Teen Idol

Aliyah Mobley

"Congratulations, you've just won Teen American Idol!" Eighth grader Aliyah Mobley has been singing since she was eight years old and just recently, she won Teen Idol at the Winter Fest this past February. Aliyah took control of the stage singing "Reflections" by Christina Aguilera. "My favorite type of music is pop," Aliyah tells us. The Teen Idol contest was Aliyah's very first singing competition. Her experiences in her many chorus performances and school plays really help her. One day, she hopes to be a singer and songwriter just like Taylor Swift, her inspiration.
