

Husky Highlights

February 2, 2024

February 2, 2024

What a gorgeous week we had. It was so nice to be able to have the students go outside for every recess. This was our first full week in quite a while. Please note that every week in February is a short week. You can review the district calendar linked here: [23/24 School Year Calendar](#) NO STUDENTS next Friday, February 9th for Professional Day. Parent/Teacher conferences are Friday, February 16th. You should receive an email from your student's teacher with a sign-up genius link. If you do not and would like to meet with the teacher, please contact the teacher directly.

We only have 190 Intent to Return submissions. Please go into your parent portal and fill those out for each student. This time of year we are beginning to prepare for next school year. Filling out the form helps us plan for next year for staffing, number of seats per class, etc. If your plans change, we understand, just give the front office a call to let us know at (719)494-8700.

Kindergarten Round-Up is set for Wednesday, May 1st this year. We will have a couple of afternoon times and one after school. We will start making phone calls in mid April to set up times for the enrolled incoming kindergarten students. The new cut off date is 1 October. If your child will be 5 years old on or before 1 October, you may register him or her for kindergarten for the 2024/2025 school year.

Our PAWS for BOOKS Book Fair is coming! It is open from February 12th through February 16th. We still need volunteers! Click on the following link for more information. (You must be vetted as a volunteer to be able to come in to volunteer for the Book Fair).

<https://www.signupgenius.com/go/10C0849ACA822A3F9C25-47317976-paws>

The Book Fair E-Wallet is back, too! It's a great way to safely send money for books that won't get lost. Go to our Book Fair website to get all your Fair information.

The next Dine-Out is at Birdcall on February 9th. Check out the attached flier for the details.

Join the Kids Heart Challenge at Ridgeview Elementary! Our goal is to rally all families to join our team, learn Hands-Only CPR, build awareness, and raise \$7,000 for the American Heart Association.

Ready to kick off? Sign up, make a lifesaving donation, and start Finn's Mission by downloading the free app for [iPhone](#) or [Android](#), or registering online:

http://www2.heart.org/site/TR?fr_id=9733&pg=company&company_id=436126

Students who complete Finn's Mission will get a Glowstick Party! The first class to have every student registered online gets a Free PE Day! The Colorado Springs Switchbacks have a special opportunity for kids that raise \$25 to come to a game and any student who raises \$50 will qualify to purchase discounted tickets and get a special ON COURT experience with the Denver Nuggets! Also, when Students raise \$100, they will get to Color Blast Mr. Shanks!

If 50% of our students register online our school will receive a \$500 bonus for fitness and well-being equipment.

The heart of the matter:

One family saved a life with Hands-Only CPR that they learned from Finn's Mission. Hands-Only CPR, provided immediately after sudden cardiac arrest, can double or triple a victim's chance of survival.

¡Únete al Kids Heart Challenge en Ridgeview Elementary! Nuestro objetivo es reunir a todas las familias para que se unan a nuestro equipo, aprendan RCP solo con las manos, creen conciencia y recauden \$7,000 para la Asociación Americana del Corazón.

¿Listo para empezar? Regístrate, haz una donación que salve vidas y comienza la Misión de Finn descargando la aplicación gratuita para [iPhone](#) o [Android](#), o registrándote en línea:

http://www2.heart.org/site/TR?fr_id=9733&pg=company&company_id=436126

Si el 50% de nuestros estudiantes se registran en línea, nuestra escuela recibirá un bono de \$500 por equipos de acondicionamiento físico y bienestar.

Lo importante del asunto:

Una familia salvó una vida con RCP con solo manos que aprendieron en Finn's Misión. La RCP con sólo manos, aplicada inmediatamente después de un paro cardíaco repentino, puede duplicar o triplicar las posibilidades de supervivencia de la víctima.
