10YR) have decreased over the last six months due to low inflation and a deceleration in economic activity.

## Money Market Yield Curves

- The yield spread between T-Bills and agency discount notes remains in a narrow range with T-Bills often out yielding discount notes.
- Adding credit in the form of commercial paper enhances the yield of the portfolio.

## Unemployment and Hourly Earnings

### U.S. Unemployment Rate

### Non-Farm Payrolls

- The August unemployment rate remained at 3.7%, as it was in July (the 3.6% rate in May was the lowest level dating back to December 1969).
- August payrolls increased by 130,000 compared to 164,000 reported in July and below the forecast of 160,000.
- Average hourly earnings increased at an annualized rate of 3.2% on a year-over-year basis in August.

## Inflation

- Headline CPI for August decreased to 1.7% on a year-over-year basis due to declining gasoline prices. Core CPI (less food and energy) increased at a 2.4% year-over-year pace. Firming was evident in both core services and core goods.
- The Fed's preferred measure of inflation, core PCE, increased 1.6% in July, remaining below the Fed's target of 2.0%. Policy makers view the PCE core index as a better indicator of underlying price trends.

## Institute for Supply Management

- ISM Manufacturing for September decreased to 47.8 from 49.1 in August and below the forecasted 50.0.
- ISM Non-Manufacturing (service) was reported at 56.4 in August versus 53.7 in July and 54.0 expected.
- The ISM Manufacturing reading is below 50 for the second consecutive month as the trade war and strong dollar continue to weigh this sector of the economy.

## Contributions to Percent Change in Real Gross Domestic Product

- The U.S. economy expanded at a 2.0% annualized pace during the second-quarter of 2019 after climbing 3.1% in the previous quarter.
- Revisions to the data show that the U.S. economy grew 2.5% in 2018, down from 3.0% as previously reported.
- Consumer spending, the biggest part of the economy, rose 4.7% in the second-quarter. Business and residential investment along with net exports were a drag on 2<sup>nd</sup> quarter growth.

## FORECASTS FOR EXECUTIVES AND INVESTORS

1100 13th Street NW, Washington, DC 20005 • kiplinger.com • Vol. 96, No. 40

Dear Client:

Washington, Oct. 4, 2019

Impeachment: What you should expect, the timing and the practical implications of the effort by Democrats in Congress to oust President Trump. Here are our best judgments and forecasts, devoid of any personal feelings about the merits of the case.

### POLITICS

Impeachment is likely to happen, eventually. There are enough Democrats in the House of Representatives who favor impeaching the president that the party doesn't need any Republican support.

Removal from office is very unlikely, though. While only a simple majority of the House is required to impeach a president, removing him from office requires two-thirds of the Senate to vote to convict. That would take 20 GOP senators breaking ranks with the president...an extremely high bar to clear.

When will an impeachment vote take place?

Hard to say. The full House hasn't yet voted to commence a formal impeachment inquiry. Instead, Democrats will continue the investigations into Trump that they were already conducting, plus a new one focusing on his call with the president of Ukraine.

When they decide they have a case against him...whatever the issue...they'll impeach.

Impeachment figures to be a two-edged sword for Trump's reelection chances.

Acquittal by the Senate would let him claim vindication and fire up his base by arguing that Democrats in the House unfairly persecuted him. But, the downside:

A fresh investigation ups the risk of damaging new information coming out.

What that may be, no one knows. These sorts of probes can take on a life of their own.

The effort to remove him also puts vulnerable lawmakers in a bind come 2020.

Democratic representatives in red districts where Trump is popular face a tough choice that could cost them reelection. Ditto, Republican senators such as Thom Tillis of N.C. and Martha McSally of Ariz. Backing Trump could weaken them with suburban voters who trended Democratic in 2018 and who are warming up to impeachment now.

As a practical matter, impeachment figures to dominate Congress's agenda.

The risk of a government shutdown later this autumn is higher. Currently, funding for federal agencies is set to run out Nov. 21. Don't be surprised if the fight over impeachment torpedoes efforts to extend funding for the rest of fiscal year 2020.

The parties will continue talks on OKing the new North American trade pact.

But impeachment makes any progress on this and other big bills less likely.

In the long run, look for impeachment to become more common during times when the White House and the House of Representatives are held by different parties. Democrats' quest to impeach Trump will set a precedent that Republicans won't forget.

### Housing Forecasts

	2019 % change	2020 % change
Single-family starts	-0.3%	2.3%
Multifamily starts	0.5%	-5.0%
New-home sales	8.0%	-2.5%
Existing-home sales	0.0%	1.2%
Year-end 30-year mortgage rate	3.5 % points	3.5 % points
Year-end price change	3.5%	3.5%

**JOBS**

The impeachment drama matters less to Wall Street than the economy does.  
And the latest jobs report indicates that the economy is OK, though slowing. A gain of 136,000 jobs in Sept. isn't spectacular, but it's consistent with a labor market that, while losing some momentum, is still sound. Revisions to prior months' reports added 45,000 more jobs. Wages are up solidly. The jobless rate is the lowest since 1969.  
The usual trouble spots, retail and manufacturing, come as little surprise.  
Retailers shed more jobs than they created for the eighth month in a row, for instance.

**U.S.  
ECONOMY**

The Federal Reserve will quietly reverse course on shrinking its balance sheet at its next meeting, at the end of the month. Last month's shortage of cash in the banking system, which forced the Fed to inject reserves into financial markets, resulted in a temporary upward blip in short-term interest rates. To avoid a repeat, the Fed intends to restart its program of buying Treasury bonds, which it phased out in 2014 as part of its bid to push rates higher. It plans to buy between \$750 billion and \$900 billion in Treasuries over the next two years to ensure adequate liquidity.  
The policy change is yet another reason to expect interest rates to stay low.

Manufacturing is going from bad to worse, with fresh signs of a downturn that is hitting factories in the U.S. and across the world. The trade war is one factor, as is the continuing strength of the U.S. dollar, a headwind for American exports. Inventories and purchases of materials are falling...clear signs of business pessimism. Federal data just showed the first decline in U.S. manufacturing jobs in six months.

The downturn isn't yet severe. But it bears careful watching. If job losses in the sector start to push up the unemployment rate, consumers could get nervous. And if they pull back on their spending, the whole economy can expect to suffer.

Good news for landlords: Apartment rents keep climbing, despite the pickup in home sales. Nationwide, vacancy rates are stable, and apartment construction is at its lowest level in five years. So figure on rents rising by about 4% on average.

There are some metro areas that are bucking the trend, though. In Tampa and Jacksonville, Fla., for instance, construction is outpacing demand, which means that rents won't rise as much. Ditto, San Antonio, Texas. Rent growth is also slowing in Las Vegas, Los Angeles and Orlando. All three markets were soaring not long ago.

**GLOBAL  
ECONOMY**

Expect more plot twists in the Brexit drama as the Oct. 31 deadline looms. British Prime Minister Boris Johnson says he'll take the U.K. out of the EU with or without a new deal governing trade and other relations with the bloc. But Parliament and Britain's Supreme Court have hampered his ability to proceed.

Don't be surprised if the U.K. finds a way to punt on a decision yet again, since Parliament passed a law requiring an extension if Johnson can't strike a deal or win a parliamentary vote favoring a no-deal Brexit by Oct. 19. Another extension would likely force a new general election early next year, which the Conservatives stand to win. That outcome could give the PM more leverage to push a no-deal Brexit.

Japan's economy is doing OK. But the global economic slowdown is a risk for the export-reliant nation. Growth is also likely to slow in the fourth quarter because of another scheduled increase in Japan's sales tax, which will crimp spending.

The Japanese central bank is ready to provide more stimulus in the event that its economy takes a bigger hit from the trade war between China and the U.S. The world's third-biggest economy trades heavily with both of the two top economies.

A modest trade deal with the U.S. is unlikely to provide much of a boost to Japan's growth rate. So far, the agreement doesn't reduce U.S. tariffs on imports of Japanese cars and auto parts, which account for 38% of Japan's U.S. sales. Tokyo and Washington will return to the bargaining table for more extensive talks next spring. *(More about the upsides of the deal for U.S. farmers on the next page.)*

2020

Will his son's work for a shady Ukrainian firm cost Joe Biden politically?  
It certainly won't help the Democratic candidate win his party's nomination for president or defeat President Trump in 2020. Trump and his political allies are already prepared to hammer Biden on his son's business dealings in Ukraine, as well as China, hoping it will hobble the former vice president's candidacy.  
But it's by no means a fatal blow unless clear evidence of wrongdoing comes to light. The controversy is unlikely to change many Democratic votes. And it may be old news by the time the primaries kick off early next year.  
Plus Biden has other reasons to worry about his presidential chances. He's shown signs of faltering in polls taken before the Ukraine story went viral. His tepid fund-raising numbers in the third quarter are another warning sign.

TRADE

Some good news on the trade front: A preliminary deal with Japan to lower or eliminate tariffs on U.S. agricultural and digital goods. The agreement goes into effect early next year and sets the stage for more extensive negotiations.  
Both portions of the deal mimic the terms of the Trans-Pacific Partnership, the Obama-era trade agreement from which Trump withdrew his first year in office.  
Tariffs will decrease for \$7 billion in U.S. ag exports, including corn, wheat, beef, pork, almonds and various fruits and vegetables. Japan imports \$13 billion of U.S. farm goods annually, making it America's fourth-largest ag export market.  
Also expect fewer obstacles to digital trade. The deal bars data localization, barriers to cross-border data flows and customs barriers on digital products.  
An issue to watch: Trump's threat to impose new tariffs on Japanese autos and auto parts, a sticking point in the previous round of negotiations. Trump says he has no plans to do so anytime soon, but Japan wants a formal commitment.

AG

Another burst of wet weather is threatening to slow this year's fall harvest, similar to 2018, when the second-wettest autumn on record forced farmers throughout the Midwest to wait for their fields to dry out before harvesting crops. Early forecasts say this fall won't be quite as wet as last year's, but this month will still bring above-average precipitation to large swaths of the Farm Belt.  
It's the latest of farmers' numerous weather woes this year. Heavy rains and flooding this spring caused economic damage and significantly delayed planting.  
Late planting has already put them behind schedule. 11% of the corn harvest and 7% of the soybean harvest are complete, vs. 25% and 22% this time last year.

A growing number of farmers are choosing to store grain rather than sell it in the fall, hoping to get a better deal later on. While grain prices are low in general, they tend to improve for farmers who store their crop and wait to put it on the market until after the prime harvest months...Sept., Oct., Nov. Hence the steady growth in on-farm grain storage capacity, which reached a record 13.5 billion bushels last year. Farmers have added roughly 1.6 billion bushels of storage capacity in the last decade.

LABOR

More workers will be eligible for overtime pay, thanks to a long-awaited rule from the Dept. of Labor. Starting Jan. 1, 2020, employees earning up to \$684 per week, or \$35,568 per year, must be paid time-and-a-half for all hours worked beyond the standard 40-hour workweek, up from \$23,660 today. The salary threshold hasn't changed since 2004. The new rule notably doesn't index this threshold to keep pace with inflation, but Labor officials plan to update it more frequently.  
Some tips for employers: Look at your payrolls now to prepare for the shift. Weigh the pros and cons of reclassifying an employee versus paying a higher salary. Remember that duties, as well as pay, determine whether an employee is eligible for overtime pay. Consider a system to cap the amount of overtime hours worked.

**HOUSING**

The housing market has perked up lately as interest rates have fallen. In Sept., mortgage rates fell to the lowest level in nearly three years, and figure to stay low for most of 2020. Home sales and housing starts are up a bit in recent months, and it looks like 2019 will finish at least equal to last year's tallies. But keep an eye on a couple of worrying signs that are beginning to emerge. New listings are falling behind and inventories are starting to fall again after picking up modestly in the past 12 months. That means the long slowdown in housing price growth may be nearing an end as inventories tighten in many states. Economic uncertainty could weigh on housing demand. 44% of buyers expect a recession this year or next. Would-be sellers, too, may be holding off.

**TECH**

Costly ransomware cyberattacks have been on the rise in recent months. It's a reminder for businesses to shore up their defenses against hackers who want to infiltrate computer networks and lock down data until a ransom is paid. Among the basic security steps to take: Back up systems and sensitive data on a regular basis. Refresh employees on how to spot e-mails with malicious software hidden in a link or attachment. Make sure security updates are installed regularly. Don't expect such attacks to subside. Having a response plan is critical.

5G wireless technology vendors are cheering an unprecedented head start. Over 20 wireless operators around the world will have some kind of 5G service in 2019 and over 20 device makers, from Samsung to Sony, will sport 5G-ready phones. In 4G's first year, only four operators and three device makers were ready at launch. But U.S. companies are also worrying about major challenges to 5G's rise. Among their top concerns: The feds taking a tough antitrust stance on Big Tech, hindering large chipmakers and other suppliers. Intellectual property theft in China and elsewhere going unpunished. And the lack of a comprehensive U.S. 5G strategy.

Video games are becoming an even bigger business as gamers of all ages embrace mobile, while more-traditional game consoles and PCs still whip up demand. 41% of consumers play games weekly, and it's no longer just younger males. 40% of gamers play mostly on mobile devices, favoring free hits such as Candy Crush and Pokémon Go, whose sites have advertisements. 65% of these players are female. Subscription gaming services have exploded...from Sony, Nintendo, Google, Microsoft and others. As many millennials have a video gaming subscription service as have a traditional pay-TV subscription...a big shift even from just one year ago. The rise of video gaming as a spectator sport is also bolstering the industry. Over 15 million folks visit Amazon-owned website Twitch daily to watch others play.

**PESTS**

Farms in Calif.'s Central Valley are battling a swarm of furry foreign invaders. Nutria, large semiaquatic rodents, are wreaking havoc on a farming region that is one of America's most vital. The buck-toothed, burrowing mammal can eat 25% of its body weight in plant material daily, causing vast damage to crops, native plants and soil structure. At risk: A host of fruits, vegetables and tree nuts such as almonds. Calif. is spending \$10 million to eradicate the creatures, which reappeared in 2017. Members of Congress from the state are seeking \$7 million in federal aid, too.

Yours very truly,

*Knight/Kiplinger*

**BOARD OF EDUCATION ITEM 12**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** October 23, 2019

**PREPARED BY:** Brett Ridgway, Chief Business Officer

**TITLE OF AGENDA ITEM:** Chief Business Officer Performance Review

**ACTION/INFORMATION/DISCUSSION:** Work Session Discussion

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:** The Board of Education performs a formal annual performance review process for each of its chief officers, each year. The Chief Business Officer's review period is November-October, with the formal review completed in November for the twelve months ending October 31. This year's review covers the period of November 2018 - October 2019.

