

February PTO Meeting

Engage:

PTO Attendance Sheet

Pam and I had the privilege of going to the HRS Level 1 Summit in Texas. We had a lot of learning. One of the breakout sessions was all about Educator Wellness. With this training we talked about ways to support wellness with little manageable steps. One of the steps is to Spread Kindness. Take two minutes to text someone/others words of kindness.

Explore: Mission of IVES PTO

Working collaboratively together, we institute close working relationships between parents and guardians, our community, teachers, and students by evolving opportunities within the school, home, and community.

IVES PTO Agreed Upon Norms

How do we want to treat each other as we serve on this committee: Open minded, with understanding, mutual respect, patience, humility, empathy, seek first to understand before being understood, listen to the quiet voices, confidentiality, presume positive intent

What does it look like to build relationships with the school community? Trust, function together for the greater good, transparency, common goal, open door policy, networking, information sharing, being involved, loyalty, solution oriented
