- Build capacity for family engagement.
- Meet the requirements of the Every Student Succeeds Act

**Parent involvement policy-** The staff and parents of RVES believe that the improved academic achievement of each student is a responsibility shared by the entire school community. This includes the school district, school administration, school staff members, students, community members and parents (as defined for purposes of this policy, and to include guardians and all members of a students family involved in the students education).

**School Family Compact-** The compact is an agreement between the parents, students, staff, and school that says we will work together to ensure the academic success of every child.