**RATIONALE/DISCUSSION:** When evaluating a senior executive, it is helpful to use a review model where reviewers may examine leadership behavior in the context of daily and long-term activity and accomplishments. The purpose of performance review is to improve/maintain outcomes by analyzing performance over the review period. The seven sections submitted in the attached narrative organize leadership performance, accomplishments and actions into performance domains established by District 49 for evaluating its chief officers. Additional information is provided in the 360 performance review survey results and in the list of Business performance data attached to the narrative.

**RELEVANT DATA AND EXPECTED OUTCOMES:** Quality feedback to the Chief Officer is a critical ingredient that will help us fulfill the vision of being The Best Choice to Learn, Work, and Lead. Comprehensive performance review is a systematic way to provide that feedback about how well the Chief Officer is meeting the board's expectations and to help guide performance in the coming year(s), assuming it is the desire of the board to retain the officer in the future.

**INNOVATION AND INTELLIGENT RISK:** The very existence of the Chief Officer model, rather than settling for the traditional Superintendent model, speaks to innovation in District 49 that starts at the very top of the organization. The Board of Education, with this model, subjects itself to three times the workload of what other district boards *should* be doing with their superintendent, but by actually performing the reviews each year (when many districts don't) the increased workload for the BoE is actually more than 3x of typical school district boards. Incorporating 360° feedback, the D49 BoE embraces additional innovations by systematically receiving and listening to the observations of people that are working with, and being led by, the chief officers.

The other innovation in play in this process is the fact that the D49 BoE does not provide, and the D49 Chief Officer Team does not ask for, multi-year contracts. Both the BoE and Chief Officer Team believe that such arrangements are counter-productive to a continuous pursuit of performance excellence and also believe that the lack of multi-year contracts is an important covenant with our community that there is no safety provided district executives beyond what most of them experience in their own lives and careers. Very simply, the promise of a job tomorrow is dependent on one's performance today. The D49 community expect that and expresses that through the BoE and the Chief Officer Team heartily embraces that belief as part of employment here.

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Culture</b>	<b>Inner Ring</b> —How we treat each other	<i>The chief officers should lead the way for the entire district in exemplifying our cultural values. The information provided in this performance review process should help validate the Chief Business Officer's effectiveness in this priority pursuit.</i>
	<b>Outer Ring</b> —How we treat our work	

BOE Work Session October 23, 2019  
Item 12 continued

Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	<i>The Chief Business Officer is charged with ensuring that the entire Business Office is carrying out the District 49 strategy in all areas of the strategic priorities represented in the 5 ‘Big Rocks’; with emphasis on <u>establishing trust</u>, <u>community participation</u>, <u>growing a portfolio of distinct and exceptional schools</u>, and facilitating the necessary environment to build <u>firm foundations</u> for all manner of district operations, and <u>launch each student to success</u>.</i>
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	

**BUDGET IMPACT:** Chief Officer salary and benefit costs

**AMOUNT BUDGETED:** Confidentially available to BoE; also available through appropriate CORA process

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Move the Chief Business Officer’s performance review process to an Executive Session discussion at the November regular board meeting.

**APPROVED BY:** Brett Ridgway, Chief Business Officer

**DATE:** October 16, 2019

Date: October 16, 2019

To: District 49 Board of Education

From: Brett Ridgway  
Chief Business Officer

Re: Summary & Observations from CBO 360° Performance Survey

As many of you know from our time together, I value 360° feedback very highly – especially in the kind of leadership role that I have had these last nine years in the district. Your interaction and observation of me is from a periodic interaction and some anecdotal input. When that limited information is coupled with anonymous feedback from 34 individuals throughout our organization (40 were invited to participate), you, as my ultimate reviewers have a more complete set of observations to form your opinion with.

The survey, again, had 34 participants (up from 24 last year and the year before) that self-categorized themselves as either Peers (District Senior Leaders - fellow chief officers, zone leaders, etc.), Business Office direct reports, Other Business Office Members, District Leaders, or Colleagues (which includes persons outside of the district's employ) and, new for this year, VCT (VoW Compensation Team) members. I like the expanded distribution of the participant pool so that you are not only seeing subordinates, but also persons outside of my direct sphere of influence. This year, by adding the 'Other Business Office' segment, 14 members of the Business Office staff were in the invited, out of a pool of 32 – a statistically significant number, but slight minority nonetheless. For 2019, as in the past, we made an effort to have both consistency (some of the same persons participating from last year) and new inputs that had not provided input before. Overall 20/40 of the invited participants were new invitees. That gives us 50 total invitations over the last two years that validate what I am most passionate about: Strong, Intelligent, Servant Leadership, exercised with Consistency, Integrity, and Dedication to the organization, its mission and its goals.

This year's survey questions, like last year, followed a pattern that is consistent with our performance excellence framework. The seven performance domains that map to the seven Baldrige criteria are supplemented with a precursor set of questions related to Personal Leadership and followed with the normal set of open ended / free response questions. Accordingly, the analysis of the 360 feedback will now have direct correlation to the board-approved Targets, Standards, and Evidence goals.

Personally, I think the statistical and graphical representations of the survey data are very useful and I am very appreciative of the report format the vendor has provided. The overall score I gave myself is a bit lower this year than last, but comparable to previous years. My self-scored overall score of 4.06 is the lowest of the groups identified, which I would hope for, so as to not show myself as overly confident or arrogant when compared to how others view me.

In general, I am very happy with the results of the survey. The main reasons are:

10850 East Woodmen Road • Falcon, CO 80831  
Tel: 719-495-1100 • Fax: 719-494-8922 • [www.d49.org](http://www.d49.org)

1. The scoring radar chart on page 3 shows balance and consistency to indicate that I have strengths in all areas. There are four clearly identified strengths, two clearly identified 'lower strengths', and two in the middle. To have 'Personal Leadership' shown as the #1 clear strength is very gratifying and, by itself, provides all I could hope for, and more, in terms of knowing that people view me as a person of ethics, integrity, sound judgement, and accountability that are the focus areas of that section's question set.
2. The overall score on the top of page 4 shows a wider range than normal between how I view of myself and how the survey group rated me – all within the range of 4.06-4.69. That high level of 4.69, which is from 'Other Colleagues', the largest group of respondents, is the highest mark I have achieved in the years doing this, and I am incredibly humbled by that mark
3. In the scoring overview on page 4, the highest mean rating score item shown on page 4 was for Strategic Leadership as perceived by the 'Other Business Office' group (4.91), followed closely by Leadership Development, again from 'Other Business Office' (4.86), and the Strategic Leadership & Personal Leadership score from the Other Colleagues group (both at 4.84). Strengths in those two areas would be what I would personally hope for and actually expect from an Executive level leader in any organization.
4. In the scoring overview on page 4, the lowest mean rating score from the survey group, was the score for Results (3.92) as observed by the VCT group, followed by Cultural Leadership and Leadership through Personnel Management (both at 4.00) as observed by the Senior Leaders group. Even as the lowest scoring items, those scores rank higher than the score I gave myself in those same areas – so good agreement between the survey group and me on my 'relative non-strengths'. The fact that that group grades me the same or higher than I grade myself is a positive to indicate that these are no real 'blind spots', just consistently recognized areas of relative non-strengths in contrast to real strengths.
5. In the scoring overview on page 4, the item that shows the greatest disparity of a score below the average for that category was the 0.50 point difference between the VCT score for Results (3.92) to the average grade for me in that category (4.42). I see this as an anomaly that warrants some exploration to determine if it is lack of information, inadequate quality or quantity of information, or something else. The second largest gap of 0.33 is seen in Cultural Leadership, where Senior Leaders (4.00) scored me lower than the full category average of 4.33.
6. In the scoring overview on page 4, the item that shows the greatest disparity of a score above the average for that category is the 0.39 point difference between the VCT score for Leadership through Personnel Management (4.69) to the average grade for me in that category (4.30). Question gap analyses between my self-score and the VCT on page 9 show three of the four largest positive gaps in this category.
7. In the gap identification analyses on pages 5-9, there are three total questions with a negative gap of 1.00 or greater, with a high gap of -1.50 in results in HR management question from the VCT group. While I mentioned in #5, above, that the overall VCT results score seemed to be an anomaly, this observation gives me a clear starting point for the exploration work I mentioned there. Members of the BOLT (Business Office Leadership Team – aka Business

10850 East Woodmen Road • Falcon, CO 80831  
Tel: 719-495-1100 • Fax: 719-494-8922 • [www.d49.org](http://www.d49.org)

Office Direct Reports) identified the second largest negative gap on the question of ‘Creates a view of the future that is understandable & attainable’. This is great, clear, feedback from my most important multi-rater group. I will definitely focus and pursue improvement on this area in the future.

8. Some key positive phrases that I appreciate from the Qualitative Responses on pages 23 - 27 are highlighted by the comment submitted saying “Brett is open and honest and isn't afraid to share criticism when due and praise when deserved.”. I love the balance that the comment implies. Another particularly meaningful comment states: “Even though I do not report to Brett, he has invested in my professional growth and development. He offers me feedback and has invested his own time to help me grow as a leader.” That is very gratifying as I would endeavor to be such a resource to anyone that seeks or needs something that I can provide. This is affirmed by a comment that starts with “His strategic thinking inspires me to do better...”. I appreciate that comment very much because, as an introvert, I could normally only hope to provide that kind of impact on someone. The fact that I apparently have done that certainly brings a smile to my face. There are other positive comments that are very meaningful, of course, including ones that talk about creativity, honesty, available & supportive, high expectations for excellence, and being well informed about what’s happening in the state overall.
9. Some key phrases that indicate areas for improvement from the Qualitative Responses on pages 25 - 27 (particularly page 25) include providing an opportunity for mentoring exchanges, maximizing coordination across offices, and to seek simpler solutions with a noted ‘bias for making things complex’. All good stuff, good feedback that I can and should put some focused energy toward in the coming year.

I will, again, issue the invitation to the survey group for anyone who participated to come visit with me about their feedback so I can gain clarity, specific examples, and additional insights about any particular strengths or OFI’s. People have responded to this in the past, including to discuss OFI’s. So, I hope people will respond this year as well.

From this feedback, items I would like to focus on over the next year include:

1. Be out in the buildings more, meeting folks, answering questions, presenting material to them, etc.. The comments suggest that, I feel a need for that, and the Voice of the Workforce survey results also would suggest that in the scoring applied to trust in senior management.
2. I would like to continue focus on and with Human Resources in the coming year. Many people will always see me as ‘the finance guy’ with either a simple/innocent predisposition to that portion of the business office or a more concerning bias that I would like to level out.
3. I really want to spread the Cultural Compass Survey process, to inform annual evaluations of staff, to a much larger group of people across all offices. This has been a valuable tool for me and the members of the BOLT and others should have the benefit of that opportunity.

Thank for your time reading this information and considering it in my overall performance review.

Title Evaluation of Chief Officers  
 Designation CBI-R  
 Office/Custodian Board of Education/Executive Assistant to BOE and Director of Human Resources

### Performance Review Cycle for the Chief Officers

The Board shall review the chief officers according the following schedule:

	<b>Performance Timeframe</b>	<b>Work Session</b>	<b>Regular Meeting</b>
Chief Operations Officer	September – August	August	September
Chief Education Officer	October – September	September	October
Chief Business Officer	November – October	October	November

At its January regular meeting, the board shall consider continued employment of each chief officer in the next fiscal year. In the event that a January board meeting does not take place, the board shall consider the matter at its next regular meeting. The Action Item shall include, for each officer, for their next evaluation cycle, Operational Targets and set the structure for Strategic Priorities that will be defined from the Annual Planning Summit, in the format prescribed in this regulation. By approval of an action item, the Board may express its intent to continue employment. Such action is not a promise or guarantee of a contract for the next fiscal year. The board may delay consideration of continued employment for a chief officer who is new to the position or on a performance improvement plan.

## Review of Chief Officer Performance

This package presents information and evidence for the informed review of performance of the Chief Business Officer for the 2018/2019 review period as described on the prior page. The format of this presentation will use BOE policy regulation CBI-R as the framework for presenting the information and evidence.

*District 49's improvement in Performance Excellence has been constant and consistent. One component is the Annual Performance Review of each of the Chief Officers – the process and intention which is documented in this regulation and the overlying policy CBI. A key, perhaps the key, piece of the Annual Performance Cycle, is the starting point of that 24-month process, which is the Annual Planning Summit. The important memorialization of that meeting is the Chief Officer Objectives for the performance period.*

*- Please see the 2019 Chief Officer Objectives document in the evidence package, page 1.*

Evaluation Domain	Target	Standard(s)	Evidence
<b>Leadership</b> (Vision & Culture)	The Officer shall direct a comprehensive and coordinated program that leads to systematic and measurable achievement of Goals.	<ul style="list-style-type: none"> <li>Recognition and promotion for Office team members.  <i>- The Business Office participated in the inaugural service and support stars with two members included and honored.</i> </li> <li>Encourage sustainability and momentum in Office Departments &amp; major processes that is independent from personnel involved.  <i>- Primary examples include the annual production and publication of: (1) CAFR, (2) State of the Workforce, (3) Adopted and Amended Budgets, and (4) the soon to be inaugural External Partners &amp; Vendors Report.</i> </li> </ul>	<ul style="list-style-type: none"> <li>Routine data analyses to identify areas of strong practices and programs as well as opportunities for improvement.  <i>- Inclusion of reports for, and presentation of portions of, the YTD Financial Results of the district at each BoE work session in addition to regular updates from HR, Purchasing, Risk &amp; Benefits, &amp; Facility Planning in each Work Session Business Office Report.</i> </li> <li>Intentional abandonment and/or reengineering of failing practices and programs (i.e. process improvement).  <i>- The appropriate and timely (i.e. quick – after only one year) abandonment of PaySchools for processing of student participation fees in favor of Rycor which, by all early indications including user feedback, is a far superior platform.</i>  <i>- The Business Plus conversion that occurred over the course of 2018/19 encountered several opportunities for process improvement. There are still opportunities to pursue, but much was done according to planning and ‘on the fly’.</i> </li> </ul>

Evaluation Domain	Target	Standard(s)	Evidence
<b>Strategy</b> (Mission & Strategy)	The Officer shall promote and embed the district's strategic priorities and initiatives into all decisions and actions.	<ul style="list-style-type: none"> <li>Concrete examples (narratives) of activities where the Officer emphasized the strategic plan and caused other stakeholders to support and prioritize strategic initiatives.  <i>- The Chief Officer Team followed through on a desire to replace the Performance Planning and Reporting tool (CASCADE) with a tool that would better fit with our intended path toward Performance Excellence. That tool, Envisio, was implemented in the summer of 2019 with an intentionally deliberate (i.e. moderately paced) implementation so that the entire SLTP (Service &amp; Leadership Team + Principals) can grow into this application together. The intention is to not leave anyone too far behind someone else who might otherwise pursue Envision with great enthusiasm that, while well intended, also might cause them to go too far down an incorrect path that requires significant rework.</i> </li> </ul>	<ul style="list-style-type: none"> <li>Documents, decisions, or other artifacts from strategic planning sessions or implementation activities.  <i>- Please see the <u>Performance Planning Architecture</u> document in the evidence package, page 9.</i> </li> <li>Specific proposals, projects, routines, or other activity that leads to a measurable improvement in any of the five strategic priorities.  <i>- The overwhelming evidence of improved and improving relationship with our community prescribed by the foundational rock of 'Trust' was the passage of ballot measure 2018-4C on November 6, 2019 by a 2-1 margin!</i> </li> </ul>

