**January 11, 2024**

Winter is definitely here along with the wind. Weather conditions should determine a child's apparel. Please be sure your child dresses adequately for cold weather. We will have outside recess outside unless it is below 17 degrees with wind-chill and/or it is raining or snowing. All students are expected to participate in recess unless there is a documented reason stating otherwise. (Link in Family Handbook) Students should NOT be dropped off before breakfast starts. Breakfast starts at 7:45am. If your student is late, you do need to sign them in at the front office.

NO SCHOOL tomorrow for elementary students due to professional development and no school Monday for the district due to the holiday.

Safety & Security Reminder - As a screening and safety measure to ensure we are only letting welcome visitors into the building, please do not hold the door to let anyone into the building without having them ring the doorbell to announce their presence and task desire. The office staff needs to be sure the visitors have their ID's and are aware of them entering the building.

Please remember, if you contact your child's teacher, please allow 24-48 hours for a response. Our teachers are hard at work in their classrooms, and most often don't have time to check emails or voicemails during the school day.
