Sand Creek High School  
**Phone:** (719) 572-0924

## Schedule

Practices will be Monday, Tuesday, and Wednesday until 4:30.

The week of the regional competition, the practices will be Monday, Tuesday, Wednesday, and Thursday until five or when the runthrough of the case is done. Dates and times may change.

## What is Mock Trial?

Mock Trial is an after school club which takes members into the justice process and allows them become a part of it.

The Mock Trial club is given case studies written by members of the Bar Association and offers the opportunities for club members to take on common roles in the courtroom. Taking their case to the Colorado Springs Courthouse to compete against other teams from the region, club members are placed in a room set up to the same standards as any American courtroom to actually get accustomed to exactly how our justice system works.

## Who Can participate?

In Mock Trial, anyone can participate in grades 9-12. Students must be willing to work as a team and with the coaches. Students, also, must maintain a passing grade in all classes. Anyone is welcome to join Mock Trial.

## Benefits for Students

This activity gives students the opportunity to experience and see what a day in real court would be like. It gives them experience for a future career in this field.

Mock Trial gives students a chance to be apart of the Justice System and experience court in a competitive manner. Helping the students to become innovative, gives them the ability to think quickly and coherently, and prepares them for real life situations.

There can be no peace without justice, no justice without law and no meaningful law without a Court to decide what is just and lawful under any given circumstance.