Evaluation Domain	Target	Standard(s)	Evidence
<b>Customers</b> (Customer Engagement & Service)	The Officer shall identify and implement cultural practices that foster an invitational and welcoming atmosphere in the Office departments, and at district events and programs.	<ul style="list-style-type: none"> <li>Identifying &amp; encouraging practices that invite and welcome individuals of many backgrounds, abilities, and perspectives; while identifying &amp; limiting barriers and deficits to those individuals so that our culture fosters learning, working, or leading to a person's best potential.</li> <li><i>- The VoW (Voice of the Workforce) Compensation Team – VCT, is a prime example of this standard. The VCT met three times in the spring of 2019, which we referred as 'Season 3'. The process started with the TCTF (Teacher Compensation Task Force) in the spring of 2015, resurrected in the spring of 2017, and converted to VCT in the spring of 2018. In 2018, we added ESP and Professional-Technical staff, intentionally excluding Administrative staff representation to ensure the non-admin staff had clear, unfettered, access to Chief Officer and Human Resources.</i></li> </ul>	<ul style="list-style-type: none"> <li>Supports for the District's Cultural Compass and individual points on the compass.</li> <li><i>- The Business Office holds several 'all staff' (BOT – Business Office Team) meetings through the course of the year (usually quarterly at least). A normal part of that meeting is a significant investment in going around the entire group to find out what's going on in each person's life. While this process and pattern actually predates the cultural compass, it is a clear demonstration of 'Care' from the inner circle of how we treat each other.</i></li> <li><i>- Annual Performance Reviews are important to having clarity about each persons' role and relative success in that role. All Direct Reports of the CBO received a review for 2018/19, and all but two members of the BOT have received their review for 2018/19. The final two should be presented their reviews and have the requisite conversations before the end of October.</i></li> </ul>

Evaluation Domain	Target	Standards	Evidence
<b>Measurement, Analysis &amp; Knowledge Management</b>  (Learning & Improvement)	The Officer shall lead by developing and unifying a strong team of learners, workers, and leaders through high expectations, supportive supervision, and fair evaluation.	<ul style="list-style-type: none"> <li>Activities to identify and unify leadership teams around the Strategy and Culture of Continuous Improvement (SCCI).  <i>- 2x month BOLT (Business Office Leadership Team) meetings – one of which is connected to the monthly SLT (Service &amp; Leadership Team) meeting have the normal and natural result to discuss and strategize areas for process improvement.</i></li> <li>Supportive communications that affirm excellent performance and support for our strategic plan and cultural compass.  <i>- When four members of the BOT were given specific recognition for the successful conversion of Payroll as part of the Business Plus conversion, each person received a letter/memo from the CBO expressing gratitude for their efforts and describing specific, unique, examples that deserved the gratitude. Each of those letters were delivered to the individual and those letters were also placed in their HR file to forever memorialize their exemplary effort and work on the project.</i></li> </ul>	<ul style="list-style-type: none"> <li>Communications that notes performance relative to District Vision, Mission as well as Office Statement of Purpose &amp; Intent (SOP).  <i>- Specific attention was given to the District's Educational Performance Results in a BOT meeting on September 9, 2019 by having Chief Education Officer Peter Hiltz come to the BOT meeting and present those results.</i></li> <li>Initiatives to optimize the workforce through clarified job descriptions, reporting relationships, and recruiting new talent to the district.  <i>- The Business Office invested significant time and energy in pursuit of the Gallup Clifton Strengthfinders process and theory. Each BOT member now knows what their 'Top 5 strengths' are and we continue to pursue the process to deeper levels. The BOLT focuses on the idea/hope that each person can not only know what their strengths are, but also know that every other person in the BOT has a unique set of strengths to bring to daily and/or project work opportunities.</i></li> </ul>

Evaluation Domain	Target	Standards	Evidence
<b>Workforce</b> (Workforce Service & Development)	The Officer shall establish and improve a culture of leadership development that leads to increased clarity, accountability, and performance of all District leaders.	<ul style="list-style-type: none"> <li>Direct participation in professional development sessions to improve district leaders' capacity to effectively embrace best business practices.  <i>- I continue to participate with Colotrust as the Vice President of their Board of Trustees. The BoE benefits from this by being privy to state and national economic data received through that.</i></li> <li>Identification of leadership strengths and leadership deficits for Office leaders to improve leadership practices in their areas of responsibility.  <i>- I also received an appointment from the State Board of Education to represent them on the Colorado Capital Construction Assistance Board (CCCAB).</i></li> <li><i>- The Annual Performance Review process for members of the BOLT includes a 'Cultural Compass Orientation' survey component. That feedback, combined with my own observations and the self-assessment of each BOLT member to provide a complete picture of performance and opportunities for future development.</i></li> </ul>	<ul style="list-style-type: none"> <li>Industry-wide and/or state-wide input to issues and/or presentations related to such.  <i>- I have invested significant time this year with the state's Interim Legislative Committee on School Finance. This investment of time, energy, and political capital, has been almost self-directed on its own – meaning my involvement has been encouraged and requested by those legislative members of the interim committee and legislative staff at least as much as it has been pursued from my end. To date, I have met 23 times in small, mostly one-on-one, settings with more being encouraged and organized by those same folks to further the discussion. I am optimistic that some positive change will come from this investment – if not now in the near future.</i>  <i>- Please see the <u>Reset – Level Set – Finding a Way Forward</u> presentation materials in the evidence package, page 10</i></li> </ul>

Evaluation Domain	Target	Standards	Evidence
<b>Operations</b> (Efficient & Effective Management)	The Officer shall lead their relative piece of the district's strategy by communicating clearly, regularly, and effectively to a variety of audiences through an assortment of methods and media.	<ul style="list-style-type: none"> <li>Written messages, personal presentations, and multimedia content.  <i>- I took personal ownership of establishing and documenting go-forward strategy for Mill Levy Override revenue after the successful passage of 2018-4C.</i>  <i>- Please see MLO revenue board packet presentation and documentation materials in the evidence package, page 42</i> </li> <li>Use of Communications Department and related resources to widen/deepen the understanding of business issues.  <i>- The most current issue that has been coordinated with Communications, the Board of Education and the Chief Officer Team is that of the land transfer issue with Aspen View Homes. This has been a multi-faceted approach that involves board meeting presentations and updates, direct communications with board members, issue update press releases and provision of information to media outlets upon request, communications with interested parties (including FCBC and specific homebuilders and developers).</i> </li> </ul>	<ul style="list-style-type: none"> <li>Direct messages to district staff, parents, and other stakeholders.  <i>- I participate whenever requested to provide input to Communication department publications like A Peak Inside.</i>  <i>- Please see the <u>A Peak Inside</u> article and original draft in the evidence package, page 40</i>  <i>- I provided a direct message to the D49 staff at the 2019/20 Peakview Event</i> </li> <li>Specific feedback from recipients, including surveys, comments, and responses.  <i>- VoW survey feedback that is consumed at various levels of detail including District-wide, Business Office specific and subgroups within the Business Office that are large enough to prevent the identification of specific individual feedback.</i> </li> </ul>

Evaluation Domain	Target	Standards	Evidence
<b>Results</b>	A list of results for specifically measured, items - Measurements that provide the bulk of, if not all of, the Quantitative Performance Targets portion of the performance review.	<ol style="list-style-type: none"> <li>1. Student Learning and Process Results: What are your student learning and process effectiveness results?</li> <li>2. Customer Results: What are your customer-focused performance results?</li> <li>3. Workforce Results: What are your workforce-focused performance results?</li> <li>4. Leadership and Governance Results: What are your senior leadership and governance results?</li> <li>5. Budgetary, Financial, and Market Results: What are your results for financial viability?</li> </ol>	<p><i>Standards 3-5, as documented in sections 7.3-7.5 of the Annual Performance Report are the relevant sections to the Business Office.</i></p> <p><i>- Please see the <u>2018 Performance Review</u> sections 7.3-75 in the evidence package, page 59</i></p>

# 360 Feedback Report

## Brett Ridgway

September 30, 2019

# About Your Report

Presented on the following pages are the results of the multi-rater feedback process completed by you and your raters. The use of multiple raters increases the reliability and validity of the conclusions of this report. This report can help you to:

- Encourage candid and honest communication between you and your colleagues
- Help you identify your professional strengths and developmental opportunities
- Give you the opportunity to improve your skills by being more aware of others' perceptions and observations of your performance
- Guide your conversations with your colleagues to ensure you remain informed of their observations and suggestions

## Your Respondents

The following respondents were invited to participate in your multi-rater feedback process.

Total Respondents	34
Self	1
Senior Leaders	7
Other Business Office	3
Other Colleagues	9
Business Office Direct Reports	9
VCT	5

## Rating Scale

This assessment used the following rating scale when raters provided their feedback.

Practically Never demonstrates this attribute	1
Rarely demonstrates this attribute	2
Sometimes demonstrates this attribute	3
Usually demonstrates this attribute	4
Virtually always demonstrates this attribute	5
Not enough information to rate	N/A

## 2019 Chief Officer Objectives

In response to inputs from the VoW Annual, VoW Learning Tour, external site review, our financial audit, workforce report, and other inputs, the BOE and chief officers have established these seven priorities for 2019:

OBJECTIVE	LEADERSHIP
1 D49 will prioritize our practice of <b>valuing the educational support personnel (ESP)</b> segment of our workforce by considering three emphases: 1. Strategic compensation, including recognition of relevant experience, relevant certifications, and the competitive employment climate. 2. Empowering ESP staff through access to training, equipment, and data systems. 3. Respecting ESP staff through differentiated VoW strategies, inclusion in staff meetings and training, and systems to recognize excellent performance by ESP colleagues.	CBO, CEO, COO
2 D49 will <b>prioritize strategic compensation</b> by continuing to convene the VoW Compensation Teams (VCT); and by continuing to make budget recommendations informed by total compensation comparisons and strategic priorities.	CBO and CEO
3 D49 will <b>prioritize professional learning and career development</b> for all workforce members. We will build on the success of peer-driven professional development (PD <sup>2</sup> ) and individually paced professional learning to offer our workforce more leadership of their own learning.	CEO
4 D49 will <b>prioritize the Enhanced Security Initiative</b> to integrate the Voice of the Community and security experts in adopting and implementing measures to enhance security across the district.	COO and CEO
5 D49 will <b>prioritize strategic facility planning</b> by managing the interaction of enrollment growth, revenue projections, facility life cycles, and electoral dynamics.	COO and CBO
6 D49 will <b>prioritize technology service and quality</b> by learning more about user experiences and expectations and by resetting service level standards and the contract cycle for outsourced IT services.	COO, CBO, and CEO
7 D49 will <b>review the strategic priorities</b> (big rocks) as part of the tri-annual review of that portion of our organizational profile.	CBO, CEO, COO

These priorities are not numbered to indicate priority between them, simply to distinguish one from another in conversation. Only one of the seven priorities are assigned to a single chief officer (#3 to CEO). Each Chief Officer is assigned leadership in four priorities.

The Board of Education endorsed these priorities at the Annual Planning Summit on February 2, 2019. Following presentation of these priorities to the public at the February 27, 2019 Board of Education work session, each Chief Officer will present goals specific to their role, and to their office of oversight, to be used in their annual performance reviews in the fall of 2019.

**1 Valuing Education Support Personnel who provide direct service to students and parents, or provide organizational support that is critical to district success, will reinforce that all workforce segments add value.**

<b>Why?</b>	How is this plan aligned to one or more cultural commitments or strategic priorities?	<p>Through the VoW Annual survey, and the VoW learning tours, we learned that ESP colleagues feel undervalued in terms of compensation, empowerment, and respect. Our objective to value education support personnel reflects those three dimensions. D49 will prioritize our practice of valuing the educational support personnel (ESP) segment of our workforce by considering three emphases:</p> <ol style="list-style-type: none"> <li>1. Strategic compensation, including recognition of relevant experience, relevant certifications, and the competitive employment climate.</li> <li>2. Empowering ESP staff through access to training, equipment, and data systems.</li> <li>3. Respecting ESP staff through differentiated VoW strategies, inclusion in staff meetings and training, and systems to recognize excellent performance by ESP colleagues.</li> </ol> <p>Cultural Compass: Respect, and Care.   Big Rocks: Purpose and Teamwork</p>
<b>Who?</b>	Who has leadership along with primary responsibility and accountability? (RACI)	<p><i>R All three offices employ education support personnel, with significant concentrations in operations and education. Therefore, all three chief officers share ownership.</i></p> <p><i>A The chief officers, along with leaders who supervise ESP are accountable</i></p> <p><i>C CO's will consult with HR and payroll related to positions and compensation, Learning Services/IT for training and equipment, and supervisors for respect and recognition.</i></p> <p><i>I CO's will inform all senior leaders and the BoE specifically, and all other workforce members generally through our Peakview communications system.</i></p>
<b>What?</b>	What work or support process may be monitored and adjusted as needed?	<i>Because it is such a comprehensive issue, this objective will require adjustments to position, compensation, professional learning, and recognition processes.</i>
<b>When?</b>	What is the timeline of activity and completion for this plan?	<i>This objective will begin immediately, with progress monitored on the 2019 VoW and a more summative evaluation on the 2020 VoW and 2020 Workforce report.</i>
<b>How Well?</b>	What key performance indicator (KPI) will provide a credible report of performance?	<ul style="list-style-type: none"> <li>• Specific programs established and operational for improving recognition of ESP staff</li> <li>• Improved VoW participation rates and satisfaction levels as reported by ESP</li> <li>• ESP participation in professional learning and scores on the "obstacles" question</li> <li>• Improved VoW scores and comments related to respect and recognition</li> <li>• Retention levels and trends for workforce categories in the ESP segment</li> </ul>

## 2 Strategic compensation, including recognition of relevant experience, relevant certifications, and the competitive employment climate.

