PARENT INVOLVEMENT POLICY

The staff and parents at HMS believe that the improved academic achievement of each student is a responsibility shared by the entire school community. This includes the school district, school administration, school staff members, students, community members, and parents.

SCHOOL FAMILY COMPACT

All parents, students and school staff members are asked to sign the HMS Compact at the beginning of the school year. The compact is an agreement between the parents, students and school that says we will all work together to ensure the academic success of every child.