<b>Why?</b>	How is this plan aligned to one or more cultural commitments or strategic priorities?	<p><i>Strategic Compensation is D49's best and only way to compete in an environment that provides less funding to D49 than to other surrounding districts.</i></p> <p><i>Cultural Compass: Innovation, Respect, and Care.</i></p> <p><i>Big Rocks: Enduring Trust, Community Engagement.</i></p>
<b>Who?</b>	Who has leadership along with primary responsibility and accountability? (RACI)	<p><i>R CBO will lead and have primary responsibility</i></p> <p><i>A CEO, COO, DHR all have accountability to make sure it happens productively.</i></p> <p><i>C VOW Compensation Team (VCT), Zone Leaders, BoE shall be consulted to shape the final decisions and actions.</i></p> <p><i>I All other staff shall be informed of the results.</i></p>
<b>What?</b>	What work or support process may be monitored and adjusted as needed?	<p><i>Placement of new hires on their appropriate pay schedule</i></p> <p><i>Zone leaders and principals will collaborate on investing the 5% recruit and 5% retain funds for strategic purposes.</i></p>
<b>When?</b>	What is the timeline of activity and completion for this plan?	<p><i>This work will principally occur in the spring to inform the coming budget year.</i></p>
<b>How Well?</b>	What key performance indicator (KPI) will provide a credible report of performance?	<ul style="list-style-type: none"> <li><i>Results of VCT participation and feedback to the process employed to identify and clarify issues and solutions.</i></li> <li><i>Results of 2019/20 new hire feedback, gleaned from survey data, VoW survey and Learning Tour results, and anecdotal feedback.</i></li> </ul>

*Subcommittee and Project work from the Spring 2019, Season 3 of VCT are proceeding in the fall of 2019 and all are on target to meet full VCT presentation target of January 16, 2020.*

**3 D49 will prioritize professional learning and career development for all workforce members.**

<b>Why?</b>	How is this plan aligned to one or more cultural commitments or strategic priorities?	<i>Supporting professional learning and development is perfectly aligned to True North on our cultural compass as well as our commitments to teamwork and purpose. Our work is learning and depends on learning, so this objective addresses how we treat our work. Professional learning and development is also an engagement strategy because our workforce is part of our community and enhancing the capacity of our colleagues make our community stronger.</i>
<b>Who?</b>	Who has leadership along with primary responsibility and accountability? (RACI)	<i>R The CEO, in strong collaboration with the Learning Services department, is responsible for leading and monitoring efforts to improve learning and development.</i>
		<i>A All senior leaders, and individual employees are accountable to take advantage of learning and development opportunities.</i>
		<i>C Learning services and other senior leaders will consult with all employees as well as partners and suppliers who provide professional learning and development.</i>
		<i>I The CO's will inform the HR department as well as the BoE about progress to enhance and elevate professional learning.</i>
<b>What?</b>	What work or support process may be monitored and adjusted as needed?	<i>Our systems for designing, marketing, evaluating and improving professional learning are all subject to continuous improvement efforts, so we will innovate or incrementally improve all aspects of professional learning for all workforce segments.</i>
<b>When?</b>	What is the timeline of activity and completion for this plan?	<i>Primary improvement planning will conclude in July, with implementation commencing at the Leadership Launch event and continuing throughout the 2019-2020 school year.</i>
<b>How Well?</b>	What key performance indicator (KPI) will provide a credible report of performance?	<ul style="list-style-type: none"> <li>• <i>Participation in all Aha! Network learning opportunities</i></li> <li>• <i>Satisfaction rating levels and trends for PL programs</i></li> <li>• <i>Participation and ratings for Pro Day learning opportunities</i></li> </ul>

**4 D49 will prioritize the Enhanced Security Initiative to integrate the Voice of the Community and security experts in adopting and implementing measures to enhance security across the district.**

<b>Why?</b>	How is this plan aligned to one or more cultural commitments or strategic priorities?	<i>D49 has a clear legal and moral obligation to students, staff and the community to (1) regularly assess our readiness for security threats and (2) constantly improve our prevention of and reaction measures for potential threats.</i>  <i>Cultural Compass: Trust, Responsibility, Care, Teamwork, Innovation, Learning, Purpose</i> <i>Big Rocks: Enduring Trust</i>
<b>Who?</b>	Who has leadership along with primary responsibility and accountability? (RACI)	<i>R COO will lead and have primary responsibility</i> <i>CEO, Dir of Safety and Security, Zone Leaders, Building Leaders, and Facilities</i> <i>A Directors each have accountability to ensure effective preparation, emplacement, and execution of security measures and procedures</i> <i>C CBO, TQAM, Dir of Communications, Dir of Transportation, Nutrition Services Dir</i> <i>I BOE, Dir of Culture and Services, Executive Dir of Learning Services, Executive Dir of Individualized Education</i>
<b>What?</b>	What work or support process may be monitored and adjusted as needed?	<i>Routine internal vulnerability assessments must be conducted and reviewed. The Enhanced Security Community Advisory Team (ESCAT) must meet regularly to consider and propose initiatives to enhance security</i>
<b>When?</b>	What is the timeline of activity and completion for this plan?	<i>BOE-supported security enhancement measures will each be implemented on distinct timelines, depending on the complexity and resource requirement of each initiative.</i>
<b>How Well?</b>	What key performance indicator (KPI) will provide a credible report of performance?	<i>For each initiative, set a planned timeline for completion and then track progress towards completion along that timeline</i>

**5 D49 will prioritize strategic facility planning by managing the interaction of enrollment growth, revenue projections, facility life cycles, and electoral dynamics.**

<b>Why?</b>	How is this plan aligned to one or more cultural commitments or strategic priorities?	<p><i>Strategic Facility Planning is key to D49's future. Educational and support facilities must match constantly growing requirements to ensure D49 consistently achieves its Vision and Mission. D49 also has an obligation to the community to ensure effective and efficient use of resources by exemplifying proactive planning that anticipates requirements.</i></p> <p><i>Cultural Compass: Purpose, Teamwork, Care, Responsibility, Trust</i>  <i>Big Rocks: Enduring Trust, Community Engagement, Firm Foundations.</i></p>
<b>Who?</b>	Who has leadership along with primary responsibility and accountability? (RACI)	<p><i>R COO will lead and have primary responsibility.</i></p> <p><i>A CBO, Facility Directors &amp; Community Planning Mgr. all have accountability to make sure it happens productively.</i></p> <p><i>C Zone Leaders, BoE shall be consulted to shape the final decisions and actions.</i></p> <p><i>I All other staff &amp; community shall be informed of the results.</i></p>
<b>What?</b>	What work or support process may be monitored and adjusted as needed?	<i>Demographic modeling and planning will need to have current data that is complete, valid, and accurate. Planning working groups will research and prepare facility growth or adjustment options for consideration.</i>
<b>When?</b>	What is the timeline of activity and completion for this plan?	<i>This should cover much of calendar 2019, with substantial work and effort completed around fall break of the 2019/20 school year.</i>
<b>How Well?</b>	What key performance indicator (KPI) will provide a credible report of performance?	<i>Establishment of clearly identified and justified facilities requirements for the next 3 to 5 years. Establishment of specific facilities priorities in a particular sequence, tied to expected changes in related input variables also used in financial and school program planning.</i>

*Community Briefings were successfully held in September 2019*

**6 D49 will prioritize technology service and quality by learning more about user experiences and expectations and by resetting service level standards and the contract cycle for outsourced IT services.**

<b>Why?</b>	How is this plan aligned to one or more cultural commitments or strategic priorities?	<p><i>Technology is an essential part of our work and the delivery of educational content to our students. Being informed of, and then attentive to, any deficiencies in design and performance are critically important.</i></p> <p><i>Cultural Compass: Learning, Innovation, Purpose, Responsibility</i>  <i>Big Rocks: Enduring Trust, Firm Foundations, Every Student</i></p>	<p><i>RFP process was appropriately carried out, resulting in the October 11 announcement of Sentinel Technologies as the new vendor selected.</i></p>
<b>Who?</b>	Who has leadership along with primary responsibility and accountability? (RACI)	<p><i>R COO will lead and have primary responsibility.</i></p> <p><i>A CBO, CEO, Technology Quality Assurance Mgr., Purchasing &amp; Contract Mgr. all have accountability to make sure it happens productively.</i></p> <p><i>C Zone Leaders, Ed Tech Team, power users shall be consulted to shape the final decisions and actions.</i></p> <p><i>I All other staff &amp; BoE shall be informed of the results.</i></p>	
<b>What?</b>	What work or support process may be monitored and adjusted as needed?	<ul style="list-style-type: none"> <li><i>Establishment of regular inventory monitoring interpreted by the Technology Master Plan to inform and shape development of budget priorities and sequencing</i></li> <li><i>Establishment of regular reporting of staffing capacity applied to D49 needs by internal and external resources to include measures of both time and expertise</i></li> <li><i>The CEO and LS department will implement systems to train and monitor instructional applications for technology systems.</i></li> <li><i>Revision of IT vendor contract structure to provide clear benchmarks for service performance in support of D49 requirements</i></li> </ul>	
<b>When?</b>	What is the timeline of activity and completion for this plan?	<p><i>Ongoing through calendar year 2019, with substantial work and effort completed around fall break of the 2019/20 school year. An RFP completed, bids received, and contracting vendor selected by end of November 2019.</i></p>	
<b>How Well?</b>	What key performance indicator (KPI) will provide a credible report of performance?	<ul style="list-style-type: none"> <li><i>Distinct measures of network system performance organized into a dashboard for regular monitoring</i></li> <li><i>Execution of an appropriate RFP process as defined and measured in Purchasing &amp; Contract dept. KPI's</i></li> <li><i>Completion of an initial D49 Technology Master Plan for use in projecting and implementing technology requirements in 2020</i></li> </ul>	

**7 D49 will review the strategic priorities (big rocks) as part of the tri-annual review of that portion of our organizational profile.**

<b>Why?</b>	How is this plan aligned to one or more cultural commitments or strategic priorities?	<p><i>An important part of deployment of identity and purpose across the organization is accomplished with the definition of the Vision &amp; Mission, Cultural Priorities, and Strategic Priorities. Reviewing each of these items in a tri-annual cycle is appropriate to validate the relevance and propriety of each item, and every word, illustration, and simplification of those items to ensure they resonate with stakeholders.</i></p> <p><i>Big Rocks: All Big Rocks are subject to revalidation: Enduring Trust, Community Engagement, Portfolio of Schools, Firm Foundations, Every Student.</i></p>
<b>Who?</b>	Who has leadership along with primary responsibility and accountability? (RACI)	<p><i>R CBO will lead and have primary responsibility.</i></p> <p><i>A CEO &amp; COO have accountability to make sure it happens productively.</i></p> <p><i>C Zone Leaders, BoE shall be consulted to shape the final decisions and actions.</i></p> <p><i>I All other staff &amp; community shall be informed of the results.</i></p>
<b>What?</b>	What work or support process may be monitored and adjusted as needed?	<ul style="list-style-type: none"> <li><i>Establishing of information gathering processes from stakeholders regarding the propriety of current strategic priorities and representations thereof.</i></li> <li><i>Use of said information to draft options for stakeholder consideration.</i></li> <li><i>Execution of process to vet options with stakeholders to develop a final recommendation.</i></li> </ul>
<b>When?</b>	What is the timeline of activity and completion for this plan?	<i>This should cover much of calendar 2019, with substantial work and effort completed by the 2019 Thanksgiving holiday.</i>
<b>How Well?</b>	What key performance indicator (KPI) will provide a credible report of performance?	<ul style="list-style-type: none"> <li><i>Update to BoE of progress on process.</i></li> <li><i>Final report/recommendation to BoE.</i></li> </ul>

*Communications department is working with CEO to put process forward during the fall/winter of 2019. Plan appears to be on target for delivering results at 2020 APS.*

# 2019 Legislative Interim Committee on School Finance

Reset – Level Set – Finding a Way Forward

Brett Ridgway, Chief Business Officer

School District 49

August 2019

# SFA 2020 - prelude

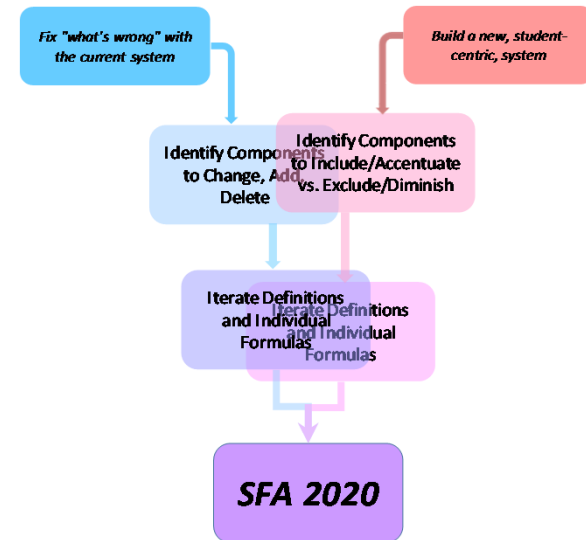

- The need to change the 1994 formula comes from:
  - an overall lack of clarity, transparency, and accountability for the components of the 1994 funding formula.
  - the inability to respond, and require response, to current industry trends (agility).
  - A skew in fund sourcing away from local share to state share which impacts the overall state budget and suppresses overall education funding.
  - Mill Levy Overrides have gone from an immaterial supplement for education funding, to a material component of the overall funding. However, great disparities in assessed value by district exacerbate rather than mitigate inequities of the funding formula.

# SFA 2020 - prelude

- We should move toward an improved funding formula to correct issues and limitations that have sprouted & evolved over time in SFA 1994.
- Change results should come from multiple players:
  - Legislative Interim Committee
  - Joint Budget Committee
  - General Assembly 72-2
- School District Finance Leaders should collaborate with each player, building SFA 2020 piece by piece, to something that is clear, transparent, agile, efficient and effective; with attention to the sequence of elements and accountability for funds in a new funding formula.

# SFA 2020

- What does SFA 2020 need:
  - Focus - Students
  - Design
    - Propriety of sequence
    - Clarity & transparency in presentation
    - Accountability for specific funds
    - Agility to meet changing needs & conditions
  - Intention
    - Correct the imbalance of local share and state share
  - Full Perspective
    - Recognize that additional, material, funding rests outside of the formula, (i.e. overrides) and creates inequity that needs balancing

With that, voters will be better able to determine how much more money can go to P12 education funding and respond.

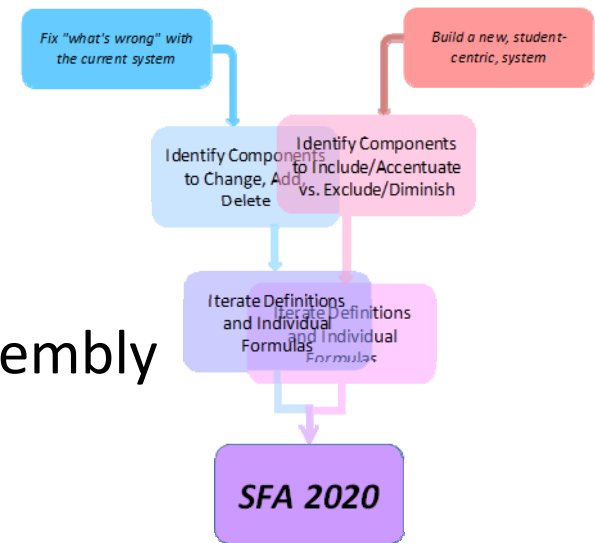

# SFA 2020

- How can/should/will it happen:

Sharing the task & coordinating multiple players:

- Legislative Interim Committee
  - Working on the needed purple solutions
- Joint Budget Committee
  - Focusing on the hard financial realities
- Regular Session #2 of 72<sup>nd</sup> General Assembly
  - Reviewing & filling in the gaps

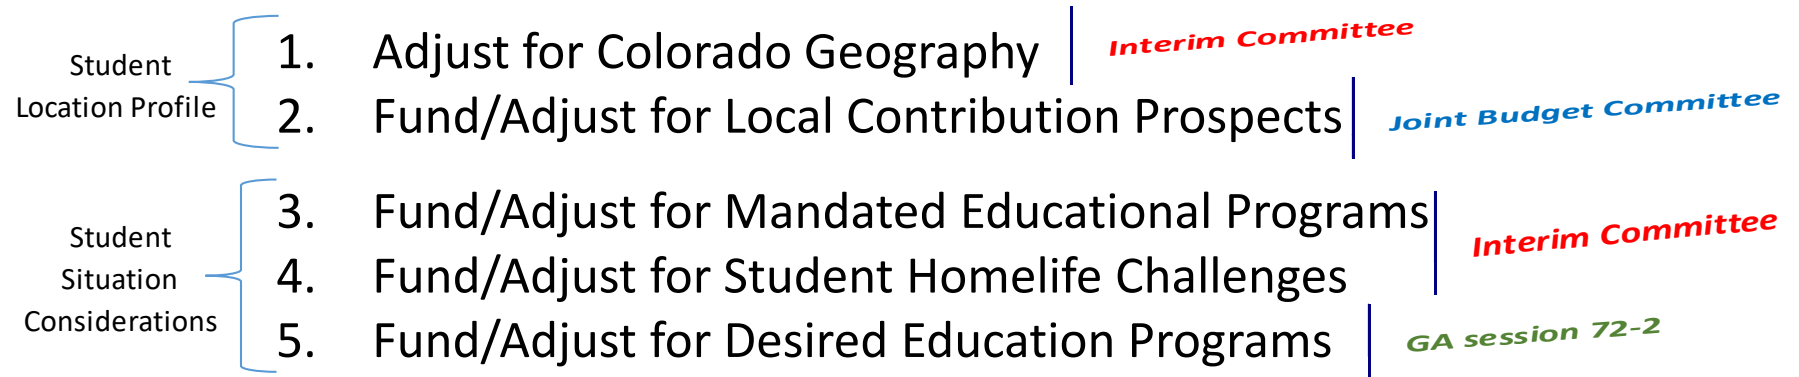

# SFA 2020

- Key Formula Components (address uniform & thorough)  
(address equity & adequacy)

- Base Funding (establish uniform/adequacy)

- Design of funded student count | *Interim Committee*

- Properly Sequenced Adjustments (support thorough/equitable)

- Facilitate Agility with timely measurements & corrections that impact designed formula inputs.

# SFA 2020

## Properly Sequenced Adjustments:

### Student Location Considerations

#### 1. Adjustments for Colorado Geography

Well-informed, self-balancing, formulas for Each Issue.

Issues listed in order of Appropriate Impact Value: (aggregate ≈ 5% of base)

- a) Rural / Urban / Suburban Location of Students
  - i. Rural Remoteness Adjustment (50)
  - ii. Student Sparsity Adjustment (50)
- b) Size of the District Conduit (delivers funds to students) (150)
- c) Cost of Living Factor (provide resources for students)
  - i. Tailored/measured for specific impact in each district (60)

# SFA 2020

## Properly Sequenced Adjustments:

Student Location Considerations

### 2. Adjust for the Local Contribution Prospects

Well-informed, additive, formulas for each issue:

#### a) Standardized General Program Levy (Total Program)

- Manage ability of local contribution up to predetermined limit (27?)

#### b) Mill Levy Override - Equalization & Incentivization

- Assessed Value / Student
  - Gallagher Amendment → effect on Residential Assessment rate → effect on District Assessed Value base ≈ ability to generate funds
  - Economic volatility from values of Oil & Gas
  - Economic development patterns
- Equalize local overrides already approved and incentivize additional investments

# SFA 2020

## Properly Sequenced Adjustments:

Student Situation Considerations

### 3. Fund the Fulfillment of Mandated Programs

Well-informed, additive, formulas for each issue:

- a) Special Needs Students - IEP & 504
  - Fully Fund all tiers of validated students
  - Program and access (transportation)
- b) McKinney-Vento
- c) Breakfast after the bell
- d) Others ....

# SFA 2020

## Properly Sequenced Adjustments:

Student Situation Considerations

### 4. Fund/Adjust for Student Homelife Challenges

Well-informed, additive, formulas for each issue:

RFP/Cost out 'appropriate menu' of service options to determine avg funding resources to local districts who choose how to program with reporting of impact.

Additional resources to support students impacted by:

- Poverty
- CLDE
- Deployed Military
- Corrections Connection
- Others ....

# SFA 2020

## Properly Sequenced Adjustments: Student Situation Considerations

### 5. Fund/Adjust for Desired Education Programs

Well-informed, additive, formulas for each issue:

RFP/Cost out 'appropriate menu' of service options to determine avg funding resources to local districts who choose how to program with reporting of impact.

Additional resources to support students for / in pursuit of:

- GT
- Career / Technical Education
- Concurrent Enrollment
- Blended, Online, Homeschool (discount to funding, not addition)
- Others...

# Improving Colorado P12 Education Funding

## Separate Paths to a Common Solution – The Purple Solution

# SFA 2020

## Mill Levy Override Equalization

### - Override Equalization & Incentivization Program

- Answer the basic question:** How much more/less should it cost one community to provide \$X per student of override support than another community? [This becomes the Community Multiplier] 1x? 2x? 3x? More? Some Fraction in between?
- Define the anchor point:
  - The anchor point # of mills to achieve TargetMax MLO\$ (e.g. 20% PFF). Where does that fit in the rankings of school districts?
  - Likely somewhere beyond the clear anomalies (>\$500k AV/sFTE)
  - Perhaps even beyond that (best of the twenty largest districts?)
- What is the incentive pattern?
  - Suggest something beyond simple linear, but still simple enough.
  - Determine a sweet spot that is somewhere after the local basic commitment, but short of the full opportunity.

### Colorado P-12 Education - SFA 2020 Model

Override Equalization Proposal - driven by key variable in with Program Standard Mill, Remoteness & Sparsity Sca

# Important Updates

## News from Leadership

Dear 49ers,

Welcome back from spring break! I hope you were able to relax and energize for the final weeks of the 2018-19 school year. While many of you are focused on the crucial work to finish this school year well, the business office has started looking ahead to next year already. These plans happen in sync with the state's annual legislative cycle that is currently playing out in Denver.

While there are not likely to be any truly foundational changes to education finance this year, there is hope for that in the near future. However, smaller scale changes happening now will have an impact for 2019-20.

The most significant item, in terms of impact to education finance, will be the move to funding full-day kindergarten. That was a campaign priority for Governor Polis, and he has continued focus on it with the state legislature.

As a refresher, all kindergarten students are currently funded at 0.58 student full-time equivalents (sFTE -

yes, there is a back story as to why it's such a strange number). Changing the funding from 0.58 to 1.00 sFTE will add funding for District 49 next year, and does so without extra cost requirements, since D49 already provides full-day kindergarten for our families.

Beyond that, there is hope for more impactful and fundamental changes with the extension of the Legislative Interim Committee on School Finance.

I have been and will continue to be engaged with that group to present and make recommendations to correct issues that exist in the current funding formula – those that directly impact D49, and those that are even more widespread. This work will begin in the summer and continue throughout the fall. More news to come!

As always, I thank you for your continued dedication to District 49. Enjoy the remainder of the 2018-19 school year.

*Sincerely,  
Brett Ridgway, Chief Business Officer*

---

Dear 49ers:

Welcome back from Spring Break! I hope you were able to relax and energize for the final few weeks of the 2018/19 school year. While many of you will be focused on that crucial work to finish this year off well, the Business Office is already looking ahead to next year. These plans happen in sync with the state's annual legislative cycle that is currently playing out up in Denver. While there is not likely to be any truly foundational changes to education finance this year, there is hope for that in the near future, and there are smaller scale things happening that will have an impact in 2019/20.

The most significant item, in terms of impact to education finance, will be the move to funding full day kindergarten. That was a campaign priority for Governor Polis, and he has continued focus on that with the state legislature. To recap, all kindergarten students are currently funded at 0.58 student full time equivalents (sFTE - yes, there is a back story as to why it's such a strange number). Changing the funding from 0.58 to 1.00 sFTE will add funding for D49 next year, and does so without extra cost requirements, since D49 already provides full-day K to our families.

Beyond that, there is hope for more impactful and fundamental changes with the extension of the Legislative Interim Committee on School Finance. I have been and will continue to be engaged with that group to present and make recommendations to correct issues that exist in the current funding formula – those that directly impact D49, and those that are even more widespread. This work will begin in the summer and continue throughout the fall. More news to come!

Thank you for your continued dedication to District 49.

Sincerely,

Brett Ridgway

**BOARD OF EDUCATION ITEM 8**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** February 27, 2019

**PREPARED BY:** Brett Ridgway, Chief Business Officer

**TITLE OF AGENDA ITEM:** MLO Ops Funding Allocation Review

**ACTION/INFORMATION/DISCUSSION:** Information

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:** The constituents of District 49 have once again supported a measure put to them by the Board of Education, approving 2018-4C by a preliminary measure of 56% in favor to 44% opposed. With that, despite information distributed by the District and the campaign committee, many will now appropriately wonder, ‘what does this really mean’.

**RATIONALE:** One of the major tenants of 2018-4C was that the purposes approved in 2014-34A and 2016-3B would stay consistent. Another aspect of 4C was that those two earlier overrides would be combined into the new result. Explaining how both of those things happen is now an appropriate discussion. This would include identifying and quantifying measures of secondary impacts (and beyond) to validate a new allocation methodology with a one-time reference to prior allocations.

**RELEVANT DATA AND EXPECTED OUTCOMES:** One of the unique complexities of 2014-3A and 2016-3B was that each had capital priorities and operational priorities. Now that the two are combined, how do we maintain the integrity of those priority intentions approved by the voters. We will do that with a clear, easy, allocation of total funds collected each year for those two purposes. We will also still engage with the Mill Levy Oversight Committee to make sure detailed plans and proposals fit with the voters intentions.

After an initial presentation of intentions for this distribution at the November 28, 2018 work session, additional work has been pursued to lead to a more complete definition for the district to use going forward. It is important to establish a new, appropriate, methodology for the allocation of MLO funds so that neither district staff nor community members nor school leaders are constantly ‘looking back’ to compare prior allocations and measure differences. A new methodology that is established through official Board of Education action would set a new starting point for all interested parties.

**INNOVATION AND INTELLIGENT RISK:** Building our Future Community continues to be a very strategic and ongoing process. The structure that is now in place after the passage of 2018-4C allows for annual investment in the stated operational priorities of Teacher Compensation, Safety & Security, Technology, and Educational Programs and capital priorities of a ten year cycle for refresh and refurbish and paying on securitization agreements to fund capital projects for balancing the regular high schools and constructing new elementary schools. With this structure, D49 can continue to invest the revenue streams that come from 2018-4C into those priorities, expanding the spends as additional revenue comes available from annual growth in district constituent’s cumulative assessed value of real property. This means future construction that can fit into the timeline of assessed value growth is already accounted for – completely unique in Colorado K12 education.

**IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Culture</b>	<b>Inner Ring</b> —How we treat each other	
	<b>Outer Ring</b> —How we treat our work	

Strategy	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	<i>Keeping our word and following through on commitments to our community.</i>
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	<i>Handling new facility needs, as possible, with revenue streams now dedicated to that purpose.</i>
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	<i>Improving programs, safety &amp; security, technology, and teacher compensation to put students in a place they can succeed.</i>
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	

**BUDGET IMPACT:** The Mill Levy Override fund will continue to grow due to the increased collections from the consistent MLO rate that will be applied to the growing community we serve.

**AMOUNT BUDGETED:** 2018/19 adopted budget = \$16.3mm. Amended Budget will be limited to \$16.5mm

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Provide feedback on recommended allocation percentage for future MLO collections.

**APPROVED BY:** Brett Ridgway, Chief Business Officer

**DATE:** February 20, 2019

**BOARD OF EDUCATION ITEM 7.01**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** April 11, 2019

**PREPARED BY:** Brett Ridgway, Chief Business Officer

**TITLE OF AGENDA ITEM:** MLO Ops Funding Allocation Formula

**ACTION/INFORMATION/DISCUSSION:** Action

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:** The constituents of District 49 have once again supported a measure put to them by the Board of Education, approving 2018-4C by a preliminary measure of 56% in favor to 44% opposed. With that, despite information distributed by the District and the campaign committee, many will now appropriately wonder, ‘what does this really mean’.

**RATIONALE:** One of the major tenants of 2018-4C was that the purposes approved in 2014-34A and 2016-3B would stay consistent. Another aspect of 4C was that those two earlier overrides would be combined into the new result. Explaining how both of those things happen is now an appropriate discussion. This would include identifying and quantifying measures of secondary impacts (and beyond) to validate a new allocation methodology with a one-time reference to prior allocations.

**RELEVANT DATA AND EXPECTED OUTCOMES:** One of the unique complexities of 2014-3A and 2016-3B was that each had capital priorities and operational priorities. Now that the two are combined, how do we maintain the integrity of those priority intentions approved by the voters. We will do that with a clear, easy, allocation of total funds collected each year for those two purposes. We will also still engage with the Mill Levy Oversight Committee to make sure detailed plans and proposals fit with the voters intentions.

After an initial presentation of intentions for this distribution at the November 28, 2018 work session, additional work has been pursued to lead to a more complete definition for the district to use going forward. It is important to establish a new, appropriate, methodology for the allocation of MLO funds so that neither district staff nor community members nor school leaders are constantly ‘looking back’ to compare prior allocations and measure differences. A new methodology that is established through official Board of Education action would set a new starting point for all interested parties. The parameters for a new formula were first presented at the February 27, 2019 Board of Education work session. The proposal was subsequently presented to the VoW Compensation Team on March 6, 2019, the MLO Oversight Committee and District Advisory and Accountability Committee on March 12, 2019; as well as the Charter School Leadership Team that same day. None of audiences expressed concern about the proposal as presented, which is consistent with both the original presentation and that set forth herein.

**INNOVATION AND INTELLIGENT RISK:** Building our Future Community continues to be a very strategic and ongoing process. The structure that is now in place after the passage of 2018-4C allows for annual investment in the stated operational priorities of Teacher Compensation, Safety & Security, Technology, and Educational Programs and capital priorities of a ten year cycle for refresh and refurbish and paying on securitization agreements to fund capital projects for balancing the regular high schools and constructing new elementary schools. With this structure, D49 can continue to invest the revenue streams that come from 2018-4C into those priorities, expanding the spends as additional revenue comes available from annual growth in district constituent’s cumulative assessed value of real property. This means future construction that can fit into the timeline of assessed value growth is already accounted for – completely unique in Colorado K12 education.

**IMPACTS ON THE DISTRICT’S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Cul</b>	Inner Ring—How we treat each other	
------------	------------------------------------	--

BOE Regular Meeting April 4, 2019  
Item #7.01, continued

	<b>Outer Ring</b> —How we treat our work	
	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	<i>Keeping our word and following through on commitments to our community.</i>
	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	
Strategy	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	<i>Handling new facility needs, as possible, with revenue streams now dedicated to that purpose.</i>
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	<i>Improving programs, safety &amp; security, technology, and teacher compensation to put students in a place they can succeed.</i>
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	

**BUDGET IMPACT:** The Mill Levy Override fund will continue to grow due to the increased collections from the consistent MLO rate that will be applied to the growing community we serve.

**AMOUNT BUDGETED:** 2018/19 adopted budget = \$16.3mm. Amended Budget will be limited to \$16.5mm

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** Move to approve the mill levy override annual funding allocation formula as recommended by the administration and direct the Chief Business Officer to bring appropriate policy changes to formally memorialize the necessary details of such.

**APPROVED BY:** Brett Ridgway, Chief Business Officer

**DATE:** April 4, 2019

April 4, 2019

---

*Providing stewardship, customer service and communication with and through our business team*

---

**Mill Levy Override  
Annual Funding Allocation Sequence, Priorities, & Management Thereof**

1. 76% of annual real property assessment funds received will be directed to Capital priorities to both make annual payments on previously issued Certificates of Participation, and accumulate additional available strips of annual funding to be collateralized to issue new Certificates of Participation to fund future large capital projects that are appropriately authorized by district constituents, the Board of Education, and District Administration.
2. 24% of annual real property assessment funds received will be directed to Operational priorities that were approved by district constituents during the elections of 2014-3A and 2016-3B. These 'MLO-Op' funds will be supplemented with a portion of specific ownership tax receipts each year that is, at a minimum 25% of the total specific ownership taxes received during each budget year.

The Operational funds will be further subdivided for the purposes of allocating funds to schools in the district into two pools of money

- a. 85% of the funds identified will be allocated to schools within the district based on resident student headcount.
- b. 15% of the funds identified will be allocated to schools within the districts based on total funded student count.

The Operational funds will also be additionally subdivided for the purposes of allocating funds to schools in the district into two other pools of money defined by priority spend type

- a. Between 60% - 75% of funds shall be directed to spend priorities established by ballot measure 2014-4A.
- b. Amount measured between 25%-40% of funds shall be directed to operational spend priorities established by the ballot measure 2016-3B

In order to manage the timing of cash flows, the Business Office shall withhold availability of 40% of annual funding until the fourth quarter of each fiscal year.

All spends will be vetted by the MLO Oversight Committee for their observations of the propriety of spend relative to priorities established in 2014-3A and 2016-3B, providing either 'endorsements' or 'cautions' to such plans. The Business Office shall facilitate such reviews and handle all accounting for spends on a reimbursement basis for charter schools, and on an actual spend basis for district operated schools. The Business Office shall further produce reporting that any interested party may use to stay informed on historical spending and known projected spending uses.

**BOARD OF EDUCATION ITEM 7.03**  
**OPPORTUNITY AND RISK: DECISION ANALYSIS FOR MAJOR DISCUSSION AND ACTION ITEMS**

**BOARD MEETING OF:** August 8, 2019

**PREPARED BY:** Brett Ridgway, Chief Business Officer

Business Office Policy Review:

**TITLE OF AGENDA ITEM:** a. DAA Continuing Financial Stability

b. DKC Expense Authorization Reimbursement

**ACTION/INFORMATION/DISCUSSION:** Action

**BACKGROUND INFORMATION: DESCRIPTION OF EXPECTATION/NEED/ OPPORTUNITY:** Board policy DAA is a non-standard policy of District 49 that focuses on appropriately conservative fiscal management as evidenced by a review of individual fund – fund balances. This policy generally applies to General Funds (plural). and this policy is written toward that end.

Board policy DKC is a non-standard policy of District 49 that focuses on appropriately conservative fiscal management as evidenced by a set of rules and processes around reimbursable costs of district employees and Board of Education members.

**RATIONALE:** It is rather easy to discern the general consensus of the District 49 constituent community, to be one of conservative fiscal management. This history of these policies, and edits made to them over the years, easily support that conclusion. However, as D49's financial management has evolved to a more precise and more sophisticated style and approach, the policy details are in need of update to that current perspective.

**RELEVANT DATA AND EXPECTED OUTCOMES:** The fund balance of The General Fund (singular) needs to be appropriate to manage cash flow needs of the fund and be a good reflection of fiscal management values of the constituent community. District 49's General Fund is resourced primarily through the School Finance Act of 1994 that provides Program Formula Funding. The resource is based on the funded student count each year, which therefore clearly indicates that those monies (as much as possible) should be spent on the education of students in that same fiscal year. Accordingly, accumulating too much fund balance is little better than having too little fund balance. Other General Funds (plural) need to have different strategies and targets for fund balance performance.

The wording of policy DKC, as written currently, is too open ended and would inadvertently allow numerous, small and immaterial, expense reimbursement claims. This could especially occur with personal vehicle-use mileage reimbursement claims. While not strictly prohibiting such reimbursement claims, the new language does set general expectations of certain personal vehicle uses that should not necessarily be reimbursed.

**INNOVATION AND INTELLIGENT RISK:**

What District 49 strives for, is a target window of fund balance rather than a simple, minimum, level of fund balance. This approach honorably recognizes the priority of educating students each year and balances that with the community constituent desire to have a fiscally-sound school district.

Recognizing a policy that is worded imprecisely and striving to correct that when identified.

**IMPACTS ON THE DISTRICT'S MISSION PRIORITIES—THE RINGS AND ROCKS:**

<b>Cul</b>	Inner Ring—How we treat each other	
------------	------------------------------------	--

BOE Regular Meeting August 8, 2019  
Item 7.03, continued

	<b>Outer Ring</b> —How we treat our work	<i>Always looking to do and be the best. Operating with precision and purpose, in an innovative approach.</i>
	<b>Rock #1</b> —Establish enduring <u>trust</u> throughout our community	<i>Honoring the preference of the constituent community for sound fiscal management.</i>
<b>Strategy</b>	<b>Rock #2</b> —Research, design and implement programs for intentional <u>community</u> participation	
	<b>Rock #3</b> — Grow a robust <u>portfolio of</u> distinct and exceptional <u>schools</u>	
	<b>Rock #4</b> — Build <u>firm foundations</u> of knowledge, skills and experience so all learners can thrive	<i>Sound fiscal management &amp; fund balance performance is a firm foundation for District 49 Business.</i>
	<b>Rock #5</b> — Customize our educational systems to <u>launch each student toward success</u>	

**BUDGET IMPACT:**

a. DAA - The Impact on any fund would be to effect the amount of resources that are available for expenditure each year vs. the amount of resources that need to be retained in fund balance. This is a year-to-year, fund-by-fund set of decisions.

b. DKC - Little impact from an overall dollar perspective on historical spend patterns, but potential benefit from go-forward process perspectives.

**AMOUNT BUDGETED:** The 2019/20 adopted budget shows a end-of-year, fund balance, target for The General Fund of \$11.85mm.

**RECOMMENDED COURSE OF ACTION/MOTION REQUESTED:** After a first read at the previous board meeting, I move to approve revisions to the two policies listed in item 7.03 as recommended by the administration.

**APPROVED BY:** Brett Ridgway, Chief Business Officer

**DATE:** July 26, 2019

Title	Continuing Financial Stability
Designation	DAA
Office/Custodian	Business/ Director of Finance and Accounting Group Manager

The Board of Education believes it has the duty to adequately finance current operations without jeopardizing the long-term financial condition of the District. A key measure of continuing financial stability is the dollar amount of the fund balance as presented in the audited financial statements. While that presentation may combine funds for its presentation, this policy is meant to apply to each distinct accounting fund that is established and managed in the district's financial accounting system. Many individual funds have specific guidance for fund balance, or strategy that is a simple extension of Revenue/Expenditure guidance for monies in that fund. Special Revenue, Internal Service and Fiduciary Funds normally have guidance and strategy that is fixed for their respective purposes. When such guidance or strategy does not exist (including General Funds [plural]), then the District shall establish a structure and strategy, unique to each fund, to ensure continuing financial stability.

### **General Funds - The General Fund**

The Board directs the Chief Business Officer, or designee, to annually report the status of the General Fund's year-end fund balance in two ways:

1. DAGR Measure: The simple ratio of fund balance to District Adjusted Gross Revenue (DAGR). This has been the traditional measurement with a desired target where fund balance = 10% of DAGR.
2. Cash Flow Measure: The amount of cash flow coverage established by the fund balance for the coming year's expected cash flow pattern, created by aggregation of monthly patterns of revenue and expense, in the coming year's budget.

Being informed by, and presenting the results of, those two measures, the Chief Business Officer, or designee, will provide analysis and opinion on the adequacy of the General Fund fund balance. As part of the review, the Chief Business Officer, or designee, will also provide proposals to increase, spend down, or maintain the General Fund - fund balance in the coming budget year, in a manner and an amount materially similar to the combined answer suggested by the DAGR and Cash-Flow measures.

### **General Funds - Mill Levy Override Funds**

The Board directs the Chief Business Officer, or designee, to annually report the status of the Mill Levy Override Funds year-end fund balance.

This report should demonstrate whether the fund balance reported adequately and honorably supports the intentions of the voters during previous Mill Levy Override (MLO) elections. As currently designed, MLO monies are managed as follows:

1. New Real Property tax revenue received each year is allocated as follows:
  - a. 76% of new money each year shall go to the MLO Financial Instrument Payment Fund. This fund makes financial instrument payments according to the structure of those instruments (e.g. Certificates of Participation) previously sold, and also accumulates fund balance for either:

- i. A future offering of financial instruments that will be issued to fund future new educational building projects as identified and prioritized by the Board of Education~~capital projects~~, or
  - ii. A strategy to pre-pay/refinance financial instruments previously sold, according to terms established as part of the offering of that instrument to investors, or~~Future cycles of the 'Refresh & Refurbish' strategy, originated in 2017.~~
  - 1. 'Refresh & Refurbish' strategy refers to the issuance of 10-year financing instruments that make available a pool of current funds to allocate monies to each educational building in the District (Operated and Chartered), for the purpose of providing resources for higher cost, infrequent, capital needs of a functional or esthetic nature.
    - 2. This 'R&R cycle' shall happen every ten years, and the total pool generated for R&R should adjust for inflation relative the change in student funding over that period, measured off of the original \$20mm invested in 2017.
    - 3. R&R projects pursued in each building should not sacrifice projects with functional needs in favor of those with mostly esthetic benefits. Accordingly, Building Leadership and District Operations staff shall collaborate on developing each building's project list; and that list shall be endorsed by each building's School Advisory Committee prior to initiating any project work.
- b. 24% of new money received each year shall go to Mill Levy Override Operational Spend Fund(s) (MLO-Op), where annual operating spends are made that are consistent with priorities established in ballot language that was approved by constituent voters.
- 2. A minimum of \$1 million of new money, Specific Ownership Tax, revenue shall be contributed to supplement Real Property Tax revenue in MLO-Op Fund(s).
- 3. All new money allocated MLO-Op Fund(s) shall be further allocated for availability to all district schools (including charter schools) as follows:
  - a. 85% of new MLO-Op money shall be allocated to schools based on resident student headcount.
  - b. 15% of new MLO-Op money shall be allocated to schools based on total funded student count.
- 4. After the allocation of new MLO-Op money to district schools is determined, each amount is further divided into spend pools as follows:
  - a. A minimum of 25% of new MLO-Op money shall be spent on the compensation priority of "Attracting and Retaining highly effective teachers by offering salaries and benefits that are competitive with other districts in El Paso County" as spelled out in constituent voter-approved ballot language.
  - b. All new MLO-Op money not allocated to teacher compensation above, is available to be used by the individual schools/zones in any of the other priorities established in constituent voter-approved ballot language as follows:
    - i. Offering classes for students to receive college credits, earn career certifications, and prepare for academics and employment after high school;
    - ii. Securing the grounds, traffic flow, main entries, and classrooms at district schools while training and equipping safety personnel; and
    - iii. Providing students with technology to adapt and accelerate achievement, as well as teacher training and support to enhance and assess learning

5. All MLO-Op monies allocated to schools and priorities maintain their assignment through multiple annual budget and financial cycles. If a particular school/zone has not appropriately used monies allocated to them, then the Board of Education may re-allocate funds from previous budget years. This may occur only after considering recommendations from the Chief Business Officer, or designee; the Community Mill Levy Override Oversight Committee, and the District Accountability Committee; and after hearing from the school/zone in question as to why the situation exists and what their intentions were/are for that money.
6. MLO-Op Fund(s) year-end fund balance shall include all previously allocated, but unspent, monies. In addition, the year-end fund balance should be set at a level adequate to fund spend requests in the following year. Such adequacy is currently set at 75% of the just concluded fiscal year's Real Property Tax revenue collected and Specific Ownership Tax revenue contributed to MLO-Op funds.
7. MLO-Financial Instrument Payment Fund(s) year-end fund balance shall include enough monies to meet the coming year's payments that are due before tax receipts are collected, plus all additional monies accumulated according to #1 a. i & ii, above.

- Adopted: November 4, 1999
- Revised: September 10, 2009

Title	<b>Continuing Financial Stability</b>
Designation	<b>DAA</b>
Office/Custodian	<b>Business/ Director of Finance and Accounting Group Manager</b>

Title Continuing Financial Stability

Designation DAA

Office/Custodian Business/ Director of Finance and Accounting Group Manager

The Board of Education believes it has the duty to adequately ~~fund~~ finance current operations without jeopardizing the long-term financial condition of the District. ~~The best~~ A key measure of continuing financial stability is the dollar amount of the fund balance as presented in the audited financial statements. While that presentation may combine funds for its presentation, this policy is meant to apply to each distinct accounting fund that is established and managed in the district's financial accounting system. Many individual funds have specific guidance for fund balance, or strategy that is a simple extension of Revenue/Expenditure guidance for monies in that fund. Special Revenue, Internal Service and Fiduciary Funds normally have guidance and strategy that is fixed for their respective purposes. When such guidance or strategy does not exist (including General Funds [plural]), then the District shall establish a structure and strategy, unique to each fund, to ensure continuing financial stability. An analysis of fund balance is enhanced by its relationship to revenue.

### **General Funds - The General Fund**

The Board, ~~therefore~~, directs the Chief Business Officer, or designee, to annually report the status of the General Fund's year-end fund balance in two ways:

1. DAGR Measure: The simple ratio of fund balance to District Adjusted Gross Revenue (DAGR). This has been the traditional measurement with a desired target where fund balance = 10% of DAGR.
2. Cash Flow Measure: The amount of cash flow coverage established by the fund balance for the coming year's expected cash flow pattern, created by aggregation of monthly patterns of revenue and expense, in the coming year's budget.

Being informed by, and presenting the results of, those two measures, the Chief Business Officer, or designee, will provide analysis and opinion on the adequacy of the General Fund fund balance. As part of the review, the Chief Business Officer, or designee, will also provide proposals to increase, spend down, or maintain the General Fund - fund balance in the coming budget year, in a manner and an amount materially similar to the combined answer suggested by the DAGR and Cash-Flow measures.

### **General Funds - Mill Levy Override Funds**

The Board directs the Chief Business Officer, or designee, to annually report the status of the Mill Levy Override Funds year-end fund balance.

This report should demonstrate whether the fund balance reported adequately and honorably supports the intentions of the voters during previous Mill Levy Override (MLO) elections. As currently designed, MLO monies are managed as follows:

1. New Real Property tax revenue received each year is allocated as follows:

- 
- 
- 
- a. 76% of new money each year shall go to the MLO Financial Instrument Payment Fund. This fund makes financial instrument payments according to the structure of those instruments (e.g. Certificates of Participation) previously sold, and also accumulates fund balance for either:
- i. A future offering of financial instruments that will be issued to fund future new educational building projects as identified and prioritized by the Board of Education, or
  - ii. A strategy to pre-pay/refinance financial instruments previously sold, according to terms established as part of the offering of that instrument to investors, or
  - iii. Future cycles of the 'Refresh & Refurbish' strategy, originated in 2017.
    1. 'Refresh & Refurbish' strategy refers to the issuance of 10-year financing instruments that make available a pool of current funds to allocate monies to each educational building in the District (Operated and Chartered), for the purpose of providing resources for higher cost, infrequent, capital needs of a functional or esthetic nature.
    2. This 'R&R cycle' shall happen every ten years, and the total pool generated for R&R should adjust for inflation relative the change in student funding over that period, measured off of the original \$20mm invested in 2017.
    3. R&R projects pursued in each building should not sacrifice projects with functional needs in favor of those with mostly esthetic benefits. Accordingly, Building Leadership and District Operations staff shall collaborate on developing each building's project list; and that list shall be endorsed by each building's School Advisory Committee prior to initiating any project work.
- b. 24% of new money received each year shall go to Mill Levy Override Operational Spend Fund(s) (MLO-Op), where annual operating spends are made that are consistent with priorities established in ballot language that was approved by constituent voters.
2. A minimum of \$1 million of new money, Specific Ownership Tax, revenue shall be contributed to supplement Real Property Tax revenue in MLO-Op Fund(s).
3. All new money allocated MLO-Op Fund(s) shall be further allocated for availability to all district schools (including charter schools) as follows:
- a. 85% of new MLO-Op money shall be allocated to schools based on resident student headcount.
  - b. 15% of new MLO-Op money shall be allocated to schools based on total funded student count.
4. After the allocation of new MLO-Op money to district schools is determined, each amount is further divided into spend pools as follows:
- a. A minimum of 25% of new MLO-Op money shall be spent on the compensation priority of "Attracting and Retaining highly effective teachers by offering salaries and benefits that are competitive with other districts in El Paso County" as spelled out in constituent voter-approved ballot language.
  - b. All new MLO-Op money not allocated to teacher compensation above, is available to be used by the individual schools/zones in any of the other priorities established in constituent voter-approved ballot language as follows:
    - i. Offering classes for students to receive college credits, earn career certifications, and prepare for academics and employment after high school;
    - ii. Securing the grounds, traffic flow, main entries, and classrooms at district schools while training and equipping safety personnel; and

- iii. Providing students with technology to adapt and accelerate achievement, as well as teacher training and support to enhance and assess learning
5. All MLO-Op monies allocated to schools and priorities maintain their assignment through multiple annual budget and financial cycles. If a particular school/zone has not appropriately used monies allocated to them, then the Board of Education may re-allocate funds from previous budget years. This may occur only after considering recommendations from the Chief Business Officer, or designee; the Community Mill Levy Override Oversight Committee, and the District Accountability Committee; and after hearing from the school/zone in question as to why the situation exists and what their intentions were/are for that money.
6. MLO-Op Fund(s) year-end fund balance shall include all previously allocated, but unspent, monies. In addition, the year-end fund balance should be set at a level adequate to fund spend requests in the following year. Such adequacy is currently set at 75% of the just concluded fiscal year's Real Property Tax revenue collected and Specific Ownership Tax revenue contributed to MLO-Op funds.
7. MLO-Financial Instrument Payment Fund(s) year-end fund balance shall include enough monies to meet the coming year's payments that are due before tax receipts are collected, plus all additional monies accumulated according to #1 a. i & ii, above.
- ~~The report will present the ratio of the prior year's fund balance to District Adjusted Gross Revenue (DAGR – total revenue less Charter School Allocated Revenue, as derived from in the audited financial statements. The ratio will also be given for each of the two (2) years preceding the prior year, as well as the projected ratio at the end of the current year. The information, thus presented, will allow any significant trends to be identified. The following format will be utilized:~~

General Fund fund	2nd preceding year	1st preceding year	prior year	current year
balance				
÷				
General				
	2nd preceding	1st preceding	prior	current
Fund revenue	year	year	year	year
=				
Resulting Ratio	2nd preceding year	1st preceding year	prior year	current year

~~In order to maintain financial stability, the Board believes the ratio should be at or above 10%, including the Tabor reserve. Such a "cushion" will allow the District time to react to decreased enrollment, decreased state funding, or a general downturn in the economy. If the ratio dips below 10%, the Chief Business Officer's annual report will state the reasons why and identify specific recommendations to ensure that it returns to 10% by the end of the current year.~~

~~General fund balance amounts above 11% at the close of the prior audited fiscal year are to be moved to the capital reserve fund to be spent according to State Laws and board policies FBC-R governing capital spending. Of the amount moved into the fund, each school will be allocated \$1,500 plus \$2.50 per FTE to be expended on capital projects identified by building administration. Priority shall be given to building fund allocations, in the event that there are not enough funds to cover the building fund allocations, the~~

~~funds should be allocated proportionally based on student count at the individual school sites. The recommended capital spending plan for this additional revenue will be brought to the Board with the amended budget in January of each year. In the event the Colorado Department of Education is predicting decreased state funding or other District priorities are identified in a fiscal year, the Chief Business Officer will seek Board approval to re-appropriate the excess funds based on priorities in order to ensure financial stability for the District.~~

~~All projects will be identified and approved by the Board prior to entering into repairs, improvements, and/or other contractual obligations.~~

~~With Board approval, amounts may be rolled over from one fiscal year to the next.~~

# 2018 Performance Review

### 7.3 WORKFORCE-FOCUSED RESULTS | 7.3A WF-FOCUSED RESULTS | 7.3A(1) WORKFORCE CAPABILITY AND CAPACITY

D49 currently employs just over 1,400 dedicated employees that strive to make District 49 the best choice to learn, work, and lead. Four workforce segments, administrative, professional-technical, licensed, and education support personnel share our VMV. SL monitor key results for D49's workforce through state reports, metrics captured in the HR data system, and data collected solely for the purpose of learning about employee attitudes and engagement.

D49 currently employs 944 teachers, of whom 60% have advanced degrees (Figure 7.3-1).. This marks a 4-year high. We predict this number to increase over the next three years due to enhanced Concurrent Enrollment planning and commitment. D49 has 78 administrative staff and 72 or 92% have advanced degrees. For positions that require professional certification or licensing, including educational, technical, and other professional positions, D49 is 100% compliant with regulations and policy.

#### 7.3A(2) WORKFORCE CLIMATE

In fulfillment of the district's VMV, SL have made staff wellness a workforce priority. The district health and wellness coordinator tracks data for multiple staff wellness initiatives. D49 aims to offer at least 5 district-level wellness programs per year. In SY 17, we exceeded this target by offering 5 district level initiatives and smaller programs offered at the school level. Beginning in April of 2015, the district began using the CDC's Worksite Health Scorecard, that allows D49 to make comparisons to other worksites. In SY 16, the district demonstrated a 5% increase in total score and targeted an additional 5% increase for SY

17. However, we eclipsed our target and demonstrated a 22% increase for a score of 156, accelerating our beneficial trend (Fig. 7.3-2). CSCI has equipped us to make positive changes in how we assess the engagement of our workforce. Specifically, we have improved the modality and scheduling of our staff surveys. We began surveying staff in SY 14 with an internally developed Big Rocks Survey then partnered with Hanover Research to refine our questions and ensure we were following survey best practices. We administered our second-generation survey through targeted emails and the district website. Though we saw gains, workforce participation was still below 50%. Recognizing the importance of deeper engagement to the district's mission (specifically the district

**Participation in VOW Monthly**  
**Good Levels, Beneficial Trends**

being the best choice to work), compelled us to partner with a national leader—the Korn Ferry Hay (KFH) Group—to pilot the VoW Annual in SY 17.

As part of our work with the KFH group, we deployed a comprehensive workforce engagement survey consisting of both standard normed questions and district-specific questions specific to our mission (Fig. 7.3-3—5). The bulk of this data will serve as a baseline moving forward, but the district-specific questions are trended with earlier survey results. The 4-year trend for workforce engagement is beneficial with 68% of the workforce contributing insights to the VOW Annual 2017. As a complement to the VOW Annual, D49 developed the VOW Monthly process which generated a growing rhythm of input from the workforce (Fig. 7.3-6). Engagement results segmented by workforce classification,

location, longevity, and demographic characteristics are AOS.

#### 7.3A(3) WORKFORCE ENGAGEMENT

D49's workforce is engaged with the mission and demonstrates beneficial satisfaction levels. The same results in Figures 7.3-3—5 that show positive perceptions of climate apply to engagement with our culture of learning as well. Results for engagement in learning demonstrate that more MWF are participating in professional learning, and they are consuming more classes and other learning opportunities at dramatically increasing rates. Figure 7.3-7—9 show that workforce members are taking advantage of learning

opportunities through the A!N, as well as using other resources on Schoology and attending the Reading Foundations Academy offered in partnership with CDE. This professional development focuses on increasing teacher capacity to improve acquisition of the five components of reading. Due to the overwhelmingly positive feedback from this course, D49 has offered it multiple times and each class has been at or near capacity. Segmented registration information and evaluations of A!N, Schoology interactions and the Reading Foundations Academy are AOS.

**7.3A(4) WORKFORCE DEVELOPMENT** | Because we aspire to be the best choice to learn, work and lead, ongoing development of all workforce segments is crucial to achieving our mission and vision. SL track and report workforce and leader development results on a monthly basis through the Aha! Network and Schoology. Three results for leadership development speak to the success of D49's commitment to people development. First, for the second year in a row, D49 is proud that one of our classroom teachers is a finalist

for the 2018 Colorado Teacher of the Year. D49 has an excellent history (AOS) of developing teachers and other leaders to the point that we currently employ seven honorees in various state level programs recognizing “of the year” performance. The second result for leader development is the number of state and national conferences what have invited D49 leaders to present. In SY 17 alone, D49 leaders presented more than a dozen sessions at 9 different state and national conferences including five national conferences. The third result that demonstrates leadership development is succession. D49 maintains an excellent balance of direct hires, direct succession, and indirect succession. Direct hires are SL who were hired from outside D49 directly into a senior leadership role. Direct succession refers to SL who were previously employed in the district in a different or less senior role than that they hold now. Indirect succession refers to SL who worked in D49, left employment to serve in another district, and returned to a position of senior leadership in D49. Figure 7.3-10 demonstrates D49's excellent balance at honoring “home-grown” talent while still recruiting leadership from outside D49. Results for position and succession success segmented by position, demographics, and longevity is AOS.

#### 7.4A(1) LEADERSHIP

D49 measures the success of key measures of senior leader's communication and engagement with all stakeholders first and foremost through our ability to win elections that support funding for our schools. Our bedrock, priority of maintaining trust with our community has enabled us to produce significantly positive results and beneficial trends resulting in taxpayer support of schools (Fig. 7.4-1—2). The CD deploys a variety of digital communications and surveys to students, parents, MWF and community. D49 also consistently engages with customers via in person meetings. These meetings range from established and scheduled staff meetings, parent engagement evenings, and community open houses. The district website and social media are publically available and allow for the greatest reach among customer groups to communicate, particularly for community members. For customer groups for whom we have digital contact information, the district uses email communication. The Bronto email system allows the district to track the receipt and response to these emails. Combined with automated workflows triggered by customer activity on D49.org has resulted in consistent improvement of click-thru rate in emails over the four-year period, even as the number of emails sent each year has risen. The noticeable drop in open-rate during 2015 is the direct result of an increase in emails sent through an innovation of reporting monthly results of BOE emails to customers that wasn't present in previous years (Fig. 7.4-3). SL in D49 recognize the importance of earning voter support, which is why trust has been the #1 strategic priority and Big Rock #1 since a bond election loss in 2011. The election results since SL began emphasizing trust and transparency have reversed completely (Fig. 7.4-1). Not only is D49 earning more support, but more voters are participating every year, with a significant improvement in 2016 (Fig. 7.4-2). Additional evidence, including the communications plans for elections in 2015 and 2016 are AOS.

**Figure 7.4-1**  
**District Election Results Rate**  
**Excellent Levels, Beneficial Trends**

Ballot Measure	Yes	No
2011 (Bond)	27%	68%
2014 3A (MLO)	61%	39%
2014 3B (Bond)	40%	60%
2015 3A (Districts)	74%	26%
2016 3B (MLO)	65%	35%

**Figure 7.4-2****Voter Participation in School Finance Elections  
Historic Levels, Beneficial Trends**

Ballot Measure	2010	2011	2014	2016

Power Zone	45%	40%	60%	78%
Sand Creek Zone	49%	46%	60%	76%

**Figure 7.4-3****Email Click Thru and Open Rates**

	SY 13	SY 14	SY 15	SY 16	SY 17
Open Rate	23.74	25.07	21.49	22.30	22.20
Click-Thru Rate	5.32%	6.08	5.87	7.68	7.80

In addition to receiving support from the community, D49 SL generate value for society and district stakeholders by providing facilities at reduced or no cost to community groups, students associations, and non-profit agencies. In SY 16 and 17, D49 returned over \$35,000 each year in in-kind value to our community. Also, according to a report by Hanover Research, *Short-Term and Long-Term Benefits of High School Graduation in District 49* (AOS) economic activity by D49 generates direct and indirect benefits to the district community. D49's educational performance also generates significant, quantifiable economic and social benefit through increased employment, decreased crime, decreased health care costs, increased income, increased income, sales, and property tax revenues, and reduced use of many public assistance programs. The average lifetime earnings associated with graduating classes in D49 equal \$57.2 million

per graduating class. To complement the financial value of facilities and educational results, SL in D49 have demonstrated personal leadership through volunteering in service and leadership roles for churches, community groups, non-profit agencies, youth sports leagues, leadership boards, and mentorships.

**7.4A.2 GOVERNANCE**

Our key current findings and trends in key governance accountability are measured by the BOEs commitment to policy review annually. Additionally, the BOE's commitment to the CSPP illustrates exceptional levels and trends for five consecutive years (Fig. 7.4-7). Fiscal accountability measure results are illustrated in (Fig. 7.4-1—2). Additionally, leaders at all levels participate in on-going training and development to support governance accountability. For the past 3 years, we have a stable high-level trend of 100% of our leaders, across offices participating in PD (Fig. 7.4-6). In the summer of '17, the district hosted its inaugural 2-day Leadership Launch which was open to district leaders and charter school leadership. Multiple sessions on diverse topics, such as Schoology, Restorative Justice, and Early Literacy, were offered and staff were able to attend sessions of interest. An evaluation concluding the event revealed that 100% of participants felt the event was valuable to their leadership and suggested repeating a similar event next year. In addition, in SY 17 the BOE completed its first self-evaluation, a multi-rater 360° instrument that is now guiding board goals and

**Figure 7.4-4****Volunteer Service Hours by SL  
Excellent Levels, Beneficial Trend****Figure 7.4-5****Volunteer Service Hours by SL

development. That survey is AOS, along with resultant BOE goals and action plans.

CO SL	100%	100%	100%

### 7.4A.3 LAW, REGULATION, AND ACCREDITATION

D49 operates in a highly regulated environment, subject to local, state and federal regulations. D49 maintains compliance with health and safety regulations and financial law. The district is accredited at the state level and our BOE accredits schools. The BOE considers a variety of inputs when accrediting schools (i.e. academic achievement, growth, postsecondary and workforce readiness, safety). From 2010 to 2017, D49 maintained 100% accreditation for both the district and schools. In addition, since 2012, D49 has maintained 100% compliance with financial transparency requirements, CORA provisions, COMA laws for open meetings, safety accreditation, and inspections and operational practices for nutrition services and transportation. Many detailed results are available on our website and the rest are AOS.

**7.4A(4) ETHICS** | To Ensure all levels of leadership are acting ethically, D49 collects annual signed commitments to ethical practices and policies. Beginning in 2017, the SLT deployed an Ethics VOW to all BOE, SLT, and BL, aligned with our Compass Values. 100% of those SL vowed to uphold high ethical standards and our compass values. D49 has also formalized a grievance policy and process that can be used by all customer groups to appeal the decision making of leaders. Since initial deployment of this process in February 2015, a total of 41 grievances have been submitted, by a combination of parents, staff and a vendor (Fig. 7.4-8).

### 7.4A(5) SOCIETY

Results for societal well-being and support for key communities are evidenced in the service hours provided by SLT and ZL (Fig. 7.4-4—5). Further results for contributions to fulfill societal responsibilities and support for key communities are reported in the Hanover report and facility rental and provisions described in 7.4a(1).

### 7.4B STRATEGY IMPLEMENTATION RESULTS

In SY 14, D49 identified the strategic priorities of PL and 49 Pathways. Subsequently there has been a deliberate focus and attention on initiatives around these 2 areas and the results of these new initiatives in strategies are evident in the good results and positive trends (7.1). In addition to maintaining 100% accreditation, 100% of schools submitted UIP APs for the past 3 years. Both of these metrics illustrate an optimum stable trend. Further, 100% of schools developed and submitted SHIPs we complete school health improvement plans (SHIPs). These are to the BOE for approval. We have maintained the stable trend of 100% completion at each schools (Fig. 7.4-10). Beginning in spring of SY 17, D49 began tracking and reporting all action plans developed through the CSPP in Cascade. An early SL pilot let to a launch point in June and the increase in numbers of plans, update, and alignment percentage is a successful result (depicted in 7.4-9) and available for demonstration onsite.

**Figure 7.4-10  
Action Plan Development Results**

### 7.5 BUDGETARY, FINANCIAL AND MARKET RESULTS | 7.5A BUDGETARY, FINANCIAL AND MARKET RESULTS

Positive student achievement results do not happen without sound fiscal planning that supports the district's educational programs and services with the end results to increase achievement for all students. The Colorado school funding system, like many across the nation, is complex and flawed in specific areas. Even with these external limitations, D49 has a robust, innovative, and student-

driven process for allocating funds to support all operations and instructional efforts. Our district has been recognized numerous times, and by multiple agencies, for our success in moving to an innovative student driven funding model.

#### 7.5A(1) BUDGETARY AND FINANCIAL PERFORMANCE

The D49 Business Office's Finance & Accounting Groups, intend to have precision in key financial priorities. We achieve Precision through accuracy in forecasting financial performance in priority areas: Fund Balance, Personnel Costs, Implementation Costs, Program Formula Revenue and All Other Revenue. We meld the results of those five points of precision performance into the '5 point performance' final grade for the year. Our self-imposed window of precise performance is a tight window 2.5% wide of 98.5% - 101%. Numbers outside of the range may not be 'bad' - just imprecise. For measures that fall outside of the window, there is

**Figure 7.5-1**  
**Window of Precise Performance**

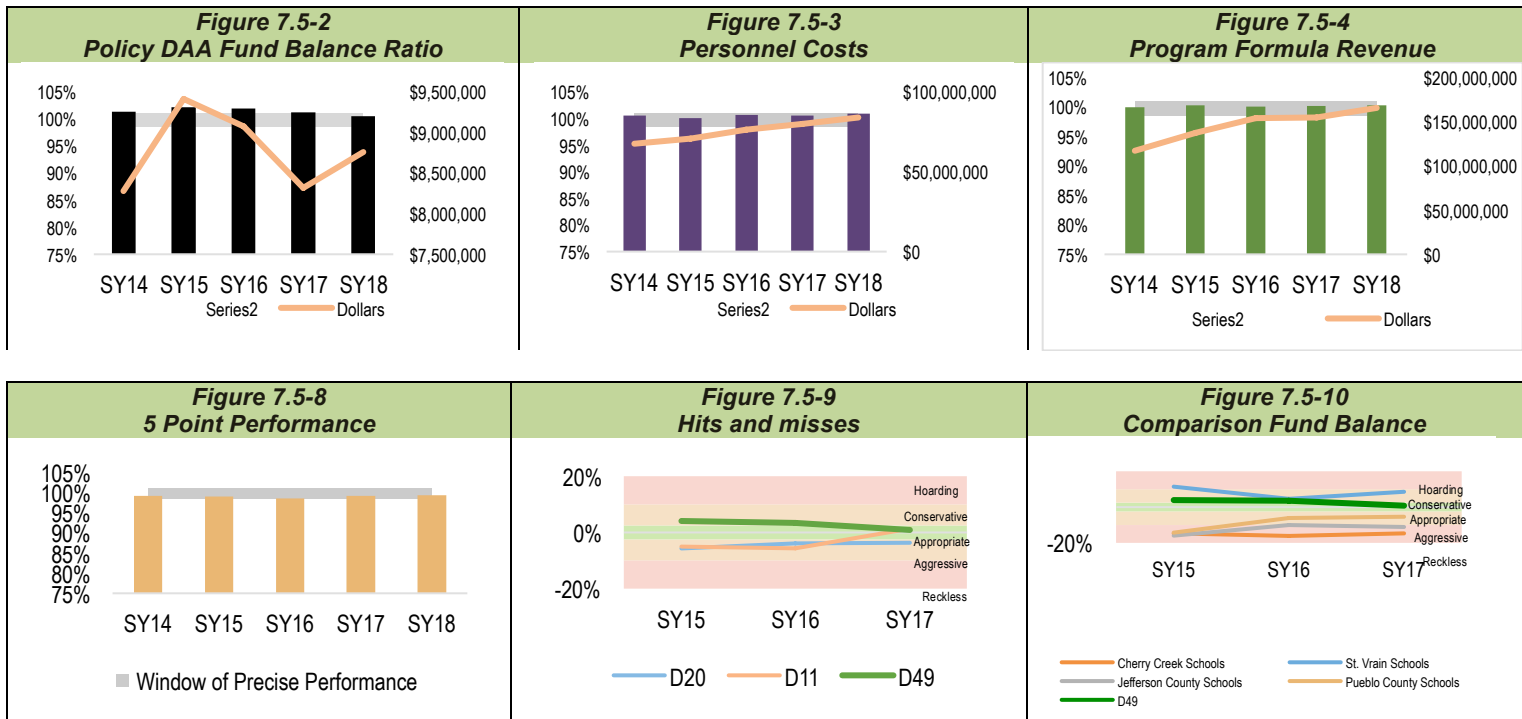

often a clear preference for which direction outside is acceptable (i.e. a 'good miss'). For example, fund balance below the window would indicate poor forecasting and execution of financial plans, while fund balance above the window could indicate appropriate conservatism, or cumulative overperformance. Personnel cost results above the window would similarly indicate poor forecasting and/or execution of financial plans while small increments below the window could indicate appropriate conservatism. Program Formula Revenue variances outside of the window in either direction, however, would indicate poor forecasting.

The FY17 and FY18 results represent the best achievement of what has been an improving trend over the last five years. The 5 point performance melded rate is 99.20%, which is just 0.05% off of the precision window midpoint of 99.25%. The secondary measure is also informative - observing how many points hit within the window each year, and then also, how many points hit or miss in the acceptable direction. In 2016/17, four of the five measures landed within the Window of Precise Performance. The lone outlier missed by only 0.09%. That small miss is in the 'wrong direction' but the immateriality of the miss makes it a 'technical miss' rather than a true indication of process deficiency. The relationship between the two lines is also important to note. The closer those lines are, the more precise our performance is and the less we rely on luck and/or offsetting variances.

D49 recognizes that as a public entity funded annually to operate public schools, there is a need to manage annual funding in a way that is both wise and appropriate from a cash flow perspective, and appropriately resources the educational program each year so that funding received to educate students in a particular year is spent on those students in that year. This creates both an upper boundary for fund balance to ensure we spend what we should, and a lower boundary, to ensure we are good fiscal agents of public funds. District 49 has formalized this intention with a much more rigorous fund balance policy (Policy DAA) than is normally suggested by CASB. This policy recognizes the upper and lower boundaries and requires explanation and follow up when fund balance does not fall within that range. Policy DAA is regularly referenced in budget presentations and discussions as an anchor point and key indicator of overall success in financial management. The Fund balance policy is a strict measurement of the general fund #10, which is a component of total general funds for the district. Beyond just having an appropriate fund balance is the development of a budget to meet that fund balance target and the execution of an annual financial plan to meet the budget target. This graph shows both the propriety of the target and the ability to meet that target. Again, District 49 strives for a narrow window correct or

appropriate results, with acceptable deviations (either conservative or aggressive) on either side that precede inappropriate deviations that show either inappropriate fund balance accumulation (aka 'hoarding') or inadequate fund balance accumulation that is a level of risk that is cavalier and could become reckless.

While not a measure of financial performance per se, spend per pupil, determined by state and local regulation is definitely a crucial metric in terms of planning and district comparison. Our local community has historically been hesitant to pass additional taxes to support education. Thus, our spend per pupil is lower than that of our competitors. This encourages a high degree of fiscal responsibility as we provide a wider range of educational opportunities with a lower level of funding. The overall trend of D49 is stable, and D49 continues to have a lower spend per pupil funding as compared to our competitors and of the ComDex.

To ensure we are being responsible stewards of taxpayer money, operating at maximum efficiency and keeping resources close to students, target ratios were developed for administrative staffing. In '16, the senior leadership worked to identify ideal ranges for both the ratio of administrative staff to students and the percent of administrative salaries as a percentage of DAGR. The BOE approved these targets. This allows us to "build to the band" and project staffing needs. We met the target in the year following adoption. In the current year, we are currently operating outside of the optimum range, suggesting that while we are operating at a high degree of efficiency, we might be actually too lean, straining the capacity of administrative support for our schools and programs

#### 7.5A(2) MARKET PERFORMANCE

Because Colorado is a choice enrollment state, parents may elect to send their students to a district other than that of their residence. This creates a degree of competition amongst school districts. However, attracting students must be done intentionally and thoughtfully to ensure that districts have the capacity to serve first its resident students first. Moreover, because large scale construction projects are generally paid for through bond and mill-leaves, additional taxes paid by district residents, accepting out-of-district students to the point of needing additional facilities represents a violation of tax-payer and community trust. To this end, D49 monitors several metrics related to choice enrollment such as overall market share of students in El Paso County, overall net gain/loss due to choice enrollment as well as segmentation measures of enrollment from residential enrollments, bordering districts, non-bordering districts and residents not enrolled.

Figure 7.5-14 indicates market share for D49 and our competitor districts. The overall trend is beneficial, while that of D11 is adverse and D20 is stable. Our market gains are attributable to both our desirable portfolio of schools and the newer age of our

community. In contrast, D11 has an aging community that is beginning to atrophy. D20 has plateaued in terms of community age and development. These factors lead us to predict this upward trend of market share ownership to continue for D49.

The absolute numbers of students choosing in and out of the district can be seen as a measure of student/parent satisfaction, but understanding this same data in terms of percentage of student population provides actionable information for budgetary and planning purposes. As previously noted, the large spike in the net percentage of choice students in D49 in '14 can be attributed to the acquisition of GOAL Academy. However, this trend continues to be upward and beneficial. Our net percentage of choice enrollments is above that of the ComDex and that of D11. Though D20 has a greater net percentage of choice students, theirs is not ideal, as it skews toward traditional enrollment (rather than online) to an extent that they have needed to ask constituents to build beyond their necessary resident student capacity.

However, leveraging D49's exceptional partnerships and PDES, we have found a way to serve larger numbers of non-resident students without overburdening our local community using online offerings. One of our partners, GOAL academy is the largest AEC in the state serving over 3,000 students. Additionally, we have a coordinated blended school, SSAE. This provisioning of online educational opportunities allow us to educate students without concerns about physical capacity and building needs. The additional programs needed to support these students is generated solely with annual per pupil funding. When we look at this percentage of students choosing in to online programs, D49 leads competitor and comparison districts by far. The overall trend is beneficial and upward, though there was a decline in the percentage of students choosing in online as compared to the year prior.

To compare our educational results against the market, we examine the relationship between student funding and ACT scores. For each high school in our competition districts and D49's three coordinated high school, an efficiency value is calculated by taking per pupil Revenue plus MLO money received for each student at the high school and dividing by the average ACT score. The value for each high school is then averaged to get a single value for the district. In examining trends, D49 has consistently been more efficient than D11 and is comparable to D20, (Fig. 7.5-17), analysis AOS.
